'Priceless' King volunteers are honoured at gala

By Angela Gismondi

King's priceless volunteers were honoured for their valuable efforts Thursday night. The Township's annual Volunteer Appreciation Night was held in the packed Performing Arts Centre at The Country Day School in King City. The mayor and councillors handed out 13 awards to committed and dedicated volunteers who contribute to improving the quality of life in the community.

"Volunteers don't get paid not because they're worthless but because they're priceless," said Mayor Steve Pellegrini.

Citizen of the Year

The prestigious Citizen of the Year award presented to a very deserving Blair Day. In addition to his outstanding contributions as a secondary school teacher volunteering with extra-curricular activities, coaching sports and directing school theatre productions, he has also been actively involved with a number of community organizations including Sacred Heart Parish, local Scouts of Canada, Bereaved Families of Ontario, Canadian Blood Services, Maple Health Centre, Hospice King- Aurora and Meagan's Walk. He is also a member of the King City Library Board, Horticultural Society board and was recently appointed to the board of Arts Society King (ASK).

Blair Day was named King's Citizen of the Year, at last week's annual Volunteer Appreciation Night, held at The Country Day School. This is one of the most special nights of the year, when Township officials and residents have the chance to honour those who volunteer and contribute selflessly to their communities.

King City and Schomberg Mature Neighbourhoods Design Workshops

King Township is reviewing the Zoning By-law for King City and Schomberg. To complement the Zoning By-law Review, King Township is hosting a design workshop in each community to review options for conserving the character of older existing residential neighbourhoods.

We are seeking a limited number of residents from King City and Schomberg who are interested in participating and providing input into one of the following workshops.

1. The **King City** Mature Neighbourhoods Design Workshop will be held on Wed., June 29 from 6:30 p.m. to 9 p.m. (location in King City to be determined).
2. The **Schomberg** Mature Neighbourhoods Design Workshop will be held on Tues., July 12 from 6:30 p.m. to 9 p.m. (location in Schomberg to be determined).

If you are interested in participating in one of the workshops, please contact Sarah Allin (sallin@king.ca or 905-833-5321, ext. 4066) prior to **Thurs., May 26**. Please indicate which workshop applies to you.

In the event either workshop is oversubscribed, a draw will be held to select participants. Thank you for your interest.

King Township will also be hosting Public Open Houses for the King City and Schomberg Zoning By-law Review, so please stay tuned for details on these upcoming consultation events, to which all will be welcome.

PUBLIC NOTICES

NOTICE OF INTENTION TO PASS AMENDING BY-LAW TO REMOVE HOLDING (H) SYMBOL

TAKE NOTICE that the Council of the Corporation of the Township of King intends to consider an amending by-law under Section 36 of the Planning Act to remove the Holding (H) symbol for the lands described below. The earliest Council will consider passage of the by-law is the Council Meeting on **May 30, 2016 at 6:00PM** at the Township of King Council Chambers at 2075 King Road, King City.

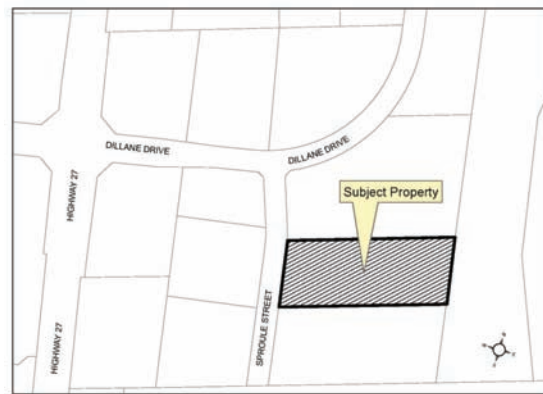

The proposed amendment to the Zoning By-law submitted by 2365635 Ontario Limited under Planning File Z-2016-04 concerns a 0.97 hectare vacant parcel of land located on the east side of Sproule Street, south of Dillane Drive in the Village of Schomberg as shown on the attached map.

The subject property is currently zoned "General Industrial (M2) – Holding, Exception Section 17.13 on Map 5, Schedule A to the Zoning By-law. The subject request to remove the Holding (H) symbol will permit the construction of a new 15,820 square foot pre-cast concrete building consisting of office space and warehousing for up to two (2) separate tenants/users. The development also includes parking and landscaping.

ANY PERSON may attend the Council Meeting and/or make written or verbal representation either in support of or in opposition to the removal of the Holding (H) symbol. If you wish to be notified of the decision of the approval authority, the Township of King, in respect of the amending by-law, you must make a written request to the Clerk of the Township of King.

ADDITIONAL INFORMATION relating to the amending by-law is available for inspection at the Township Office between the hours of 8:30 a.m. and 4:30 p.m. or inquiries may be directed to the Planning Department quoting File Number Z-2014-03 at (905) 833-5321 or 1-800-688-5013.

DATED AT THE TOWNSHIP OF KING THIS 16TH DAY OF MAY, 2016

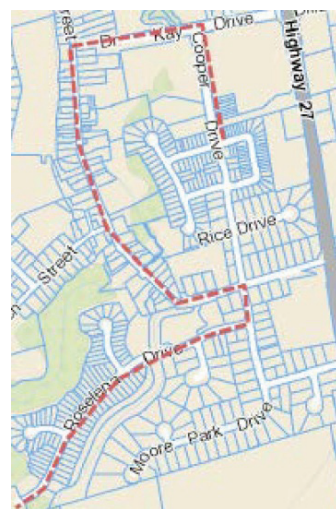

Kathryn Moyle
Director of Clerks & By-law Enforcement
Township Clerk, Township of King

TEMPORARY ROAD CLOSURES

Main Street in Schomberg

There will be a scheduled temporary road closure of Main Street and surrounding roads in the Village of Schomberg on Saturday May 28th, 2016 between 10:00 a.m. and 12:30 p.m. to facilitate the annual Schomberg Fair Parade. The parade will begin at 11:00 a.m. and the proposed roads will be closed no later than 12:30 p.m. Occupancy of Roselena Drive to begin at approximately 10:00 a.m. The following roads will be temporarily occupied or closed for the parade: Roselena Drive, Moore Park Drive, Cooper Drive, Dr. Kay Drive, and Main Street. On behalf of the Township of King we thank you for your patience in this matter. Please note this is a new route this year for this parade.

TEMPORARY ROAD CLOSURES

Highway 27 and King Road, Nobleton

There will be a scheduled temporary road closure of Highway 27 and King Road in the Village of Nobleton on **Monday, May 23, 2016 between 11:00 a.m. and 2:00 p.m.** to facilitate the Nobleton Victoria Day Parade. Portions of Hill Farm Road, Wellar Avenue, and Old King Road will also be closed for the parade. Please see the route map below for details:

Church Street in Schomberg

There will be the scheduled temporary road closure of Church Street from Main Street to Western Avenue in Schomberg over the next few weeks with local traffic access only. This is part of the Church Street and Main Street Reconstruction Project. Work on this project is scheduled to take place between April and October, 2016. Intermittent local road closures can be expected during this period.

Residents and businesses in the directly affected area will receive periodic updates as construction progresses, and access to properties will be maintained for those residents and businesses. When so advised, motorists will be required to take alternative posted detour routes during this period. On behalf of King Township we thank you for your patience in this matter.

For more information, please contact the King Township at 905-833-5321 or visit www.king.ca and search "Church Street Reconstruction Project."

PUBLIC OPEN HOUSE

Relocation of Municipal Offices

MONDAY, MAY 30th, 2016 – 5:00 P.M.

Location: Council Chambers at the Township of King municipal offices, 2075 King Road, King City, ON

The Township of King is in the process of evaluating redevelopment options for the former site of the Holy Name School (2585 King Road, King City) for purposes of relocating the current municipal offices at 2075 King Road, King City.

Members of the public are invited to attend the open house to review preliminary design concepts, understand the timing of the relocation project, and comment on community use priorities (i.e. gymnasium and York Regional Police substation) that are contemplated for the project. This is an informal opportunity to review preliminary design illustrations, project work plan, provide input and ask questions.

The open house is scheduled for Monday, May 30, 2016 in the Council Chambers at the Township of King municipal offices (2075 King Road, King City), beginning at 5:00 p.m.

There will be a presentation and a staff report considered at the scheduled council meeting on May 30 at 6:00 p.m.

NOTICE OF MEETING

Clerks/By-law Enforcement Department

Re: Clean Yards and Draft By-law

Council of the Corporation of the Township of King will consider a staff report and draft by-law to Regulate Clean Yards and determine effective ways of managing nuisance and property standards type issues on: Monday, May 30, 2016 in the Council Chambers, 2075 King Road, King City, ON

Brief Description: To determine effective ways of managing nuisance and property standards type issues in a prompt and timely fashion which directly impact residents in our community such as: long grass, overgrown weeds, parking of derelict vehicles, standing water and littering.

Interested parties are welcome to attend the Meeting to comment on the Report and proposed By-law.

A copy of the Clerks Department Report and the Draft Clean Yards By-law and related information will be available on the Township Website at www.king.ca as of Thursday May 26, 2016 in the Committee of the Whole Agenda Package for May 30, 2016.

For further information please contact
Kathryn Moyle,
Township Clerk/By-law Enforcement
kmoyle@king.ca 905-833-5321
Nancy Cronsberry, Deputy Clerk/By-law Enforcement
ncronsberry@king.ca 905-833-4001

Mayor proud of King's dedicated volunteers

From Front Page

"This is for all the people I volunteer with," said Day as he accepted his award following a standing ovation. Blair and his wife Elizabeth have lived in King City for over 40 years.

