Fun for all at annual King City Festival

There was something for everyone at the third annual King City Festival Saturday, making it the best event to date. The arena grounds were packed with visitors. Here, this "polar bear" drew a lot of attention as he strolled the grounds, promoting an upcoming production by Next Stage Theatre Company, at the Kettleby-Pottageville Lions Hall July 5 and 7. Turn to Page 10 for more photos of the festival.

Environmental commissioner encourages King to get engaged

By Mark Pavilons

Despite our green goals, Ontario is still waging an uphill battle to combat climate change.

In the face of a warning from Ontario's environmental commissioner, there is hope and optimism, which rest in the hands of the public and municipalities.

Gord Miller, Ontario's environmental commissioner, visited Nobleton Library last week, letting residents know about his role, the state of our environment, and the power that taxpayers have with in their grasp.

Miller, who's in his third term as commissioner, pointed out Ontario is unique in the world regarding its environmental policies and watchdogs. Our Environmental Bill of Rights is unique to our province and this legislation enshrines many rights. One of the more important ones is the right to ask for a review of any provincial policy or legislation. All it takes is two citizens to file a request and Miller's office forwards it to the appropriate ministry, which must respond.

He added there are also provisions regarding the right to sue, if harm to a public resource can be proven. The bill also has strong whistle-blower protection.

"Citizens have power and pressure works," he said. Requests from the public give him great moral authority to proceed with inquiries.

Oak Ridges-Markham MPP Helena Jaczek concurred, noting the key to getting attention at Queen's Park is repetition. She said constructive submissions from a number of residents does make a difference.

Gord Miller

He even picks out subtleties in revamped legislation. He pointed to recent changes in regulations government livestock compensation – animals killed by predators. The list includes some odd creatures, some of which are not even native to southern Ontario.

From land use planning and green energy to protecting wildlife, Miller's office handles it all. He offered a list of marine animals native to Ontario that most residents, and some ministry staffers, aren't even aware of. Ontario is home to polar bears, orcas, seals, walruses and belugas.

But Miller is patient and he "plays a long game."

Of particular importance to King, and southern Ontario, is the scheduled 2015 review of major pieces of environmental policy – the Niagara Escarpment Plan, Oak

Ridges Moraine Plan and Greenbelt plan.

The ORM plan is a good one and serves as a successful model, he said. The problem moving forward is to protect the integrity of each plan in the whole and recognize the unique Moraine policies.

Special interest groups and municipalities should begin a review of these policies

now, in preparation for 2015 by gathering data and lobbying the Ministry of Municipal Affairs and Housing, which is not known for being particularly progressive.

Residents and municipalities can motivate the ministry into action. But they need a push.

Public consultation events are planned for the review and Miller urged everyone to "take

advantage of it." Miller said the province is in a "huge state of flux" and he's often frustrated by policy statements that conflict with scientific evidence. The recent announcement about resurrecting the Pickering airport is a case in point.

More emphasis is needed on conservation.

See 'Failing' on Page 8

The government's focus on the environment means Jaczek wants to hear from constituents on moving forward.

Miller's office reviews environmentally significant regulations and legislations, and he pens several annual reports presented to the legislature.

While he can be the government's best friend, he admitted he's "ruthless" as a critic.

Getting to know one another and ourselves

We are more connected than we tend to think.

Each one of us humans has many things in common - we're all members of the same race; we are either husbands, wives, brothers, sisters, parents, sons, daughters and friends.

We are more than the sum of our parts and we are more than the total of our experiences. We're not really strangers, you know.

Most of us laugh and cry over the same situations, but of course some of us (guilty as charged) have an admittedly odd sense of humour.

Most of have felt love - so much that it made us cry.

I once asked filmmaker Norman Jewison about the meaning of life as he sees it, hoping for a profound answers. All he wants people to take away from his films is an understanding of ourselves. Maybe that was profound.

It can take an entire lifetime to truly know yourself, and to feel comfortable in your skin. I have known

many people at various ages, from all walks of life, who were still learning and trying to figure it all out. There is no definitive answer.

If it's a challenge to really know ourselves, how difficult is it to know our friends, family members and significant others to know us, too?

Here are some questions to ask your friends, colleagues and even family members to see if they who knows who. Do they have a nickname? What's their favourite meal or restaurant? What sports do they enjoy and what's their favourite flavour of ice cream? What type of music, TV shows and movies do they like? Have they ever run out of gas or failed their driving test?

These may seem trivial but they can reveal details about us, and how observant we are regarding those around us.

I have met hundreds of people in the community and I have gotten to know many fairly well. I believe some have gotten to know me as

Mark Pavilons

well, either in person or through my columns.

I have found it quite easy to get to know King residents. Is it the water? Is the fresh air? Why are they so happy and friendly? And for my part, getting to know others means making an effort, taking a few moments to share a laugh or really listen to what they're saying. The rewards are almost unfathomable.

I like to think of myself as a good reader of character. By and large, I can tell if people are decent, genuine, honest. I can sense if they're truthful and committed to a cause. I know whether they've been blessed, or had to struggle most of their lives. I can feel if they cherish their family above all.

Psychic abilities or intuition? Hey, if I owned a crystal ball, I would have won the lottery a long time ago and I'd be on the beach somewhere, not writing these words (not that

there's anything wrong with that).

So, let's accept the fact most of us don't know one another's eye colour, designer clothing preferences, hobbies or what type of car they drive. We likely don't know if they prefer a lake or ocean or whether their heart lies in the city or country.

As social creatures and neighbours who share the same piece of real estate, we tend to care about one another. Let's also accept that maybe some of these trivialities don't really matter at all. What does matter is taking the time to get to know one another and making an effort to exchange pleasantries. Simply smiling and saying "hello" as we pass on the street or at a community event is more than cordial.

In many ways, we're all in the same boat, burdened by the same pressures. We all have good days and bad days and we all make mistakes.

I have known wealthy people and I have known poor ones, too. Everyone has a story and everyone has a heart. I enjoyed packing up food for the needy just as much as rubbing elbows with the elite at expensive fundraisers. I have enjoyed limo rides and I have been unemployed. I have felt pain and I have known joy. I have lost all of my family members and I have witnessed the birth of all of my children.

They say all of these are necessary in our journey. I need my pain, my bad experiences - they have shaped me and provided me with perspective, and a certain amount of wisdom.

I have wanted more. But I have always felt it

was important to be a good person.

We can regret what we've done, and regret what we failed to do. But we can't regret being human.

We're not so different after all.

Does getting to know our fellow men and women improve our lives? There's no doubt.

To come and go in obscurity, without ever touching other people's lives, is sad.

It's so easy to create ripples in society's huge pond - one tiny stone will do it! I'll never forget when my dad taught me to skip stones on the water, and when I taught my son the very same thing.

Let's all skip some stones, reach out, be less judgemental and more open to others' ideas.

There's no time like the present to get to know one another.

And ourselves.

Canada's Economic Action Plan is working

There was more good news for the Canadian economy recently. In the first few months of this year, our economy grew by 2.5% – the strongest growth record in nearly two years. This on top of the more than 900,000 jobs that have been created since the recession, and it is the 7th straight quarter that our economy has grown.

This is evidence that the Economic Action Plan is working. Even more importantly a strong, growing economy brings benefits to the residents of York-Simcoe.

