By Mark Pavilons

The stage is set for the 3rd annual "Let's Rock 'n Roll MS Away" family fun day.

The annual family day and car show takes place at the Schomberg fairgrounds on Father's Day, June 19, running 10 a.m. to 5 p.m.

It promises to be a fun-filled 1950s themed day of good, wholesome fun including a classic car show, live entertainment, children's activities, Elvis, old fashioned BBQ, unique vendors and much, much more. Last year's event featured more than 200 cars and welcomed more than 2,000 guests.

Headlining the Main Stage is Bruno Nesci, with his incredible "Elvis" show, as well as other local home grown talent. Attractions throughout the fairgrounds include an incredible Car Show featuring classic, custom, European and street rods, complete with "Best in Show" prizes. For the youngsters, they can see a birds of prey show, catch a glimpse of statue-like "Silver Elvis," enjoy a caricature artist, pony rides, petting zoo, and even a dunk tank. Indulge with a slice of wood burning pizza, burger, poutine, hand-cut fries, fresh squeezed lemonade or ice cream straight from the ice cream truck – everything for the young and young at heart.

Monia Isgro, chair of the committee, is afflicted with MS and knows first-hand how important it is to raise awareness of this awful disease that strikes both men and women in the primes of their lives.

See 'Volunteers' on Page 3

Mural brings some colour to King City

Work on a mural has started on Keele Street, just south of King Road. The property, which is slated for development, is on the west side of Keele Street and is fronted by a 150-foot-long section of temporary board fencing. Giving it a more colourful touch were Elsa Brittin, Amanda Brittin, Councillor Debbie Schaefer, Andy and Marcy Nemes, owners of Design on King. Turn to Page 10 for the full story.

KING CITY & SCHOMBERG ZONING BY-LAW REVIEW PUBLIC OPEN HOUSE #1

King Township has initiated a review of the Zoning By-law as it applies to the King City and Schomberg urban areas. The outcome of this project will be new Zoning By-law(s) for King City & Schomberg. All interested persons are invited to attend an open house to learn about this project and contribute to our understanding of the types of issues with the current Zoning By-law. The Draft King City & Schomberg Zoning By-law(s) will be prepared in the second half of 2016. Additional open houses will be held as the project progresses.

What is a Zoning By-law?

A Zoning By-law is prepared under the requirements of Section 34 of the Planning Act. The Zoning By-law regulates the types of land uses and the character, height, location, size and massing of buildings for all lands in the community. Currently, the Township administers Zoning By-law 74-53, as amended, which applies to the entirety of the Township. The Township has initiated a review of the Zoning By-law with the intent to develop new Zoning By-law(s) for King City, and Schomberg.

Why Prepare a New Zoning By-law for King City and Schomberg?

There is a need to review and update the Zoning By-law for King City and Schomberg primarily to ensure that the Zoning By-law conforms to local, Regional and Provincial policy, and address recommendations through Township initiatives such as the Community Improvement Plan, the Integrated Community Sustainability Plan and the Economic Development Strategy. We are currently seeking the community's input on the types of issues that will need to be addressed through this project.

When and where are the Public Open Houses?

KING CITY OPEN HOUSE
WAS HELD JUNE 14, 2016
6:30 TO 8:30 P.M.
PRESENTATION AT 7:00 P.M.
KING CITY ARENA (2ND FLOOR)
25 DOCTORS LANE, KING CITY

SCHOMBERG OPEN HOUSE
MONDAY, JUNE 20, 2016
6:30 TO 8:30 P.M.
PRESENTATION AT 7:00 P.M.
TRISAN CENTRE (CURLING LOUNGE)
25 DILLANE DRIVE, SCHOMBERG

If I can't make it to the Open House, where can I find more information?

If you are unable to attend a Public Open House, please visit www.king.ca and type "Zoning By-law Review" into the Search Bar on the homepage for a copy of display boards and background information after the date of the applicable open house

Highway 27 watermain replacement in Nobleton

What: Watermain replacement

Where: Hwy. 27 in Nobleton from Parkview Avenue to Wilsen Road

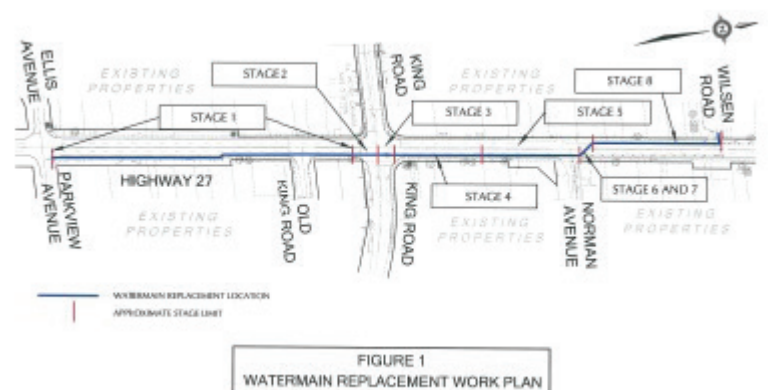

When: Starting in early July. Construction is expected to last up to three months

Why: Replacement of watermain to improve service to the area

Project impacts:

- During construction, full-time access to all residences and businesses on Hwy. 27 within the work zone will be maintained. Pedestrian access will also be maintained.
- Through traffic on Hwy. 27 will be maintained, however there will be lane reductions as required. Motorists should expect delays for the entire duration of the project.
- Periodic closures of local road connections to Hwy. 27 in the project area will be necessary. Additional notices will be distributed to property owners with specific dates of the closures as well as any alternative traffic arrangements.
- To facilitate the installation of the new watermain, the water supply to properties on Hwy. 27 in the project area will need to be temporarily shut off for short periods of time. Property owners will be given advanced notice prior to any water disruption.

King Township will make every effort to minimize disruptions. If you have any questions about the project, please contact Wayne Pinkney, King Township project manager, at 905-833-4575 or by email at wpinkney@king.ca.

Don't light that fire!

Township of King Open Air Burning By-law 2015-109 requires the following:

- A valid burn permit must be on-site at all times
- The property owner or agent acting on behalf of the property owner must be on-site at all times
- The property must be at least 1 acre in size and cannot be located within the restricted boundaries as per By-law 2015-109
- Only clean, unpainted, untreated wood may be burned
- Only 1 single fire at a time
- This fire cannot be any larger than 2 metres in height and 2 metres in diameter (6 feet in diameter and 6 feet in height)
- An approved means of extinguishment must be available at all times

Failure to comply with Municipal By-law 2015-109 could result in charges being laid under the Ontario Fire Code including charges under the Municipality's Fees and Charges By-law.

For more information on open air burning, please contact King Fire & Emergency Services @ (905) 833-2800 to find out if you actually qualify for an open air burn permit

NOTICE OF MEETING

King City and Schomberg Mature Neighbourhoods Design Workshops

To complement the Zoning By-law Review, King Township is hosting a design workshop in each community to review options for conserving the character of older existing residential neighbourhoods.

1. The **King City** Mature Neighbourhoods Design Workshop will be held on Wednesday, June 29, 2016 from 6:30 p.m. to 9 p.m. (location in King City to be determined).
2. The **Schomberg** Mature Neighbourhoods Design Workshop will be held on Tuesday, July 12, 2016 from 6:30 p.m. to 9 p.m. (location in Schomberg to be determined).

Please do your part & recycle!

King Township drafting new clean yards bylaw

By Mark Pavilons

King Township has a reputation to uphold.

Part of that image is looking our best.

Township staff are putting the finishing touches on an updated Clean Yards Bylaw.

In her presentation to council recently, deputy clerk Nancy Cronsberry said they identified concerns and solutions when reviewing their property standards rules. The proposed clean bylaw maintains pertinent provisions and adds some new ones.

Once completed, the new set of standards will be "clear and fair" to all residents, she said.

Mayor Steve Pellegrini said he's heard of issues surrounding corner lots and what he referred to as offensive lighting.

Councillor Avia Eek was particularly pleased with the coming bylaw, as property standards issues have been a concern in her ward. She's received many calls about messy properties, debris discarded or accumulated on properties, old cars, equipment accumulated on properties, and generally, properties that could be mistaken for dumps or refuse heaps, and general collection of junk.

The public is invited to provide their comments, before the final bylaw returns to council for approval July 11.

When it comes to enforcement and fines, Cronsberry said Township staff always try to work with residents and help them solve the problems, before resorting to tougher actions.

In drafting the new bylaw, staff are looking at more effective and efficient ways of managing "nuisance" and property standards issues in a prompt

and timely fashion.

"It is recognized that property related issues have a direct impact on residents within our community, often creating conflict and nuisance as well as affecting the enjoyment and value of their properties," according to Cronsberry's report. A stand-alone bylaw with clear provisions would help the municipality resolve property matters quickly.