"Together we build this community and it is a great place to be. I love King."

Awards

A special recognition award was presented to Helen Bible in recognition of her dedication and involvement for the past 50 years in the community of Nobleton, campaigning and raising money for the Canadian Cancer Society.

Margaret Hastings received a special recognition award for her contributions as member of the board of directors for the King Township Food Bank as its first director of fundraising, taking on the challenge of marketing and website redesign, as well as her success in creating the Sip and Savour Event, which raised \$35,000 in 2015.

Although Linda Olsen was not on hand to accept her award, she was recognized for her involvement with Nobleton United Church, dedicating time performing outreach and for the countless hours spent organizing various community meals, quilting and raising funds.

Ann Raney also received a special recognition award for her work spearheading the King For Refugees initiative, welcoming many into the community and demonstrating leadership by working with others towards sponsorship.

Bill Salter was honoured with an award for his efforts within the commu-

nity as an early member and treasurer for several years with Concerned Citizens of King Township, treasurer and organizer of the Charles Sauriol Environmental Dinner with the Oak Ridges Moraine Land Trust. He has also been a member of the Cold Creek Stewardship since its inception in 2002 and an active board member of the King Township Historical Society since 2007.

Alex Simonato was recognized for establishing a Women's Softball League in King Township known as "The Queens of King" and for her involvement with the Nobleton Public School Council, as well as contributing to the Eco School Program.

The Senior Citizen Award of Merit was given to Rosemary Bellefontaine in appreciation of her dedication as a long-time volunteer with the Anglican Church and her involvement in helping to start the Farmers' Market in King City. She is also a valued member of the King City Seniors' Centre and volunteers her time with Hospice King-Aurora, counselling both children and adults.

Two Youth Awards of Merit were presented to local young people who have donated their time and efforts to volunteer projects.

Ned Tighe accepted an award for his work with the Mayor's Youth Action Team, and for his involvement with various initiatives at King City Secondary School.

King City Secondary School student Sharan Dhillon was not able to attend the event but an award was given to her for her participation as Vice-Chair of the Mayor's Youth Action Team, as well as her involvement in various initiatives at King City Secondary School.

Lifetime Achievement Awards went to husband and wife volunteer team Fred and Betty Beaton for generously giving their time and contributing to the King City Lion's Club, King City United Church, countless fundraising initiatives, delivering gifts to seniors on Christmas Eve, providing clothes to the homeless and coaching children's baseball and hockey.

Ed Millar also received a lifetime achievement award for his numerous contributions including his involvement as a member of the Oak Ridge's Trail Association since 1994 and Chair of The King Chapter since 2005, dedicated to keeping the trails safe, as well as a member of All Saints Anglican Church.

Pellegrini thanked everyone for coming to one of the most important events in the Township.

"This truly is the most special day in King - when we acknowledge our volunteers," said an emotional Pellegrini to the crowd gathered in the auditorium. "As a mayor, I can't tell you how proud I am."

Editorial, Letters & Opinion

"Public opinion shapes our destinies and guides the progress of human affairs"

~ Frank B. Kellogg

Lefties will survive the Zombie Apocalypse

I'm referred to as "awkward, gauche, sinister" all because I'm a southpaw.

But I don't mind. Thankfully, my mom had the foresight to step in and tell my elementary teachers not to force me into their right-handed world. "He's fine the way he is," she would say.

Thanks, mom.

Figures show we remain in the minority, but our ranks are swelling. Left-handed people make up roughly 11% of the population, a dramatic rise from the 3% we occupied 100 years ago.

Three of the last four presidents are left-handed – Obama, Clinton and George Bush Sr. We lefties are in good company. Other famous lefties include Jerry Seinfeld, Jay Leno, Carol Burnett, James Woods, Rick Moranis, Kate Hudson, Charlie Chaplin, da Vinci, Thomas Jefferson, Ron Perlman, David Letterman, Celine Dion ...

"Left-handedness is important because more than 10 per cent of people have their brains organized in a qualitatively different way to other people. That has to be interesting. When the rate of a [variable trait] changes, then there have to be causes, and they are interesting as well," said lead researcher Ian Christopher McManus of the University College London.

In the Victorian era, we were a "visible minority" that hindered our success. We found it more difficult to find marriage partners, married later, and had fewer children so that fewer of the relevant genes went into the gene pool.

How sad is that?

For thousands of years, the Dev-

Mark Pavilons

il has been associated with the left hand and has been portrayed as being left-handed in pictures. In France it was held that witches greet Satan "avec le bras gauche" or with the left hand. It is also suggested that the Devil watches us over the left shoulder.

Left-handedness was one of the traits that many believed to be present in "the worst characters among the human species."

Well I must protest.

In 20th-century Britain, children had their left hands tied down to make them use their right one. British child psychologists who supported this retraining method also preached that children who used their left hand were simply demonstrating "a defiant personality that needed to be corrected as soon as possible."

Defiant, no, just assertive! Okay, I have been know to talk back once in a while.

But enough about bunk. Let's get back to reality.

We are at a disadvantage and so we are challenged. Asserting ourselves has led us to the top of the heap, if I may be so bold. Yet we are plagued.

Lefties are more likely to have allergies; prone to migraines; more likely to be insomniacs and are three times more likely to become alcoholics than righties. No comment.

Now some good news. We are more likely to be on extreme poles of the intelligence scale and are better at 3-D perception, thinking and multi-tasking.

Southpaws tend to make especially good baseball players, tennis players, swimmers, boxers and fencers. Almost 40% of the top tennis players in the world are lefties.

We recover from strokes faster; college graduates go on to become 26% richer than right-handed graduates.

On a QWERTY keyboard there are 1,447 English words typed solely with the left hand, while only 187 are typed with the right hand.

Just in case we need it, we adjust to seeing under water quicker. We can't roll our tongues as easily and our nails grow faster on the left hand. I don't get that whole rolling your tongue thing anyway. My wife and son can do it, but I don't see how this is a survival tool. It just looks silly.

Researchers conjecture that the advantage of being left-handed in a violent society isn't just a matter of survival, it's a matter of natural selection and allows one generation to pass its left-handed traits on to the next. Here, here!

Being left-handed may be an advantage in fights, where a surprise left hook can be a bonus. This advantage shows up in many sports.

So, even without weapons, I have a better chance of surviving the Zombie Apocalypse! I like that. I can hardly wait to test that theory!

One would think that being left-handed isn't that big of a deal. Yet, time and again, people point it out when they see me furiously taking notes. I have developed an odd way of jotting down the facts – I write top to bottom, top right to top left of a page. I believe that's how it's done in Arabic. Nevertheless, it keeps the fleshy part of my hand clean because it doesn't drag across fresh ink. I think that was one of the reasons teachers found lefties to be "dirty."

At dinner events, you can find my knife permanently affixed to my left hand, while my right clutches the fork. No switching for this lad.

Fellow southpaws become brothers and sisters in this unique fellowship. We cling together in a united front, proud of our abilities and trials and tribulations throughout history.

We are strong.

Bring on the Zombies!

Letters to Editor

Census exercise wasteful

We received two 2016 Census forms to our address. Why we got two I really do not know.

Since 1977 there have been only two people living at this address – my wife and myself.

I filed one online, which incorporates all the information required!

I tried to contact Statistics Canada to find out if the other form received required another submission of exactly the same information. To no avail; they continually say "due to an unusually volume of callers, we are unable to take your call."

I am not going to waste any more of my time!

In my opinion, this short form Census is the most inane, brainless form ever invented. I cannot see the information requested having any possible use in any direction whatsoever!

What an incredible waste of taxpayers' money, mine included.

If, for all the slamming of Harper's last Conservative government, which canned the Census, they were so bloody right to do so!

It would be interesting to know just how many people in our constituency received the long form Census and what it contains.

I have requested from Deb Schulte, our MP to provide this information. As a Canadian citizen, I believe I have that right.

The money spent on this idiotic program could have been far better spent helping the people of Fort McMurray!

Dave Platt

Butterflies – our creatures of the sun

By Grazyna Tonkiel

Butterflies are the symbol of spring, summer, warm weather and sunny days. Once they are gone, off site, all of us forget about them during the cold, frosty winter. Where do these delicate and beautiful creatures disappear during winter and seemingly, at the snap of a magic wand, emerge in the spring?

Except for a few migrants species, which like geese fly south to the USA, Mexico or Ecuador, the majority of day and nocturnal (moth) butterflies stay with us all winter long. These butterflies have developed brilliant strategies for surviving even the coldest parts of the year.

The butterflies which hibernate as fully developed adults – (imago), during autumn search for shelters like: tree hollows, garden sheds, garages. Sometimes they even install inside of our dwellings. When the weather changes and temperature drops, they start producing a glycol-like, sugary substance.

The substance does not freeze like water, and consequently helps the little creatures to survive sub-zero temperatures.

