Mackenzie Health President and CEO Altaf Stationwala (from left) and Mackenzie Health Foundation Campaign Cabinet Chair Greg Sorbara were on hand for the announcement by Magna International CEO Donald Walker (second from right) and Marc Neeb, Chief Human Resources Officer and Executive Vice-President, of a \$10-million pledge to help build and equip Mackenzie Vaughan Hospital. The gift is the largest donation yet to Mackenzie Health Foundation's \$250-million "Exceptional Care Belongs Here" campaign.

## Magna makes huge hospital donation

By Mark Pavilons

A very generous donation to the new Mackenzie Vaughan Hospital will provide a permanent connection and legacy.

The \$10-million pledge by Magna International will forever link this company, Mackenzie Health and exceptional care close to home for many in King and York Region.

It's part of a massive \$250-million campaign for the state-of-the-art "smart hospital," slated to open in 2019.

The presentation was made during the company's biannual staff "town hall" meeting at The Manor on Weston Road.

Marc Neeb, Magna's executive vice-president of global

human resources, said the very pillar of the company's culture is the importance of giving back to the community. It's reflected in their corporate constitution. Magna, he said, receives thousands of requests each year and they've picked the new hospital because it's a great organization and the facility will be used by thousands of Magna employees throughout York and parts of the GTA. They have also supported hospitals in Milton, St. Thomas and Newmarket's Southlake.

"We're exceptionally proud to make this gift on behalf of the many Magna employees in York Region," said CEO Donald Walker.

## EMPLOYMENT OPPORTUNITIES

Please visit the Township website at [www.king.ca](http://www.king.ca) for employment opportunities.

## COMPETITIVE BIDS

The Township of King is issuing a Tender Document for the following project on October 30th, 2015:

### Bid Call No. 2015-T19 – CHURCH STREET RECONSTRUCTION, SCHOMBERG

Urbanization, reconstruction and servicing works for Church Street and neighbouring roadways within the Village of Schomberg, Township of King.

Tender documents are available only through [www.biddingo.com/king](http://www.biddingo.com/king).

Interested Bidders must first register online with Biddingo.com.

Bids, marked as to contents, sealed in an envelope, box, container or package with the Official Bid Label clearly visible and affixed securely to the Bidder’s sealed Bid as per the Tender Document, will be received by the Township

**NOT LATER THAN 3:00:00 p.m. Local Time  
THURSDAY NOVEMBER 26, 2015**

## PUBLIC NOTICES

### WATER BILLS

Due Date: November 5th, 2015

WATER BILLS have now been mailed. Please contact the Finance Department immediately if you have not received your bill.

**BILL PAYMENT OPTIONS:** Payments can be made by pre-authorized bank withdrawal, at most financial institutions, including via personal online banking, by cheque or through the Township’s Online Services portal at [www.king.ca](http://www.king.ca). If paying in person at a financial institution, please present the entire bill. When making payments electronically, enter your account number with no decimal (i.e. 10 digits only). After hours water payments can be left in the drop box located at the Council Chambers entrance.

**Pre-Authorized Debit Program (PAD):** PAD programs are available for both property tax and water dues. Enrolment form is available online at: [www.king.ca/Government/Departments/Finance/Pre-Authorized%20Payments/Pages/default.aspx](http://www.king.ca/Government/Departments/Finance/Pre-Authorized%20Payments/Pages/default.aspx).

The next enrolment deadline for both property tax and water bill PAD programs is **December 1st, 2015**. Please visit our website for details.

## PUBLIC NOTICES

### NOTICE TO RESIDENTS

#### Smoke & Dye Testing Sewers In Nobleton

The Township of King (the Township) is working with Civica Infrastructure (Civica) on an Inflow and Infiltration (I/I) Reduction study. The study’s objectives are to identify sources of rainwater entering the sanitary sewers and develop a plan to reduce these flows.

In order to identify sources of I/I, Civica with support from the Township will be conducting a sewer smoke and dye testing program in your neighborhood throughout the period of October to November 2015 between the hours of 9 a.m. – 5 p.m. Smoke and dye testing is a safe and easy way to locate any sources of I/I in the system.

#### What is smoke testing?

The smoke test consists of blowing a harmless coloured vapour into the sewer manholes and pipes and observing where the smoke exits from the system. The smoke used in the test has no odour, isn’t harmful to your health, and will disappear after a few minutes.

#### What do you need to do?

Prior to the crew starting smoke testing,

- Please open water taps for **15-20 minutes** and **pour two to three cups of water** into all drains (don’t forget your basement floor drains).
- During the smoke test, smoke should not be able to enter into your home unless there is defective plumbing or drain traps are dry.
- If smoke enters the house, please open windows and turn on exhaust fans and note the location of the smoke. It will dissipate in a few minutes.

#### Note: You do not need to be home for the smoke testing

Civica staff will provide a minimum of one days’ notice to homeowners regarding commencement of work. On the day of the smoke testing, Civica staff will knock on the door of each house or building to inform the resident that smoke testing will be occurring.

#### Dye Testing

If a smoke test is positive or inconclusive, Civica staff will request permission to enter your property to conduct a dye test from outside the building. A possible inlet could be the roof downspout or a rear lot catch basin. Civica staff will not need to enter your house to conduct the dye test.

For more detailed information please go to the Township of King website for further information at [King.ca](http://King.ca).

#### Contacts

If you have additional questions or concerns please contact:

Kate Jackson (Civica Field Coordinator) at (905) 417-9792 ext. 310, [kjackson@civi.ca](mailto:kjackson@civi.ca)

Andrew Kerr (Civica Project Manager) at (905) 417-9792 ext. 303, [akerr@civi.ca](mailto:akerr@civi.ca)

# Gift should inspire others to support hospital

From Front Page

“Through community programs, volunteer work and charitable gifts, Magna remains deeply committed to improving the quality of life in all the communities in which our employees live and work.”

Altaf Stationwala, president of Mackenzie Health, said this is a truly inspirational gift and contribution, adding health care is the core to everything we do in life.

“Magna’s contribution is a milestone moment in the foundation’s Exceptional Care Belongs Here capital campaign,” he said.

The emergency department at the new hospital will be named “Magna Emergency” in recognition of this transformational gift to Mackenzie Health.

Stationwala added the emergency department will be the gateway to the new hospital. This high-tech department will boast 35,000 square feet of space and will be equipped to handle 75,000 visits annually.

He’s excited that roads and infra-

structure are already being placed at the site, located near Jane Street and Major Mackenzie. Construction is slated to begin next June.

“This project is a reality,” he said.

Greg Sorbara, Mackenzie Health’s campaign cabinet chair and former provincial finance minister, said this pledge is inspirational for both its generosity and leadership. He hopes it will influence other business leaders to support the campaign, touted to be the largest fundraising drive led by a community hospital in Canada.

“We are transforming health care in the southwest portion of York,” he said. “It’s time for others to step up to the plate.”

Magna’s contribution to kick off the campaign is crucial, he said.

“This transformational gift made by Magna employees helps make possible Mackenzie Health’s vision to provide a world-class health care experience in York Region,” said Ingrid Perry, president and CEO of the Mackenzie Health Care Foundation. “The leadership demonstrated by this act of generosity in the early stage of our Exceptional Care Belongs Here Campaign will raise sights and inspire philanthropy throughout our community in support of this crucially important hospital project.”

Infrastructure Ontario and Mackenzie Health released the request for proposal last June to the three teams shortlisted to design, build, finance and maintain Mackenzie Vaughan Hospital. The winning group is expected to be announced next spring, followed by construction.

When completed in 2019, Mackenzie Vaughan Hospital will provide 350 beds, 1,800 full-time staff and 100 physician specialists.

## ASK holds its AGM Nov. 4

The Arts Society King Annual General Meeting will be held on Wednesday, Nov. 4. This event is open to anyone wishing to attend and is an opportunity to meet the incoming ASK board of directors, learn more about what ASK does and is doing, enjoy some refreshments and mingle with friends. It will be held 4-6 p.m. at the King City Library.

*"Public opinion shapes our destinies and guides the progress of human affairs"*

~ Frank B. Kellogg

## Study reveals how to feel like a million bucks!

There is a key to happiness, at least according to those who study such things.

I heard the veritable "golden triangle" of happiness includes three main ingredients – solid relationships, financial control and a sense of purpose. The Australian Wellbeing Index has been conducted twice a year over the last 15 years and involves more than 60,000 participants.

Well, as Meatloaf was so fond of saying in their 1977 hit: "Two Out of Three Ain't Bad." How about one of out of three?