Currently, some issues with properties can take 30 days to resolve and the public expects a more timely conclusion.

"Staff recognizes that in most instances, compliance is achieved following direct contact with the property owner."

Staff reviewed similar policies from other municipalities and combined King's own guidelines to draft the new bylaw. The Clean Yards Bylaw will replace the current Property Standards Bylaw (1998) used within the Building Code Act, and this way, Township staff can act more quickly.

The new bylaw brings together rules governing standing water, littering and noxious weeds. New provisions include rules for composting, firewood and parking vehicles. Staff believe these are reasonable and ensure "harmony in the community."

It's proposed that the keeping of firewood, composters and digestors be permitted, but there are conditions. King will also encourage property owners to help maintain grass on boulevards.

Homeowners are already required to clear the snow on sidewalks in front of their homes, but it's never been enforced.

Currently, keeping things like RVs and boats in the front yard is prohibited and staff are adding trailers to the list.

If staff are unable to get residents to comply, they can enforce fines, in the range of \$300.

"Staff concludes that a Clean Yards Bylaw is an effective tool for regulating exterior property maintenance within both the urban and rural areas."

Volunteers, sponsors boost event

From Front Page

"The goal of holding this event is to promote awareness and to raise much needed funds to help those living with MS in York Region. Last year's event achieved both! All who attended are now a little more knowledgeable about MS and its effect on those inflicted with the disease."

Over the past two years, the event has raised over \$40,000, with the funds donated to the York Region MS Chapter - Client support services, assisting those who suffer from MS directly; and Sunnybrook MS Research Clinic, to help to find a cure.

The event would not be possible without the participation and significant contribution of volunteers and generous sponsors.

Tickets for the event are available at the gate. A \$5 donation will get you into the event.

~ THE BEST MOVE YOU COULD MAKE ~

Editorial, Letters & Opinion

"Public opinion shapes our destinies and guides the progress of human affairs"

~ Frank B. Kellogg

Remembering those little things with dad

"A father is a man who expects his son to be as good a man as he meant to be."
Frank A. Clark

Fathers and sons have an unusual relationship at times.

At a certain age, hugs are replaced with high-fives, fist bumps or shoulder nudges.

The teenager in the car with me in the mornings says little about school, his studies or his friends. He loves to crack a joke and when he laughs, he makes everyone around him smile.

He doesn't seem overly touchy feely - maybe none of today's teens are. I like to keep him on his toes and challenge his thinking.

My dad was a unique person; definitely very old school.

My parents lived through the Second World War; began a new life for themselves in Canada; worked hard; raised a family. My better half's family often said he had a bit of a "stone face" and he was never very emotional or free with his feelings.

I remember he used to like trimming my moustache for me. Maybe it made him feel useful and he thought I needed some sprucing up from time to time.

Mark Pavilons

While it may sound weird, these were bonding moments, times when it was just the two of us, shooting the breeze. Strange how I thought of this just recently. It made me smile, but it also made me sad.

He had an annoying habit of clinking his spoon against his coffee cup, ad

nauseum. Whenever I hear this sound, I think of him.

He never had much patience for things like milk cartons, sweetener packs or those small cream cups - he often made a heck of a mess every time he tried to open one. This is also makes me smile, and a little bit sad.

His sneezes would rattle the rafters and his voice boomed. Much like mine when I call my son, so I am told. He had a funny habit, during my teen years, of standing back to back with me, to see how tall I was getting. My wife made me and Liam do that recently.

My eldest daughter Lexie has, unfortunately, inherited some of those Pavilons traits. Dad would be proud.

He managed to hold her in his arms when she was an infant. They had very little time together but I know his heart filled with joy that only grandparents fully understand.

He never got to see my son, his only grandson. That makes me more than a little bit sad. And he never knew about our third born, Kyleigh.

He would have cherished Liam, told him wild tales and walked with him among the pines and spruces. He would be over the moon at the young woman Lexie has become and her list of accomplishments and selfless acts. He would be encouraged to tickle Kyleigh and cuddle with her on the sofa.

Maybe, in the mystery that is the great beyond, he has an inkling of what's happening here on terra firma. That thought makes me smile.

I sometimes expect to see his large hands descend from above to hold me one more time, or hug the stuffings out of my kids. Oh, how I long to hear his voice or look into his eyes. I'd even be happy to accept some nonsensical fatherly advice.

It's been almost 18 years since I felt his presence. Wow, 18 years. I rarely flip through the family photo albums (there were no digital photos of us). I seldom well up when I think of him.

But there are times, when I'm alone with my thoughts, that he's there. There are dreams, those lifelike nocturnal experiences, where he's as real as real can get.

And there is Father's Day, when there's no one on my left; no one to share a cold one with.

But that's how life is, and pretty much how it's supposed to be.

We expect to lose our elderly parents.

We don't expect to lose a child.

I know the parents of one of the young men who was killed in Wasaga Beach recently, and went to the visitation. Despite my penchant for words, I had nothing to say, nothing to express but sorrow.

I could see the pain, the deep, inconsolable suffering that rests in their hearts. I can't imagine

what they are going through.

I lost my sister to illness at a relatively young 45. She suffered and in some ways, she was set free.

I've heard that dying is easy. It's living that's hard.

The living are guardians of all that is important. We must keep those memories, thoughts and even quirks alive and well. It's our heritage, our history and there's no escaping it.

Ideally, it's nice for kids to enjoy their grandparents. I think it gives them a different perspective and provides them with just a glimpse of what our childhoods were like.

My kids knew my mom, but our youngest, who grew close to her near the end, feels somewhat cheated. She misses her Oma immensely.

As do I.

I don't how I rate on the fatherhood scale. I hope my kids become better souls than I am. From what I've seen so far, I think that's true.

Does that mean my work here is done? Not likely.

I still have so much more sarcasm to dish out. I am compelled to embarrass them every chance I get. The other day I wore a yellow Hawaiian shirt with conflicting, but equally eye-scorching, yellow shorts, just to see if anyone noticed!

Maybe my brand of fathering is different than my father's.

This Father's Day I will be surrounded by my wife and children. I will enjoy a steak with my son.

And I will raise a glass to my father, who helped set all of this in motion. Trust me, smiles are way better than sadness.

If you are lucky enough to share this day with your father, give him an extra squeeze.

Letter to the Editor

Against increased densities

One has to question the recent decision by King council to increase densities in new residential development to seven homes per hectare. Why seven, when this number will still not achieve the provincially mandated growth targets? Could it be that this is a number that appeases developer pressure?

In its drive to promote the Greenbelt, the Provincial government is insisting that we live within tight compact communities so that services provided are more efficient and economical to run. The catchword is "intensification" and we are supposed to bow to the brilliance of the Provincial government's vision. To do otherwise we risk being accused of being a troglodyte or even someone opposed to the protection of our green spaces.

Intensification has always been a function of cities and towns and has been a method of growth and renewal. But now the government wants to take it one step further and apply it to our rural settlement areas. The goal is to create "Complete Communities," another catch word currently doing the rounds.

However, to create these nirvanas, employment within these communities needs to grow substantially, because without it they are no more than dormitories for nearby cities and towns.

Until recently we have allowed urban sprawl to destroy rich agricultural land and in doing so created traffic mayhem. The Greenbelt plan has, in essence, stopped much of the sprawl onto our farmland, but have we not simply transferred the urban sprawl from one location to another, namely our rural settlement areas?

Without local employment traffic to the city has not diminished. The added population within our villages has not led to increased services. Having more people living in a more condensed area has not reduced taxes. Employment growth within the Township is negligible and the coming of Magna to King will likely provide little employment for King residents.

It could be said that the Provincial government is looking to the future in redistributing the ever-growing population but is the destruction of small rural communities really the way to go to accommodate more people? I guess those people not living in the established settlement areas would be okay with this plan but residents of the villages would eventually lose everything they first settled here for.

The cynic in me wonders if this planned intensification is being promoted more to appease the developers who owned land in the Greenbelt and no longer can develop it due to the new suggested legislation. A form of allowing them to make up the money they may have lost from the land they purchased many years ago on speculation.

Ranked ballots allowed for municipal elections

By Mark Pavilons

Ontario municipalities will have the option of using the ranked ballot system for the next election.

Queen's Park last week passed legislation to give municipalities the option of using ranked ballots in future municipal elections, beginning in 2018.

The Municipal Elections Modernization Act, 2016 reforms the Municipal Elections Act. It will increase transparency and accountability by:

- Making campaign finance rules clearer and easier to follow for voters, candidates and contributors.
- Banning corporate and union con-

tributions to candidates.

- Creating a framework to regulate third-party advertising, including contribution and spending limits, and to define third-party advertising as advertisements supporting or opposing a candidate.