The success we have seen have been as a result of the hard work of Canadians and the measures that our government has introduced to support job creators and help Canadi-

ans get back to work.

The Economic Action Plan is a low tax plan for jobs and growth. Our Conservative government has reduced taxes to leave more money in the hands of families. Today, the typical family pays \$3,300 less in tax each year thanks to our tax reductions, such as the lowering of the GST from 7% down to 5%. More money in the hands of families means more for your priorities – and more for economic growth in the local community.

We introduced a \$1,000 credit for businesses for each new hire they make. This job creation tax credit has already helped more than 300,000 small businesses. We are constantly consulting with job creators to find ways to make it easier for them to hire hard working Canadians.

This tax credit has helped encourage the growth of small businesses in York-Simcoe and put many residents back to work.

One of the next steps in our plan to help Canadians who want to work get back to work is the introduction of the Canada Job Grant. This grant will help train people with the skills for jobs that actually exist. Canadians want to work and employers want to hire them, but too often their skill set does not match the jobs available.

The Canada Job Grant, if approved, would see an employer provide up to \$5,000 in training for a skilled job vacancy they need filled. These funds would be matched by both the province and the federal government, for up to \$15,000 in funding. This job grant proposal will see residents of York-Simcoe benefiting directly, by being trained for jobs that exist. We will see those who are looking for a new or better job, whether it is a young person coming out of school or an expe-

By Peter Van Loan

York-Simcoe MPP

and help their children to get involved in programs important in learning and growing.

We in Canada have enjoyed solid economic growth, but we are not immune to the global economic challenges that still continue to threaten our economy. This is why it is important that our government remain focused on the economy. With the success that Canada has seen since we formed government it is clear that our plan for jobs, growth and long term prosperity is the right plan. Coupled with the hard work of Canadians like the residents of York-Simcoe our government will continue to deliver results on the economy and jobs growth. We are delivering change for the better.

rienced worker benefiting from this job grant. Skilled trades are an important part of our economic recovery and I understand how important well-paying, long term jobs are to the residents of York-Simcoe.

I sat down with those involved in the trades and with training skilled workers in the riding recently. They made clear to me the importance of taking skills training funds and out of the hands of government bureaucrats and instead putting it in the hands of employers who want to hire and those who want to work.

But, as I attend events throughout the riding, I hear from residents our low tax measures are the most important benefit for them, economically. We are working hard to make it easier for hard-working Canadians to pay their bills and put some money aside for things like buying a new car, a new house of sending their kids to school. This is helping the economy to continue to see improvement.

The greatest fear residents share with me is a concern the taxes will go up – raised by other levels of government or if an opposition party becomes the government.

Budget 2013 is focused on delivering real results for the residents of York-Simcoe. We will continue

to keep taxes low, eliminating the hidden 18% tariff on things like baby clothes and sports equipment. We will also be continuing the Children's Arts and Fitness Tax Credit. We are helping to make it easier for families to pay for the things they need

Letter to the Editor Open letter to Premier Wynne

It has become most apparent that you have no legitimacy to lead the Province of Ontario.

Back in January of this year, you were anointed to the position of premier by a segment of the Ontario population that could be best described as numbering in the "parts per million."

But your involvement traces back further than that. We can cite all the broken promises and incompetence such as promises made to those families with family members with autism. Deaths related to C. difficile. The ORNGE helicopter scandal where the coroner is now looking into deaths related to that. A pesticide ban that's responsible for more cases of asthma than any coal plant. The continual implementation of the GEA that is tearing the fabric of rural Ontario apart. E-Health, gas plants on and on.

For all that and more, you were there. Yet you chose to be silent. Your complicity in these matters is now a matter of record. But now as premier, you are obligated to speak. So now you carefully choose words and craft phrases that are deliberately vague and designed to be confusing at best.

We simply don't believe you anymore.

You are now Ontario's version of Lady Macbeth. Sleepwalking your way through your supposed leadership, wringing your hands and muttering "Out damned spot!" But as in Shakespeare's story, the stains of your Liberal government will not go away.

You must call an election. You now speak of "revenue tools" to help finance transit in the GTA when you have no clue and no plan. Asking the entire province to bail out the transit dysfunction in the GTA? When was a mandate given to you for this?

Early in your tenure you tried to pass yourself off as knowledgeable of rural issues. You were challenged to describe what a "heifer" was. You did so. You also challenged the media as to what a "spent hen" was. I submit it doesn't mean what you think it means.

You must terminate this rancid government now. I'm certain you will find that some Liberal MPPs will resign and scurry into obscurity as McGuinty et al did. Allow your party to have a turnover in members and offer Ontarians the chance to make a realistic assessment of your Premiership instead of clinging to power at all costs. Your subservience to Andrea Horwath is quite unbecoming of a premier. Allow all Ontarians to decide.

Saying sorry is insulting our intelligence and insufficient. If you do decide to call an election, please disclose all programs that could be cancelled for political expediency and their true costs, and oh by the way, don't erase any e-mails.

NOTICE OF SPECIAL MEETING

RE: Audit Committee

The Audit Committee of the Corporation of the Township of King will hold an Audit Committee Meeting regarding a Status Update on the Audit of the Township's Financial Statements for the year ended December 31, 2012:

Tuesday, June 25, 2013 - 5:00 p.m.
In the Council Chambers
2075 King Road, King City, ON

NOTICE OF INTENTION TO PASS AMENDING BY-LAW TO REMOVE HOLDING (H) SYMBOL

Meeting July 8, 2013

TAKE NOTICE that the Council of the Corporation of the Township of King intends to consider an amending by-law under Section 36 of the Planning Act to remove the Holding (H) symbol for the lands described below. Council will consider passage of the by-law at the Council Meeting on July 8, 2013 beginning at 6:00pm at the Township of King Council Chambers at 2075 King Road, King City.

The proposed amendment to the Zoning By-law submitted by Antonio & Rosario Greco under Planning File Z-2013-05 (related File #2005-05) concerns parcel of land located on the west side of Main Street and south side of Highway 9 in the Village of Schomberg, as shown on the below. The lands are legally described as Part Lot 37 and 38, Plan 87; Parts 1 -11 and 14, Plan 65R-33517.

The subject lands are currently zoned Residential Urban R1S-1(H) - Residential Urban (Schomberg)-Holding by Zoning By-law #2007-136. These lands consist of three (3) residential lots and a common-element condominium driveway. The Holding (H) provisions were primarily established to ensure, amongst other matters, that adequate municipal services are available to accommodate the residential development, that approval for the common element condominium driveway has been granted, and that a development agreement has been executed. The proposed by-law will remove the Holding (H) provisions from the above noted lands.

ANY PERSON may attend the Council Meeting and/or make written or verbal representation either in support of or in opposition to the removal of the Holding (H) symbol. If you wish to be notified of the decision of the approval authority, the Township of King, in respect of the amending by-law, you must make a written request to the Clerk of the Township of King.

ADDITIONAL INFORMATION relating to the amending by-law is available for inspection at the Township Office between the hours of 8:30 a.m. and 4:30 p.m. or inquiries may be directed to the Planning Department quoting File Number Z-2013-05 at (905) 833-5321 or 1-800-688-5013.