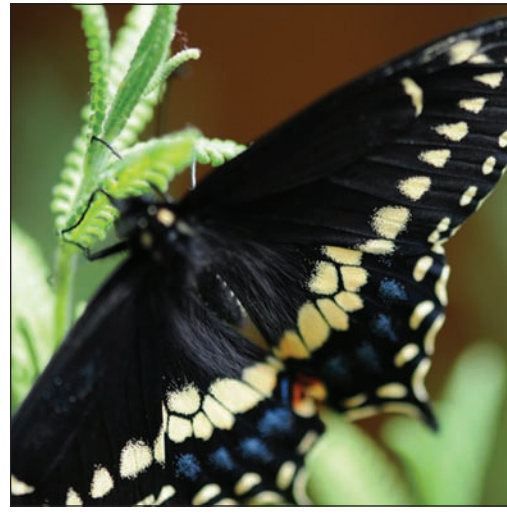

Morning Cloak is one of them. It is an unparalleled inspiration for me. The Morning Cloak winters as adult butterfly

– (imago) and every spring emerges from hibernation as one of the first butterflies. They look like the royalty of my garden. Their wings dressed in dark, navy blue, velvety scales and gold leaf like ornamental edges. They blind my senses with the shimmer of their wings as they fly. There is nothing more elegant than their velvety wings and sapphire like dots.

Some butterfly enthusiasts and my art admirers just notified me of seeing butterflies in Richmond Hill and Etobicoke. It definitely was another jewel of our gardens, Compton Tortoiseshell. They wake up from winter sleep as soon as temperatures reach 10 °C, and as early as March. They are partially black and brown with white spots and wide golden wing edges. They always remind me of floating gold leaf pieces I see often when applying gold background to my drawings.

The tiny Eastern Tailed Blue butterfly, winterizes as chrysalis (cocoon) hibernating in the pods of plants. As a matter of fact all of magnificent Ontario Swallowtails hibernate as chrysalises.

Last fall, when I was transferring my tender herbs to my greenroom to protect them from the winter cold, I unknowingly moved one Black Swallowtail chrysalis with the plants. It was

probably buried in the topsoil in one of my pots. To my surprise and delight, a fully developed butterfly emerged a week ago, prompted by the warmer spell of spring.

Fritillaries, another type of butterflies, hibernate as caterpillars tucked amongst vegetation in dead leaf nests or underground. Some species lay eggs in late summer or autumn and do not hatch until spring when food is plentiful. This is what happens to our sum-

mer companions during winter time.

Butterflies need energy and the warmth of the sun. In order to fly they have to warm their little bodies to 20 °C. This is why we see them only on warm and sunny days, and I hope to have many of those in 2016.

Spring is here. I already performed my spring ritual – singing Rachmaninoff's song title Spring Waters to the sounds of our King Trail's creek. Now I'm waiting for the magic to happen. I am waiting for warm weather, sunny days and the butterflies.

Please take pictures of your four-winged visitors and share them with me at www.gtonkiel.com.

Grazyna Tonkiel is an accomplished opera singer, visual artist and a conservationist. She was the soloist at Polish National Opera and Ballet Theater in Warsaw and won national and international vocal competitions, her butterfly studies are in collections in over 10 countries. She can be reached at her Gallery Solo studio in King City – www.gtonkiel.com.

Councillor Eek appointed to committee

By Mark Pavilons

A King councillor has extended her helping hand to another agricultural body. Councillor Avia Eek has been appointed, by Order in Council, to the Lake Simcoe Coordinating Committee.

The committee chair urged Eek to seek the post and she was “absolutely delighted” at the thought.

“With my background as a farmer (which covers the agricultural component); a municipal councillor (which covers the Lake Simcoe municipality component); and a director on the Lake Simcoe Region Conservation Authority board of directors (which covers the LSRCA component), I felt I could provide important input, if selected, to this committee.”

The process began in January and Eek found out about her appointment near the end of April.

She appeared at Queen's Park before the Standing Committee on Government Agencies (made up of MPPs from all three provincial parties) on May 3, to answer each party's questions. This baptism under fire took 30 minutes and while nervous, Eek rose to the challenge. Her appointment was unanimous.

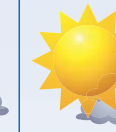

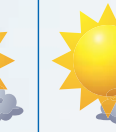

The Lake Simcoe Coordinating Committee provides a forum to co-ordinate implementation of the Lake Simcoe Protection Plan and identifies and resolves issues that arise in relation to the implementation of the Lake Simcoe Protection Plan.

Group from China tours local farm

By Bill Rea

Local agricultural operations attract attention far and wide, even from as far away as China.

King City area farmer Tom Dobson spent part of last Wednesday showing his operation to a group of students from Soun College.

Deputy Director Anning Ding, manager of the training department, said Soun is in Jiangsu Province, which has been a sister province with Ontario since the mid-1980s. The college trains teachers in a variety of subjects including agriculture. They will be training farmers in Jiangsu when they return home.

The group arrived May 6 and returned home last Friday.

While they were here, Ding said they were able to tour some of Ontario, including a trip to Niagara Falls. They also got a trip to the Ministry of Agriculture and Food offices in Guelph, as well as the chance to see the campus of the University of Guelph. They were able to tour the livestock research centre there, as well as the small farm operated by the University. In addition, they were able to visit a small family farm near Hornby.

Dobson was joined by Colin Elliott of Elmvalle. He's a director of the Grain Farmers of Ontario, and Dobson is a representative for York Region.

Ding said the group was interested in getting to know about the operating and management of a farm in Ontario. They were curious about things like government regulations and supports, insurance, ownership and maintenance of equipment, how much can be earned from farming, where farmers get their seeds and where their markets are. When they return home to teach, Ding said the group will be training farmers in such areas as crops, husbandry, horticulture, business management, environmental protection, marketing, etc.

He also said Soun College partners with several Ontario institutions, such as York University, Ontario Institute for Studies in Education (OISE), University of Toronto, Centennial and Georgian Colleges and the Toronto District School Board, as well as Niagara University in New York.

Ding said he's starting the third year of a three-year term in Ontario.

"It's a wonderful place," he declared, adding Ontario has a lot more area than Jiangsu, although there's not much comparison in terms of the number of people. Jiangsu has a population of about 80 million.

Dobson showed the group of 13 students and their interpreters around the cash crop operation he runs with his brother. He mentioned that every December, they strategize and organize detailed plans for the coming year, as well as a longer-term five-year plan.

They have 600 acres available to them, and he discussed such things as crop rotation, equipment status, their financial position, market factors, potential risks, etc.

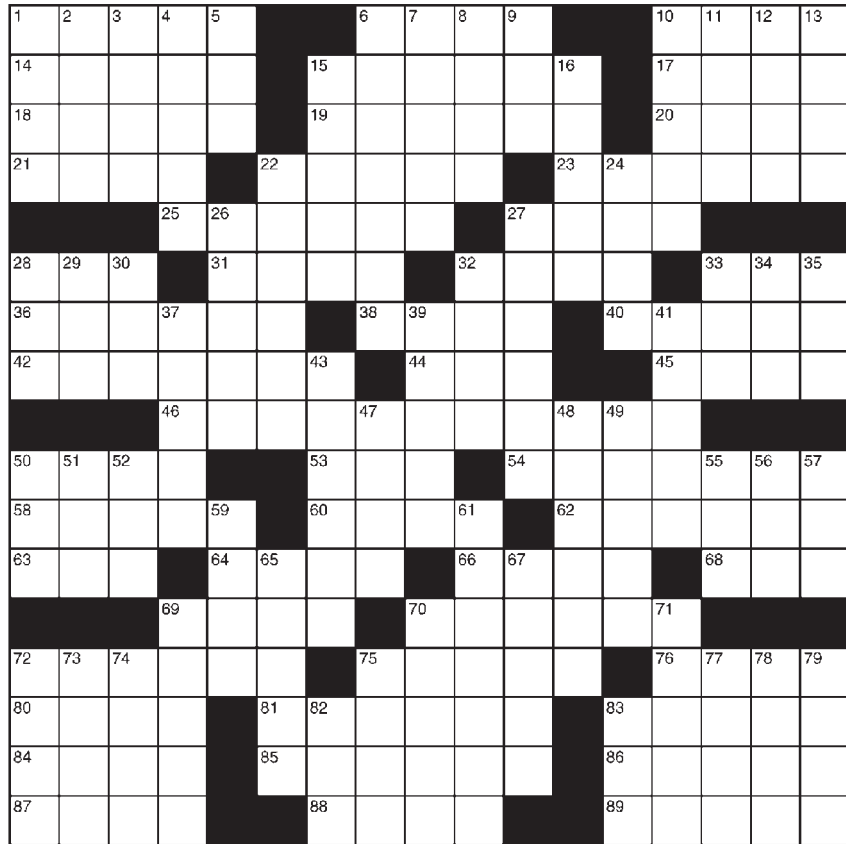

"It is always a delight to share information regarding best farming practices, within the international agricultural community," he commented later.

Strawberry supper

The community is invited to the Springdale CRC Strawberry Supper, to be held June 18, from 4 to 7:30 p.m. It will held at Sprindale, 1466 Sideroad 5 anad Canal Rd. Come and enjoy cold meats, salads and delicious desserts and of course lots of strawberries. The cost is \$15 for adults, \$7 for children age 7-12, and under 6 eat for free. For more information please call 905-775-0448, 905-775-5277 or springdaledeacons@gmail.com.

Area poised to become 'Canada's Horse Country'

By Mark Pavilonis

Local residents are keenly aware of the importance of the equine industry in this region. It's much more than a sport or a hobby.

Led by a passionate and talented group of equine experts, Headwaters Horse Country is poised to become nationally significant, with a goal of becoming "Canada's Horse Country."