It's been said that those who are in relationships are happier and perhaps live longer. This doesn't include relationships with pets, but pet owners are happier and do live longer!

These days, those strong, long-term marriages seem to be rare, as divorce rates continue to climb. The roller coaster ride of life was meant to be ridden. You simply can't get off while the coaster is in motion. You have to navigate every twist and turn.

Most of us Boomers have learned from our parents' marriages. Those tended to be life-long commitments, but in the post-war world, they were sometimes marriages of convenience and tradition, rather than true love. Regard-

Mark Pavilons

less, the vows meant something and couples worked hard together to build lives and the foundations of generations to come.

While money doesn't make us happy, it sure makes the pain more tolerable. Seriously, a lack of financial stability is a leading factor of stress and relationship break-down, even divorce.

There are days I feel like a million bucks, literally. In fact, there are a couple of days each week that I'm worth millions and I'm driving around in a \$5 million automobile.

Then, the lottery draw is held and my net worth plummets. Sad.

It's equally sad that I not only live paycheque to paycheque, but also in between fantasy and reality.

I think there's a lot of merit in having a "sense of purpose." Given the nature of our existence, we don't know exactly what that is. But I think most of us want to be busy, active, contributing members of society, in whatever role we choose. It's been said that volunteers are among the happiest and healthiest people on the planet – even more reasons to get involved! I think if we have jobs that we enjoy (regardless of salary) and are active in our community, we can wear a smile proudly.

The happiest demographic is the 55+ age group. I can understand the 55-65 group, being stable in both finances and career with established families. But those seniors beyond retirement age may not be the happiest folks around.

During the election, we heard that the well being of our seniors is in jeopardy and more are living in dire straits. Once thought of as financially secure, our seniors are facing more challenges than ever before, and that includes financially supporting their adult children.

While strides are being made, there is still a lack of affordable housing and services for our elderly.

Fathers tend to be happier than mothers. There are some very good reasons for this. While I believe I'm an active, involved parent, I can't come close to my wife's level of concern, intuition and protectiveness. Being the "momma bird" can take its toll both physically and emotionally.

Another factor addressed in the study was use of social media. It seems

moderation is key. When limited to just 30 minutes per day, people are the happiest. More than that and look out!

I imagine the same can be applied to video games, online sites and eBay. I wonder how many of us, especially our teens, can limit themselves to 30 minutes a day on their Xbox. Yeah, I thought so.

I'm a guilty of having an iPad stuck to my paws some evenings, but I use it as a way to unwind and relieve stress. Honest!

I love "window shopping" on eBay, looking at a whole realm of things I can't afford or have no intention of buying.

While we have a limited amount of time on this planet, we do tend to fritter much of it away.

Just think, we spend one-seventh of our lives dreading Mondays! We sleep a substantial bit of it away. We waste untold hours per week simply waiting in line. And we pass the time in various Internet activities.

I have spent a considerable amount of time over the years waiting for good news, and a lot more dealing with the bad.

I've spent countless hours waiting on car repairs, which never had happy endings.

I've spent too much time saying goodbye to loved ones. In a 10-year span, I buried my father, sister, mother and uncle, and in that same period, I welcomed all three of my children. Needless to say, we stopped having children and I've stopped planning funerals.

These latest revelations by the Australian study aren't really new.

I think the rules governing a happy life aren't new, either. Since the time we lived in organized societies, happiness centred around family, shelter, food and a sense of purpose.

We just need to be reminded from time to time.

### Letters to the Editor

## Thanks to fire partners

On Wednesday, Oct. 7, King Fire and Emergency Services hosted our annual Open House at Firehouse 3-8 in Nobleton.

The theme for this year's fire prevention week was "Hear the beep where you sleep."

Residents from King Township and visitors from other communities learned how to install smoke alarms, and how to use a fire extinguisher. There were informative booths on dryer safety and emergency preparedness.

A great big thank you to everyone who helped out and stopped by for a visit. Special thanks to our community partners GO Transit Rail, Canadian Hearing Society, The Dryer Wizard, Safety First and Canadian Red Cross.

King Fire & Emergency Services

## Heritage homes protected

The question of putting historic houses and other structures in King Township on the Ontario Heritage Registry has certainly become a controversial topic in recent months. Heritage features tell our story and help us to understand where we have come from.

King Township clearly has a rich heritage which is evident in many structures and other heritage features found throughout the Township.

I'm writing to commend the New Scotland Group for their welcomed support of the Township's interest in proceeding with the heritage designation process for their two properties at 2169 and 2175 King Road in the core area of King City.

The two heritage homes on King Road, which have thoughtfully been retrofitted for business use, are excellent examples of King's past and continue to contribute to a sense of place that is rooted in history. Both structures are well designed and feature numerous architectural details well worth preserving as part of King's heritage.

It's encouraging to see the partnership between property owners and King Township in working together to preserve excellent examples of King's heritage. Thank you to the Heritage Advisory Committee, New Scotland Group and to King Township!

# The real work begins after the election

By Skid Crease

"The environment is everything that surrounds us, everything with which we interact, everything that we are; in short, everything."

It is now two weeks since the historic reversal of fortunes in the October federal election. In my last column, we had high hopes for a Liberal minority government that could work with the NDP and Green Parties to bring environmental sanity back to our country. It appears that nicety will no longer be necessary, but collegial collaboration would still be appreciated.

So that's it. According to our media pundits, the Prime Minister has been deposed, the regime has changed, and all is well in our world. However, history tells us that we are doomed to repeat the mistakes of the past if we neglect to hold to account the promises made by the incoming government. And that takes our continued attention to details and results.

I heard an interesting commentary on CBC Radio the weekend before the election. The young woman being interviewed said: "The most important day isn't October 19th. The most important day is October 20th. It is easy to vote. But the morning after is when the real work begins. When the people hold to account the government that they have elected to bring about the real changes that they have promised during this campaign."

This particular morning after brought an unexpected result, a massive Liberal majority government. While that means that our environmental and economic hopes will not need the assistance of the NDP and Green Party to succeed, it does not mean we can let the federal Liberal Party rest on the laurels of a well run campaign.

Typically, on the morning after, we turn over comfortably in our electoral beds and put our faith in the hands of the victors, trusting that will get on with the job of running the country ethically and as promised. That day, stated the young woman on CBC, and every day for the duration of their tenure, is when the people should be most strongly engaged in dialogue with their government.

That day is when we should demand that the public inquiry into the murdered and missing aboriginal women

start, that the national child care program be created, that Bill C-51 be reformed, and that the long-form census be reinstated.

That is the day when meetings with the provincial and territorial leaders are planned to set a collaborative Canadian agenda for the United Nations Climate Change Conference at the end of November.

That is the day when the price per tonne on carbon is negotiated, that the green technologies research and development fund is initiated, and that the investment in urban infrastructure be committed.

That is the day we should see the environmental oversight degradation of the last two Omnibus Bills reversed, our scientists unmuzzled, and our protection of endangered spaces and species strengthened.

That is the day we should see taxes raised on the wealthiest individuals and corporations, and see that money reinvested in a national health and wellness program for the least advantaged among us.

That is the day we should see our role as respectful defenders of Canadian citizens clarified, as responsible global citizens renewed, and as international peacemakers reinstated.

I am beginning to believe that it really doesn't matter who the government is if the people sleep in the morning after. The self-fulfilling structure grinds on for those in power and beneficent promises are lost in the hallowed and insular halls of The Hill. If the people are lulled into a sense of false security that change of leaders and parties means change of policies, keep in mind the lyrics of that warning song by The Who: "Meet the

new boss, same as the old boss."

Unless the basic current structure of governance is transformed, it will be very difficult indeed for any party or leader, no matter how deeply positive change is desired, to make that change happen. The people must demand and support institutional change to break the self-fulfilling prophecy that is the current state of affairs.

We need an Access to Information Act that lifts the veils on government secrecy. We need the data gathered by political party polling to be made public. We need a proportional representation system for voting to be ready for the next election. We need reform for an independent Senate that admits only those capable of wise secondary oversight on Bills passed by the House of Commons.

We need a simpler tax system for the people, a competitive tax system for the corporate world (corporations are NOT people), a strengthened CPP, and reinstatement of the OAS at 65. We need free transit and full health care benefits for seniors. We need interest free loans for university students. We need clean drinking water for every Canadian.

In order to accomplish all this, the people need to remind their elected representatives at every opportunity that they serve us; that we have given them our wish list and hold them accountable for making it come true.