NOTICE OF APPLICATION AND PUBLIC MEETING CONCERNING A PROPOSED ZONING BY-LAW AMENDMENT

TAKE NOTICE that the Council of the Corporation of the Township of King will hold a public meeting on:

MONDAY, JULY 8TH, 2013 AT 6:00 P.M.

at the Township of King Council Chambers at 2075 King Road, King City to consider a proposed Zoning By-law Amendment under Section 34 of the Planning Act, R.S.O. 1990, Chapter P.13.

An application for an amendment to the Township of King Zoning By-law (File No. Z-2012-07), has been submitted to the Township of King in accordance with Section 34 of the Planning Act. The application proposes a series of amendments to Zoning By-law 74-53, as amended by Zoning By-law 2006-24. By-law 2006-24 is the site specific zoning by-law which applies to the related draft plan of subdivision (File no. 19T-03K01). The purpose of the application and the proposed amendments is to facilitate the following:

1. Rezoning lands at the northeast corner of Parkheights Trail and Highway 27 from R1N-6-H which allowed townhouses to R1N-3-H (with a site specific exception) and R1N-4-H to permit twenty single detached dwellings;
2. Rezoning the school block (Blocks 194 & 205, Plan 65M-4169) from I-H to R1N-2-H (with a site specific exception) and R1N-3-H (with a site specific exception) to permit seventeen single detached dwellings;
3. Rezoning lands on the north side of Fairmont Ridge Trail from R1N-3-H and R1N-4-H to R1N-3-H (with a site specific exception) to permit twenty-six single detached dwellings;
4. Rezoning lands at the elbow bend of Bluff Trail (Blocks 190 & 207, Plan 65M-4169) from R1N-7-H which allowed common element single detached to R1N-2-H (with a site specific exception) to allow one single detached dwelling;
5. Rezoning lands north of Parkheights Trail between Kettle Valley Trail and Blueberry Run Trail from R1N-3-H and R1N-4-H which allowed single detached residential to R1N-4-H to permit thirty-two townhouse dwellings.

A public meeting in relation to this application was previously held on May 28, 2012. No changes are proposed.

The subject lands are described as part of Lots 8 and 9, Concession 8 as well as Blocks 190, 194, 205 and 207 of registered plan 65M-4169. Specifically, the lands subject to this application are five locations within draft approved plan of subdivision 19T-03K01.

IF A PERSON OR PUBLIC BODY does not make oral submissions at a public meeting or make written submissions to the Township of King before the by-law is passed, the person or public body is not entitled to appeal the decision of the Township of King Council to the Ontario Municipal Board.

IF A PERSON OR PUBLIC BODY does not make oral submissions at a public meeting, or make written submissions to the Township of King before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

ANY PERSON may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment.

ADDITIONAL INFORMATION relating to the proposed Zoning By-law Amendment, including the proposed Draft Zoning By-law for the site, is available for inspection at the Township Office between the hours of 8:30 a.m. and 4:30 p.m., or on our website at www.king.ca. Inquiries may also be directed to the Planning Department quoting File Number Z-2012-07 at (905) 833-5321 or 1-800-688-5013.

DATED AT THE TOWNSHIP OF KING THIS 17TH DAY OF JUNE, 2013.

ENGINEERING AND PUBLIC WORKS WATER METER REPLACEMENT PROGRAM

Over the next few years King Township will be replacing our old water meters. Notices will be going to affected residents for the work this year. The initial focus will be Nobleton. Your co-operation with our contractor will be greatly appreciated. This program will assist the Township in leak detection and water conservation. Improvements to Township infrastructure are a benefit to all King residents.

King Township has awarded the contract for this water meter upgrade program to WAMCO Municipal Products. As each phase is implemented, WAMCO licensed meter installers will canvas areas that have been identified for that phase and deliver a copy of the official King Township Notice to Property Owners. WAMCO employees will wear an identification tag and wear a hat & reflective vest with the WAMCO logo.

Local businesses given praise at annual plaque presentation

King Mayor Steve Pellegrini, councillors and staff lauded the efforts of several local businesses recently, during the 2012 Spotlight on Business plaque presentations.

The King Township Spotlight on Business profiles are presented to local businesses in appreciation of their contribution to a Prosperous and Sustainable Community.

They are a feature and are aligned with King's first-ever Economic Development Strategy and the need to tell King's story far and wide.

According to Jamie Smyth, King's economic development officer, they have been releasing the spotlights for 2 years now, and will continue to do so with a series of four underway for 2013.

Local entrepreneurs and businesses are a crucial part of telling King's story, through our online Economic Development blog located at www.economicking.ca.

The objective is to profile successful businesses as testimonials for attracting new investment and businesses that share our common vision and goals of a Sustainable King that strives for a balance of preservation and prosperity.

The criteria for selection of businesses to profile include: indications of the businesses adaptability and sustainability; demonstrated and incremental growth of the business; and a demonstrated commitment at being valued corporate citizens.

This year's profile

plaques were presented to: Robert B. Somerville Co. Limited, located on Dufferin in King City.

One of the world's leading providers of utilities infrastructure. The King locale is the company's head office, employing 35 to 50 people, and has been in King since the 1990s.

Elizabeth Furlano was on hand to accept the plaque from Mayor Pellegrini.

Cappuccino Bakery, located on King Road east of Highway 27 in Nobleton, was another recipient. Owners Frank Agostino and Rocco Zapone opened the Cappuccino Bakery in 1983. They moved to a new location in 2006, and then moved to the neighboring property and brand new building in 2012.

Councillor Peter Grandilli accepted the plaque on their behalf.

Holland Marsh Wineries is located just outside of Ansnorveldt.

Receiving plaques from Mayor Steve Pellegrini were (clockwise from top) Elizabeth Furlano (Robert B. Somerville Ltd.), Roland Nersisyan (Holland Marsh Wineries), Councillor Peter Grandilli (on behalf of Cappuccino Bakery) and Kelly and Mike Foley (Foley Restoration).

Photos by Angela Gismondi

It was founded in 2007 and currently owned by Roland Nersisyan, and run by the entire family, including his wife Suzanne, and their two sons Norie and Narek.

The gorgeous 22-acre location used for wine production and as a wedding & event facility.

Roland Nersisyan was on hand to receive the plaque.

Foley Restoration is located on Highway 27 in Schomberg. Mike and Kelly Foley started the business in 1991, and now have 15 permanent employees. They are active contrib-

uting members of the community, who make a living helping people rebuild what they have lost.

Mike and Kelly Foley received the plaque from Pellegrini.

'Failing our Future' points to missed reduction targets

From Page 3

That point was brought home in Miller's 2013 annual report, "Failing our Future."

The government's long-

term energy policy could wipe out some of the gains that have been made in reducing greenhouse gas (GHG) emissions.

In its 2007 Climate

Change Action Plan, the Ontario government established three targets for the reduction of greenhouse gases:

- 6% below 1990 levels by 2014 (to approximately 166 megatonnes or Mt).
- 15% below 1990 levels by 2020 (to approximately 150 Mt).
- 80% below 1990 levels by 2050 (to approximately 35 Mt).

"The government is on track to meet 91% of its 2014 target, but I am worried about what comes after 2014," said Miller.

Failing our Future highlights that the Ontario government will only achieve 60% of the reductions necessary to meet its 2020 target for reducing GHG emissions.

"One of the reasons for this shortfall is the in-

creased reliance on natural gas to generate electricity," he added.

According to the Ontario Power Authority (OPA), natural gas is expected to play an important role in meeting electricity demand in the future, especially when nuclear plants are refurbished in and around 2020/2021.

