These are just some of the artists that visitors can see during the annual Schomberg Street Gallery this Sunday.

## Schomberg Street Gallery returns for 8th year

Schomberg will transform into a vibrant art scene as the renowned Schomberg Street Gallery returns for its 8th year this Sunday, Sept. 11.

This pedestrian friendly show is a must-see event. The outdoor gallery winds its way down Main Street, featuring works from 40 local and regional artists. There will be some new talent and some familiar faces, too.

This is a perfect opportunity to meet the artists. Find the perfect piece, for yourself or as a gift for someone special. Traditional or contemporary, whatever your preference, there is bound to be something that catches your eye. Whether it's an original painting to complement your home décor, a unique sculpture, a fine grained wooden bowl, a piece of statement jewellery or a pottery item that will be lovingly used every day, there is something for everyone.

If you need refreshments, the Schomberg Lions will be serving their traditional fare at the Community Hall, or you can check out the local eating establishments.

The gallery runs 10 a.m. to 5 p.m. Sunday, Sept. 11.

For more, contact [tom.wray@rogers.com](mailto:tom.wray@rogers.com) 905-939-8064 or visit <http://schomberg-streetgallery.ca>

**PUBLIC NOTICES**

**NOTICE OF PUBLIC MEETING**

**PROPOSED ZONING BY-LAW AMENDMENT**

**RE: 4235 and 4355 17th Sideroad, King, ON: File Number Z-2016-13**

The public are invited to attend a public meeting to be held by the Council of the Corporation of the Township of King on:

**MONDAY, SEPTEMBER 26TH, 2016 AT 6:00 P.M.**

at the Township of King Council Chambers at 2075 King Road, King City, to receive information and provide comments on a proposed Zoning By-law Amendment, submitted under Section 34(15) of the *Planning Act*, R.S.O. 1990, Chapter P.13.

**PROPOSED CHANGES**

The application concerns two parcels of land located on the south side of 17th Sideroad, east of 7th Concession. The subject lands are identified as 4235 & 4355 17th Sideroad and measure 22.7 hectares (56.1 acres) and 27.0 hectares (66.7 acres), respectively. The properties are mostly covered by dense deciduous forest forming part of the Happy Valley Forest Reserve. The property at 4235 17th Sideroad also supports two detached residential dwellings and three accessory structures.

The intent of the zoning amendment application is to facilitate a conveyance of 10.52 hectares (26.0 acres) of land from 4235 17th Sideroad to the property at 4355 17th Sideroad for natural heritage conservation purposes. The amendment seeks to sterilize the proposed severed lands for building purposes by restricting the range of permitted uses to those which are consistent with conservation purposes. In addition, 0.88 hectares (2.2 acres) are proposed to be conveyed from 4355 17th Sideroad to the property at 4235 17th Sideroad for continued residential purposes. The amendment further proposes to sterilize the remainder of the lands located at 4355 17th Sideroad by restricting the range of permitted uses to those which are consistent with conservation purposes.

**APPEAL PROCEDURE**

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the proposed zoning by-law amendment is passed, the person or public body is not entitled to appeal the decision of Council of the Township of King to the Ontario Municipal Board.

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the proposed zoning by-law amendment is adopted, and the By-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to add the person or public body as a party.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed zoning by-law amendment.

**HOW TO STAY INFORMED**

If you wish to be notified of the passing of the proposed Zoning By-law Amendment, you must make a written request to the Clerk of the Township of King, 2075 King Road, King City, ON, L7B 1A1.

**ADDITIONAL INFORMATION**

The proposed Zoning By-law Amendment, including the proposed Draft Zoning By-law for the site, are available to the public at the Township Office between the hours of 8:30 a.m. and 4:30 p.m., or telephone inquiries may be directed to the Planning Department quoting File Number Z-2016-13, at (905) 833-5321.