No one is expecting this to be easy in a world of fragile economies and radical unrest. No one is expecting this to be easy in a Parliament that has a Liberal majority in the House and a Conservative majority in the Senate. But we expect to see our elected representatives try their best in an honest and transparent public process of law and gover-

nance.

We have put our faith in a promise for real change. Like the song says, "Pray we don't get fooled again."

# King City properties to receive heritage designation

By Mark Pavilons

Two King Road properties that have defined the streetscape for more than 100 years, will carry a heritage designation.

King councillors, staff and residents were all thrilled to recommend that 2169 and 2175 King Road be designated under the Ontario Heritage Act. The two adja-

cent properties were saved from the proverbial wrecking ball.

The owners had applied for demolition permits Sept. 29 and they were issued Oct. 13. King's Heritage Advisory Committee reviewed the properties again at their Oct. 8 meeting and recommended they be designated. The properties were found to have historic value and discussions with the owners led to

this agreement.

In a letter sent from Jeff and Mike Lacey of the New Scotland Group Inc., they are pleased to proceed with the historical designation process.

"We look forward to working with the Township of King to continue to preserve the historical components of our properties as well as to enhance the properties and potentially redevelop them in the future," they wrote.

"The properties ... have defined the streetscape of King Road since their original construction. They are both representative of the turn of the 19th century residential construction that reflects the early development of the community," according to the report submitted by planning department staff. "Designation of these properties ... would ensure that they will remain important contributions to the King City core area, and reminder of the Township's roots."

Located between Fisher and Patton Streets, 2169 King Road was originally built in 1896 and the building is a strong example of a Victorian-style Ontario farmhouse. The building is one of the few remaining in the area from this period.

The building was occupied by the Norman family, with roots dating back to the 1800s. The building was used as a residence and home for the Bethel Baptist Church. It's now used as a real estate office.

The building has served to define,

support and maintain the character of the area.

It features a gable roof, gothic windows, dichromatic brick work and a front verandah.

The building at 2175 King Road is a unique example of an Ontario cottage, with a central door and prominent steep gable. It displays a mixture of architectural styles, along with a wrap-around verandah with decorative treillage.

This was also built around 1896 and was originally occupied by Henry Teasdale, a merchant and member of the Sons of Temperance. The family arrived in Canada in 1820 and had ties to a number of villages in King Township, including Laskay where George served as postmaster from 1898-1921.

The building is historically, physically and functionally linked to its surroundings.

The decision drew praise from the Concerned Citizens of King Township.

Bruce Craig commended councillors, staff and volunteers for recognizing the importance placed on the history and heritage features found in King.

"To understand who and what King is today and know where we are going, we have to have a clear understanding of our past," he said.

"The two heritage homes on King Road ... are excellent examples of King's past and continue to contribute to a sense of place that is rooted in history. Both structures are well designed and feature numerous architectural details

well worth preserving as part of King's heritage."

He praised the HAC and the owners of the properties for their efforts.

Councillor Debbie Schaefer said these properties are very much part of King's history and she's pleased they can be productive parts of the future of King City.

The owners are "setting a standard," she observed.

## Back-to-school fundraiser

A Nobleton family held a small, back-to-school gathering all in aid of needy students.

The recent party, hosted by Jennifer Bianco and her kids, collected 29 pencil cases, 32 note pads, 162 packs of pencils, 124 packs of pencil crayons, 138 duotang folders, 34 packs of pens, 31 glue bottle/sticks, 7 scissors, 10 calculators, 4 loaded backpacks, 27 rulers, 45 packs of pencil sharpeners, 27 packs of crayons, 56 packs of erasers, 6 hard cover binders, 123 workbooks, 286 packs of paper and 5 cases of juice boxes.

The items were dropped off to Canadian Food for Children, and will be shipped to Peru, Sierra Leone, El Salvador, and Ghana.

In total, they had 62 kids in attendance, along with their parents. The event included face painting, tie dying t-shirts, a water balloon toss, piñatas, bumper balls, and of course food.

## Nobleton Public School joins the Waste-Free Lunch Challenge

Nobleton Public School joined other elementary schools across Ontario to go waste-free for a whole week as part of Waste Reduction Week in Canada (Oct. 19-23). This was the fourth year the school is participated.

The Waste-Free Lunch Challenge is a school program developed by the Recycling Council of Ontario. The goal of the program is to help schools decrease the amount of garbage they produce and to educate students, staff and parents about waste reduction.

The average student's lunch generates a total of 30 kg. (66 lbs.), of waste per school year, and an average elementary school generates 8,500 kg. (18,700 lbs.) of waste per year. Prizes are awarded to classrooms and schools that are the most successful in reducing the amount of waste generated from their school lunches.

The school would like to thank parent volunteer Alex Simonato for heading this initiative and rallying other parents and school staff to the cause. It is their goal to turn Nobleton Public School into a Certified Eco School through composting, Boomerang lunches and comprehensive recycling programs just to name a few.

## Township still waiting for final ice storm payment

By Mark Pavilons

Ontario's PC Critic for Municipal Affairs chastised the provincial government for a lack of action on the Ice Storm Assistance Program.

MPP Ernie Hardeman asked the Minister of Municipal Affairs and Housing to apologize for the government's attempt to blame municipalities for the failures of the provincial Ice Storm Assistance Program.

"In 2013 municipalities in Ontario were hit with a major ice storm that took out hydro for days and resulted in damages that cost millions," said Hardeman during a question in the Legislature recently. "Almost two years later many municipalities are still waiting for part of the emergency support they were promised. When asked why it was taking so long the Parliamentary Assistant for Municipal Affairs and Housing blamed municipalities."

In February 2014 the Ontario govern-

ment announced that it would provide emergency assistance for municipalities impacted by the December 2013 ice storm and that the support could flow within months. However, nearly two years after the storm municipalities are still waiting for part of the promised assistance.

"Partial funding after two years is not the emergency support these municipalities were promised," said Hardeman. "Would the Minister apologize for his Parliamentary Assistant's attempt to blame municipalities and apologize for his failure to deliver the emergency support municipalities needed?"

Hardeman pointed out that the first delay was the nine months it took for the provincial government to create an application, and the additional two months after that to provide training.

Municipal applications were due by Dec. 31, 2014, but 10 months later municipalities are still waiting for support.

"It is unfair to municipalities who

have long since paid the cost of the emergency clean up and are still waiting for reimbursement," he said.

King Mayor Steve Pellegrini pointed out the Province has asked all municipalities for more detailed information regarding their claims.

"Our Township has provided details as requested and expect all of what was requested to be paid within the next few months. Our claim was realistic and directly related to actual costs incurred," he said.

King's total claim was roughly \$210,000. They received an interim payment of \$73,310.57 earlier this year.

According to Conrad Spezowka, spokesperson for the Ministry of Municipal Affairs, claims are being reviewed as quickly as possible and "we are working with municipalities and conservation authorities to get them their final payments."

"To date, 31 claims have been fully reviewed and final payments issued. In addition, to help municipalities and conservation authorities receive funds more quickly, in February 13, 2015, all claimants were notified in a letter from the ministry that they may request an interim payment equal to about one-third of their claimed amount in ad-

vance of a completed review."

He confirmed that King Township was one of 47 claimants that accepted the offer and were issued interim payments. King Township received over \$76,000 on May 27, 2015. The timing of the interim payments has depended on the timing of obtaining signatures for the grant agreements. Once the full review is complete, the claimant would be issued the remaining eligible funds.

All remaining claims must be carefully reviewed to verify eligible costs before final payments are issued, he added. The timeframe to review a claim depends on the size and complexity of the claim and the clarity and completeness of supporting documentation provided by the claimant. Many claimants are currently in the process of providing additional evidence to demonstrate that incurred costs were clearly linked to the ice storm event and are eligible under the program.

The Ice Storm Assistance Program is a one-time disaster relief program for the December 2013 ice storm. It focuses on costs related to the immediate emergency response, such as setting up warming centres, and the subsequent cleanup of debris necessary to protect public safety.

## Mayor eager to work with MPs

By Mark Pavilons

King Township is reaching out to one new MP and hoping some much-needed infrastructure funding will come our way.

Mayor Steve Pellegrini said King is unique in that it has been split between two ridings, and enjoyed relationships with both Liberal and Conservative MPs and MPPs.

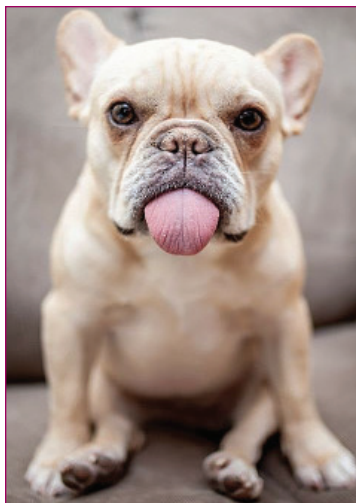

He's anxious to work with King-Vaughan's first MP Deb Schulte and follow up on Liberal campaign promises to boost infrastructure funding.