"This increased use of natural gas could lead to a rise in GHG emissions of between 4 and 16 Mt, depending on factors such as the existing generation capacity and weather," says Miller.

"I think the government should use the recently announced review of its Long-Term Energy Plan to make sure its energy planning is co-ordinated with the GHG reduction targets that are contained in its

Climate Change Action Plan."

Miller also said the alternative energy groups need to be more proactive and vocal in their support for green energy in the form of solar and wind. One of the arguments against wind turbines is their damage to birds, yet his investigation revealed that a single turbine is responsible for 2.5 bird deaths a year, a tiny amount compared to those lost to buildings and hydro lines.

Heading forward, Miller said our best arsenal consists of program evaluation methods and tools. For every government program there should be a way to evaluate, monitor and analyze the efficiency. There's no shame in failure, but we need to know

how programs are working.

Regarding the controversial peaker plant in King, Jaczek said it is operating at between 2% and 5% per month so far in 2013.

Miller said the problem with peaker plants is companies are being paid for 100% of the time they are in operation, and not just when they're producing energy. Taxpayers are on the hook for these inefficiencies.

Miller also criticized civil service cuts in vital areas such as the Ministry of Natural Resources. The public has to decide on its priorities and tell the province these impacts hurt.

The key to progress is to be involved.

"Stay engaged," Miller stressed.

Nobleton Public School honours long-serving volunteer

By Mark Pavilons

“What do you need?” Those words greeted staff at Nobleton Public School for the last 15 years. The school’s number-one volunteer, Julie Kerr, was honoured last week for her unparalleled service to youngsters in the community. Fond words abounded from staff at the school for this “epic” volunteer. Kerr was presented with a tree, courtesy of Greenside Nurseries, which will serve “as a constant reminder of how much we all appreciate every-

thing you have done for our community, and our children,” according to a speech created by Rhonda Hayhoe and Glenda Douglas. Kerr spent many of the past 15 years on the school council and she was a frequent parent chaperone on school trips over the years. She helped with various fundraisers, organized many meet the teacher BBQ nights, and worked on several graduation committees. She’s also been a fixture outside the Jr. School as a crossing guard. “They say that it takes a village to raise a child

but in our case, we had Julie to help raise all of our children. “Hundreds of children

have passed through this school during your time here and every single one of them has been touched by you in one way or another. Your beautiful spirit and leadership style is one that looks to build others up and help them to understand how valuable their time is. You al-

Editor is honoured by Food Bank

Mark Pavilons, editor of the King Weekly Sentinel, received an award for supporting the King Township Food Bank recently. Carol Ann Trebert presented the honour at King council, recognizing Pavilons for his “outstanding efforts” in promoting the Food Bank, leading to increased awareness and support. “I’m truly humbled by this recognition,” Pavilons said. “It’s great that the King Township Food Bank has received the attention and support it deserves. Quite frankly, I believe that no one in this great municipality should have to go without.” Pavilons said he tries to support every charity, community group and service club in King and the wonderful work they do. “It’s easy to help support such causes, particularly the Food Bank, when the volunteers – the real heroes – are so passionate and dedicated to their cause,” he said. Mayor Steve Pellegrini also praised Pavilons and the newspaper for the excellent coverage they provide.

Board, Secondary School Teachers' Federation ratify agreement

The York Region District School Board (YRDSB) ratified the two-year collective agreement for its secondary teachers. The Ontario Secondary School Teachers' Federation, District 16 (OSSTF D16), also approved the agreement at May 28.

The local agreement builds on the OSSTF Provincial Memoranda of Understanding (MOU), previously reached by the province and OSSTF provincial, and ratified by union membership across the province.

"We value the strong and productive working relationships we have with all our employee groups, who are at the foundation of student success," said board chair Anna DeBartolo. "I applaud senior staff and the negotiations teams, whose hard work will benefit students."

"Our members are highly dedicated and skilled teachers who provide high quality instruction for all students in secondary school," said OSSTF D16 president Colleen Ireland. "Within the parameters established in the MOU between the Ministry of Education and OSSTF provincial, this agreement represents the willingness of both the board and OSSTF to negotiate in the best interests of staff and students."

Highlights of the two year agreement in the Provincial MOU are:

- Employees eligible for salary grid movement will receive increments on the 97th day of each school year.
- Zero per cent salary

increases for both years of the agreement.

- The retirement gratuity for eligible employees will be capped as of Aug. 31, 2012.
- Employees not eligible for the retirement

gratuity will receive a set one-time payment within three months of ratification of the agreement, based on a formula calculated and funded through the Ministry of Education.

Highlights of the two-year agreement arrived at through local discussions between YRDSB and OSSTF D16 are:

- Increased involvement and responsibility of the Union in the

planning of the OSSTF Professional Activity (PA) Day, subject to Ministry of Education requirements.

- YRDSB and OSSTF D16 will form a committee to support school

principals in staffing schools to best meet the needs of students.

- An agreement to form a regional group of autism program teachers in support of students.

Watch Cory Trépanier's film 'Into the Arctic II'

Gather together your food, clothes, bedding and painting supplies, strap them on your back, and follow Cory Trépanier as he explores and records our vast Canadian arctic.

Facing the challenges of the far north; polar bears and wolves, extreme weather conditions, and isolation, Trépanier leaves the comfort of his Caledon home to traverse the northern wilderness on foot. His epic adventures over the last several years have taken him to the most remote places, unexplored by others. He searches for the perfect vista, and sets up his easel to paint the breath-taking beauty before him.

Trépanier's recent film, Into the Arctic II, depicts his latest three-month adventure, exploring and painting in over a dozen different locations in the North.

This film, nominated for a 2013 Canadian Screen Award in the best arts documentary category, will be shown during the ASK Festival at the Aurora Cineplex Theatre on Wednesday, June 26. Doors open at 7 p.m. Trépanier will be on hand to answer questions and to present some of his paintings.

Arts Society King invites the public to meet Cory Trépanier and to experience his Arctic journeys through his dramatic cinematography and stunning canvases. For more information or to obtain tickets, call Jane at 905-939-9357, or visit their website at ArtsSocietyKing.ca.

Nobleton United holds year-end strawberry social

Nobleton Notes

By Angie Maccarone
905-859-5174

St. Paul's Church

Interested in a Summer Study? Come for a video series to bring renewal to your soul. We will meet Thursdays - June 20, 27, and July 4, 18, 25 (but not July 11). Anyone and everyone is welcome!

Join us Sunday, June 23 at 10 a.m. as Jeff continues his series Christianity 101. This week's message - "Encore! Encore!"

FirstLink child care (for children 3 years of age and younger) is provided during the gathering and

our informal summer NextStep program (for children ages 4 to 6) and KidzKonnection program (for ages 7 to 11) take place at the same time.

Mark your calendars for Bible Fun Camp! This year, Camp Wannaknow-God will take place from July 8-12. The camp runs from 9 a.m. to noon each day. Call the church office at 905-859-0843 to register your children (ages 4 to 12) for a week of learning about God's love through stories, games, crafts, singing and a lot more cool, fun stuff! Oh, and don't forget to invite your friends, relatives, neighbours and whoever else you can think of.

For more information about any of our activities or events, please contact

the church office or visit our website at www.stpaul-snobleton.ca.