**DATED AT THE TOWNSHIP OF KING THIS 2nd DAY OF SEPTEMBER, 2016.**

Kathryn Moyle  
Director of Clerks /  
By-law Enforcement  
Township Clerk

*Comments and personal information (PI) are being collected in accordance with the requirements of the Planning Act, R.S.O. 1990 c.P.13 as amended, and become part of the decision making process of the application as noted on this form, also become part of the public record. Should you have any questions or concerns with regard to the collection of personal information (PI), please contact the Planning Department, Township of King at (905) 833-5321.*

**NOTICE OF PASSING OF A ZONING BY-LAW AMENDMENT BY  
THE CORPORATION OF THE TOWNSHIP OF KING**

2585 King Road, King City, ON

**TAKE NOTICE** that the Council of the Corporation of the Township of King passed By-law Number 2016-81 on the 29th day of August, 2016 under Section 34 of the *Planning Act*, R.S.O. 1990, Chapter P.13.

An explanation of the purpose and effect of the By-law and a key map showing the location of the lands affected by the By-law are available on our website at [www.king.ca](http://www.king.ca).

**AND TAKE NOTICE** that any person or agency may appeal to the Ontario Municipal Board in respect of the by-law by filing with the Clerk of the Corporation of the Township of King not later than the **22nd day of September, 2016** a notice of appeal setting out the objection to the by-law and the reasons in support of the objection, together with 1 cheque in the amount of \$300.00 (certified cheque or money order only) payable to the Minister of Finance to cover the Ontario Municipal Board fee, and a cheque for \$205.50 representing the Clerk's Department Administrative processing fee, payable to the Township of King. Should this date fall on a holiday or weekend, you will have until 4:30 p.m. of the next business day to file your appeal. If you wish to appeal to the Ontario Municipal Board, a copy of an appeal form is available from the Ontario Municipal Board website at [www.omb.gov.on.ca](http://www.omb.gov.on.ca) or from the Clerk of the Township of King. Please note the Board will only accept filing fee payments by **certified cheque or money order**.

Only individuals, corporations and public bodies may appeal a by-law to the Ontario Municipal Board. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or the group on its behalf.

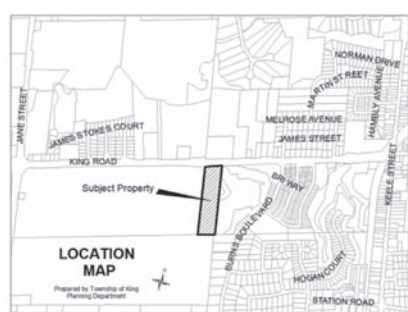

No person or public body shall be added as a party to the hearing of the appeal unless, before the by-law was passed, the person or public body made oral submissions at a public meeting or written submissions to the council or, in the opinion of the Ontario Municipal Board, there are reasonable grounds to add the person or public body as a party.

By-law number 2016-81 amends the permissions of the Institutional (I) zone to include office uses for public and non-profit purposes as permitted uses. In addition, the by-law amends the parking provisions of the by-law regarding parking stall size and parking requirements. Furthermore, the by-law re-zones the environmentally sensitive areas and related buffers outside of the existing development area from Institutional (I) to Environmental Protection (EP) in accordance Environmental policies of the King City Community Plan.

Comments received and considered in preparation of the final Zoning By-law included the need to define the limits of the applicable zones in terms that the public can understand and that would be consistent with the policies of the King City Community Plan. A detailed zoning schedule was prepared based on survey information and the environmental buffers and the existing development area were used to detail the zone boundaries.

**DATED** at the Township of King this 2nd day of September, 2016.

Kathryn Moyle,  
Director of Clerks and  
By-Law Enforcement  
Township Clerk  
Email: [kmoyle@king.ca](mailto:kmoyle@king.ca)

**King conducting safety blitz in school zones**

Slow down, keep your head up and obey the rules of the road.

These three simple actions are something King Township is asking motorists to keep in mind as students head back to school.

And to back up that message, King will be sending bylaw enforcement officers out on a safety blitz in school zones starting this week.

"Motorists need to adjust to an increase in traffic as people return to work from vacation and students return to school after the summer break," said King Township Mayor Steve Pellegrini. "Be mindful of school busses and children walking or biking to school. Trying to shave a couple of minutes off your trip by speeding or passing busses with lights flashing is not worth the risk."