That was the message delivered by several industry leaders, speaking at the first Headwaters Horse Country Excellence Awards Gala, sponsored by Terra Cotta Financial Group. A packed house at Orangeville's Best Western paid tribute to the accomplishments and success stories of local leaders, sharing in the passion that has become an economic driver.

The efforts are propelled by the Headwaters Equine Leadership Group (HELG), a collaborative group of volunteers working to make this region the centre of the horse world.

MC James Boyd introduced "Sir Headwaters," the newest addition to the colourful, life-size horse statues that made their debut prior to last year's Pan Am Games. The group's refined vision and bold new initiatives are aimed at increasing local economic development.

Caledon's Bruce Moffat, CEO and president of Terra Cotta Financial Group, said a strong, focused economic development plan is essential to the future sustainability of Headwaters Horse Country.

Keynote speaker Bill Duron, former CEO of Tourism Toronto, pointed out the equine industry is a powerful lifestyle driver for the entire region. Headwaters has evolved into an identified premier equine community in North America. Horse farms in the region actually outperform all others and affluent landowners help boost local economies.

This feather in our caps is a great marketing tool, Duron pointed out, noting it's a great way to entice businesses to locate to the area.

An urban area, surrounded by "horse county" has its distinct advantages.

"The whole community has to embrace it," he stressed.

The numbers show that Headwaters really stacks up against any North American rivals, with more than 23,000 horses and 2,000 horse farms. The economic impact of the equine sector locally amounts to \$100 million annually in operating costs, and another \$300 million spent on property improvements. Headwaters is also home to four internationally recognized event facilities, two of which hosted the 2015 Pan Am Games.

Duron offered some focused recommendations to establish Headwaters Horse Country as a national force. Those included supporting public policy; employing some full-time staff; support from community leaders, and an injection of some \$5 million to keep the group and its efforts sustainable.

The huge geographic area - from Erin to King - needs an urban "anchor," and Duron said Orangeville is the logical choice. The town needs to "step up to the plate," but all areas need to aggressively promote themselves.

Awards

The highlight of the evening was the presentation of four prestigious awards to dedicated and passionate industry leaders.

FEI judge John Taylor called King's Beth Underhill "an amazing person" and "impressive veteran." This Pan Am medal winner and Olympian was recognized for her commitment to developing meaningful partnerships between youth and the industry. Her award was sponsored by King councillor Linda Pabst and Gryphon Farms.

Underhill has a wealth of experience to share, and she's still an active competitor at the highest level. She is also one of Canada's top coaches for junior/amateur riders, through to grand prix athletes.

She has been chef d'equipe for the North American Young Riders Team, part of the selection committee for Canada's future team riders, and a member of the High Performance Committee that selects riders for international and major games. She's been on the Jump Canada board for the past eight years and in 2015 she was appointed Jump Canada's Young Rider Development Program Advisor.

"She's a consummate professional who's highly respected by her peers," Taylor said.

"Beth is a Canadian show jumping icon who is committed to mentoring and developing the next generation of equestrians," said Ross Millar, HELG chair.

Underhill said she's deeply touched by the honour and she's fortunate to live her passion for the sport. She stressed it's important that young riders learn from the expertise passed on by mentors, and she's thrilled to help develop this new talent.

Ross Millar himself was awarded the Leadership in Equine Business, sponsored by Seneca College. He's recognized for his impact on the growth and development of the industry in this region.

The Ross Millar Group created and developed Canada's most marketed rodeo tour and Ross is not only a key supporter of tourism, but he also sits on the board of Headwaters Tourism.

"I really fully believe we've become leaders in the rodeo industry," he said. "I'm proud to be involved in something so very Canadian, and one of Canada's oldest sports. The whole Headwaters area is so rich in the horse industry ... People don't realize the number of champions we have here."

Jump Canada Hall of Famer Ter-

rance "Torchy" Millar said the event was the epitome of good sport, good friends and good commerce.

He introduced Sue Grange of Caledon's Lothlorien Farms, as the recipient of "Leadership in Promoting the Equine Sport" award. The award was given to Grange in recognition of her long service and dedication to the ongoing growth and development of the sport.

Grange is an accomplished rider, breeder and trainer, with a very long list of awards to her credit. One of her most famous horses was Ian Millar's mount In Style, who jumped to silver at the 2008 Beijing Olympics.

Lothlorien is also home to some of the best standardbreds in the world. To her credit, the farm has produced RockNRoll Hanover and Well Said, who won the Little Brown Jug and North American Cup in 2009.

Grange admitted she was honoured and surprised by the award. "I'm very proud to be part of the equine community," she said.

There could be no better recipient of the Leadership in Industry Building than Caledon's H. Charles Armstrong. He was honoured for his significant contributions, demonstrating leadership, dedication and life-long service.

He's been a true icon in the Ontario and North American horse industry for more than 70 years and was integral in shaping Ontario's horse racing landscape. The family operation has become the second largest standardbred breeding facility in North America.

Armbro was ever-present in the winner's circle of prestigious races for both trotters and pacers, producing such champions as Armbro Flight, Armbro Feather, Armbro Omaha and hundreds of others.

Armstrong was director of the Ontario Jockey Club and was a Wall of Fame honouree for the Little Brown Jug in 1999. He received the Van Bussell Award in 2003 and was inducted into the Canadian Horse Racing Hall of Fame in 2015.

Unable to attend the ceremony, his wife Lenore said Charlie would have been "deeply humbled" by the award. In his life, he has thoroughly enjoyed every facet of the horse world, she said.

Craft Beer and Food Truck Festival nears

By Mark Pavilons

The party of the season is quickly arriving.

King's annual Craft Beer and Food Truck Festival takes place Saturday, June 11 at the King City Memorial Park, behind the arena.

It's a day filled with good eats, great beverages and live entertainment. It runs from noon to 9:30 p.m.

This year's event features 12 craft breweries, up from the nine who were on hand last year. The enthusiastic support from the industry helps kick off Craft Beer Week that runs June 10-19.

Providing the food will be 13 gourmet trucks, offering everything from burgers and nachos to pasta and Mexican food.

According to Councillor Cleve Morrelliti, they had to increase the number of spaces for the food trucks due to the demand. They had 25 applicants for the 13 spots.

"The event has gotten very popular and the food truck industry has caught onto that, so we had to make some tough choices in turning some really great trucks away," he said.

The headliner this year is Hollerado, hitting the main stage. Other performers on tap include Justin Parsons, Sta-

cey Renee, Phil and John, Samara York McLean & Vassos, Rhymes with Hits, The Clearing, Funky Funk Band and Krista Ferguson.

Tickets are \$10 online and \$15 at the gate. For the music event, tickets are \$5 both online and at the gate.

Entry into the event including access to food trucks, breweries, and live music, a 6 ounce collectable glass (first 1,500 attendees only), 3 drink tokens (additional tokens can be purchased on site for \$1-\$2 each).

For \$25, you can get the Lions Combo Pass (19+) and receive everything the Craft Beer Event pass plus one automatic entry into the King City Lions \$15,000 charity draw. The draw will take place at the event at 6 p.m. and the top prize is \$2,500.

As well, the Lions will be holding a raffle for a high-end Weber BBQ, which combines charcoal and gas. Tickets are available at the event only.

It's an event that's not to be missed.

For more information, contact Tasha Veer, King's special events and marketing coordinator, at 905-833-5321 ext. 5223 or events@king.ca

Holiday Hours

Please note that our offices will be closed on Monday, May 23, 2016, for Victoria Day. Deadline for advertising will be 5 p.m. on Thursday, May 19. Deadline for classified word ads is Friday at 5 p.m.

Funding to our health care system will increase by over \$1 billion this year.

Investing in new and better ways for all Ontarians to get the care they need means:

- 700 new doctors and specialists
- 35 hospitals currently being renewed, modernized or expanded
- \$250 million invested in home and community care
- \$345 million invested to improve wait times and access to care

These investments ensure a strong health care system for both today and tomorrow.

Church looking forward to its 50th anniversary

Schomberg Should Know

Schomberg Farmers' Market

We are looking forward to "new beginnings" growth and harvests. Our Schomberg Farmers' Market is gearing up for another fruitful season with the following dates planned for market at the Trisan Centre:

June 4 and 18; July 2, 16 and 30; August 13 and 27; September 10 and 24 and finally October 8.

Schomberg Farmers' Market is currently accepting application for Vendors-please email them at schombergfarmersmarket@gmail.com

Your fruits, vegetables, baking, crafts, maple syrup and honey may well all be looking for new homes!

Horticultural Society

The Schomberg Horticultural Society has a different date for this month only. It will be on the last Tuesday evening of the month rather than the usual fourth Tuesday of the month. This month's guest speaker is inspiring and passionate about her topic "Bokashi Composting and Micro Heroes in your Life," which promises to help us contribute to a safe, healthy food, water, and a toxic free environment - sounds daunting, but Vera Del Vecchio from Healthy Earth Utopia Farm and Retreat will help us understand how and why to use this new approach. She will also be giving a demo, so bring your kitchen waste for composting. There will be prizes, too. Please join us, ask any questions of the speaker, and stay for refreshments on Tuesday, May 31, at 7:30 p.m. in the Schomberg Community Hall, 325 Main St. Meetings are held on the fourth Tuesday of the month from March to June and September to October. Individual membership is \$15 per year and the family rate is \$20.