Nobleton United

Monday, June 24 is our annual year-end social with the theme of "strawberries." It's a pot luck and this year the strawberries will not be supplied, so anyone bringing dessert should work with a strawberry theme.

Everyone is welcome with the social starting at 6 p.m., followed by dinner at 6:30.

United Churches

Schomberg United will be closed June 30 and July 7, 14, 21, 28. Worship services will be at Nobleton at 11:15 a.m. followed by a light lunch.

The annual joint-charge barbeque will be at Jack and Kim's on Sunday, July 21. There will be a short service at 11:30 followed by the bbq. Hamburgers and hot-dogs supplied - pot luck salads and desserts.

Nobleton United will be closed August 4, 11, 18, 25. Worship services will be at Schomberg at 9:30 a.m., followed by refreshments.

Nobleton United will host mid-week BBQs July 24 and 31 at 6:30 p.m.

Schomberg will hold theirs August 7 and 17, also at 6:30 p.m.

Hamburgers and hot-dogs supplied pot luck salads and desserts.

St. Mary's Church

If you wish to remember loved ones who have passed away, a special event in your life or even if you wish to have your name engraved while still living, consider a memorial leaf. The cost of each leaf including engraving is \$350 and an income tax receipt will be issued. The proceeds go to the mortgage/building fund and to cover the expenses of the leaf. You can see a number of leaves already placed on the "Growing Tree" in the foyer of St. Mary's. For info, or to purchase a leaf, please see the front of the bulletin or contact Santino Ferri at 905-859-7789.

Nobleton Seniors

We had 21 members at our Tuesday evening euchre. The winners were Carol Burbridge, Ruth McInnis, George Wardlaw, Mary Bullock, who also won most lone hands and Herb Workman. The lucky draw winners were Gwen Potter, Carol Burbridge

and Cathy Kiekebelt.

Our next evening euchre will be June 25 at 7:30 p.m. Prior to the euchre will be our pot luck strawberry supper at 6 p.m.

Make a favourite salad

or whatever you choose and come and enjoy a get together with friends. This is the last euchre and bid euchre until we begin again in September.

Lobster dinner a hit

The annual lobster and beef dinner held in Nobleton recently was a huge hit. The event, put on by the Rotary Club of Kleinburg, Nobleton and Schomberg, drew visitors from far and wide. Here, Robin Beamish, from K.J. Beamish, donated these bad boys for the auction.

The Library is excited

to try these new and innovative programs. Please pre-register your child as space is limited and we don't want anyone disappointed.

The very popular Mother Daughter Book Club meets at the King City Library and its next meeting is at 6:45 p.m. on Monday June 24 to discuss Eric Walters book "Safe As Houses."

This story takes place on Oct. 15, 1954, the night that Hurricane Hazel hit.

Thirteen-year-old Elizabeth is babysitting in a house on Raymore Drive, in Weston. Elizabeth is babysitting a Grade 2 girl and a badly behaved Grade 6 boy. On this night in question, Elizabeth has much more to contend with than bad behaviour. Hurricane Hazel roars down on Toronto, bringing torrential rains that cause extensive flooding. The street where Elizabeth is babysitting will be practically wiped out by the floodwaters. The parents can't reach the house, which means the children's safety on this most deadly of nights is Elizabeth's responsibility. She finds herself increasingly isolated. They are surrounded by rising

water. The electricity goes out. The phone goes dead. Still, Elizabeth is sure they will be safe as long as they remain in the house. But are Elizabeth and the children really as "safe as houses?"

Their survival in the midst of one of Canada's worst disasters will depend upon their resourcefulness, maturity and courage.

Schomberg Horticultural Society

The Schomberg Horticultural Society (SHS) is pleased to announce two upcoming events, the first big one is the annual Garden Tour on Sunday, June 23.

The SHS Garden Tour runs from 10 a.m. to 4 p.m. Tickets are \$10 and are available on the day of the tour, June 23, at Schomberg Community Hall, 325 Main St. Eight beautiful gardens in Schomberg and the surrounding area will be visited. It promises to be a great day. Call Barb at 905-939-2216 for more information.

The joint meeting on June 25 at 7:30 p.m. features a very interesting lecture. We are pleased

to present Toni Mori and Joanne Young from Niagara on the Lake's Mori Gardens. Their talk is on Hedges and Living Walls and they intend to bring along a fine example.

Before the talk both the Nobleton and Schomberg clubs will be bringing many flowers to be judged in a flower show. Both clubs are bringing refreshments and yummy treats and there should be lots of garden talk. Please come out and join us at Schomberg Community Hall, 325 Main St., 7:30 p.m.

The Schomberg Horticultural Society (SHS) is pleased to announce its speaker's program for the remainder of 2013:

Sept. 24 - Components of an Outstanding Perennial Garden, Sheila Cordling and Shirley Miller.

Oct. 22 - Magnificent Magnolias and Ravishing Rhodos, David Hinton.

York Pines United Church

Breakfast foods and hot beverage are available at the York Pines United Church, 3150 Lloydtown/Aurora Road, Kettleby this Friday, June 21 from 7 to 11 a.m. This is the second "Coffee Drive Thru" organized this month. Your

donation helps the Accessibility Fund of the congregation.

For the worship service on June 23, the Rev. Lee Claus, United Church minister and native elder, will speak. His intention is to have a "fire pit," for the liturgy. Weather permitting the worship will be out of doors in a circle on the front lawn. After service there will be hot dog and hamburger luncheon with salad and ice cream. Games are planned for the children. You are welcome to attend.

Tickets are available for the "Strawberry Supper" on Wednesday, June 26. For the one sitting you can arrive anytime between

5 p.m. to 7 p.m. The price is \$15 for an adult meal and \$5 for a child from six to 12. The menu is ham with potato salad and garden salad and for dessert: cupcakes with strawberries and real whip cream. Take-out meals are available. Please call Shirley Sheardown at 905-939-7786 or the church office at 905-727-8118 for reserving your ticket.

Tuesday, June 25 is the occasion for prayer modeled after the Taizé pattern. The service has the singing of chants, the reading of scripture and periods of silent meditation. The service is one hour and it begins at 7 p.m.

KING WEEKLY SENTINEL

King joins the Hills of Headwaters equine initiative

The Hills of Headwaters Tourism Association has announced that King Township has joined the Association's equine initiative, becoming a standing partner on the Headwaters Equine Leadership Group (HELG).

The official announcement was made Saturday by Association Chair Ron Munro at the Caledon Equestrian Park in Palgrave.

Recognizing the important contribution of the equine sector to the economy of the

Headwaters region, the association has facilitated the formation of HELG, a collaborative initiative of regional stakeholders who are committed to the importance of the equine sector in the area, and whose principle objective is to promote the region as a centre of equine excellence in Ontario, and to support, grow and advocate for this vital sector of the regional economy.

King is a municipality adjacent to the self-defined Headwaters region, but it has numerous assets that are synergistic to the municipalities, economies and tourism products found in the Hills of Headwaters, and specifically has a significant equine sector that naturally aligns with the development of Headwaters Horse Country.

In making the announcement, Munro observed that political boundaries really make no difference to consumers or visitors to the area.

"This partnership with King Township is another important pillar in positioning the Headwaters region as horse country," he added. "King Township is recognized as one of the premier equine communities in Ontario, and having them join our initiative further enhances our opportunities to position Headwaters as a centre of equine excellence, and allows Headwaters and King Township to have a stronger and more impactful presence in the marketplace."