Speeding, distracted and impaired driving are three entirely preventable behaviours, said Pellegrini.

"Slow down, put your phone down and concentrate on driving," Pellegrini said.

Here are some safety tips:

- Leave early to avoid rushing and disobeying the rules of the road.
- Stop when a bus has its arm extended and lights flashing. Do not proceed until the lights are turned off.
- Slow down in school zones and keep an eye out for children.
- Do not park in bus loading/unloading zones, even if you're only going to be a couple of minutes dropping off a child.
- Avoid three-point turns and U-turns in school zones.
- Obey crossing guards and signage.
- Don't park in prohibited areas posted by sign.
- Don't park in fire routes and designated disabled parking spaces.
- Don't stop in a "no stopping" area posted by sign.

"Everyone behind the wheel shares in the responsibility of making sure we all get to and from our destinations safely," said Pellegrini.

# Zoning change first step in sale of current municipal office property

By Mark Pavilons

A change in zoning is the first step in preparing the current municipal office site for sale.

With the construction of the new municipal centre under way, King will sell its current home – the strip plaza on King Road and Banner Lane. To help facilitate the sale, and provide options in keeping with the King City Community Plan, council gave staff the go-ahead to look into rezoning the property.

The 2.5-acre property with some 125 metres of frontage on King Road, is currently a mixed use commercial building.

The application will rezone the lands from Shopping Centre Commercial (C4) to a new “Core Area (King City) CA-KC” zone, to permit a variety of uses, including multi-unit residential. It also provides site-specific provisions for parking, building requirements, waste storage, setbacks, etc.

While the fire hall is part of the parcel, it’s not included in these zoning changes.

This property was originally a commercial plaza in the 1970s and the Township bought it in 1999, converting several units to the current municipal offices. The fire hall was built in 2001.

The Township became aware of a problem in 2012 of fuel oil (hydrocarbon) contamination on the lands. Measures were taken to reveal the extent of the problem. Remediation and monitoring was also carried out. The problem still persists, and the Ministry of the Environment has advised that the best way to fully remediate the site is through demolition and a total rebuild.

Planning director Stephen Kitchen did stress the contamination is confined to a portion of the property, and it has not leached beyond the site.

The Provincial Policy Statement and local plans do support intensification in this area, and it has been identified by

the Township as a site for residential intensification.

The property is deemed Core Area in the King City Community Plan, which recognizes such places as a focal point for commercial, residential and community uses.

The Core Area does provide guidelines for new development, which includes a three-storey height limit and maximum floor area. It also stresses the aesthetics should be in keeping with the character of the community.

“Maintaining and strengthening of the Core Area as a focal point in the community is a key objective of the King City Community Plan,” according to the planning report. “The Plan identifies objectives to foster the economic health of existing and new businesses; provide choice in terms of secure, adequate and affording housing types; and encourages development at a pedestrian scale and orientation.”

The current bylaw establishes minimum acceptable standards. Specific details of the site (design elements, parking, etc.) will come later on, during a subsequent site plan application process.

Resident Bruce Craig praised the potential of the site, noting it’s an ideal location to reflect the principles of the community plan. The changes for the site will “provide an opportunity for alternative residential forms.”

Anne Raney echoed Craig’s sentiments, noting she hopes to see housing options appear.

A Banner Lane resident said he’s worried that parking will be expanded at the rear of the property. Mayor Steve Pellegrini pointed out this is only the very preliminary stage in the property’s evolution and those details will come later on.

Councillor Debbie Schaefer also shares the hope for more residential options, perhaps suited to seniors.

*"Public opinion shapes our destinies and guides the progress of human affairs"*

~ Frank B. Kellogg

## We should demand much better utility rates

It's no secret the cost of living in this wonderful, free society continues to grow exponentially.

This huge party balloon that is our bloated governance and all of its trappings, is one or two good blows away from exploding in our collective faces. I don't want to be responsible for cleaning up this rubbery, spit-covered mess. And I sure don't want my kids to be charged with keeping the Shop Vac handy.