York Pines Church

In advance of the congregation's 50th anniversary celebration on May

29, there has been an anniversary celebration of the formation of the United Church Women at the York Pines Church. Twenty-five individuals gathered on Tuesday, May 10 to worship, and reminisce, and enjoy afternoon tea. Suzanne Svadjian, commented on the character of the transition 50 years earlier: how women who had worshipped and formed friendships in three separate churches left those structures to create a women's group dedicated to the total mission of one new congregation.

The program included instrumental interludes played by Martha Grant on violin and Stacey Hollings on piano. Ann Blackman accompanied the singing of the hymns. Lorna Heacock read highlights from the minutes of the first U.C.W. meeting. Lorna read from her own minutes, since she was secretary in 1966.

Shirley Sheardown, present treasurer, read details from the first treasurer's report which was authored by Mabel Sheardown, her mother. A feature of the day was the attire worn about 50 years ago. Christine Gunter came in a hat with a partial veil which had been worn first at an ordination service.

The afternoon tea featured tasty dainty sandwiches served on three-tiered stands. Appreciation was shown to Bonnie Hill, caterer.

Ross Carson, ministry personnel, spoke words of introduction and benediction. All felt the occasion was a fitting remembrance of the leadership shown by the York Pines United Church Women, 50 years ago.

Those attending the May 10 celebration included the following: Ann Blackman, Eleanor Chambers, Blanche Fell, Martha Grant, Christine Gunter, Lorna Heacock, Bonnie Hill, Thelma Hill, Stacey Hollings, Pat Hubbard, Dorothy Hulse, Pat Johnston, Elizabeth MacPherson, Darlene Manley, Marilyn Matchett, Marion McGrath, Susan McMillan, Helen Mills, Jamie Puopolo, Barbara Shaw, Shirley Sheardown, Suzanne Svadjian, Isobel Wassink, Chris White, Barb Wilson, and Ross Carson.

For more information about the ministry of the York Pines United Church, please call 905-727-8118 or make a virtual visit to www.yruc.ca

PUBLIC MEETING

MAY 25, 2016 7:00pm Nobleton Arena

Toronto and Region Conservation Authority (TRCA) is leading the preparation of a new trail plan for Humber Trails Forest and Wildlife Conservation Area. Our goal is to create a positive visitor experience. Potential opportunities include making improvements to trail conditions, signage, wayfinding, trailheads, and parking.

We will be hosting a public meeting at the Nobleton Arena where you will get a chance to learn more about this project and provide your comments.

Lions gear up for annual Purina Walk

It's 54 years ago that a few young men in Nobleton began to think about their role, in what was then a small rural farming community, and how they could start to do something for others less fortunate than themselves.

In Maple, the same spark of service to others was lit and became a beacon for these service minded individuals in Nobleton. It followed then that members of the Maple Lions Club met with these young men and agreed to sponsor a new club in Nobleton into the International Fellowship of Lionism.

Only one of the original members remains as an active member. Dr. David Harper continues to serve and return to the community in which he continues to live. Many of the names of those original members such as Sheardown, Kaake, Goodfellow, Bowerman, Bragg, Shupe, Wilson, Rutledge and others are well recognized in the community.

Why did they make such a bold move to form a service club in their community?

These were busy men working every day to support their families and to succeed and get ahead. Why bother?

The reason is really very simple and it is as true today as it was then! It stems from a desire to do good for others and share this experience with other like-minded individuals.

For them, membership in a Lions Club provided a structured service minded format through which they could raise awareness and help others through fund raising and other service activities.

What about the dogs? Lions International, almost since its inception, has adopted service to the deaf and blind as one of its major endeavours. The Lions in Nobleton always supported this effort but it wasn't until one its members met a Nobleton resident by the name of Bev Berger, who had lost her sight. The conversation that ensued was about how the club could assist her. Bev is a very determined wife and mother and wanted to remain as independent as possible taking care of her young family, doing the daily chores that come naturally to sighted folks.

The suggestion was made that if she were willing the Lions of Nobleton would help to get what was then called

Nobleton's Bev Berger has been supported by the Nobleton Lions Club for many years. She is now on her third dog guide. She's seen here during the walk back in 2006.

a "seeing eye" dog. Well the rest is history!

Bev is now on her third dog and she can be seen frequently walking with her dog around town without any other assistance. But the story doesn't end here.

The Lions of Nobleton have continued to raise funds to sponsor trained canine assistance dogs through The Lions Foundation of Canada and its training facility in Oakville. Bev herself has become an ambassador for Canine Vision and is called on to speak on their behalf all across the country.

Dogs are now trained not only for sight, but for the hearing impaired, autism, hospital friends and other areas where they can be of immeasurable assistance. You can help us help others in this way by supporting the Lions Purina Walk For Guide Dogs on May 29.

Again the story doesn't end there. The Lions Club of Nobleton continues to work in support of worthy causes in our community and beyond. The list of the Club's contributions to youth activities, support for seniors, annual donations to both local hospitals, the King food Bank, Syrian refugee funding assistance, etc., is almost endless.

A few years ago the Nobleton Lions sought and received a Trillium grant to

conduct a recreation feasibility study for the Township. Partnering with the Township, a significantly important, professional study was produced that has guided the development of recreation in the Township. A most recognizable achievement resulting from this study was the construction of the Trisan Centre with its fitness centre and curling rink together with a state of the art ice rink facility.

So this represents a little bit of the story of what the Nobleton Lions do. Members of the club pay annual dues to belong which cover International membership and twice monthly meeting costs. Every single penny raised through our activities goes to service work. Not a cent raised goes to any administrative costs.

The club provides an opportunity for like minded individuals to share in the work of giving back to our community. Our doors are open and welcoming to new members. Check us out at Nobletonlions.com or speak to any lions member.

kingprint.ca

Wishing everyone a happy and safe Victoria Day Weekend!

Proud to be a gold sponsor for NOBLETON VICTORIA DAY in our community.

Annual Nobleton Victoria Day festivities are May 23

Come join in the festivities on Monday, May 23 starting with a spectacular parade of marching bands floats, classic cars and more. It starts at the gazebo and winds through to and ends up at the Victoria Day Fair.

Admission is free and so are the smiles.

Enjoy a variety of awesome food, from some of our local merchants like Sunset Grill, Summerhill Restro/Pub and Mario's Bakery.

Stop by the Nobleton Village Association tent and enter a special contest for some awesome prizes. This involves our local business sponsors who very generously support this event and all things Nobleton.

Enjoy the live entertainment on the stage with the Time Trip Band, sponsored by Tim Hortons.

There is a beer tent this year, courtesy of The Lake Effects Bar and Pub, with entertainment and food. It is close to the midway so you can watch the kids while you have a brew.

Before the kids go to the midway,

have them stop by and get their faces painted at "Put On A Happy Face."

Tim Hortons is donating all the proceeds from their coffee truck to the NobleKids Christmas Toy Drive.

Reptilia will bring a truck full of critters for you to see, and Zukudla is there for your pet needs (domestic and exotic).

The best part of the event will once again be the Dunk Tank. Come and dunk your favorite politician, teacher, or business person.

The festival features amazing vendors, with an array of designer wear, yoga wear, bags, jewelry hats etc.

Stay for dinner or pick up a snack from the food vendors, before the fantastic evening fireworks display, starting at dusk.

The fireworks, put on by the Nobleton Firefighters, is the largest private fireworks display in the province. The spectacle draws residents from far and wide.

The firefighters rely on donations, and they will be accepting donations

at the park entrances.

Nobleton Victoria Day is presented in partnership between the Nobleton

Village Association and the Township of King. For more, visit nobletonvillage.com.

Charges laid in January fatal on Hwy. 400

Officers from the Ontario Provincial Police (OPP), Highway Safety Division (HSD) – Aurora Detachment have laid charges in a wheel off incident that occurred on Highway 400 north of King Road in King Township this past winter.

On Wednesday, Jan. 27, at approximately 9:19 a.m., a transport truck travelling southbound on Highway 400 lost a set of dual wheels. One of these wheels entered the northbound lanes where it struck a vehicle. The driver of the northbound vehicle, Paul Philip Koenderman, 69, was killed.

The transport truck subsequently stopped on the southbound lanes of Highway 400.

As a result of the investigation, the driver of the truck, identified as Bruno Bergeron, a 30-year-old man from St. Rouyn-Noranda, Quebec has been charged with Criminal negligence causing death- contrary to the Criminal Code of Canada, section 220(b). He is scheduled to appear at the Ontario Court of Justice located in Newmarket June 14.

The company that owned the commercial vehicle, Transport Leo Labelle Inc., from Bearn, Quebec, has been charged with the offence of Wheel separation – commercial motor vehicle, contrary to the Highway Traffic Act, section 84.1(1).

The company is scheduled to appear in Newmarket court July 22.

'Younger, smaller' CDS rugby girls finding success

By JAKE COURTEPATTE

The Country Day School girls' rugby team of 2016 has picked up exactly where they left off in 2015: winning game after game.

Having won their 11th CISAA Championship in a row last May, the team has played to a 3-0 regular season record this year, running over their opponents in the process. Opening at home against Greenwood College School in late April, they defeated the Grizzlies 36-7 before laying a 39-0 beating on Trinity College School followed by a score of 35-5 over Lakefield College School last week.

It's quite a feat, considering the team fields only four Grade 12 players.

"We graduated a large group of Grade 12 players last year," said head coach Dave Downer. "Although we still have large numbers of students, we have a younger and physically smaller group of athletes. The bulk of our group are in Grades 9 or 11. We have had to adapt our style of play and so far it's worked."