"Partnership and collaboration are the cornerstones of our strategic direction, and we are delighted that King Township shares our philosophy, and we look forward to working with them as we move forward," he observed.

"We are delighted that King Township had the vision and wherewithal to join us," Munro commented.

"This is really a spectacular partner-

ship," King Mayor Steve Pellegini remarked.

"We too are delighted to be partnering with the Hills of Headwaters Tourism Association on this Headwaters Horse Country project," he added. "Through this partnership, we are now reaching a significant critical mass and committing resources to work closely with our new partners and our local equine industry stakeholders to nurture and promote a viable and sustainable equine industry. This partnership opportunity is timely and addresses both stakeholder's needs and the economic and socio-cultural values that have been identified in King's most recent Sustainability Plan, Economic Development Strategy and Business Retention and Expansion action plans."

"The County of Dufferin welcomes King Township to the work being done by the Tourism Association, and we see this partnership providing further credibility to the significant contribution the equine industry makes to our rural communities," Dufferin County Warden Laura Ryan commented.

"King Township is a natural partner within the Hills of Headwaters equine initiative," Caledon Mayor Marolyn Morrison stated. "Working together shines a spotlight on our region as a centre of equine excellence leading up to the 2015 Pan Am Games and beyond."

The equine events of the TO2015 Pan/Parapan American Games are coming to the Palgrave facility in 2015, and the work of HELG will ensure that Headwaters is positioned as Ontario's Horse Country, now and well into the future.

The work of HELG is also supported by funding from the Ontario Trillium Foundation.

Dufferin County Warden Laura Ryan was on hand Saturday with King Mayor Steve Pellegini, King Councillor Linda Pabst, and Headwaters Tourism Association Chair Ron Munro for the announcement that the Township has joined the Association's equine initiative, becoming a standing partner on the Headwaters Equine Leadership Group.

The word around King

Do you think the government is doing enough for the environment?

Debbie Ryan

"I think they're trying and putting in a good effort, but more still could be done."

Jessica Greaves

"They are to an extent. I think they know a lot of people find that to be an important issue, so they make a lot of empty promises. I think many are trying to make a difference."

Lisa Bigelli

"I think they're trying to make everyone aware of the need to protect the environment. It's about making it a priority."

Ushering in the third annual King City Festival, local dignitaries gathered to officially launch the King City Skatepark & Sports Facility. It officially opened last October, but boarders have come out in full force this spring to take advantage of what's considered one of the most challenging bowls in Ontario. On hand to open the park were Councillors Cleve Mortelliti, Avia Eek, Peter Grandilli, Debbie Schaefer, Mayor Steve Pellegrini and Lions Club member Ken Orr. Boarders took advantage of the weather to hone their skills. Also on hand were high-calibre boarders courtesy of event sponsor Fourstar Clothing.

The Roots Wake series kicks off in King with triple event lineup

The Roots, Canada's largest amateur wake series, will make its way to King Township this weekend for three headline events.

The Boardsports Open is presented by Mastercraft and Buckeye Marine. The Ranch Wakepark Open is presented by Boardsports. Red Bull Raise the Bar high jump contest is the other exciting event.

The Roots is a six-part contest series with stops across Ontario including Newmarket, Huntsville, Haliburton, East Gwillimbury and Port Colborne.

Wakeboarders and wakeskaters from

across the province of all ages and abilities will be out at Spray Lake flipping, spinning and grabbing for the overall series provincial title. This weekend the event lineup will feature a wakeboard boat contest, cable contest and high jump contest.

Local King Township riders Drew Austin, Riley Dillon and Braden Loi will be among the mix of athletes competing at the Roots for the top spot on the series. Austin was the overall provincial cable series champion in 2012.

The Boardsports open runs 9 a.m. to 5 p.m.

The Red Bull Raise the Bar runs at 8 p.m.

Red Bull Raise the Bar, open to riders 16+ across Canada, will feature an open head-to-head format bringing together all skill levels including a handful of national pro riders. The rules are simple; the highest jump wins. Competitors will have two chances to clear the bar. If they knock the bar down, they are disqualified. If they manage to clear the bar, then they will advance to the next round and with that, raise the height. To sweeten the deal, competitors will have a shot at \$300 in prize money.

In the past few years, cable parks have become increasingly popular around the world offering wakeboarders an alternative to traditional towboats and the dependency on a driver. The Ranch Wake Park opened its doors in the summer of 2011 to cater to southern Ontario's growing population of wakeboarders. Since that time, the park has grown into one of the premier cable wakeboarding facilities in Ontario and the closest in proximity to Toronto. For more information on The Ranch, head over to www.theranchwakepark.com.

Those not competing still have a chance to win with the Red Bull Raise the Bar photo contest. Instagram and Twitter users who tag their event photos with #RedBullRTB will automatically be entered into the contest and could walk away with a brand new pair of Oakley sunglasses and gear from Fox Racing at the end of the night.

Registration is open now until the start of the event via www.redbull.ca/raisethebar for all competitors 16 years of age or older.

The action continues Sunday, June 23 with the Ranch Wakepark Open runs 9 a.m. to 5 p.m.

It all takes place at Spray Lake, located off of Keele, just north of Highway 9.

For all event details and to register please visit www.rootswakeboarding.com.

The Roots is recognized by the provincial sport body as the designated wakeboard and wakeskate series in Ontario. It is a not-for-profit committee organized by long-time competitive riders hoping to provide the next generation of athletes with the opportunity to excel in sport.

Royals earn 2nd at tourney

King United Soccer Club (KUSC) participated in the 2013 Collingwood Invitational Tournament. This was a competitive, all-girls' tournament. Four local teams were represented at the event – U10s, two U11s and the U12 team. The 2002G King City Royals advanced as finalists and came out with a 2nd place win.

709 IN MEMORIAM

JOHNSON, Gordon

June 19, 1965.

In loving memory of our Dad, Papa and beloved Husband of the late Edna.

Memory is a lovely lane
Where hearts are ever true
A lane we often travel down
Because it leads to you
Within our store of memories
You hold a place apart
For no one else could ever be
More cherished in our heart
No length of time can take away
Our thoughts of you today
We miss you as it dawns another year

Making believe you are just away
Your presence we miss everyday
Your memory and love we treasure

"You will always live forever in our heart"

Lovingly in our thoughts,
Linda, Brenda, Larry, Susan, Debra, Grandchildren & Great-Grandchildren. B25

KTBA weekly results

Teams praised for tournament performances

By Wayne Rudnitski

In another impressive week on the base paths, the KTBA baseball players did their coaches and families proud. Showing good early season form KTBA teams had an impressive 10 victories against only 4 losses.

And congrats to the Scotia McLeod peewee team who went undefeated in capturing the Vaughan Mid-Season Classic Tournament. Special mention to all 3 KTBA peewee teams - Scotia McLeod, Grignano Racco Chartered Accountants and Wyndsong Farm - for being 3 of the final 4 teams standing in the tournament. Needless to say - quite an encore performance after an impressive opening week!

Junior Rookie

The weather has been unkind thus far to the Rona King Cobras who fell short in their third game on June 13. Their more seasoned opponents, Vaughan Ontario Trillium, beat them 8-0. Despite limited practice times Rona exhibited some excellent efforts on the diamond. Great plays were made by Ethan DiGiorgio and Daniel Stewart with base hits in the third and fifth innings respectively. Adrian DeMellis made a great catch for an out at third base in the fourth inning and Cohen D'Ulisse forced a double play with his snag and a throw to home plate in the third inning. Next game will be the charm Rona!