Those statements were "music to our ears" Pellegrini said, adding we need money for our roads and bridges. "It's our number one issue," he added.

If the Liberals come through with their stimulus funding, "we will welcome it with open arms."

He worked with Schulte on York Regional council when she was a Vaughan councillor. He said he hopes that her view is now skewed by the urban needs of northern Vaughan and that she realizes King and Vaughan are very different communities.

King's team is already acquainted with York-Simcoe MP Peter Van Loan, so their working relationship will continue, despite the fact Van Loan will now be an Opposition MP.

# Apple pie bake off fundraiser a success

Due to the generosity of King citizens, struggling families in the community can look forward to a brighter Christmas this year.

Through the efforts of King City United Church and organizer Alma Feindell, nearly \$900 was raised for "Christmas in King." The event challenged local ministers, dignitaries, youth and citizens to bake their best apple pie. Nearly 40 different pies were entered.

After judging, the pies were available for purchase. You could also buy a piece of apple pie and enjoy it with ice cream and a beverage.

Winners of each category were: David Boys, in the Mayor and Councillors category; Bishop George Elliott in the Ministers' category; Joe Karabin for the men and Bonnie Mooney for the

women. Judges were Dennis Mooney, Bill Skerritt, Joe Karabin, Sheila Feindell and Liza Moskaltsova (Country Apple Orchard Farm).

If you wish to support Christmas in King, contact Carol Ann Trabert 416-559-7898 or via email [catrabert@gmail.com](mailto:catrabert@gmail.com).

Councillor David Boyd and family, winner of Mayor and Councillors category. Other winners included (photo, left, l to r) Bishop George Elliott (retired) (clergy), Bonnie Mooney (women) and Joe Karabin (men).

### The Barber Shop offers free shave

"Movember" is upon us, and The Barber Shop in Schomberg is offering free shaves, all in support of a worthy cause. Donations will go to support prostate cancer research. The shaves will be done this Saturday, Oct. 31, from 8 a.m. to 4 p.m. Participants are asked to begin "Movember" with a clean-shaven face and grow and groom a moustache. Here, Scott Bayley gets to work. For more, drop in or call The Barber Shop at 905-939-1116.

# Church talent show will arrive Nov. 7

## Schomberg Should Know

Wendy-Sue Bishop  
905-590-0054  
wsue52@hotmail.com

King Township Library

The "Senior Computer Group" is a great free program offered to seniors or to anyone wanting to get more comfortable with the computer.

This program will be geared to each person's ability or knowledge of the computer programs. The program is free but we do ask you to pre-register at your library of choice so that we have a laptop available for each participant. They take place on Thursdays at 3 p.m.

Every first Thursday of the month at King City, 905-833-5101; every second Thursday of the month at Schomberg, 905-939-2102, and every third Thursday of the month at Nobleton, 905-850-4188.

Talent Show at  
St. Mary Magdalene

It is "On with The Show" Saturday Nov. 7 at St. Mary Magdalene Anglican Church (116 Church St. Schomberg). The audience will be treated to a variety of local performing talent (singers, dancers, musicians), as well as exhibits

such as artistic and culinary talent, and hors-d'oeuvres and refreshments from Sheena's Kitchen.

The exhibits open at 5:30 p.m. in the church hall and the show starts at 7 p.m. There's still time to add one or two acts to the show if you'd like to exhibit your talents (art, embroidery, quilting, collections, etc) in the hall or appear on stage. All are welcome. Contact [starcross@rogers.com](mailto:starcross@rogers.com) or call Steve at 905-939-7808 for more information. Tickets available at the door.

### Scarecrow Competition

The Scarecrows are coming to Schomberg once more! We have a new category this year the Best Halloween Scarecrow. So another opportunity to win a prize. The best part is getting involved and participating in a community event, making a scarecrow with your family, friends or neighbours and looking at others and voting for your favourite, can be great fun! All information regarding rules, registration and voting is at [www.schombergscarecrows.com](http://www.schombergscarecrows.com)

### Haunted House

Come to the Library and experience a boo-rific good time! There will be thrills and chills and the children should come dressed in their Halloween costumes. A small donation is welcome. This event is planned for children aged 0-6, however,

all ages are most welcome! It runs Tuesday, Wednesday, Thursday, Oct. 27, 28, 29 and 30, 6-8 p.m.

This year, the Haunted House makes its home at the Nobleton Library. For more information please call Nobleton Library at 905-859-4188.

### Schomberg Youth Club

Schomberg Youth Club is up and running for a fifth great season. It is free of charge and open to all youth ages 10 to 16. We use the gymnasium at Schomberg Public School every Friday night from 7 to 9 p.m. during the months of September to June. There is an emphasis on sports, along with games of challenge and team-building as well as including a quiet spot to hang out and do some crafts with friends.

We welcome our new Youth Leader, Julien Cristante, who brings his own brand of infectious enthusiasm for recreational sports and working with young people. The Youth Club is a drop-in program available to anyone in the surrounding community and is generously sponsored by Nobleton and Schomberg United Churches.

### York Pines United Church

Tickets are now available for the much anticipated Turkey Supper at the York Pines United Church. The date is Wednesday, Nov. 4 from 5 to 7 p.m. Sponsored by the United Church Women, this event features a traditional turkey supper with all the trimmings. Even the minister is making an apple pie! This cost is \$15 for an adult ticket and \$5 for a child's ticket, age five to 12. Under the age of five children eat free. You have the option to dine-in or take-out. To reserve your ticket call the church office at 905-727-8118.

This fund-raising event provides dollars for the annual donations that the U.C.W. contribute to service agencies.

On Sunday, Nov. 1 the morning worship service will have a memorial character. You are welcome to bring a photo of a loved one who has died. Their picture will be placed on the communion table. During the prayers the worship leader will name the individuals and offer the petition, "Lord, tell them they are missed." The people will respond with the words, "Mediate to us the assurance that all is well with them."

The worship service begins at 10:30 a.m. Newcomers and visitors are welcome.

### Main Street Christmas

I know we haven't even had Halloween yet and the weather presently is seemingly tropical but the calendar cannot be denied and we all know Christmas is coming. Our beloved Main Street Christmas celebration this year is planned for Saturday, Dec. 5. The celebrations begin at 3 p.m. with the Santa Claus parade running through our Main Street at 4 p.m.

Anyone or group or organization who would like to participate in the Santa Claus Parade is encouraged to contact myself at 905-590-0054 or [wsue52@hotmail.com](mailto:wsue52@hotmail.com).

### Christ Church Bazaar

Christ Church, Kettleby will hold its annual Fall Bazaar on Saturday, Nov. 7 from 1 until 4 p.m. There will be a bake table, vegetables and preserves, White Elephant treasures, books and crafts, and draw for prizes. There will also be tea and coffee served with homemade breads, cheese and fruit. All are most welcome.

### Schomberg Community Farm

The Schomberg Community Farm will have their annual AGM in November if you are interested in being part of this venture, and joining the committee, please contact us at [schombergcommunityfarm@gmail.com](mailto:schombergcommunityfarm@gmail.com).

### Cougars fundraiser

The Schomberg Jr. C Cougar group is planning a fundraising event for Saturday, Oct. 31, from 11 a.m. to 4 p.m. at the Schomberg Shell Station at 9 and 27.

You will get a chance to meet and greet many and varied farm animals courtesy of Karen and Dan Baker.

Jimmy the Clydesdale will be there courtesy of the Equine Assisted Learning Centre.

There will be lots of food and drinks for everyone, candy for the kids, jumping castles for the kids and prizes for all. All proceeds go towards our Jr C Schomberg Cougars Hockey Club.

## Enjoy Halloween with local events

By Mark Pavilons

There are a host of local events to bring out the Halloween spirit in King.

The Cold Creek Haunted Forest runs Thursday, Oct. 29 and Friday, Oct. 30, from 6 to 9 p.m. Come if you dare to the Cold Creek Haunted Forest, and explore through 3 degrees of scariness; Boo Room, Frightful Maze & Haunted Trail. Enjoy a Tractor Ride filled with spooky scenes or explore the inflatable maze, perfect for all ages. Only \$7/person, so load up the whole family for a fun filled adventure. Free bucket with candy with every ticket.