A program that has been continually evolving into a perennial powerhouse over most of the last two decades, Downer has seen his team come together to hopefully bring home a 12th-straight championship in his third year on the job.

"The group is striving to be faster and smarter. The girls have become tremendous ruckers, ensuring that we keep more possession of the ball and they've become fierce counter-attackers and opportunists. We try to be a threat in all areas of the field. While all of our CDS teams have been spirited, this group has even closer bonds since they know they need to rely on each other just a bit more."

The Cyclones opened the post-season against Trinity College School of the West division on Wednesday, the winner moving on to the CISAA final one week later.

It's a familiar match-up: CDS defeated TCS in the championship game in both of the last two seasons. The Cyclones also faced a rare defeat to TCS earlier this season in a tournament in British Columbia.

"They would dearly like to beat us this week and we're equally determined to keep that from happening," said Downer. "This is shaping up to be a memorable match."

(Results unavailable at press time.)

The CDS girls rugby team (blue) defeated Lakefield College School 35-5 last Wednesday to finish the CISAA season undefeated.

King trampolinists gain competitive edge heading into Rio for 2016 Games

By Jake Courtepatte

Two of King Township's high-flying Olympians will have at their disposal a training device owned by only two other countries, thanks to a fund for developing high-performance athletes.

Gymnastics Canada hosted members of the Mark Lowry Memorial Sports Excellence Fund, including Mark's family, at Skyrider's Trampoline Place in Vaughan last week. There, they presented King City's Rosie MacLennan and Nobleton's Jason Burnett with three sets of "Horizontal Displacement Devices," cutting-edge technology for currently only available to Russian and Chinese trampolinists.

The device, which is placed under all four legs of the trampoline, is used to measure how far a gymnast moves away from the centre point of the trampoline on each of their 10 skills. The farther away the gymnast moves, the higher the score deduction.

"We're absolutely thrilled to get this funding, and get this new equipment here," said Burnett. "It's going to be revolutionary to our training and we're very excited to test it out ... see what kind of benefits we can gain from it. I'm sure there's plenty to come from it."

Skyrider's Trampoline Place, owned by coach Dave Ross, is the main training grounds for both MacLennan and Burnett. Both will be heading to Rio for the 2016 Summer Games in August.

MacLennan is the reigning Olympic gold medalist in women's trampoline, while Burnett will be taking part in his third Games and won a silver medal in 2008.

"Every advantage that we can get is incredible," said MacLennan. "I remember talking to Dave and one of the edges that we have over a lot of the ath-

letes is we really want to be here (at Skyrider's) and that's because Dave of the environment that Dave makes, we love the sport and we're really passion-

ate about it. Any support that we can get to try and get that extra edge is so much appreciated."

Cornhuskers shut out in opener

By Jake Courtepatte

All but two of the Nobleton Cornhuskers' bats were kept silent in the senior team's opening match of the North Dufferin Baseball League season last Thursday.

In a visit with the Midland Indians, Mark Douris and Matt Boswell both went two-for-three at the plate for the Nobleton squad, but neither was able to cross it again in a 3-0 shutout loss at Tiffin Park.

Midland took the lead in the bottom of the first inning, after Nathan Dix was allowed a leadoff walk. He crossed the plate after a string of hits, before Anthony Douris settled in on the mound for the Huskers.

Both Dix and Tyler Boyd scored in the fifth inning to round out the scoring.

Douris's counterpart Nick Boyd was dealing on the mound for the Indians, giving up just four hits and zero walks while striking out eight over a seven inning complete game performance. Douris also went the distance, pitching all six innings for the Huskers in giving up six hits, three earned runs, three walks and striking out seven.

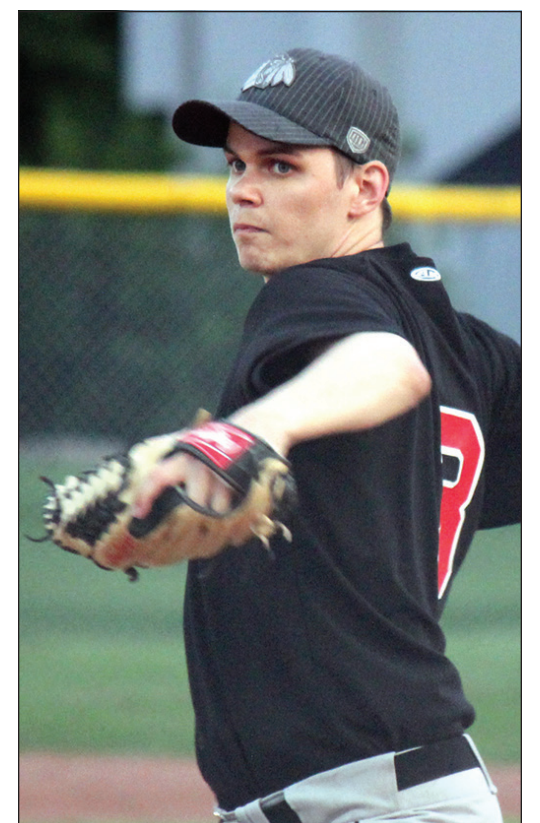

The schedule doesn't get any easier when Nobleton continues their road swing to start the season Thursday, visiting the defending league champion New Lowell Knights.

The Lisle Astros will host their annual Victoria Day tournament this weekend at the Ross Houston Memorial Park, with 11 participating teams including the Cornhuskers. They will play their first game against the Mansfield Cubs at 5 p.m. on Saturday.

The Knights were the tournament victors in 2015.

Regular season action will resume next Saturday in the Huskers' home opener, hosting the Bolton Dodgers at Whipper Watson Park in Newmarket.

For stats, schedules, and more information, visit www.ndbl.ca.

TRCA holds meeting on trails

The Toronto & Region Conservation Authority (TRCA) is holding a public meeting where citizens will have the chance to speak about their concerns and/or wishes for the Humber Trails Forest and Wildlife Area which TRCA plans to upgrade. Humber Trails is located southeast of Nobleton on Mill Road on the east branch of the Humber River. The meeting will take place on Wednesday, May 25, at 7 p.m. at the Nobleton Arena (Dr. William Lacey Community Centre & Arena), 15 Old King Road, Nobleton. For more on the history of the area go to trca.on.ca/humbertrails.

Nobleton Notes

By Angie Maccarone
905-859-5174

St. Paul's Church

The Youth Group meets on Wednesday evenings from 7 to 9 p.m. Check here for details or contact our Youth Leader Taylor Scott at scottie_tay@yahoo.ca or 289-338-2539.

A2J is a program for kids in Grades 3 to 6. The final two meetings for A2J (which runs from September to May) will be held on Friday, May 13 and Friday, June 3. It starts at 7 p.m. and goes to 9 p.m. It promises an evening of Bible stories, songs, games, crafts, self-confidence building and lot of fun. Come check it out.

The King Township Food Bank will be open Saturday, May 21 from 9 to 11 a.m.

Join us Sunday, May 22 at 10 a.m. as Jeff continues his series entitled "Songs in the Key of Life." Jeff's message this week - "Rest" - Psalm 95.

Child care (for children 3 years of age and younger) is provided during the gathering and our Regular Kidz-Konnektion and NextStep Programs (for children ages 4 to 11) take place at the same time.

Taylor Scott has begun a program for the youth following the worship gathering.

It is called 4:12 Unplugged. It is a chance for teens to hang out, have a drink and ask tough questions about God and to talk about the sermon message. A fun, laid back way to get connected in the church.

On Tuesday, May 24, the Ladies Who Serve group will meet for an afternoon of knitting at the church. Please come join them.

FirstLink child care (for children 3 years of age and younger) is provided during the gathering and our Regular KidzKonnektion and NextStep Programs (for children ages 4 to 11) take place at the same time.

Jeff has a blog and he records his weekly messages there after worship each Sunday. Anyone interested in listening to his messages can go to www.passionatelyhis.com to hear them.

For more information about any of our activities or events, please contact the church office at 905-859-0843 or visit our website at www.stpaulsnobleton.ca

St. Mary's Church

Anniversary Photo Album Dates are: Friday, June 3, from 2:30 to 8:30 p.m.; Saturday, June 4, 10 a.m. to 3:30 p.m.

Please contact Marisa at 905-859-0281 or Linda at 905-859-4958 to book an appointment. These dates are open to SM & SP parishioners who have not yet had their photos taken.

Used clothing drive. Please leave your bags in the foyer of our Churches after masses. One bag = \$1 towards St. Mary's Mortgage Fund.

TRCA meeting on trails

The Toronto & Region Conservation Authority (TRCA) is holding a public meeting where citizens will have the chance to speak about their concerns and/or wishes for the Humber Trails Forest and Wildlife Area which TRCA plans to upgrade. Humber Trails is located southeast of Nobleton on Mill Road on the east branch of the Humber River. The meeting will take place on Wednesday, May 25, 7 p.m. at the Nobleton Arena (Dr. William Lacey Community Centre & Arena), 15 Old King Road, Nobleton. Please pass this notice on to anyone who may enjoy using these trails. For more on the history of the area go to trca.on.ca/humbertrails.

Nobleton United Church By Nancy Hopkinson

On Sunday May 22, our worship will be led by Rev. Kay Cho, who helps people at the Toronto Korean Church. All are welcome. We invite young children to check out our blue basket with its assortment of items to do during the service. Rev. Cho is an invited panelist at a June 11 conference celebrating Lydia Gruchy, the first woman in the United Church of Canada to be ordained 80 years ago!