Governments have always been notoriously loose with the purse strings. Politicians merely accept the dire words of treasurers and financial officers, and approve massive budgets with massive increases, year after year.

This trend cannot continue, for the simple reason that we will one day be unable to pay for it all. The economies of countries that have spiralled into bankruptcy have suffered from the same illness - borrowing and spending to the point of exhaustion.

We in the relatively successful west continue merrily along, thinking all is well. We have a great society and atmosphere here in Canada. Our economy is relatively strong, jobs are good and tourism is high.

But beneath our tailored suits and expensive running shoes lurks a shadow - the shadow of crushing debt and rising costs. Most of us think our government is immune from those typical price increases that impact average homeowners like you and I. We are fully aware of increases to our utilities - hydro and natural gas. We are keenly aware of the price of gas at the pumps, as we commute to work each day. We feel the pinch when our water and sewer rates rise, and as we open our tax bills every year.

We know how expensive groceries are and what it costs to outfit our teenagers for school, or send them to university.

We often think our politicians and decision-makers live in a bubble or have that ivory-tower mentality that makes them immune to the pressures of the

Mark Pavilons

real world.

While this may be true in some cases, our governments are also being held hostage by those corporate, profit-driven gougers.

King Township, like its homeowners, is struggling with massive increases in electricity rates, thanks to OPG and Hydro One. With a monopoly on power, they charge at will. I guess they have their own mandate to follow - making money.

To average homeowners, these costs are noticeable and becoming burdensome. For large companies and municipalities, their electricity bills are massive. So even a modest increase will severely impact the bottom line.

King staff are looking at ways to offset the 8% to 12% increase in electricity rates. They are also trying to nudge Enbridge to extend its service, once the existing contract expires in 2017. But it seems we have little choice and have to deal with, and accept the terms set out by these giant utilities.

Ontarians "enjoy" the highest hydro rates in North America and successive

provincial governments are all to blame.

Hydro One has spent roughly \$500 million acquiring local distribution companies between 1999 and 2004. This money could have been better spent on improving the grid or paying down the debt. After years of struggling with this giant, the Province has sold most of its shares in Hydro One, reinvesting this money, they say, in infrastructure. Ontario has dedicated \$3.2 billion from the sale of Hydro One shares in 2015 to the Trillium Trust, a fund for infrastructure projects that will help create jobs and strengthen the economy.

Ontario is "on track to generate approximately \$9 billion in gross proceeds and other revenue benefits from broadening the ownership of Hydro One, while remaining the largest single shareholder. Taxpayers continue to benefit from dividends in the company ..."

What dividends? The bonus of getting shafted year after year? Oh, I feel so much better.

"Maximizing the value of provincial assets is part of the government's economic plan to build Ontario up and deliver on its number-one priority to grow the economy and create jobs."

If you read between the lines, this means the province is so strapped for cash they have to start selling off everything they own to stay afloat. Again, not very reassuring.

And yet, I can't help but think there's an easy solution to all of this.

As "judge, jury and prosecutor," we the citizens, and our elected government

officials, make the rules. We decide our future. If that's a given, then we should also put our collective feet down and set some very hard rules.

We "own" part of Hydro One, so therefore, we should demand that rates be frozen and governments themselves pay a reduced rate, as should hospitals, fire halls, police stations, schools ...

We should set the same conditions on Enbridge, lowering rates to government buildings and facilities. And while we're at it, we must demand a reduced price at the pumps from the oil giants, to fill our government vehicles.

I say we create a "Black Book for Providers" for those who supply our governments. In it, we set the rates and conditions of these "contracts." Take it or leave it. Don't want to play? Then go elsewhere, and lose your government rebates and tax incentives.

Sure, we live in a free market economy, but what's wrong with some good, old-fashioned bargaining? Our various levels of government are likely among the biggest consumers of electricity and gas, so telling the monopolies to make a deal is only fair.