- Shortening the length of campaigns by opening nominations for candidates on May 1 instead of January 1.

- Requiring the municipal clerk to prepare a plan regarding the identification, removal and prevention of barriers that could affect electors and candidates with disabilities.

- Making it easier to add or change certain information on the voters' list.

No Canadian jurisdiction currently uses ranked ballots.

A public review of the Municipal Elections Act took place between May 2015 and July 2015. The Municipal Elections Modernization Act, 2016 is based on input from across Ontario, including more than 3,400 submissions from the public, municipal councils and staff.

There are 444 municipalities in Ontario.

According to Councillor Debbie Schaefer, a proponent of banning corporate campaign contributions, said Bill 181 is important for Ontario's municipalities and citizens. With the changes included in the Municipal Elections Modernization Act "the quality of the election process is significantly improved, and accordingly, the end product of the elections, the municipal councils of Ontario, will be more effective in meeting the real and evolving needs of their respective communities."

She said the banning of corporate and union donations to candidates is

important because it levels the playing field for candidates; eliminates the perception of influence on a council member because of funding support from a business.

Providing the option to each municipality to choose ranked ballot is very positive as it assures that those who are elected do have majority support.

"I regret that each municipality will need to decide whether it wants to take advantage of this opportunity as opposed to it being imposed by the Province. But as it is a change which will need to be explained perhaps the process that each municipality goes through to make their decision will facilitate understanding by citizens," she said.

The shortened nomination period is a good idea. There is no need for a nomination period of 9 months; the new one of 3 months is quite adequate.

"It is also better to close nominations by end of July (12 weeks before election), as opposed to early September which is only 8 weeks before the election," she noted.

King City Library branch offering PRESTO service

The King Township Public Library (KTPL) is pleased to announce that it has recently entered into a partnership with York Region Transit (YRT/Viva), and is now acting as a York Region Transit PRESTO Agent in a limited capacity.

Residents can now visit the King City Branch to load their PRESTO card e-Purse as well as load their YRT/Viva monthly passes, so long as they already have a PRESTO Card in their possession.

Presto cards can be ordered online at prestocard.ca, purchased at the York Region Transit office in Richmond Hill, or at your closest GO station during staffed hours. Note that cards ordered on-line cannot be activated by the Library (see the prestocard.ca website for more details).

PRESTO is the relatively new fare option for YRT/Viva, which also can be used on 9 other Greater Toronto and Hamilton Area Transit systems. PRESTO uses smart-card technology that stores funds in a secure account, replacing the need for tickets, passes, or cash. By tapping a PRESTO card on a fare payment device (located at Viva stations and on conventional buses), the electronic chip embedded in the card instantly calculates the fare and deducts it from the rider's account.

"York Region Transit approached the Library seeking a vendor in King City to assume the role of a PRESTO Agent," explained KTPL chief executive officer Rona O'Banion. "We were happy to be able to fill this service gap, albeit in a limited capacity."

The benefits to residents include having access to another location in King Township to reload their card. The other alternative in the Township is the GO Train Station in King City, which is only open 6:05 to 8:25 a.m. on weekdays. Please visit the website, kinglibrary.ca for additional information.

Many donate fresh produce to King Food Bank

By Carol Ann Trabert

May was a busy month, serving over 200 King residents.

There were Stonemill Bakehouse breads, courtesy of Engels & Volker; Italian hand-made breads courtesy of Dorio's Kettleby Italian Bakery; cucumbers courtesy of a Marsh grower, and carrots, onions, parsnips and cauliflower donated by Hillside Gardens. All of this is distributed over and above the usual amounts of food, pet food, and bathroom tissue, as well as food cards.

Miscellaneous produce is arriving at the Nobleton Centre courtesy of Alloro Fine Foods, and the Food Bank extends thanks for their top of mind awareness of hunger in King.

King Township Food Bank will hold its regular distribution this Saturday, June 18 from 9-11 a.m. If you did not attend last month and did not contact the Food Bank, they need to hear from you if you plan to come in June. Otherwise your food boxes and cards will not be available. The Food Bank assumes that non-attendance means a registrant no

longer needs assistance.

For returning and new registrants, please call 905-806-1125 or email ktfoodbank@gmail.com.

Several volunteers from RBC King City attended the Depot to pack boxes, giving the Pack Team the summer off. These volunteers arrived in addition to the Platinum sponsorship secured by RBC King City for the Food Bank. Big thanks go to Raffaele Innocente and his great team.

King City Secondary School has been holding more than one event to help combat hunger in King. Their dodgeball tournament "Dodging Hunger" came from a student initiative to help. The concept was so popular that those students extended the project to a classroom Food Drive based on a list of particularly needed items.

Thanks are offered to Schomberg Sheet Metal for their continuing sponsorship at the silver level, and ZZEN Group for renewing at the gold level.

In addition, the spring campaign by Loblaw and Food Banks Canada resulted in a cheque for \$312.44 from funds raised in Nobleton at John's No Frills. Thanks are expressed to John, his team and all the customers who donated during the two-week campaign.

The Back to School Program is in full swing. Collection boxes are at all Libraries and many of the churches across King. This year, over 60 backpacks, filled with supplies, will be distributed in August, ahead of school opening early September. In addition to backpacks, the contents are needed,

from packages of pencils to USB sticks.

Last Saturday, the Pop Up Clothing event was well attended. This project offers new and gently used seasonal clothing free of charge to Food Bank registrants on an occasional basis, with the surplus going to other agencies like Teen Challenge. If you would like to become involved in this program, please contact the Food Bank or Carol Ann.

Sip & Savour, the big fundraiser of the year for the Food Bank, is under way. The theme will be Las Vegas, and volunteers are welcome to help in all areas of this event, from marketing to food coordination, decor, ticket sales and event planning. The Pack Team (remember they got the summer 'off?') has become the Silent Auction Team, and they are canvassing local businesses for gifts for the Silent Auction Tables. The Silent Auction was a significant source of income at the last Sip & Savour.

Christmas in King, a sister organization, is about to launch the 2016 Christmas program that begins with the distribution of registration forms in September and culminates with the distribution of gifts December 13.

For further information on the work of this totally volunteer outreach program, call Carol Ann at 416-559-7898. She will be glad to answer any questions you may have.

The website is www.kingtowshipfoodbank.ca and there is more information on the program and ways to help for those interested. Donations can also be made also through the website, through a link to Canada Helps.

We'd like your feedback.

We're planning tomorrow's electricity system and we'd like to hear what matters most to our customers.

Hydro One's first job is to deliver electricity safely and reliably to our customers. We're in the process of developing a five-year plan for our electricity distribution system.

We'd like your feedback regarding the level and type of service that you expect from Hydro One. What you tell us will be considered as we develop our plan. It will also be included in the process the Ontario Energy Board uses to set electricity delivery rates for Hydro One's customers.

Fill out our confidential Customer Survey by July 18, 2016 at: www.ipsosresearch.com/hydroone

We want to hear from everyone. To take the survey by phone, please contact our Survey Team at **1-866-477-6751**.

Pool house opening and family day

The new pool house at the Nobleton pool will be officially opened Saturday, June 18. The fun-filled event runs 11 a.m. to 2:30 p.m. at the Nobleton Sports Park.

It's an opportunity to check out the brand new pool house facilities and freshly paved community sports park parking lot in Nobleton. Opening just in time for summer activities such as swim lessons, King camps and public swims, the new pool house is sure to be enjoyed by many King residents for years to come.

The original pool house dates back to 1970 and that all the funds for the old building were collected by the Lions Club and generated by community donations. A plaque will be mounted in the pool house to commemorate the Lions' efforts and the generosity of the community.

The pool house opening and ribbon cutting starts at 11 a.m., followed by a BBQ, public swim and give-aways.

Seneca Graduate Heather Short

Seneca grads answer the call as 911 emergency responders

By: Lisa Pires

When King City residents dial 911, they may be speaking with a Seneca College graduate.

"Seneca graduates have been on the other end of the phone line for emergencies all across York Region," said Peivand Pirouzi, Professor and Program Co-ordinator for Seneca's 911 Emergency Services Communications program.

Pirouzi said the college's eight-month certificate program, offered at Seneca's King Campus, teaches students skills that enable them to rapidly assess emergencies.

"While much of their work happens behind-the-scenes, emergency service communicators are heavily involved in crisis situations," said Pirouzi. "They are usually the first professionals involved in an emergency."

Recent graduate and valedictorian Heather Short said her training at Seneca opened her eyes to the importance of emergency services communicators in the community.

Short uses her specialized training and newfound knowledge of nuances in language at work every day as a dispatcher for a security company.