Victoria Day, Monday May 23 shortly after noon, at the Nobleton Arena, the dunk tank returns! The politicians that have already agreed to participate are Mayor Steve Pellegrini, Councillor Dave Boyd, Councillor Avia Eek, Deb Schulte, M.P. Check out our website nobletonunitedchurch.com to find the exact times listed for dunking politicians

and others and how to enlist more people to agree to be dunked.

Sunday, May 29 at 11:15 a.m. will be a special musical service with the lively and inspirational group, "Day by Day" who hail from Orangeville and are led by Lynne Smith. This is a joint service with Schomberg United. Rev. Kerrie Perry will offer communion. There will be a light lunch afterwards. If you like to sing or just enjoy listening to great music, this is a service you won't want to miss.

Our next Messy Church on Tuesday, June 14, 5 to 7 p.m. will have the theme "roads." There are many journeys mentioned in the Bible. Where are you in your journey of faith? Messy Church continues throughout the summer on every second Tuesday of the month. Messy Church includes dinner.

Looking ahead. If you have children or grandchildren, ages 6-16, Camp Simpresca may interest you. There are 3-night mini-camps for younger children, and teen camps for older ones. Activities include swimming, kayaking, high ropes, crafts, campfires and games on the shores of Georgian Bay on the outskirts of Midland (90 miles north of Toronto). Their website is www.simpresca.net.

In the summer, we join with Schomberg United. Throughout July, our services will be in Schomberg at 9:30 a.m., and throughout August, our services will be in Nobleton at 11:15 a.m. There is one exception and that is a picnic on July 24 at Jack and Kim Campbell's. We will gather at 11 a.m., have some hymns and a short message, and then lunch at 11:30 a.m. Bring salad or dessert. The BBQ and drinks will be supplied. There are walks that you can take and/or have a swim in the pool.

Hockley

He's a Classic!

Ed Gardhouse
Schomberg Agricultural Society

Ed Gardhouse really needs no introduction. He's been a resident of King Township since 1968 and is a familiar face around town. He's a current director and past-president of the Schomberg Agricultural Society. He's been the voice of Fair events, charity auctions, tractor pulls, cattle shows and local events for decades.

Ed is a self-taught auctioneer and was a local business owner (1985-2007), of E&M Auction Services.

Ed was recognized in 2014 with the "Agricultural Accomplishment Award" for his outstanding contributions to the success and enhancement of rural life by the Ontario Association of Agricultural Societies.

Ed keeps active and still works with Hepburn Trailer Sales as their parts manager. There's no other word than "classic".

THIS IS GREAT BEER!

Church hosted successful roast beef dinner

From Page 16

Looking Back: We had a fantastic Roast Beef Dinner last Thursday evening. The roast beef was delicious; the mashed potatoes, veggies, coleslaw, and home-made pies were enjoyed by all. Many thanks to all the workers who made the evening possible. Also thanks to Paul Olsen of BTN for the large door prizes of clematis, cedars, etc. and to Heather Patterson of Barrie's Garden

Centre for the beautiful table decorations of flowering plants.

For more info, visit nobletonunitedchurch.com, our Facebook page, or call 905-859-3976. The church office is normally open on Wednesday and Thursday mornings. Messages are picked up regularly. We are located at 6076 King Rd., north side, about 6 buildings west of Hwy 27. We have a big parking lot at the rear of the building, an accessible ramp at the rear of the building, chair

lifts and accessible washrooms.

Immanuel Reformed Church

Immanuel Reformed Church in Nobleton meets for worship service every Sunday at 9 a.m. and 4 p.m. All are welcome to join us as we meet in the United Church building at 6076 King Road, Nobleton. See www.immanuelreformed.com. If you are interested in meeting to learn about the Bible, call Pastor Maurice Luimes at 905-859-8581 for arrangements. Also, look for our booth at the Nobleton Fair, and come around and say hello.

Nobleton Lions Club

Upcoming events include the Lions Foundation of Canada Purina Walk for Dog Guides which is planned for Sunday, May 29. This walk helps provide funding for six different specialty streams including Canine Vision Dogs, Hearing Ear Dogs, and Service Dogs to help challenged Canadians overcome a variety of impairments. Check out www.purinawalkfordogguides.com for

much more information.

After that comes the Nobleton Lions Annual Fund Raiser on June 5. This year the event is a Charity Golf Tournament to be held close to home at Nobleton Lakes Golf Course. This is the major fund raiser for the Lions Club, with proceeds planned to go to numerous organizations in and around town. Golfers and hole sponsors are invited to call Jim Kassam at KARS on King Rd. west of Hwy. 27 at 905-859-5277.

Watch this space for further details as the events get closer, and why not check out our website at www.nobletonlions.com.

Free advertising is available to non-profit groups in and around Nobleton via the electronic sign at the library. Contact the Township of King for details on how to get your message up there at no charge.

The Lions Club is seeking new members at this time. If you are interested in helping your community become a better place to live while having lots of fun, please call Bob Phillips at 416-522-9675.

Get exhibits ready for Schomberg Fair

Attention Schomberg Fair exhibitors for Homecraft, Schoolwork and Junior Sections!

If you were wondering about the meaning of this years' fair theme "New Beginnings" let us explain. This year for the first time in 50 years the Homecraft, Schoolwork and Junior section of Schomberg Fair will not be held in the old Schomberg Arena. It will be located in the Schomberg Community Hall. That is the large yellow building on Main Street located in front of the fairgrounds.

Another fact for this year, there is no Schoolwork Section at the Fair, but the Junior Section has been expanded to accommodate all the creative young people in Schomberg and surrounding area. The entries for the Junior Section will be brought in to the Community Hall on either Thursday night from 7-9 p.m. or Friday morning from 8:30 to 11:30 a.m. There is no entry fee for Juniors entering articles in the Junior Section but entry tags must be attached to each article and they must register to get an exhibitor number. If you have any questions, call Grainne at 905-939-2026.

LOCALLY WORKS!

King Food Bank open Saturday of the long weekend

This coming Saturday, May 21 from 9-11 a.m. three centres in King are open to provide groceries, produce and breads to over 200 people residing in King.

If you need some assistance, and are not already registered, call the Food Bank line 905-806-1125 and leave a message; your call will be returned as soon as possible.

The only requirement is proof of residency in King, but we need to talk to you to ensure the right amount of food for your family size is delivered to the proper location.

King Township Food Bank is a federally registered charity R/N 84735 1608 RR0001

April distribution was well attended, and Stonemill Bakehouse breads were offered, courtesy Engels and Volker; in addition to the traditionally made-by-hand Italian breads were donated by Dorio's Italian Kettleby Bakery. Root vegetables, including carrots, onions, beets and parsnips continue to arrive courtesy Hillside Gardens and an anonymous grower donates 10 cases of En-

glish cucumbers monthly.

After the distribution, a free Pop Up Clothing Store was offered at St. Paul's Nobleton, the third that has been held.

In addition to the generous support for the Focus on Fresh program, annual Sponsors and Donors provide much needed funds that are largely used to purchase food cards that about 75% of the registrants choose instead of pre packed boxes.

Bruce Wilson Landscaping continues to sponsor at the Diamond level, and Charlie Wilson continues to assist by recruiting other sponsors.

Platinum sponsors include: Nobleton Lions, Sacred Heart Church, Moore Park Plantscapes and King City Firefighters Association.

Township of King is at the Gold Level.

Silver Sponsors include: Xtra Mechanical, TACC Construction and Schomberg Sheet Metal. In addition, a generous cheque was received from Ed Favot, Chartered Accountant as a donation.

Sprucewood Leasing is continuing

the Bronze Level.

For further information on the work of this important outreach program, call Carol Ann at 416-559-7898. She will be glad to answer any questions you may have.

The website is www.kingtowshipfoodbank.ca and there is more information their on the program and way to help for those interested. Donations can be made also through the website, which has a link to Canada Helps.

MP Deb Schulte and Mayor Steve Pellegrini honoured Guides Sara D'Urzo, Ruth Schoenhardt and Maja Walters.

King City seniors win awards

Five King City seniors were among the award winners at last week's Volunteer Appreciation night. The awards recognized volunteers for their years of dedication and exemplary commitment to community service.

Lifetime Achievement Awards went to Fred and Betty Beaton and Ed Millar. Blair Day was named Citizen of the Year, and Rosemary Bellefontaine received the Senior Citizen Award of Merit.

Congratulations to all the winners and nominees.

Travel Club News

Tuesday, June 28, - "Hilda's Yard" at King's Wharf Theatre.

Enjoy a hot lunch at the Captain's Table with a beautiful view of the historic Tall Ships and Penetanguishene Bay. Next, we make our way to King's Wharf Theatre to see a production of "Hilda's Yard."

It's 1956 and a couple is enjoying life after the kids have left the nest. But their world turns chaotic when their son loses his job and the daughter leaves her husband, and both return home. The laughter builds in this heart-warming, nostalgic comedy that lovingly harkens back to a simpler time.

The cost is \$114 per person.

For further information, or to book a seat, call Jane Hepworth at 905-833-5870.

King City Guides receive awards

The King City Girl Guide community gathered April 27 at the King City United Church to celebrate a wonderful year of Guiding for the 75 girls who participated in Sparks, Brownies, Guides, Pathfinders and Rangers in King City this year.