For more information email [events@king.ca](mailto:events@king.ca).

The Nobleton Library will be transformed into the Haunted House for little ones, up to six years old. There will be thrills and chills and the children should come dressed in their Halloween costumes. A small donation is welcome. This event is planned for children aged 0-6, however, all ages are most welcome! It continues Thursday, and Friday, Oct. 29 and 30, 6-8 p.m.

King Township has a long history of hauntings and there's a "Haunted King Bus Tour," which runs Friday, Oct. 30 from 7-10 p.m. The cost is \$10 for children under 12 and \$15 for adults. Board the bus at Cold Creek Conservation Area by 6:45 p.m. The bus will return by 10 p.m. For more, call the King Heritage and Cultural Centre at 905-833-5237 or email [kvanwagner@king.ca](mailto:kvanwagner@king.ca).

# Council supports local bids for FIT solar projects

By Mark Pavilons

King councillors have given their support to several local solar projects.

Those seeking access to the Feed-In Tarrif (FIT) program benefit from municipal council support for their applications. The Independent Electricity System Operator (IESO) requires that councils pass site-specific resolutions for each project, in order to obtain "Priority Points."

Council gave their endorsement for several ground and roof-mounted solar projects in the area.

The Region of York plans to install 1,000 ground-mounted, 250kW panels at the Schomberg Water Resource Recovery Facility (sewage treatment) at 5 Dillane Drive. These will occupy 1.6 acres of land that was previously used as a sand filtration bed.

King staff believes it won't create a significant visual impact to area landowners. The nearest dwelling is some 500 metres away.

Kinghaven Farms asked for support for several roof and ground panels. In all, they plan 1,453 rooftop panels on the north half of their equine training facility; 1,453 on the south half; 249 rooftop panels on the track barn roof and 2,000 ground panels on paddocks.

Again, staff doesn't see any negative impacts from this. Kinghaven already has many of these in place.

Cardinal Golf Course on Highway 9 had asked for support as well, but Township staff didn't have enough time to properly evaluate the impacts. In the report, by planning director Stephen Kitchen, their plan calls for panels on the south side of the clubhouse building. The steep slope and curve of the roof is one the main architectural features of the building, but it also presents a challenge. Staff believe the panels may impact on the local landscape since they would be quite visible from Highway 9. There is also a concern the panels may reflect sunlight and present a driving hazard for motorists. Staff recommended against giving Cardinal an endorsement.

This didn't sit too well with Councillor Avia Eek, who urged her councillors to reconsider.

She said King often asks businesses to consider green initiatives and she doesn't share the staff concerns with

Cardinal's bid. The panels won't affect the rural character and the research she's done indicates the panels aren't reflective and won't present any sort of hazard for motorists.

Council directed staff to continue discussions with Cardinal on the matter.

## Former resident extradited from Spain to face fraud charges

A King woman, who had been living in Spain, has been arrested and extradited in connection with a fraud against a manufacturing company in the City of Vaughan.

Between March 2014 and May 2015, the accused was employed as a senior manager of Crane Payment Solutions based in Vaughan. While employed, she set up fake account payables similar in name to real account payables for the company. Over a 14-month period she submitted fraudulent bills to her employer totaling \$5.5 million dollars, which were paid. In late May, after being confronted by management regarding accounting discrepancies, the suspect fled from Canada to Europe.

An international arrest warrant was obtained by York Regional Police and on Sept. 15, after receiving a tip, the accused was arrested by Spanish Federal Police near Malaga, Spain, where it is believed she had been residing. On Oct. 15, the accused waived her right to an extradition hearing in the Spanish Federal Court and she was returned to Canada on Oct. 22.

The 55-year-old King Township resident has been charged with Fraud Over \$5,000 and Theft Over \$5,000.

She appeared before the Ontario Court of Justice in Newmarket today and has been remanded in custody until her next court date which was Oct. 26.

York Regional Police would like to thank Interpol, the Spanish Federal Police and the Royal Canadian Mounted Police liaison officers in Europe, for their assistance in bringing this investigation to a successful conclusion.

If you have any information please contact York Regional Police Major Fraud Unit at 905-830-0303 x6614, Crime Stoppers at 1-800-222-TIPS, leave an anonymous tip online at www.1800222tips.com, or text your tip to CRIMES (274637) starting with the word YORK.

## NobleKing Knights strike gold at Lake Placid

Congratulations to the NobleKing peewee A team as they captured the gold medal at the Can/Am Challenge Cup in Lake Placid, NY Oct. 22-25.

After the long drive and an emotional opening ceremony in the famed 1980 "Miracle on Ice" arena, where assistant captain Michael Termini had the honour of carrying the tournament torch and lighting the cauldron, the team walked away with a 2-2 tie against a tough Buffalo Bisons team.

This was thanks to a late first period blue line goal from Sam Degli Angeli on a beautiful pass from Cameron Robinson, and a great, late third period goal from Liam McPhillips on a pass from Degli Angeli.

Game two the next day saw the Knights face the Westchester Quakers, who also provided a tough challenge, yet the team was able to eke out a 1-0 win, with Robinson's goal off a textbook pass from Vincenzo Marra, giving goaltender Steven Selvaggi his first of three shutouts in the tournament.

The young Knights found their stride on Saturday with a solid 3-1 game three win against the Southtown Stars on fantastic pass plays from Robinson to Derek Evangelista; Termini to Aurelio De Rose, and Alex Ayzenberg to Vincent Albanese.

Game three was shortly followed by impressive performances by team members in the skills competition. With their fellow teammates cheering them on, especially injured goaltender Matthew Maniatis, Selvaggi took the runner-up trophy in the Shoot-Out Challenge, while skaters Owen Clark, Aurelio De Rose, Anthony Macedo, and Ryan Dimitroff dominated both the preliminary and final heats of their relay competition to capture the trophy.

Immediately following the skills competition, each member of the team recorded points on the game sheet of their final round robin game, including a couple of assists from Christopher Petrunaro to Albanese, to give NobleKing a punishing 7-0 win against the Pickering Panthers. This

The NobleKing peewee A team captured the gold medal at the Can/Am Challenge Cup tournament, held in Lake Placid, New York Oct. 22-25.

A late penalty kick was the deciding factor in the junior varsity Country Day School Cyclones' 2-1 win over the St. Andrew's College Saints on Monday.

## Late penalty secures victory for CDS soccer

By Jake Courtepatte

A converted penalty kick late in Monday's match with the St. Andrew's College Saints was the deciding factor to put the DII Country Day School Cyclones back in the win column.

The Cyclones took to the Saints' field winless in their last two games, tying first-place Villanova College and shut out by Holy Trinity School the week prior.

It was the Cyclones that got on the board first and early, converting on a rocket that just tipped off the hands of the outstretched SAC goalkeeper.

The lead didn't last for long, as the CDS defenders were fooled with speed a few minutes later as a Saints player dropped a cheeky chip shot into the back of the Cyclone net.

Picking up in the second half, the action seemed to go both ways, with each team getting a number of strikes on net but right into the hands of the opposing goalkeeper. The Cyclones caught a break when a Saints player was a little too rough with his tackle inside of the box, prompting a CDS penalty kick that the goaltender guessed the wrong way on.

CDS held onto the lead for the remaining minutes, handing the Saints their second-straight CISAA loss. The Cyclones moved to a 3-1-1 record on the season.

With Villanova College beating up on Pickering College 6-3 on the same night, the Cyclones remain three points out of first spot in the CISAA's western division. A win against Pickering on Wednesday combined with a Villanova loss to Appleby College would secure a first-place tie for the Cyclones to complete the regular season.

Playoff action will kick off next Friday in Toronto.

For schedules and standings, visit [www.cisaa.ca](http://www.cisaa.ca).

gave the Knights a berth in the gold medal game on Sunday where they would again face the Buffalo Bisons.

The Knights took advantage of an early power play in the first minute of the championship game, as Macedo sent a rocket from the point top shelf past the strong Bison goaltender off of a perfect pass from Termini, giving the Knights the lead. Both teams battled heavily for the rest of the period yet the score remained 1-0 at the first intermission.

A few minutes into the second period, Robinson posted his team-leading fifth point of the tournament on a beautiful goal from tape to tape passes from Clark and Degli Angeli, to give the Knights a 2-0 lead. With a minute and a half left in the second period, Termini took advantage of a big rebound off of another Macedo shot from the point to give NobleKing a 3-0 lead. This lead would be threatened in the last minute of the

second period as a couple of Knights were sent to the penalty box, giving the Bisons a 5-on-3 power play for the remainder of the period and for the beginning of the third.