"As a student, I listened to real 911 calls and learned how to encourage callers to be descriptive and communicate exactly what was happening in the moment without influencing them with my language," said Short. "I also learned how to effectively communicate with different segments of the population, such as children and the elderly, to ensure I gather the most important information about their emergencies."

Seneca graduates have gone on to work with 911 call centres, police, fire, emergency medical services (ambulance/paramedic), private police, security, alarm response and other public safety agencies.

"We might not meet them face-to-face, but these professionals are the people responsible for sending us help when we need it," said Short.

King's Dawson Dental grand opening celebration

By Jake Courtepatte

Dawson Dental's King City location celebrated their official grand opening in style offering face painting, photo booths, and more to new and incoming patients.

"Damn it Maurie" from KISS 92.5 was live on air at the location.

The experienced and talented team at Dawson Dental is bringing dental care for adults and kids to the new plaza in King's Ridge Marketplace. The location offers conve-

nient appointment times, text and email appointment reminders, a teeth whitening program and more. Every treatment room has a television, and the kids' room is filled with toys and games. Patient wifi and a beverage bar are available in the patient lounge.

The dentist, Dr. Beatrice Marr, has been practicing at Dawson Dental Centre in Aurora for many years and is excited to extend her care to King City and surrounding area.

Tamara Levine, Dr. Beatrice Marr, Councillor Debbie Schaefer, Councillor Cleve Mortelliti, Damn it Maurie, Brittany Hodder celebrate Dawson Dental's opening.

Photos by Jake Courtepatte

Councillor Cleve Mortelliti presents Dr. Beatrice Marr with a certificate to welcome Dawson Dental to King's Ridge Marketplace in King City.

King residents want to shop locally, survey says

Almost 80 per cent of King residents try to shop locally whenever possible, according to the results of the recent ShopKING survey conducted by King Township's Economic Development Office.

However, many of them "rarely or never" shop in King City (44.1 per cent), Nobleton (51.8 per cent) or Schomberg (57.6 per cent). The reason? More than 70 per cent said the main reason they don't shop locally is because the goods and services they need are not available.

"Your voice has been heard," said Mayor Steve Pellegrini. "We're pleased that residents want to shop locally. Now we have to continue working hard at attracting businesses that will provide the goods and services residents currently have to leave King to get."

More than 57 per cent of respondents agreed with the statement businesses in King do not sell the products and services they need. However, the overwhelming majority said they would make use of local shops and services if they were available.

For full survey results visit the "Start or Expand a Business" section of the King website.

"The survey was a good way for us to capture data on people's local shopping habits," said King Township's Economic Development Officer Jamie Smyth. "We will use the results as we continue to work on attracting and retaining businesses we know King residents are seeking and are a long term and viable fit for King."

In all, 523 residents completed the survey over the course of the eight weeks it was open for response from mid-January to mid-March. The survey was a direct outcome of the village revitalization forum held late last year. The King Township Economic Development officer met with key business stakeholders from King City, Nobleton and Schomberg, who were asked about their villages. One of the items discussed was how to better understand the goods and services needs of King Township residents.

York District School Board approves 2016-2017 budget

York Region District School Board approved a balanced 2016-2017 budget with a total of \$1.389 billion at its June 7 board meeting.

“The trustees’ Multi-Year Plan, aligned with the board’s goals and priorities, provides a solid foundation for the 2016-2017 budget,” said Anna DeBartolo, board chair.

Board trustee and budget committee chair Allan Tam added: “The budget remains sharply focused on student achievement and well-being, the delivery of effective and sustainable educational programs and the effective stewardship of board resources.”

“Developed by the finance department in consultation with York Region District School Board trustees, employees and system partners, the budget reflects decisions made throughout the year,” said Wanda Muirhead-Toporek, coordinating superintendent, business and CFO for the board.

“It is thanks to the collaboration of our board’s trustees, staff and partners that YRDSB has been able to develop another balanced budget that meets the needs of York Region District School Board students,” said J. Philip Parappally, Director of Education.

Highlights of the 2016-2017 budget include:

- Funding to support the central labour agreements including increased salary benchmarks and the resto-

ration of salary grid movement.

- Funding for library staff, outdoor education, technology enabled learning teacher contacts, and managing information for student achievement moved from Education Program Other (EPO) grants into the Grants for Student Needs, allowing longer term planning for these initiatives.

- Continuing changes in the funding formula for special education and school board administration.

- York Region District School Board’s budget for 2016-2017 is \$1,389,174,000 – an increase of 2.6 per cent from the approved 2015-2016 budget of \$1,353,734,000.

- 94.47 per cent of the budget is allocated for classroom instruction and direct classroom and school operation related expenses, with the remaining 5.53 per cent allocated for governance, administration and student transportation.

- Budget revenues are derived from Grants for Student Needs from the Province of Ontario, which includes property taxes transferred from the municipalities, and miscellaneous revenues comprised of tuition fees for international students, rental revenues and other revenues, including interest revenue.

- The budget will serve an enrolment of approximately 123,000 pupils (nominal numbers).

- One new elementary school is scheduled to open during the 2016-17 school year.

- York Region District School Board is the largest employer in the region with over 15,000 staff members.

Partnership brings colour to King City

A private/public partnership is bringing a whole lot of colour to a little bit of King City.

Work on a mural has started on Keele Street, just south of King Road. The property, which is slated for development, is on the west side of Keele Street and is fronted by a 150-foot-long section of temporary fencing, also known as hoarding.

Ward 5 Councillor Debbie Schaefer approached King Township staff about possibly doing something creative with the blank wood-panel fencing.

“Normally you might see renderings of the proposed development but the application isn’t that far along yet,” said Schaefer. “The hoarding’s going to be up there for a while. When I was looking at it last week I felt anxiety and worry: what have we lost? What will be there someday? And how long until there is something?”

After some initial discussion at the municipal offices, Kathleen Fry, curator of King Township’s Museum, took on co-ordination of the project.

She contacted artist Amanda Brittin to see if she was interested. Brittin painted the Headwaters Parade of Horses statue in front of the museum.

“She’s very creative and I thought she’d be a good fit for the project,” said Fry.

Brittin agreed to paint the mural and Mayor Steve Pellegrini and councillor Schaefer spoke with property owner Walter Pontiero who agreed to the project.

The last piece of the puzzle was getting the paint. Andy and Marcy Nemes, owners of Design on King, a local home decorating business, hopped on board and donated the paint.

“This is a great example of how private and public partnerships can result in improvements to King without spending a whole lot of money or taking a lot of time to get done,” said Mayor Pellegrini. “Councillor Schaefer had a great idea and I’d like to thank Walter, Andy and Marcy for going above and beyond to brighten up a section of Keele Street. Thanks also to staff, especially Kathleen, for moving the project from an idea to reality in such a short time.”

YMCA offers outdoor classroom to learn and grow

By Angela Gismondi

YMCA Cedar Glen Outdoor Centre provides youth and adults a unique opportunity to connect with nature, themselves and each other.

The year-round outdoor centre is located on 263 acres on the Oak Ridges Moraine on the southern tip of Schomberg between Bolton and Nobleton. It offers team-building, outdoor education, leadership development and outdoor adventure experiences for all ages.

In the summer months, YMCA Cedar Glen runs a day camp, overnight hiking and family camps on the weekend.

With over 15 programs to choose from, summer day camps allow youth to develop new skills, build self esteem and make new friends. Camps include aquatics, horseback riding, hike and bike, natural arts, choose your own adventure, outdoor adventure, farm camp and many. The camps are for children ages four to 16. This year, there is a new camp geared to four and five-year-olds.

"We're finding that's very popular for our local audience," said Marissa Straatsma, director camping programs for Cedar Glen Outdoor Centre. "It's a big area of growth for us this summer."

The camp experience has so many benefits for those who participate.

"They get to experience the natural world and get active in the outdoors," said Straatsma. "They get to have fun – it's summer not school time. Learning skills is still important and it's great to be in a new environment to do that."

For families looking for something fun to do together, family camp runs on the long weekend (July 29 to Aug. 1) and the weekend family camp will run

on Aug. 19 to 21. Family members will participate in a variety of activities including archery, high ropes, swimming, low ropes, outdoor maze, climbing wall, nature hikes, shelter and fire building. The camp provides accommodations with two bunk beds and an en suite bathroom.

Another unique camp offered at Cedar Glen is the farm camp. It teaches children about market gardening – gardening on a large scale to sustain the farm and produce a good variety of vegetables. The property includes a three-acre organic farm and they garden one-and-a-half acres of that every year. Most of the gardening is done by hand and farm camp teaches important lessons in planting, growing and harvesting. They also learn about the tools used in the garden.

New this year, they will have an organic bee hive on site and learn about the connection between bees and gardening.

"We want to get people eating healthy vegetables," said Melisanne Loiselle-Gascon, farm team leader at Cedar Glen. "We believe organic is better for the environment."