The Advancement Ceremony marked an exceptional year and was a special celebration for three King City Pathfinders who were awarded the Canada Cord. The Canada Cord is the most prestigious award a Pathfinder can receive, and follows three years of hard work on badges, first aid training, citizenship, community service, and the development of leadership in camping skills. King Mayor Steve Pellegrini, and Deb Schulte, MP for King-Vaughan, were in attendance to present this special honour to Sara D'Urzo, Ruth Schoenhardt, and Maja Walters.

The King City Girl Guide program has grown significantly over the past year (+25%) and is drawing many girls from beyond the King City borders due to exceptional volunteers, innovative programming and a focus on camping and skills building.

The Girl Guides of Canada program enables girls to be confident, resourceful and courageous and to make a difference in the community and the world. To register your daughter for the fall, visit girlguides.ca.

Sacred Heart bazaar takes place May 28

King's Corners

King City United
By Eleanor Fry

We entered our church last Sunday to hear our Bells playing "Holy, Holy, Holy." It was Pentecost Sunday, which is considered the birth day of the Christian Church. Pentecost happens 50 days after Easter. Fred Jesty presented the Reflection.

"A crowd had gathered around, listening to the disciples. Suddenly a wind, as if from the Heavens, came through and filled the house. Tongues of fire seemed to separate and come to rest on each disciple. The disciples then spoke in many languages as the spirit enabled them. The large crowd that had gathered were astonished that the disciples could speak to them each in their own language. About 3,000 people were baptized that day. All these added to the fledgling Christian Church on that day of Pentecost."

Thus this was considered the birth of the Christian Church. It started the fire, giving the disciples the desire to share the news of Jesus's resurrection and the power that came with it. We have all been given these gifts - natural talents in many different fields. It is what we do with them. Spiritual gifts benefit the person that receives them. Then they indirectly benefit others through

what that person does with them. Fred invited his wife Marilyn to join him at the microphone. A short skit followed. Marilyn named a few gifts she thought Fred might give her. A diamond ring, a meal out (other than Tim's or Harvey's), a bouquet of flowers, a cruise.

Fred, those aren't the kinds of gifts Paul, the disciple, was talking about.

Marilyn said: "Will the Holy Spirit come and do my washing and ironing and pick up after you? Fred: "Not quite, but the Holy Spirit does give us different gifts to help make the world a better place."

Betty was a nurse and helped make sick people better; Bill is a good teacher, helping his students to be great adults; Sandra was given a beautiful voice; Rosemary has the gift of music; Jean is wonderful to welcome everyone; Alexandra excels at gymnastics; Evan knows computers; Laura is excellent on the golf course.

Thanks, Fred and Marilyn for that message, illustrated as you did in a way that will stay with us. Next Pentecost Sunday, perhaps another one?

We will be celebrating the sacrament of Communion on Sunday, June 5.

Bible Study will resume on Wednesday, May 25. This will be the final one until the fall, so we will enjoy lunch after.

Reverend Evelyn thanks everyone for their generous donations to the Red

Cross to help the people of Fort McMurray.

Many from our church attended the King Township Volunteer Appreciation Night. Many awards were given for various achievements but we were there especially to celebrate the Lifetime Achievement Award presented to Fred and Betty Beaton. They were unaware of it until they saw all their family there. Congratulatlions to Fred and Betty. Well deserved!

Friday, June 3 is our Annual Manitoulin Fish Fry from 4:30 to 7 p.m. Adults \$17, children \$7. Call our office to reserve yours. Don't wait. They go quickly - 905-833-5181. Reverend Evelyn is on a short vacation, then study leave until May 24. For any pastoral emergency please contact Rev. Maria Mindszenty of Temperanceville United. 416-496-2299. Wayne Lowdon will lead our worship May 22, which will be a hymn sing, with the history of many of them. Come with a good voice and sing out loud.

Our Sunday worship is at 10 a.m. with Sunday School. Stay for cookies, coffee and conversation. Our Reverend Evelyn McLachlan can be reached at 905-833-5181 or email kcuemin@bellnet.ca. Our office is 905-833-5181

Sacred Heart Bazaar

Sacred Heart Church Annual Bazaar (14485 Jane St. in King City) will

be held Saturday, May 28 from 8:30 a.m. to 2 p.m. Booth sales include baked goods, plants & gardening, jewellery & fashion accessories, house wares, treasures, religious items, sporting goods, toys, books, electronics & games. Funds raised will support the achievement of goals laid out in the Sacred Heart Site Master Plan. Come and enjoy the day!

Hilda's plant sale

Hilda Baumhard is holding a perennial plant sale. She's located at 15 Old Church Road in Laskay, just look for the signs. Proceeds to various charities. She hopes to see all of her old customers.

King Bible Church

Join us on Sunday, May 22 as we have a KBC special service! We will enjoy testimonies, worship and prayer time. Join us for games, crafts, stories and singing in Kidszone. Join us for Truth Lab investigations this year. It's for Grades JK to 6 and runs 6:45 to 8:15 p.m.

We have Celebration Zone available downstairs for kids aged 4-Grade 6. Each week the children in Grade 1-6 will join their parents for the beginning of the service until they are invited to go downstairs.

Gardens urgently needed for July 10 tour

From Page 20

We ask that you sign in your child at the Celebration Zone table in the foyer when you arrive at church. We have nursery available downstairs for babies 0-3.

We also have a Student Ministries Bible Study for students in Grades 7-12 on the 2nd and 4th Sundays each month.

Get ready to dive into another amazing week of Vacation Bible School during the week of Aug. 8-12 from 9 a.m. to noon. We are starting half an hour earlier this year to allow for more fun. It's for ages JK to Grade 7. This year the kids will be going on the "deep sea discovery" where they'll explore the depths of the Bible.

Call or email the church to register, info@kingbiblechurch.com.

St. Andrew's By Kathy Patterson

Don't forget to come and experience St. Andrew's Presbyterian Church while you're visiting St. Andrew's Park for the playground, the King Trails, the New Community Garden or making a drop off at the clothing bin.

Join us Sundays at 10:30 a.m. Sunday school and nursery care run concurrently and will continue through to the end of June. Sunday, June 19 is our Father's Day BBQ following the worship

service. Everyone is invited to stay and enjoy this happy time together.

On Pentecost Sunday last week, Pastor John Mills's sermon was entitled "Giving Birth to the Church" based on Acts 2:1-9. God sent His Holy Spirit as promised and God continues to fill His people, His church with His Spirit as His Kingdom comes into being.

Ladies, join us Tuesday mornings at 9 a.m. for our Prayer Time. It is a special time of prayer and quiet reflection with our dear Lord present as He promised, hearing and answering our prayers. Please inform us if you have a prayer request or a thanksgiving!

Art-in-the-Park continues Wednesdays. All are welcome at 3 to 5 p.m. If the weather is inclement, the participants will meet in the church. For more information, please speak with Lynn Vissers at the church office, 905-833-2325.

Stay tuned for future date for Yard Clean up Day. Last Saturday was too rainy! Everyone welcome! Students, need volunteer hours? Let us know!

Should you have pastoral care needs please contact Lynn Vissers, our Director of Congregational Ministries at the office: 905-833-2325. Our Interim Moderator is the Rev. Dr. Neal Mathers. He can be reached at 905-895-5512. Our church is located at 13190 Keele St., 2 blocks north of the King Rd. There is a ramp available for accessibility.

Check out our web site! www.stan-

draws-kingcity.ca

All Saints Anglican Church By Diana Armitage

Thank you Bishop George Elliott for officiating at our services last Sunday. Since it was Pentecost, George baked a cake to celebrate the church's birthday and shared it with the Sunday school children. It was delicious!

We welcome back the Rev. Jo-Anne Billinger this Sunday as she has kindly agreed to officiate for the long weekend services. Jo-Anne is available for pastoral emergencies in the month of May. Please call the church office: 905-833-5432

Cross Talk Ministries Day Camp will run from July 25 to 29 for children 4 to 12 years old at All Saints Church. Let your families and friends know about the camp so that they can plan for the summer.

Our new incumbent, the Rev. Dr. Elizabeth Green, begins her time with us on Wednesday, June 1. We look forward to welcoming her at the services on Sunday, June 5.

Nobleton King City Horticulture Society By Nancy Hopkinson

On Victoria Day (May 23) we will have a booth outside the Arena. We are

looking for Russian sage, bee balm/monarda, asters, coneflowers, lavender, Batchelor's buttons, sunflower seeds, sedums, various groundcovers, rose of Sharon seedlings, pulmomaria, perennial geranium, wild ginger and the herbs: basil, chives, oregano, sage. If you are willing to donate your extras to our club, it would be appreciated.

Bring them before 9:45 a.m. as cars are not allowed in after 10 a.m. or contact Kathy Ball in advance at 905-859-4338 for alternative arrangements. Other plants will also be on sale. We will also be selling (for \$15) a solitary pollen bee nest by Armstrong and Blackburn. It is easy to use, safe for the bees, and has been scientifically designed to mimic the nests of solitary pollen bees. Solitary pollen bees are non-aggressive and can pollinate much faster than honey bees. They do not travel far from their nest/home. For more info on these nests, visit www.pollenbeenest.com/ilovebees.

We urgently need your help. Do your friends and neighbours enjoy visiting your garden? We are hoping for a variety of gardens for our annual Garden Tour, which is set for Sunday, July 10. Please contact Barb Downey at 905-880-0330 or downeycastledegr@sympatico.ca or Nancy Hopkinson at 905-859-0761 ASAP to volunteer or for more information.