Selvaggi's hot glove and strong defensive plays by all of the penalty killers frustrated the Bisons who were unable to capitalize on their two-man advantage. The Knights' lead was again threatened with five minutes remaining in the game, as the Bisons were given yet another 5-on-3 power play, however, the Knights held their ground and never looked back as they treated their boisterous parents and siblings in the stands with an exciting win to capture the gold medal.

Congratulations to all of the players and to their amazing coaches, Rob De Rose, Dan Dimitroff, Joseph Petrunaro, Tory Termini, and Domenic Albanese, on striking gold in Lake Placid.

### Weekend in support of SickKids Hospital

The public is invited to come with your family and friends at Executive Squash and Fitness (8301 Jane Street) Nov. 6-8 from 10 a.m. to 5 p.m. in support of SickKids Hospital. # WE DON'T BREW OUR BEER FOR THE AWARDS!

# BUT HE DOES!

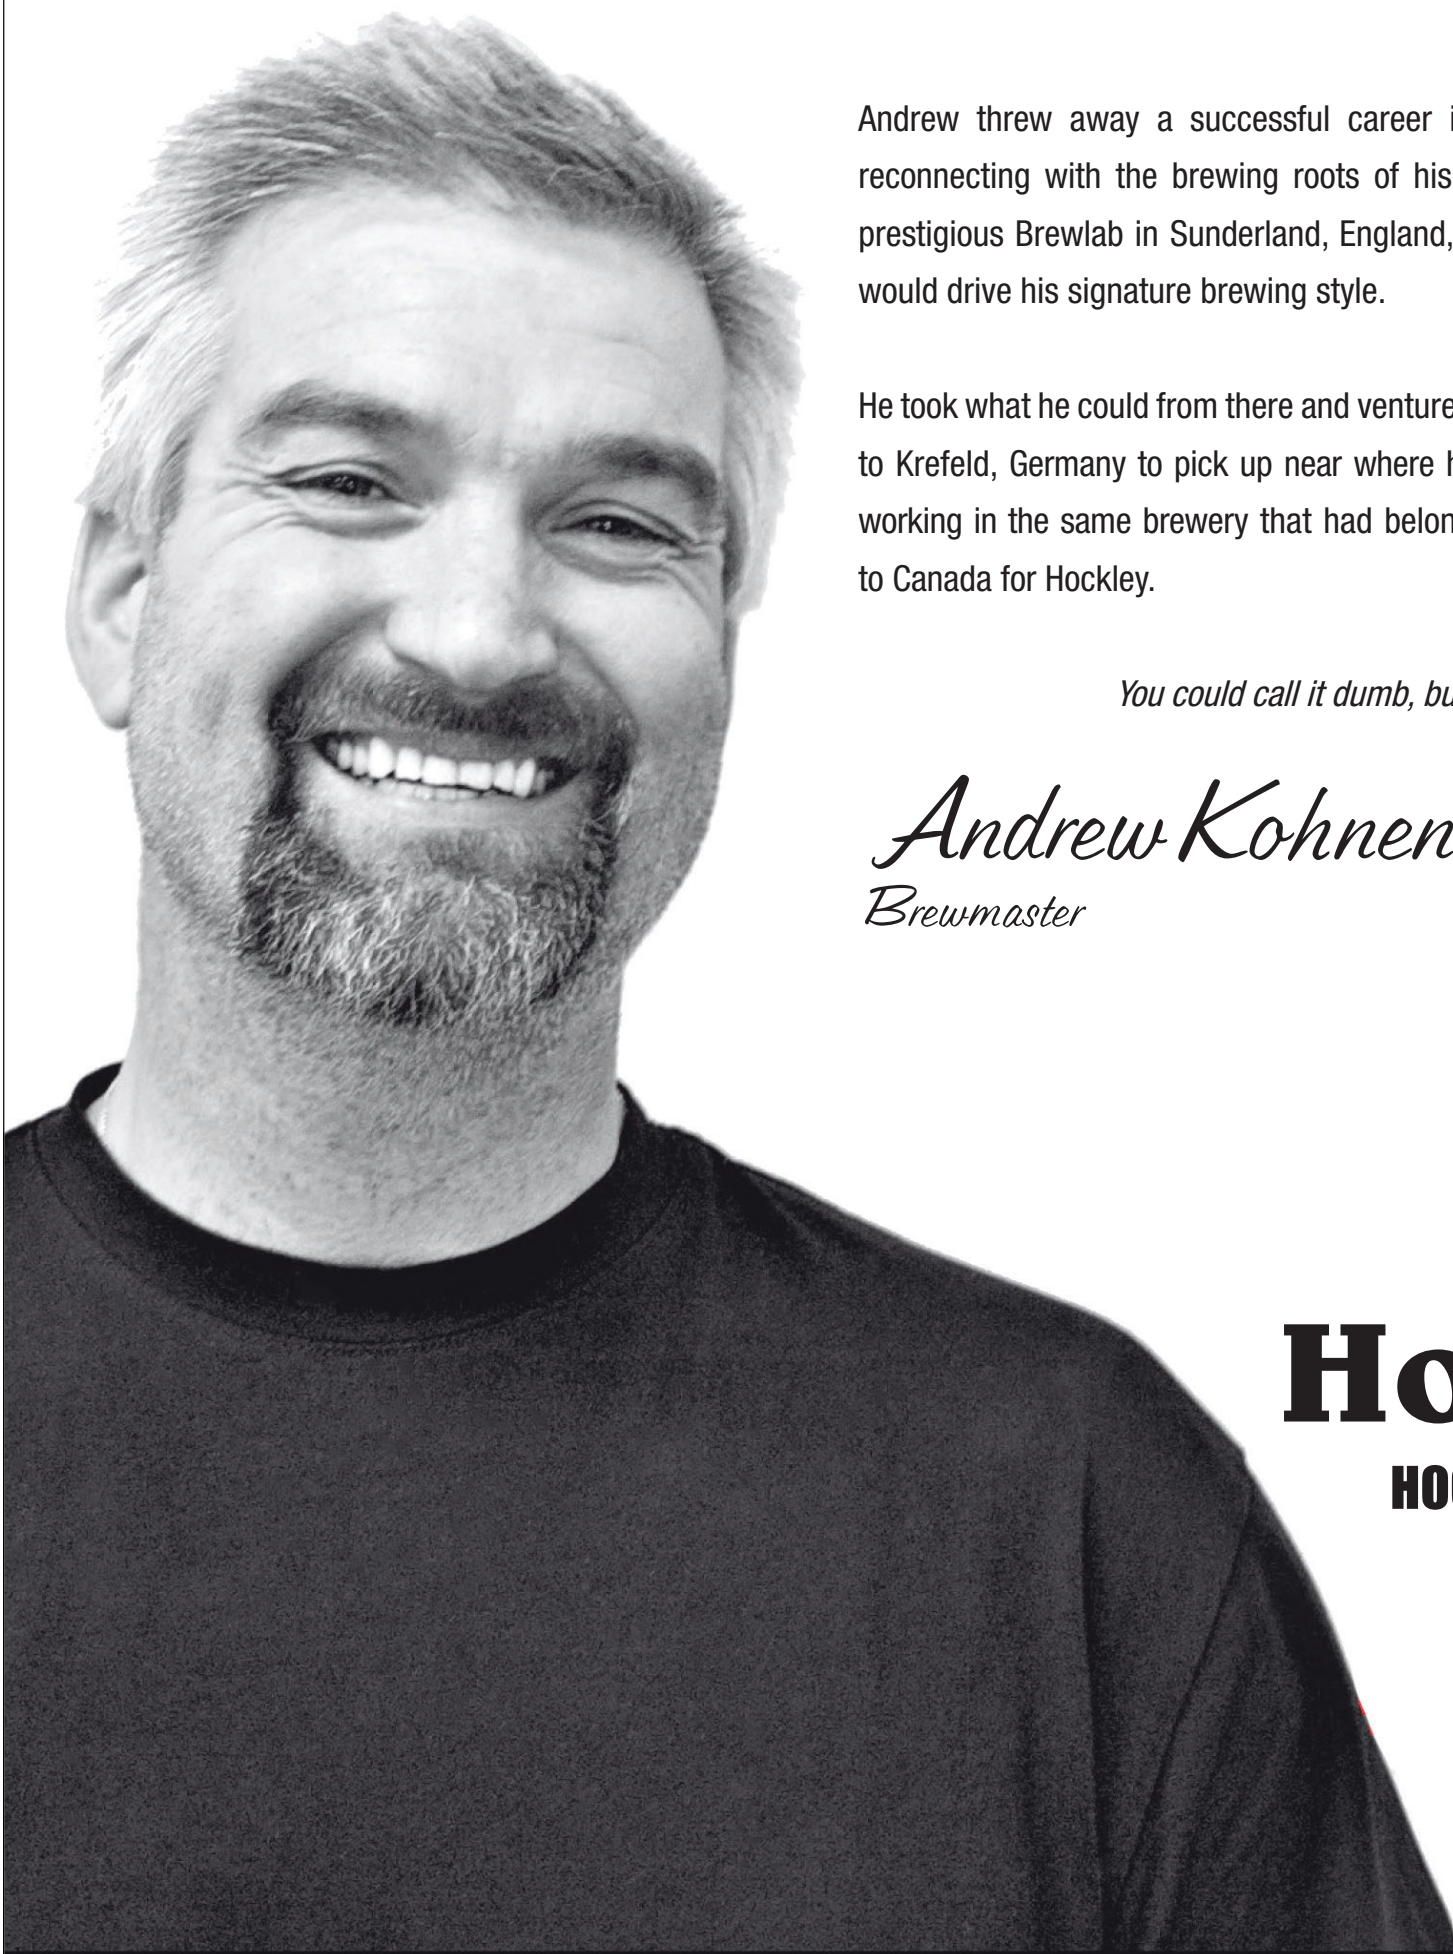

Andrew threw away a successful career in Logistics to pursue his dream of reconnecting with the brewing roots of his family. This carried him to the UK's prestigious Brewlab in Sunderland, England, where he procured the alchemy that would drive his signature brewing style.

He took what he could from there and ventured to Scotland, Cornwall, and ultimately to Krefeld, Germany to pick up near where his mother's family brewery had been, working in the same brewery that had belonged to his ancestors. He came home to Canada for Hockley.

# Lions stomped on in Week 5 of YRAA football

By JAKE COURTEPATTE

With a diminished roster of just four teams following last year's work-to-rule strike, the YRAA's junior football division was bound to spark or rekindle some rivalries this season.

This certainly rings true for the King City Secondary School Lions and the St. Brother Andre Cardinals, who met for the second time in two weeks on KCSS's home field on Friday.

When the two first met the week prior, the Cardinals were resting a number of their key starters in preparation for the tail end of the season.

Down 13-6 in the game at the time of the coach's decision, the Lions took full advantage of the Cardinals' back-

up players and mounted a sizable 36-13 comeback for their first win of the season.

It was a different story in Week 5's match-up, as King City simply could not keep up with the Cardinals' rested starters. The Lions fumbled the ball on the first play of the game, prompting the Cardinals to rumble 35 yards on their first play down the left-hand side for a 7-0 lead just seconds in.

A three-and-out by the Lions on their ensuing drive once again left the ball in their own end, with the Cardinals using three rushing plays to double their lead. A couple more fumbles, as well as an inability to break the Cardinals' line had the Lions down 26-0 at half.

A different Lions team came out

after the intermission, moving the chains on their drives with a handful of first downs, as well as a completed 30-yard pass at the end of the third quarter. However the effort just wasn't enough, falling by a final score of 32-0.

With the loss, the Lions sit on a 1-2-0 record through their first three games, good for third place in front of the winless Bill Crothers Secondary School.

Week 6 marks the return of the senior squad after a bye week, hosting St. Maximilian Kolbe this Friday at 4 p.m. The juniors are in Markham to take on the Bill Crothers Colts on Thursday.

They then wrap up their regular season when they host Huron Heights the following week.

For schedules and standings, visit [www.yraa.com](http://www.yraa.com).

The junior KCSS Lions fell to a record of 1-2-0 on Friday, dropping a 32-0 decision to St. Brother Andre.

Photo by Jake Courtepatte

# Cougars dumped by Otters in second straight meeting

By Jake Courtepatte

It was deja-vu Thursday night when the Schomberg Cougars hosted the Huntsville Otters, and not in the Cougars' favour.

Having lost to the Otters 5-4 on the road last Friday, they repeated the score at the Trisan Centre after a comeback effort came up just short.

Playing catch-up all game and down 5-3 in the final five minutes, Kiefer McIntosh brought the Cougars within one to try to spark a late rally. But a barrage of shots on net couldn't get past the Otters' Connor Christianson, who held on for the 5-4 win.

