

Royal City Soccer Club summer camps teach more than just soccer

The Royal City Soccer Club, a registered non-profit, is excited to announce the 21st year of hosting Canada's #1 grassroots summer soccer day camps. The camp program is uniquely designed to promote personal development, team building and of course, have fun playing soccer. With a soccer focus in the morning and a supervised leisure swim with other organized camp activities in the afternoons, all boys and girls between the ages of 5 and 13 are encouraged to join. This summer, Royal City will host camps during July and August in Aurora (Northern Lights PS soccer field), Newmarket (Stuart Scott PS soccer field and Ray Twinney Rec Centre field), Maple/Vaughan (St David school soccer field), Richmond Hill (Helmkay Park and Richvale Athletic Park), Markham (Milliken Mills Park), Thornhill (Blessed Scalabrini Catholic school field), and Woodbridge (Vellore Village fields).

The benefits of soccer camp for kids might seem obvious ? healthy, physical activity. But at Royal City, soccer camp is so much more. Boys and girls will learn life skills which extend far beyond the one or two weeks of their camp session. Campers learn leadership and team skills while gaining self-confidence that doesn't come easily in some environments.