The purpose of the farm camp is to teach kids where their food comes from.

"The reason we have a farm is for education – learning how to grow things is very important for the kids," said Loiselle-Gascon. "They get to see all the stuff that goes on behind the scenes at the farm instead of the stuff you get at the grocery store. It helps them make the connection between what they eat on their plate and where it comes from."

Each little farmer gets their own section of the garden so they feel a sense

of ownership and take pride in what they have accomplished, Loiselle-Gascon explained.

Much of the food they grow in the garden goes to the kitchen on site, which provides food for staff and guests. Last year, the garden produced 3,500 pounds of vegetables for the kitchen.

"It's a small farm but a large garden," Loiselle-Gascon noted. "We want to try and get the food on people's plates as much as possible when they come here."

Food is also used for the farm stand at Cedar Glen. Throughout the summer, people can drop by and pick up seasonal, organic produce grown on the farm including kale, peppers, beets, cucumbers, lettuce, squash and much more.

"We pick it right away so it's really fresh," said Loiselle-Gascon. "Everyone is welcome."

This year the YMCA is also running an outdoor education program on Toronto Island for those who are looking to get their kids out of the city and into nature. Programs include archery, team building initiatives, fire building,

frisbee golf, animal survival game, canoeing, kayaking, orienteering, nature hikes, biking and shelter building.

Cedar Glen Outdoor Centre is located at 13300 11th Concession in Schomberg. For more information call 905-859-9622 or visit www.ymcagta.org/cedarglen.

A Midsummer Night's Dream

This summer, one of Shakespeare's most beloved comedies hits the road and brings the magic of outdoor theatre to communities across Ontario.

A Midsummer's Night Dream is a delightful tale of meddling fairies, star-crossed lovers, royal engagements, and muddled tradesmen caught up in chaos. The most popular comedy in Shakespeare's canon, this hilarious romp has love on the loose in the woods. Add a misapplied love potion, mistaken identities and the most famous play-within-a-play ever written, and you have a perfect recipe for joy and laughter. The language, poetry, and wit of Shakespeare shine as bright and as lovely as the moon in this timeless classic.

All performances are family friendly, and offered free of charge, but donations are most gratefully accepted. Suggested donation is \$20. Performances run Tuesday to Sunday, starting at 7 p.m. The group will be at the Schomberg Fairgrounds July 7. They will visit Tasca Park in Nobleton July 9.

Funding to our health care system will increase by over \$1 billion this year.

Investing in new and better ways for all Ontarians to get the care they need means:

- 700 new doctors and specialists
- 35 hospitals currently being renewed, modernized or expanded
- \$250 million invested in home and community care
- \$345 million invested to improve wait times and access to care

These investments ensure a strong health care system for both today and tomorrow.

King Craft Beer and Food Truck Festival breaks record

By Mark Pavilons

Saturday had all the ingredients for a great day – great craft beer, great entertainment and great friends.

King City's famous Craft Beer and Food Truck Festival broke all previous records, drawing more than 6,500 visitors to King City Memorial Park.

The event drew praise from Mayor Steve Pellegrini at Monday night's council meeting. He called the event "outstanding," and he offered praise to Councillor Cleve Mortelliti and Township staff who worked on the event. "Very well done," he said.

This year's event features 12 craft breweries, up from the nine who were on hand last year. Some 13 gourmet trucks were on hand, offering everything from burgers and nachos, to Caribbean and Mexican food.

The headlining band this year was Hollerado, a Canadian indie rock band from Ottawa.

As well, the Lions Club held its annual cash draw and raffle for a high-end Weber BBQ.

Roundtable focuses on retaining youth in rural Ontario

By Peter Richardson

Bradford-West Gwillimbury was host to a Rural Roundtable, with the Ontario Minister of Agriculture, Food and Rural Affairs, Jeff Leal.

The topic was "Attracting and Retaining Youth to Rural Ontario" and was attended by local mayors and youth leaders from many surrounding communities.

The topic will also be that of the upcoming, Rural Ontario Summit on June 29 in Stratford.

Minister Leal opened the Roundtable with a few pertinent facts before opening the floor to those in attendance.

The purpose of these roundtables is to enable youth to influence public policy and provide input, as to how to retain youth in, as well as encourage them to return to rural communities.

Agriculture and agri-business is now the second largest contributor to the provincial economy, second by only half a per cent, to the auto industry.

Ontario's agricultural future is bright and the aim of public policy initiatives is to maintain opportunities locally.

Climate change and the advent of new technologies are combining to make the Great Lakes basin the new breadbasket of Canada and perhaps the world. The two largest concerns for the future will be fresh water and sustainable food supplies, according to Leal.

Members of the roundtable included not only political leaders, but students and young farmers and many of the ideas and suggestions presented were similar to many urban priorities.

Faster and more reliable internet was a high priority, not only for the ob-

vious social reasons, but as an important farm business tool as well.

Farming is no longer a low tech endeavour and being able to instantly check on such things as, climate predictions and commodity prices, are critical to today's farmers being able to determine, which crops to plant and when to do so, and when to harvest.

In addition, better infrastructure is also crucial to productivity and delivery.

Quinton Woods of King Township recounted how the farm he worked for was unable to increase production and it's labour force because there simply was not enough Hydro power available to them, despite being less than six kilometres from an adequate source.

To avail that source would require an outlay of \$600,000.

Emily, from a family dairy farm near Alliston, brought up the importance of 4-H programs to the farming community and the fact that they strongly encouraged youth participation and pride in rural activities.

Another of her points, was the loss of the rural summer jobs programmes. These allowed farmers to affordably hire young people, to work on the farms, providing jobs that would otherwise not exist because of the cost factor, for the farmer.

These jobs gave young people an insight into the rural lifestyle, while providing the farmers with extra help at affordable wages.

King Councillor Avia Eek brought up the subject of water resources for agriculture and the importance of balancing urban and rural water management needs.

Several others stressed the need

to protect lands, such as the Holland Marsh, from potential development, or loss of nutrients and water due to development surrounding the area.

Vegetable growing land is vastly different to regular crop land and must be preserved if we expect to have sustainable fresh produce.

Vegetable farms as small as 20 acres are viable in rich soils like the Holland Marsh. It is here that technologies, such as GPS and laser guided planting are allowing plant rows to be precisely regulated to within +/- one inch, for maximum yield and profitability.

The Minister added, that within five years, Ontario will have a new soil map, replacing, the over 40-year-old model, now being used to evaluate soil for farming in the province.

Bradford Mayor Rob Keffer, and two student from Aurora, Elizabeth White and Heba Shahaed all noted the importance of listening to the youth and implementing those changes and directions that they were most interested in.

Both students were also adamant

about the need for better higher education opportunities in rural settings. With most of the colleges and universities being located in large urban areas, students have to leave home to finish schooling and then do not necessarily want to return to their rural roots.

Better opportunities closer to home would help to counteract this drain.

One of the final points, to be raised, was the high cost of living, even in rural areas.

It was thought that the very definition of affordable was too high and that this alone made choosing a rural lifestyle less desirable. With all of the opportunities and sources of leisure activities, available in the cities and urban areas, why stay in a rural community that costs as much as the city?

A final suggestion from the Minister, was that perhaps the province needs to re-visit moving provincial government jobs to less populated areas again, thus stimulating rural economies and providing employment incentives to relocating in our rural communities.

KC seniors' centre hosts annual BBQ

Annual Summer BBQ

Our annual BBQ, always a popular event, is set for next Friday, June 17 at 4 p.m. at the Centre. Tickets are \$10 for adults and \$5 for children. Everyone is welcome to come out and enjoy the party, which will include hamburgers, hot dogs and salads.

For tickets or information, call Vince Cancelli at 906-833-6305.

Travel Club News

For all travel information, or to book a seat, call Jane Hepworth at 905-833-5870.

"It Runs in the Family" – Wednesday, July 27.

This trip includes a step-on guided tour through beautiful Mennonite countryside as we learn about the Mennonite way of life. For lunch, we'll enjoy a wonderful family style buffet including soup, salad bar and dessert, at the Crossroads Family Restaurant, a favourite stop with our Travel Club regulars. Then it's off to the Drayton Festival Theatre to see a production of "It Runs in the Family."

It's a wild and wacky farce about a doctor whose little white lies about his indiscreet past (a son from a secret fling) turn into whoppers as he tries to salvage his reputation. Frantic, funny and completely outrageous, this rib-tickler proves, once and for all, that laughter is the best medicine.

The cost is \$110 per person.

'Yoga in the parking lot' fundraiser this Friday

Schomberg Should Know

Schomberg Farmers' Market

Our Schomberg Farmers' Market is in full swing for another fruitful season with the following dates planned for market at the Trisan Centre:

June 18; July 2, 16 and 30; August 13 and 27; September 10 and 24 and finally October 8.