McIntosh was the bright spot in the Schomberg lineup, earning a hat trick and totaling six points over his last four games. Evan Woodhead scored the Cougars' only other goal, while Martin Lauzon stopped 29 of the 34 shots he faced in the loss. Tanner Smith earned three assists in the game.

Snared in a recent losing skid, the Cougars are falling out of relevance in the middle of the Georgian Mid-Ontario Hockey League pack. The team has won only one of their last six games, holding onto a 4-7-1 record. They currently sit tied for second-last in the league with the Caledon Golden Hawks.

Schomberg will be looking to turn their luck around on Thursday when they host the Penetang Kings at the Trisan Centre, who sit just three points up on the Cougars in league standings. Puck drop is at 8:30p.m.

They hit the road Sunday to face Caledon at 7 p.m.

On Saturday, the Cougars are hosting their annual community fundraiser from 11 a.m. to 4 p.m., at the Schomberg Shell on the corner of Hwy. 9 and Hwy. 27. Aside from the opportunity to meet the Cougars players, guests can meet and greet various farm animals, as well as Jimmy the Clydesdale. Jumping castles, candy, and prizes will be available for the kids.

For stats, schedules, and more information, visit [www.schombergcougars.com](http://www.schombergcougars.com).

# Pumpkin carving at King City United Church

## King's Corners

King City United  
By Eleanor Fry

Our worship was led by our own Wayne Lowdon. We will enjoy him any time as our second in command.

The sermon was called "King or Shepherd" - the story of the shepherd David who becomes King David. The Israelites were at a time of great change. They wanted a king. God warns them "Remember what kings do. They take!" It's all about "mine, mine, mine."

They go ahead and anoint Saul as their king. So, he has the power. He takes everything they have - possessions, families, and homes. Saul is finally killed in a civil war. David assumes the throne. The Elders call him "the shepherd of the people." Now David has all this power. He struggles with it. Just look at the political environment we live in today, where billions are being spent to yell "mine, mine, mine." We are not unlike David, both broken and blessed. Our faith calls us to be the givers, the

shepherds. If we can be that, we are no longer tempted to the "mine, mine, mine" reactions.

The hymns we sang were very upbeat and familiar to all. Rosemary said it was the first time that she could hear the congregation singing above the choir. She enjoyed that, and hopes we keep raising our voices in song.

Saturday, Oct. 31 at KCUC from 10 a.m. to 1 p.m. there will be pumpkin carving/painting and bake sale. This is a fundraiser for the King City Nursery School and the afternoon UCW. Bring your children /grandchildren for a fun morning and pick up some goodies from the bake table. Call 905-833-1631 for any information.

On Sunday, Nov. 1 we will be honouring Reformation Sunday with a slide presentation during the sermon as Earle and Evelyn share with their visit to Wittenberg, Germany where the Reformation movement began, with Martin Luther nailing 95 theses to the church door.

Sunday, Nov. 8 is Remembrance Sunday. We will be having a guest speaker sharing her experience with the Juneau

Beach Foundation and her tour of the war sites in France this summer. Members of the King City Sparks, Brownies, Guides, and Pathfinders will make up the colour party. After worship the KCUC Bell Choir will be hosting "Bells and Bites Luncheon" and mini concert at 11:45. As this is after worship, please invite your friends and neighbours to join us after their worship service for lunch and the concert. Cost is a free will offering for some new music and care of the hand bells.

Tickets for our annual "Men's Dinner" Nov. 27 and 28 are now available. The men cook, serve, sing, tell jokes, do skits and clean up. Tickets are \$30 and are now on sale and go quickly. To reserve yours call Al Henderson 905-833-5047.

Mark your calendar - Saturday, Dec. 12, Lunch with Santa, 11:30 a.m. to 2 p.m. That same evening, Harmony Choral at 7:30 p.m.

We have a busy time at King City United Church 50 Elizabeth Grove. Join in for one or all of these events. Our Sunday worship is at 10 a.m. with Sunday school. Stay to enjoy coffee, cookies,

and conversation. Reverend Evelyn always has a humorous but thought provoking message. For any information contact our office 905-833-5181 email kcuc@bellnet.ca. website www.kcuc.ca. Reverend Evelyn McLachlan kcucmin@bellnet.ca.