Senior Rookie

On June 12 Omnivex and RCC Waterproofing faced each other in Senior Rookie action in a cross-township match. RCC Waterproofing managed to get off to an excellent start and held a 4-1 lead after 1 inning. Omnivex rallied back in the 2nd inning to take a 6-4 lead after Sean Gunnip's bases clearing hit and William Swanson's triple that brought in two runs. It was more of the same for Omnivex in the 3rd inning with Brandon Petrova, Massimo Amodio, Brogan Grammenz, Joseph Carvalho and Gunnip all getting hits and scoring runs. Both Omnivex and RCC continued to impress at the plate, but it was the Omnivex Cobras who held on for an 11-8 victory. Both teams will meet in a rematch on the weekend in the opening game of the Senior Rookie tournament.

Peewee

The Scotia McLeod King Cobras won all five games in the Vaughan Mid-Season Classic Tournament by scores of 16-6, 19-1, 16-6, 16-6 & by a 14-11 margin in the final. All players on Scotia McLeod gave everything they had and then some in hitting, fielding, running & pitching to ensure the well-deserved win.

See 'Players' on Page 22

Players dig deep to excel at tournament

From Page 21

Success was had in this tournament by all 3 KTBA peewee teams – each team reaching the semi-finals. Grignano Racco King Cobras and Wyndsong Farm King Cobras joined Scotia McLeod for elimination games on the diamonds on Sunday in addition to a solitary representative from Vaughan. Team Grignano Racco faced Scotia McLeod in the final.

The Grignano Racco Chartered Accountants King Cobras also participated in the Vaughan Mid-Season tournament on the June 7-9 weekend, and went 2 wins against 1 loss in the round robin to earn a place in the semis.

They faced Vaughan Best Western in the semi-final game, and trounced the opponent 16-6! Pitchers Ben Brown, Julian Siracusa and Marshall Moore threw heat on the hill and

were assisted by Luca Panziera, Logan Hall, Nick Galifi and Ryan Sutherland-Pace with great defensive plays in the infield. Catchers Jackson Cunneyworth and Nicholas Petrunaro did an amazing job blocking the ball and preventing the opponent from stealing bases. Offensive highlights included two homers by Cunneyworth, and one more dinger by Moore! Brown, Tristan Vosylius, and Siracusa all cracked doubles. Almost every player on the Grignano Racco squad crossed the dish at least once in this romp!

Grignano Racco then went on to face their hometown rival, Scotia McLeod King Cobras in the finals. And what a game it was! In the first inning, the Grignano Racco team started strong at the plate and used their wheels, with Panziera, Brown and Moore scoring runs

on steals and on a single by Cunneyworth. Brown then took to the mound and threw 2 servings of Texas heat and scooped a grounder for an out with a toss to Hall at first, but not before the opponent scored 4 runs.

In the second inning, Grignano Racco bumped up the score by 4 with runs scored by Siracusa, Sutherland-Pace, Galifi and Daniil Bacalear on a triple blasted by Bacalear and on singles by Sutherland-Pace and Hall. The opponent rang up a 5 spot in the bottom of the second, bringing the score up to 9-7 for the rival team.

Grignano Racco rallied at the plate in the third inning, earning 4 runs as Petrunaro, Daniel Grignano, Siracusa and Sutherland-Pace crossed the dish on a double by Siracusa and singles by Sutherland-Pace and Bacalear. In the bottom of

the third, Moore hit the hill and nailed an out by catching a pop-up. Short-stop Siracusa also helped the cause with a grab and throw to Vosylius at third. Cunneyworth caught a can of corn in centrefield for the third out, limiting Scotia McLeod to 2 runs this inning. The score was now tied at 11!

Moore toed the rubber again for Grignano Racco in the 4th inning, and limited the other team to 3 runs with 2 punchouts and a toss to Sutherland-Pace at first for an out. However, the Grignano Racco team was unable to score any more runs, and lost 14-11 in this exciting game.

Tournament MVPs were Jackson Cunneyworth and Marshall Moore. Cunneyworth was a defensive monster behind the plate and in the outfield, and blasted two homers in the semifinal game. Moore had a solid

pitching performance, and cranked a home run in the semifinal.

Bantam

On June 12, the Husky King Cobras travelled to Vaughan Sports Village to play Vaughan Investors Group. The game which was only four innings saw the King Cobras victorious again for their third consecutive win to start the season.

The game started well in the first inning as the Cobras scored three runs, Micheal Di Carlo brought in the third run with an RBI single. Alex French ended the second inning with an outstanding throw to first base which prevented Vaughan from scoring a run.

The King Cobras scored in each of their four innings, the most productive being the third which saw Pignataro, French, Topp,

Cooney, and McDonald all cross the plate. Eric Marchetta had two of his three RBI's in this inning.

Leighton Costanzo started the fourth with a walk, stole second, was advanced to third by Scott Cameron and brought home by Alex Topp's single. The game ended 10-4 in favour of the Husky King Cobras. Player of the Game honours go to Zach Long as he reached base twice, scored once and allowed only one run in the two innings he pitched.

KTBA Player of the Week

The KTBA Cobra Player of the Week honours goes to Zack Long of the Husky King Cobras bantam team. Long resembled the legendary Bronx Bomber Babe Ruth – leading his team to victory with both his pitching and hitting abilities.

King City United Church holds its picnic Sunday

King's Corners

King City United
By Eleanor Fry

As we entered the sanctuary for our Father's Day service, the Diaz was a site to behold. The Beatons had gone over the top this time. Everything having anything to do with dads and grandads was there, even a camp fire with birch logs and marshmallows. Tim's coffee cups, golf club and balls, baseball, hockey stick and puck, pictures of dads doing all kinds of sports, marching in a band in a kilt. We thank them

for their expertise, always surprising us in both the sanctuary and the auditorium.

Rev. Evelyn's message was titled "Let Down your Hair," based on 1 Kings 21: 1-21a, Luke 7: 36 - 8:3.

Naboth owns a vineyard that has been in his family for years. King Ahab wants it, so his wife Jezabel arranges to have Naboth killed. The vineyard reverts back to King Ahab and he is happy. There are many commandments broken here - coveting, murder, stealing, lying, even worshipping idols, which Jezabel did. Elijah is instructed to bring God's wrath down upon Ahab and he will die. When Ahab heard these

words he put sackcloth over his bare flesh, fasted, lay in the sackcloth and became very depressed. Ahab repents for his actions and asks for forgiveness and redemption. The Word of the Lord came to Elijah saying because Ahab has humbled himself before me, I will not bring disaster to his house in his days.

If Mike and Rob, two politicians, had appeared at our communion table last Sunday to share our meal of forgiveness, a meal of love, a meal of acceptance would we have accepted them? If they declared their sins and asked for forgiveness and redemption would we welcome them, or would we

laugh and usher them out the door? Our faith helps us to ask forgiveness and know that we are loved.

Our prayers and condolences go to Ruth Urquart and family. The funeral of Spencer Urquart was held June 17 at Marshalls in Richmond Hill.