Schomberg Farmers' Market is currently accepting application for vendors. Please email them at schombergfarmersmarket@gmail.com

Your fruits, vegetables, baking, crafts, maple syrup and honey may well all be looking for new homes!

Yoga in the Parking Lot

Country Zen Yoga on Highway 27 is hosting "Yoga in the Parking Lot" this Friday. This is a free event for our community put on by us and lululemon athletica in efforts to raise money for the Schomberg Community Farm.

The event will be held at 7:30 p.m.

this Friday, June 17, one of the longest days of the year. A yoga class at sunset followed by live music, food and drink.

Horticultural Society Garden Tour

The Schomberg Horticultural Society invites you to their annual Garden Tour on June 26 from 10 a.m. to 4 p.m. This self-guided driving tour show cases eight very diverse gardens in and around Schomberg in our picturesque King Township.

The gardens range from large estate gardens, rarely open to the public to small in town gardens, one of which features a vertical vegetable growing contraption. Never on tour before is a dog rescue & horse sanctuary with Muskoka type landscape and plantings.

Tickets are for sale at 9:45 on tour day at 325 Main Street in Schomberg. Tickets are \$10, no dogs allowed. For more information please contact Barb Niemeyer at niemeyerkbn@aol.com or 905-939-2216.

Guest Speaker

The Schomberg Horticultural Society's last meeting before the summer break will feature another special guest speaker, Malcolm Geast, who will be speaking about "The Wonder of Insects in the Garden." He has over 8,000 photos of insects, but he will NOT be showing them all.

Malcolm takes the viewpoint that insects are not to be feared or disliked, but should be enjoyed as much as the plants in the garden. Malcolm also has the distinction of being the Ontario Horticultural Association's Archivist and will, as a special treat, share a copy of the original article of our Society's founding 81 years ago.

Guests are welcome to join us for the evening for a nominal charge, chat with the speaker, and stay for refreshments afterwards. Join us on Tuesday, June 28, at 7:30 p.m. in the Schomberg Community Hall, 325 Main St. Meetings are held on the fourth Tuesday of the month from March to June and September to October. Individual membership

is \$15 per year and the family rate is \$20.

York Pines United Church

Upcoming events, to which the public is most welcome, include the following:

- First Nations' Sunday: Mr. Brian Charles of Hawkestone, whose association is with the Chipewas of Georgina Island, will speak on Sunday, June 19. This will be the ninth year that a First Nations' individual has contributed to the 10:30 a.m. worship service. The goal is to understand better First Nations' issues and draw closer to First Nations' peoples.

- On Wednesday, June 22 from 5 to 7 p.m., you can enjoy your dinner by attending the Strawberry Supper. The menu is ham and potato salad and green salad and for dessert, strawberries served with cupcakes. Ticket prices are \$15 for an adult ticket and \$5 for a child's, aged five to 12. Those under five eat free. Funds raised assist the United Church Women with their various benevolences.

Atheletes help make track history at CDS

By Denise Steadman
& Geneva Winterink
CDS Track & Field Coaches

This was an exceptional year for our senior track team as many PBs (personal bests) were set and the most ever school records were broken in one season.

The CISAA Championships were held over two days in Oshawa. The results were outstanding as most athletes set new PBs in at least one of their events and six school records were broken. The junior girls' team placed 2nd overall which is an incredible feat considering there were only five girls on the team!

From the CISAA Championships, 10 athletes qualified for the Metro Championships in 16 different events. The top four in each event would then continue on to the Provincial Championships (OFSAA).

CDS was very well represented, as each athlete put forth their best effort. David Di Paola (Grade 12) finished his last high school race by running a PB in the 110mH. Alessia Masini (Grade 9) and Alessia Pizzimenti (Grade 10)

were so close to qualifying for OFSAA, placing 5th in their events. A total of six records were broken at the Metro Championships by Raelle Falkenberg (Grade 9) in the MG 100m, Wilson O'Neill (Grade 9) in the MB 100mH and 300mH, Alessia Pizzimenti in the JG 3,000m, Jane Stanton (Grade 10) in the JG 200m and by the Junior Girls 4x100m relay team of Kendall Langston (Grade 10), Raelle Falkenberg, Jessica Faieilla (Grade 10) and Jane Stanton. Overall, the team had a fantastic two days at Metros!

OFSAA Championships

After further qualifications were met, on June 3, Jane Stanton and Wilson O'Neill headed to Windsor, Ontario for the OFSAA Track & Field Championships. CDS has a rich history of athletes competing at the OFSAA Championships in a variety of track and field events and athletes have always represented CDS well, as some jumped, ran or threw PBs.

Competing at OFSAA is an experience of a lifetime, as Jane and Wilson were among the top 24 athletes in Ontario in their events. Jane finished her last race of the season by setting a new PB, placing 12th overall in the 80m hurdles. This is an amazing accomplishment!

The last track and field athlete to win a medal at the OFSAA Championships was Ruthann Gairdner '00 in June 2000. Ruthann won the Gold medal in the 400m hurdles and went on to run for RICE University in Texas.

This year, Wilson O'Neill not only set new PBs and school records, but he did what no other CDS male track athlete has ever accomplished before – he won an OFSAA medal. It was very exciting to watch Wilson blossom into a hurdler at OFSAA as he was able to cruise to the finals in both the sprint and intermediate hurdles.

Wilson came to OFSAA as an unknown, but left quite an impression on his competitors, other coaches, and even the announcers. He made CDS history as the first male to win not just one, but two medals at OFSAA, placing 3rd in both the 100m hurdles and the 300m hurdles.

The track stars at Country Day School performed well recently and Wilson O'Neill (bottom, left) won bronze at OFSAA, a first for Country Day School.

Photos by Denise Steadman

The public had a chance to ride for free at Spray Lake Watersports and Activity Centre's Ranch Wake Park at Sunday's open house, the only one of its kind in the GTA.

Spray Lake a wakeboarder's paradise

By Jake Courtepatte

Calling all wakeboarders/skaters: Southern Ontario's premier cable wakepark is once again open for business.

The Ranch Wakepark, part of Spray Lake Watersports and Activities Centre in King, gave the public a chance to try the convenience of boat-less wakeboarding for free at the Centre's annual open house.

"It was a disappointing day due to the weather, but we made the most of it," said Adam Noyek, one of the founding partners at Spray Lake. "It seems as though everyone that was there had fun."

Riders of all ages tested the ramps, rails, and boxes of the park, open for its sixth season. The Ranch uses what they call the "Backyard System," a straight-line cable running off two towers from one end of the park to the other. Once the rider reaches the end of the line, the cable reverses and heads back to the start dock, making for a continuous run for the rider.

The park plays host this weekend to the Roots Wakeboard tournament, what Noyek describes as a "grassroots" event. The first stop of the Roots Wake Series every year, hundreds of spectators converge upon Spray Lake to showcase the best wake riding Ontario has to offer.

Aside from special events, the Wake Park is open seven days a week from June through August, 10 a.m. to 8 p.m. More info and pricing can be found at www.theranchwakepark.com.

Summer camps teach more than just soccer

The Royal City Soccer Club, a registered non-profit, is excited to announce the 24th year of hosting Canada's #1 grassroots summer soccer day camps.

The camp program is uniquely designed to promote personal development, team building and of course, have fun playing soccer. With a soccer focus in the morning and a supervised leisure swim with other organized camp activities in the afternoons, all boys and girls between the ages of 5 and 13 are encouraged to join.

This summer, Royal City Soccer Club will host camps during July and August in Vaughan, Thornhill, Richmond Hill, Markham, Aurora and Newmarket.

The benefits of soccer camp for kids might seem obvious – healthy, physical activity. But at Royal City Soccer Club, soccer camp is so much more. Boys and girls will learn life skills which extend far beyond the one or two weeks of their camp session. Campers learn leadership and team skills while gaining self-confidence that doesn't come easily in some environments.

You don't have to be a great soccer player and often, you don't need any soccer experience at all to attend a soccer camp. Campers can register for full day, morning and afternoon sessions with supervised early drop off and late pickup options at no extra cost.

The Royal City Soccer Club is a registered non-profit community organization established to operate unique summer soccer day camps. Having hosted over 300,000 boys and girls between 5 and 13 years old in over 100 locations across Canada, Royal City Soccer Club operates the #1 grassroots soccer camp in the country.

To learn more about our program, please visit www.royalsoccer.com.

Eric Lamaze selects Fine Lady 5 as Olympic mount

Olympic Show Jumping Champion Eric Lamaze of Schomberg, has selected Fine Lady 5 as his mount for the 2016 Olympic Games in Rio de Janeiro, Brazil.