### Meditation Group

The King City Seniors Centre is presenting a special "Meditation" tune up session, with guest leader, Marise Foster, on Wednesday, Nov. 11 from 11 a.m. to 12:30 p.m. Everyone is welcome to join in as Marise reviews techniques for mind clearing, relaxation, dealing with stress, and more. Call Carol Field to sign up at 905-833-3324. A sign-up sheet will also be available in the centre. The cost is \$10 per person.

### King Bible Church

Join us on Sunday, Nov. 1 as we welcome guest speaker Josh Tong from the Sovereign Grace Church of Toronto.

### St. Paul's Church

Starting this fall, the Youth Group will meet on Wednesday evenings from 7 to 9 p.m. Check here for details or contact our Youth Leader Taylor Scott at scottie\_tay@yahoo.ca or 289-338-2539.

Join us Sunday, Nov. 1 at 10 a.m. as Jeff begins a new series entitled "Eldership: What It Takes." His message this week is Stability.

FirstLink child care (for children 3 years of age and younger) is provided during the gathering and our Regular KidzKonnection and NextStep Programs (for children ages 4 to 11) take place at the same time.

Taylor Scott has begun a program for the youth following the worship gathering. It is called 4:12 Unplugged. It is a chance for teens to hang out, drink hot chocolate and ask tough questions about God and to talk about the sermon message. A fun, laid back way to get connected in the Church!

Jeff has a blog and he records his weekly messages there after worship each Sunday. Anyone interested in lis-

tening to his messages can go to [www.passionatelyhis.com](http://www.passionatelyhis.com) to hear them.

For more information about any of our activities or events, please contact the church office at 905-859-0843 or visit our website at [www.stpaulsnobleton.ca](http://www.stpaulsnobleton.ca).

### Nobleton United By Nancy Hopkinson

On Saturday Oct. 31, 10 a.m. to 1 p.m., is our Craft and Bake Sale. There will be a BBQ (weather permitting) and a lunch room (autumn or broccoli soup this year with fresh buns, cheese, veggie sticks, tea and cookies). Personally I love the hamburgers and I come inside to eat it and enjoy tea and cookies in the lunch room. There will be handcrafts (quilts of all sizes, knitted goods, slippers, placemats, tea cosies), gourmet (pickles, soups, jams, frozen beef pies, frozen turkey pies), baking (dessert pies, squares, cookies, loaves) and miscellaneous. New items are accepted and we are looking for donations of unique handcrafted items. For more info, contact Fran Bones at 905-859-3819. There is a lucky draw where you could win a queen sized quilt, an afghan or a gift basket. The tickets are 3 for \$5 or 1 for \$2. You may have seen Helen Bible selling tickets in Nobleton and in Schomberg for this. Tickets may still be purchased

on the Saturday until the draw time at 1 p.m.

For the next three Sundays at 11:15 a.m., while our minister Brian Nicholson is away in Australia, Ed Elliotson, licensed lay worship leader (LLWL), will lead our worship. Ed comes from his home church of Mono Mills and has filled in for Brian on a number of occasions. He is very down to earth and well worth listening to.

The next Messy Church is Tuesday, Nov. 10, 5 to 7 p.m. with the third and final of the "I am" series with Jesus saying "I am the good shepherd." The previous ones were "I am the true vine" and "I am the light of the world." All the activities from 5 to 6 p.m. will focus on the "good shepherd" theme. Then we have story time until 6:15 p.m. followed by eating together after singing Grace "For health and strength and daily food, we praise your name, O Lord." Children and adults alike enjoy the activities. All are welcome. There is no charge for this. To see photos from Messy Church, visit our new facebook page.

Mark your calendar for Sunday, Nov. 22 at 9:30 a.m. in Schomberg United Church. Catherine Porter, a Toronto Star columnist, will be talking about her time in Senegal and in Haiti. Our minister Brian Nicholson will have returned from Australia and be present as

well. This is a joint service and a light lunch will be provided.

Last Sunday's Anniversary service with Schomberg United Church was wonderful. It started and ended with lively music from the Front Porch quartet plus one. Everyone enjoyed hearing stories. Gail Clarkson recalled how her father, the late Keith Baguley, planned the construction of the wooden cross with Glenn Atkinson, and put the cross together without screws or nails, but instead used dowelling. Fran Bones, a former member of Laskay United Church, remembers seeing the stained glass windows in Laskay before it closed. Two of Laskay's windows were donated to Nobleton United (and two to King City United). The Boynton family paid to have our two installed in honour of Jean's husband Carl; Fran also mentioned that the window showing two quilters was taken from a picture of her mother and of Bill Bible's mother. Sue DiFebo and Val Ball (two of the late Mary Ball's girls) talked about the three generations of women window and read from Mary's journal about how pleased she was with the window, how bright it was and how Gino Fazari, a neighbor of mine, had designed it; Penny Emmans talked about the inspiration behind the construction of the choir window, how

# Lions gearing up for upcoming events

From Page 18

a devoted choir member, Evelyn Huycke, had passed away and it was decided to have a window to commemorate all the past choir members; Tom Dobson talked about the inspiration for the farming window. His grandfather had farmed the land near Nobleton using a horse to pull the implements, not a tractor. This window shows a horse being used and a woman feeding the hens. Then we heard from Gail McKinley about her memories from Schomberg United Church. Gail provided us with many amusing anecdotes.

Next up was Andy McPherson who talked about the Joint Charge's support for the Schomberg Friday Night Youth Club. Lastly Paul Olsen concluded all the history with us thinking about the vision for the future.

For more info, visit our website, nobletonunitedchurch.com or call our church at 905-859-3976. The church office is normally open on Wed. and Thurs. mornings, but messages are picked up regularly. Secretary Sharon Birks will respond to your message.

## Talent Show at St. Mary Madgelene

It is "On with The Show" Saturday Nov. 7, at St. Mary Magdalene Anglican

Church (116 Church St. Schomberg). The audience will be treated to a variety of local performing talent (singers, dancers, musicians), as well as exhibits such as artistic and culinary talent, and hors-d'oeuvres and refreshments from Sheena's Kitchen. The exhibits open at 5:30 p.m. in the church hall and the Show starts at 7 p.m. There's still time to add one or two acts to the show if you'd like to exhibit your talents (art, embroidery, quilting, collections, etc) in the Hall or appear on stage. All are welcome. Contact starcress@rogers.com or call Steve at 905-939-7808 for more information. Tickets available at the door.

## Nobleton Lions Club

Upcoming in the month of November is the annual clothing drive to be held on Saturday, Nov. 7. Good used clothes, and small household articles will be accepted and put to good use by the Salvation Army. Residents are advised to have donations on their porch or curb as pickups will begin by 9 a.m. and be completed by noon. Watch for a flyer which will be mailed prior to the event, and can be attached to bags or boxes which are set out.

Residents are asked to remember that the Lions have arranged to collect old eye glasses and refurbish and distrib-

ute them to those in need. Old eyeglasses can be dropped off at the Pharmacy, where they will be collected for this purpose.

Upcoming community events in December include the Annual Skating Party which will be held at the Nobleton Arena with free skating for all, and Santa will be visiting to see the children. Watch this space for more details.

For information on these and other events, please visit our website: www.NobletonLions.com.

## Turnip Tuneup By John Arnott

Are you up for a challenge? Well instead of carving a jack o'lantern out of a pumpkin try carving it out of a turnip as the original "jacks" were carved!

The St. Alban's Anglican community in Nobleton notes that Halloween and its customs have a long history actually stretching back to pre-Christian Europe when much of the continent was controlled by the Celts.

At this time of year particularly in the British Isles Celtic farmers and herders began to gather in the harvest and bring their herds in from outlying pastures. Then came the task of electing village headmen, reviewing laws and making new ones. Once this work

was done a celebration called Samhain was held to mark the end of the old year with its long daylight hours and warily welcome the arrival of the new year that began with longer hours of unfriendly darkness. To mark this occasion people gathered together for feasting and merrymaking. Great bonfires were lit to keep the darkness and its associated evil spirits at bay for the Celts believed that at this point in the year the "veil" separating the world of the living from that of the dead was at its thinnest allowing souls of the dead to revisit their former homes where food was set out for them.

It was here in North America that over the years All Hallows Eve got slurred into Hallowe'en and lost most of its religious connections becoming a fun filled very secular celebration while back in Europe it faded completely but recently, due mainly to the influence North American television, it is making a comeback. Thus come October 31st hordes of costumed kids including my 2 young great-nephews will temporarily take over the streets of ancient hallowed Worcester in England's west country and their cries of trick or treat will drive even the worst of evil spirits to seek shelter on the other side of that 'veil'!