Mark your calendars for Saturday, October 5. King City United Church will hold a celebration of 50 years of Building Community. The chosen venue is Oakview Terrace Reception Centre located on Leslie St. between Bloomington Rd. and Stouffville Rd. More information will come as the year progresses. Many exciting things are planned for the evening. Come with your

family and friends. Invite former members. We are the ones who will make our event more fun, exciting and memorable. Ticket sales will start shortly and will be sold individually or as multiples of 8, 10, or 12. So, everyone save the date - Saturday, Oct. 5. Oh, by the way, start saving your loonies and toonies! Co-chairs for this event are Marilyn Caruso and Cathy Jones, so you can count on a fun evening.

The Prayer Shawl Ministry meeting will begin in the fall.

Our Ministry of Music, led by our Rosemary, presented to us a trio of voices for our enjoyment like we had never heard them. Sandra, Kim, and Wayne

sang "I'll Walk With God." "Outstanding!"

The weatherman will co-operate for our church picnic at the Kell farm Sunday, June 23, starting at 10 a.m. (or shortly after). Bring your lawn chair and some food to share. If he doesn't co-operate, just bring everything to the church. Everyone is welcome. Do come and join us.

Monday, June 24 will be a blood donor clinic at KCUC, 3 to 7 p.m. It's in you to give!

Fred - fjesty@hotmail.com is waiting for suggestions, input, comments, digital pictures for posting on our website www.kcuc.ca. Help him to keep our website up to date.

St. Andrew's welcomes back Marianne Munro

From Page 23

Our church will be open in the summer months. Services at 10 a.m. with juice and cookies after outdoors. Do stop in. Bring your summer visitors. We love everyone. For any information call our office 905-833-5181.

King Bible Church

Vacation Bible School runs Aug. 12-16 from 9:30 a.m. to noon each day.

This year our kids will be having a hoedown at Son West Roundup for their VBS week! Please plan on joining us for another exciting year of singing, stories, crafts, snacks and games! For

children from JK to Grade 7! Registration fee is \$15 per child (includes t-shirt and a family BBQ on Friday evening).

Registration forms and VBS fees may be mailed, emailed, or dropped off in person. Cheques are made payable to King Bible Church.

Office hours are Tuesday and Thursday, from 9:30-4:30. Please call, email (info@kingbiblechurch.com) or stop by for a registration form.

St. Andrew's By Kathy Patterson

St. Andrew's invites you to worship with us Sunday mornings at 10:30 a.m. Although formal Sunday

school classes are drawing to a close for the summer, there will be children's activities available during the worship services.

June 16, Father's Day, was celebrated with the Sunday school children singing for the congregation and our Sunday school wrap-up time with the children's scripture memory work and prizes.

Pastor Fred Stewart presided over a lovely "Service of Blessing" for Nolan Wappel, son of Chris and Andrea Wappel, the grandson of Gary and Janie Brooks and little brother to Brooke and Lanna. Then the sun came out for our delicious BBQ! Thank you to all who contributed in many ways

and especially to our cook, Sandra deRoos.

Rev. Fred Stewart's interim ministry with us is finished as of this Sunday, June 23. We are grateful to God for the time he was with us and wish him God's best as he continues his executive director duties with the Renewal Fellowship within the Presbyterian Church in Canada and wherever his next interim ministry will be. Marianne Emig Munro will be back with us June 30.

The Truth Project video series will finish next Tuesday evening, 7:30 p.m. to 9 p.m. Couldn't make it to the others? Not a problem - the series runs independently from each other.

Join us for dessert and coffee/tea followed by the viewing and discussion. Check out <http://www.thetruthproject.org>.

Vacation Bible School will be here in less than a month! We're getting excited! Tell your neighbours, friends, family! It's happening here, July 15-18 between 9 a.m. and noon. The Kingdom of the Son, a Prayer Safari! is for ages 5 to 12 years. Call the church, or send an email to vbs@standrews-kingcity.com for information and registration. Cost is only \$15 per child and \$35 max for family.

Prayer is key to our ministry at St. Andrew's. Currently we have 2 prayer groups: Sunday mornings

at 9:45 a.m. before worship for everyone and the ladies' prayer group which meets Tuesday mornings at 9 a.m. Won't you join us?

The next King City blood donation clinic is in the Mobile at the King City United Church Monday, June 24. Please call 1-888-2-DONATE for an appointment time.

Should you need pastoral care, call the Rev. Dr. Neal Mathers, 905-895-5512, our interim moderator from St. Andrew's, Newmarket or Kathy Patterson, 905-833-0391.

If you have any prayer requests or praise items, questions, concerns or need a ride, call the church.

Bad week for Nobleton Cornhuskers ball team

By JEFF DONER

The Nobleton Cornhuskers baseball team had three games scheduled for last week, but two were rained out and the other they probably wish had been as well.

Hosting the New Lowell Knights on Saturday, the Cornhuskers were hit hard early in the game in an 11 - 1 loss.

"It was a rough start, but our starter came in to battle and tried to keep it close, but we couldn't get the offence to click," said Steve Scobie, who was put in to relieve starting pitcher

Mike Winters after two innings.

Scobie may have a point as the Cornhuskers have only been able to muster four runs in their last three games - all losses.

"We've got to get the offence going again, we were scoring runs when we were hot and we were winning game and scoring lots of runs. Today we got one run and that's not going to cut it. Even if you give up less it won't matter, so we've got to score more runs."

With the score at 8-0 after two innings, the Cornhuskers gained some com-

posure and kept the game relatively tight through the last four innings.

Scobie pitched well in relief, with six strikeouts, four hits and three runs against. However, one of those hits was a home run by Dale Lighthart in the top of the sixth to put the score at 11-0.

In the bottom on the sixth, the Cornhuskers finally got on the board with a hit by Jonathan Harris that scored Jake Friskney, but that was all the offence the Cornhuskers were able to muster.

New Lowell pitcher Cody Pifer had a solid

game for the opposition, pitching a rock solid five innings in which he only gave up four hits, no runs and fanned six Cornhuskers. He also added a double to help the Knights of fence.

The Cornhuskers now sit with a 3-7-1 record roughly halfway through the season, but still have plenty of games and talent to get back to the way they were playing earlier in the season.

This week they will face the Orillia Majors on Thursday night at 8:30 p.m. at Nobleton Sports Park.

Get your tush in gear for Saturday's walk

By Brock Weir

It's time to get your rear in gear!

So says Kerry Easton, a Barrie resident, who will make her second trek down to Aurora Saturday (June 22), to do exactly that in Push for Your Tush.

The annual Walk and Run, hosted by Colon Cancer Canada, gets under way at 4.15 p.m. with registration beginning at 2.45 p.m. It is the third year running for the event, founded in part by Tanya's Tushies, in honour of Tanya Shepherd, who lost her battle with colon cancer in 2009.

Since coming together in Tanya's honour, they have raised nearly \$50,000 for colon cancer research and indeed awareness because, at the time, public awareness of "below the belt" cancers such as hers was relatively low.

The June 22 walk offers something for everyone, from a 1k toddler walk, to a 5k walk and a 10k run.

This year's run will be held in partnership with the Ontario Professional Fire Fighters Association. Colon cancer, say organizers, is the second leading cause of "both male and female cancer-related deaths in Canada. Fore fire fighters, their risk of getting colon cancer is ten times that of the general population."

For more information, visit the website, coloncancercanada.ca/walk.