Lamaze was considering three horses for the upcoming Olympic Games, all owned by Andy and Carlene Ziegler's Artisan Farms in partnership with Lamaze's Torrey Pines Stable. His 2015 Pan American Games team gold medal partner, Coco Bongo, and Check Picobello Z were also in contention but, following the opening week of competition at the CSI5* Spruce Meadows National tournament in Calgary, Lamaze has made his choice.

"She is the most reliable, experienced horse that I have," said Lamaze, of the 13-year-old bay Hanoverian mare (Forsyth x Drosselklang II). "Every time I have asked her to step up and do a big class, she has always done it easily."

Lamaze and Fine Lady 5 placed fourth place in the \$85,000 1.55m Bantrel Cup on opening day at the Spruce Meadows National tournament on June 8. In Saturday's feature event, Lamaze and Fine Lady 5 were on form, easily jumping two clear rounds to take second in the \$500,000 RBC Grand Prix, presented by Rolex.

"Ever since the Rolex Grand Prix in Geneva when she jumped double clear in one of the biggest grand prix events in the world, I have thought she could be my Olympic horse," said Lamaze, 48, of their third place performance in the €1,110,000 1.60m Rolex Grand Prix at CSI5* Geneva, Switzerland, last Dec. 13. "I talked to (chef d'equipe) Mark Laskin then about her being the horse for Rio, and today's performance confirms what my thoughts were in

December. She proved she is the right horse for the job."

Only four days into the four-week Spruce Meadows Summer Series, Lamaze has dominated the results. Having placed second in two different events last Wednesday, Lamaze scored victory in the \$35,000 1.50m ATCO Cup on Thursday, June 9, riding Melody des Hayettes Z and also placed third in the \$35,000 1.55m ATB Financial Cup with Check Picobello Z. Last Friday night, Lamaze finished runner-up in the \$35,000 1.50m RBC Markets Cup riding Chacco Kid, owned by Lamaze, Rick and Sara Mershad, Ludi and Carol Sollak, and Andy and Carlene Ziegler.

By Saturday, Lamaze was once again leading the victory gallop, this time with Rosana du Park. The pair beat out fellow Canadian and Artisan Farms rider Tiffany Foster aboard Brighton in the \$60,000 TransCanada Winning Round.

Lamaze will continue to bring Fine Lady 5 into Olympic form throughout the Spruce Meadows Summer Series, running through to July 10. The pair last competed in Calgary at the 2015 CSIO5* Spruce Meadows Masters Tournament in September where they won the \$35,000 1.50m ATCO Cup, placed second in the \$35,000 1.50m TELUS Cup, and were members of the third-placed Canadian Team in the \$300,000 BMO Nations' Cup.

Last month at CSIO5* La Baule, France, Lamaze and Fine Lady 5 claimed victory in the €28,000 1.50m Prix FFE as well as the €25,000 1.50m Prix S.C.H. La Baule - Cap Atlantique.

For more information on Eric Lamaze, visit www.EricLamaze.com.

Moraine Adventure Relay marks anniversary in style

The Moraine Adventure Relay marked its 10th anniversary this weekend with a splash.

The 160-kilometre trek is the biggest race of its kind in Ontario, and this year attracted almost 400 racers in 29 teams.

The first stage has canoeists paddle across Rice Lake. The remaining 13 stages consist of cycling or running across the Moraine from the Ganaraska Forest to King City. The finish line used to be at Seneca College, King Campus, but with the college in the midst of extensive construction, the Finish Line was moved further down Dufferin to the Country Day School.

The TRCA Racers, Adventure Relay champions for the past several years, had one of their best performances ever, crossing the finish line at 5:19 pm, over an hour ahead of their nearest rivals, the DMBA Trail Blazers. In fact, the TRCA Racers established a new record for their first stage paddling across Rice Lake.

Besides the elite racers, there are two other team categories: recreational and corporate. Most teams are recreational, and the winner of this category was Hot Peppers.

Three corporate teams competed this year: Mazda Canada, Cole Engineering Group Ltd., and Mercedes-Benz Canada. Mazda won the corporate category award this year.

One of the most enthusiastic teams last year was "Team Chinada," comprised of Chinese Canadians. This year, two Chinese Canadian teams registered - Team Chinada and T2. They collaborated closely and stayed close together during the race. In fact both these teams left the second last checkpoint, Sheppard's Bush in Aurora, at the same time, 7:13 p.m. and they arrived at the finish line at the Country Day School within 4 minutes of each other! T2 crossed the finish line at 8:01 p.m. and Team Chinada crossed at 8:05 p.m. All their team members and fans were there to give them a rousing welcome. It was an exciting highlight of the race!

All teams did well, with the last two teams coming in much earlier than last teams often do at the relay. Usual-

ly, finish line volunteers are burning the midnight oil waiting for the last

ones to arrive, but this year the second last, "Lost ... But Not Last" came in at 11:10 p.m. and the last team, "Again With The Awesome Squad!?" came in at 11:15 p.m. This allowed the volunteers to clean up and leave before midnight.

It was a wonderfully sunny day. Fortunately, the forecast thunderstorms did not materialize, which was a very good thing as the race would have been suspended temporarily if lightning occurred. All in all, it was a very good Relay this year.

Adventure relay winners were Team TRCA Racers (top), Team Mazda (middle) and cheers all around for Team Chinada (above).

Nobleton United welcomes guest speaker

Nobleton Notes

By Angie Maccarone
905-859-5174

St. Paul's Church

The Youth Group meets on Wednesday evenings from 7 to 9 p.m. Check here for details or contact our Youth Leader Taylor Scott at scottie_tay@yahoo.ca or 289-338-2539.

A2J is a program for kids in Grades 3 to 6. It will resume in September.

The King Township Food Bank will be open at the church Saturday, June 18, from 9 to 11 a.m.

Join us Sunday, June 19 at 10 a.m. as Jeff will deliver his message entitled "Judge Not?"

Child care (for children 3 years of age and younger) is provided during the gathering. Our Summer KidzKonection and NextStep Program (for children ages 4 to 11) will start next Sunday, June 19.

Taylor Scott has begun a program for the youth following the worship gathering. It is called 4:12 Unplugged. It is a chance for teens to hang out, have a drink and ask tough questions about God and to talk about the sermon message. A fun, laid back way to get connected in the church.

On Tuesday, June 21 at 1 p.m., the Ladies Who Serve group will meet for an afternoon of knitting at the church. Please come join them.

Our Spring Sing, led by our music director Paul Mason, takes place Sunday, June 12 at 6:30 p.m. Donations to the Fort McMurray Relief Effort may be made at this event. Come join us as we praise God together.

Our website is now set up to receive donations towards the Fort McMurray Relief Effort. Go to www.stpaulsnobleton.ca and click the "Donate" button. All online donations will be giving to this cause.

Jeff has a blog and he records his weekly messages there after worship each Sunday. Anyone interested in listening to his messages can go to www.passionatelyhis.com to hear them.

For more information about any of our activities or events, please contact

the church office at 905-859-0843 or visit our website at www.stpaulsnobleton.ca

Nobleton United Church By Nancy Hopkinson

On Sunday June 19 at 11:15 a.m., our guest speaker is Kathy Dakin. Kathy will also do the service on June 26. Kathy is a retired elementary school teacher who grew up at Emmanuel United Church in Bramalea. She is currently Chair of Congregational Life at Emmanuel, sings and plays guitar in an alternative choir and is an active UCW member. In the community, Kathy volunteers at Regeneration and serves breakfast once a week to their guests. She has been a member of PCS Singers (Peel Choral Society) for almost 20 years. Kathy has been doing a couple of services at Emmanuel each year for maybe the last five or more years. She filled in at King City within the last year.

In the summer, we join with Schomberg United.

Throughout July, our joint services will be in Schomberg. During the first

3 weeks of July, we will have a husband and wife ministerial team. Keith Knill will give a message on July 3; Marjorie Knill will do July 10; Keith will give a message on July 17 and Marjorie will do the Sacrament of Baptism. All of these services will be at St. Mary Magdalene Church's building at 161 Church St., Schomberg at 9:30 a.m.

On Sunday July 24, there will be a congregational picnic at Jack and Kim Campbell's, on the 18th Sideroad. Phone 905-939-2992 for the exact directions. We will gather at 11 a.m., sing songs, have a short message, and lunch at 11:30 a.m. Bring a salad or dessert. The BBQ and drinks will be supplied. There are walks that you can take and/or have a swim in the pool.

On Sunday, July 31, the joint service is at the Kitchen Breendon Manor in Schomberg at 9:30 a.m. Our guest is Sandra Kirby from King City.

Throughout August, the joint services will be at Nobleton United at 11:15 a.m. Various church members will be leading interactive services.

See 'Nobleton' on Page 21

Church celebrates Love's 90th birthday

King's Corners

**King City United
By Earle Laycock**

Rev. Evelyn McLachlan spoke about how many of us may feel worn down by life, beaten up and not whole. She said that we all feel broken at times but that doesn't mean that we should be discarded and put on the garbage heap.

Rev. Vance Havner wrote these words: "God uses broken things. It takes broken soil to produce a crop, broken clouds to give rain, broken grains to give bread, broken bread to give strength."

Rev. Evelyn asked, "How will God use your broken life, my broken life, this congregation's broken life?"

Concluding worship, a special luncheon celebrated Gloria Love's 90th birthday. Family and friends greeted Gloria with many stories, a song of blessing by Sandra Kirby, and plenty of food and birthday cake supplied by the United Church Women. Gloria, the eldest of five daughters, was born to Earl and Hazel Campbell and lived in King Township almost all of her 90 years.

Gloria proudly traces her life through the ministers and churches she has attended in King City. She was baptized in 1926 at the United Church then on King Road. This was one year after the

United Church of Canada was formed. Pointing to a photo of Rev. Alex Halbert, pastor from 1925-29, Gloria says "He must have held me in his arms to baptize me." Gloria was the first child baptized in King City United Church.

In 1949, Gloria Campbell married M. Raymond Love in King City United Church. The minister at that time was Rev. Martin Jenkinson. They had 8 wonderful children: Paul, Vivian, Glenn, Brian, Leslie, Jean, Janice and Heather. Gloria has 17 grandchildren and 5 great-grandchildren who are her pride and joy. Sadly, Raymond passed away on May 5, 2003.

Gloria received many congratulatory certificates from Prime Minister Trudeau, Premier Wynne, Governor General David Johnston and Mayor Steve Pellegrini. The most prized certificate might be from the Toronto Maple Leafs which read, "We will try to do better next season. Happy Birthday Gloria."

Gloria's interests are music and art work. She is a Royal family watcher as she and Queen Elizabeth II are the same age. Happy Birthday Gloria. May your second 90 years be as wonderful as your first.

We will continue our discussion of "Fishing Tips: How Curiosity Transformed a Community of Faith" on Wednesday, June 15 at 7 p.m. in the Chapel. If you are interested in the pos-

sibilities of faith in our modern world and expanding KCUC's circle of influence, please join us for a discussion even if you don't attend church.

The outdoor worship and picnic at the Kells farm is Sunday, June 19 at 10 a.m. In case of rain, we will meet at the church. If you have not been before, come out as all are welcome. Bring a lawn chair and some food for the picnic. For a ride or more information, call Nancy at the church 905-833-5181.

If you enjoy a good breakfast and spirited discussion, join us for "Tea and Talk" at the King City Sunset Grill on Friday mornings at 10 a.m. This is a good opportunity to make new friends, discuss current events or your own faith.

You are welcome to join the family of God for worship at King City United Church every Sunday at 10 a.m. For more information, contact Nancy in our office at 905-833-5181 or email kcuc@bellnet.ca

Neighbourhood Coffee praises Clearview Motors

Clearview Motors Ltd. has been in King for over half a century! Join us at our "Neighbourhood Coffee" to wish the McQuarries all the best!

It will be held Friday, June 17, from 7-9 p.m. at St. Andrew's Presbyterian Church, 13190 Keele St., King City. Best

wishes only. Call K. Patterson at 905-833-0391 to RSVP.

King Bible Church

Please join us Sunday, June 19 as Joshua Tong from Sovereign Grace Church will be our special speaker.

We have Celebration Zone available downstairs for kids aged 4-Grade 6. Each week the children in Grade 1-6 will join their parents for the beginning of the service until they are invited to go downstairs.

We ask that you sign in your child at the Celebration Zone table in the foyer when you arrive at church. We have nursery available downstairs for babies 0-3.

We also have a Student Ministries Bible Study for students in Grades 7-12 on the 2nd and 4th Sundays each month.

Get ready to dive into another amazing week of Vacation Bible School during the week of Aug. 8-12 from 9 a.m. to noon. We are starting half an hour earlier this year to allow for more fun. It's for ages JK to Grade 7. This year the kids will be going on the "deep sea discovery" where they'll explore the depths of the Bible. Call or email the church to register, info@kingbiblechurch.com.

All Saints holds parish picnic this Sunday

From Page 22

Tennis Club's kids program

King City Tennis Association's "Just for Kids" program still has openings. Wednesdays 4 to 5 p.m., ages 4-11 have fun and learn tennis at the same time. Registration at the club. Details at king-citytennis.com.

St. Andrew's By Kathy Patterson

St. Andrew's invites you to join us this Sunday! Our worship service is at 10:30 a.m. Pastor John Mills will be preaching this Father's Day Sunday and through to July 10.

We also will have the joy of witnessing three of our youth affirm their faith in Jesus, their Lord and Saviour by joining the church. The Rev. Dr. John Vissers will preside over the membership service. Following the service, all are invited to stay for our annual pre summer BBQ and join in on the fun planned by Lynn Vissers.

Ladies' Prayer time is Tuesday mornings at 9 a.m. Join us for a special time of prayer and quiet reflection knowing that the Lord is present as He promised, hearing and answering our prayers. Please inform us if you have a prayer request or a thanksgiving you'd like to share.

Art-in-the-Park continues Wednesdays. All are welcome from 3 to 5 p.m. If the weather is inclement, the participants will meet in the church. For more information about this event and what is planned for the summer for children, please speak with Lynn Vissers at the church office, 905-833-2325.

Next Thursday is The King City Lodge Visitation at 2 p.m. It's a wonderful opportunity to both be a blessing to and be blessed by the residents.

This Friday from 7 to 9 p.m., St. Andrew's lounge will be the location for the "The Neighbourhood Coffee" to honour the McQuarries! Clearview Motors was in King City for 57 years! Drop by to offer the McQuarries your best wishes. We hope to see you there. Please RSVP to Kathy Patterson.

Should you have pastoral care needs please contact Lynn Vissers, our Director of Congregational Ministries at the office: 905-833-2325. Our Interim Moderator is the Rev. Dr. Neal Mathers. He can be reached at 905-895-5512. Our church is located at 13190 Keele St., 2 blocks north of the King Rd. There is a ramp available for accessibility. Check out our website, www.standrews-kingcity.ca

All Saints Anglican Church By Diana Armitage

The Parish Picnic is this Sunday,

June 19 after the 10:30 a.m. service at Michael Burns's farm. Please bring salad or fruit, and a chair or two. There will be a bouncy castle for the children, plus all our favourite games and races. Call the church office if you have questions call 905-833-5432.

The King Township Food Bank is looking for new Back to School supplies for over 60 King students. The deadline is in two weeks on June 30. The list includes packs of HB pencils, pens, highlighters, erasers, rulers, pencil sharpeners, correction tape, soft pencil cases, hard pencil boxes, glue sticks, lined paper, graph paper, geometry sets, binders (1 and 2 inch), memory sticks, water bottles, soft sided lunch bags, ice packs and large backpacks for grades 4 to 12 are best. Questions? Please call 416-559-7898. Cash donations are eligible for a tax receipt. Please make cheques to King Township Food Bank with Back to School in the memo line. Mailing address: P.O. Box 224, Schomberg, Ontario L0G 1T0 www.kingtowshipfoodbank.ca Charitable No.R/N 84735 1608 RR0001 Thank you!

Fun in July. All Saints Day Camp runs July 25 to 29, from 9 a.m. to 3 p.m. for children 4 to 12 years old. Enjoy Bible stories, games, fantastic crafts and more, all for just \$20 for the week. Space is limited to 15 children so call soon to register: 905-833-5432 or email allsaints3@bellnet.ca

Nobleton King City Horticulture Society By Nancy Hopkinson

Our next meeting is Monday, June 27 at 8 p.m. with guest speaker Trish Symons on "How to prepare designs for showing."

Doing designs is fun, but there are tricks that we will be able to learn from Trish to make our designs even better. We meet at the Nobleton Community Hall, opposite the Nobleton Feed Mill. There is also a flower show. Please bring your flowers and/or arrangements between 6:30 p.m. and 7:15 p.m. The exhibits need to be in position before 7:30 pm when the judging takes place. Novices are judged separately from the more experienced people.

Visit our website www.altflora.com/nobleton/ (under the June meeting info) to see the photo of Blair Day being presented with the 2015 Horticulture Service Certificate and to see May's Best In Show design of "May Repose" by Lucille King and May's Best in Show Cultural exhibit of an iris grown by Kathy Ball.

This year we are inviting members to one of our member's gardens each month, in addition to our regular meeting. On June 22, members only are invited to Barb Downey's garden. King City's Blair Day has also extended an invitation to members.