We have to totally revisit the way we think and the way we do business. We can't merely accept things "because that's how they are." We can't keep paying a premium on everything.

We cannot let ourselves be hog-tied by the utilities, who make huge profits on the backs of taxpayers.

What say you all? Keep those pitchforks handy!

### Comment

## 'Reckless' cap-and-trade scheme

"The Wynne Liberals are doubling down on their cap-and-trade scheme after signing an agreement with Mexico that could see Ontario businesses buying Mexican carbon credits in the future," said Ontario PC Environment and Cap-and-Trade Critic Lisa Thompson, following the Joint Climate Change Declaration that was signed in Guadalajara.

This, she said, comes after Quebec and California fell well short in meeting their revenue expectations from their cap-and-trade schemes in last week's auction. Now it appears that the Liberals are scrambling to add new partners.

As it stands, the Wynne Liberal's cap-and-trade scheme will already see an estimated \$300 million flow from Ontario to California by 2020, and that number is expected to rise to \$3 billion by 2030.

Now the Wynne Liberals have entered into an agreement with Mexico. The Ontario PC Party believes that working with businesses to address climate change issues, through innovation and conservation, rather than by forcing them to send money to Mexico, is the best way forward.

"Bringing on additional international partners to her cap-and-trade-scheme, before it has even started, exposes Ontarians to long-term risks that we just can't afford. Ontario lost 36,000 jobs last month; we are asking the Premier to focus on Ontario's immediate issues, like affordable electricity. Instead she is finding ways to send our money abroad through her reckless cap-and-trade scheme," she concluded.

## Report reveals developers are exploiting a loophole in legislation

In Ontario, current Growth Plan legislation requires that developers “plan to achieve” density and intensification targets in order to increase the mix of housing types and direct growth away from prime farmland and sensitive natural areas. However, a new report by former Waterloo Region Director of Community Planning Kevin Eby shows that many developers prioritize low density sprawl.

While they may claim to “plan to achieve” density, many never actually build mixed use, walkable affordable neighbourhoods intended by the plan.

The report shows that the predominant approach to Land Needs Assessments – the system developers use to determine the types of houses to build – undermines Ontario’s Growth Plan requirements, disregards public transit objectives, and is poised to create a housing supply crisis in the Greater Golden Horseshoe.

Released by the Friends of the Greenbelt Foundation, the report, A Review of the Residential Land Needs Assessment Process Associated with Implementation of the Growth Plan for the Greater Golden Horseshoe, found that

### King conducting safety blitz in school zones

With students back in school, drivers need to pay special attention on King road.

Slow down, keep your head up and obey the rules of the road.

These three simple actions are something King Township is asking motorists to keep in mind as students are now back in school.

And to back up that message, King will be sending bylaw enforcement officers out on a safety blitz in school zones this week.

“Motorists need to adjust to an increase in traffic as people return to work from vacation and students return to school after the summer break,” said King Township Mayor Steve Pellegrini. “Be mindful of school busses and children walking or biking to school. Trying to shave a couple of minutes off your trip by speeding or passing busses with lights flashing is not worth the risk.”

the Land Needs Assessment System used by developers and municipalities results in:

- Failure of new sprawl developments to create higher density of population needed for investment in public transit.

- Prime farmland paved over for low density development by cities and towns.

- Cities not redeveloping and infilling lands to the degree needed to save tax dollars on building new roads, sewers and water lines.

- Cities forced to build new roads, sewers and water lines to low density developments with no money to pay for them long-term.

- Housing needed by an aging baby boomer population not being built.

“The requirements of Ontario’s Growth Plan are being gamed,” says Environmental Defence’s Erin Shapero. “Instead of following Growth Plan targets for increased density, some developers are exploiting a loophole in language and not fulfilling requirements. Developers are gobbling up more farmland than needed when Growth Plan policies indicate that cities and towns should be planned more efficiently, with more compact mixed-use developments including diverse, affordable housing options served by better public transit, resulting in walkable, transit-friendly healthy neighbourhoods.”

“Some developers are refusing to build the type of housing that an aging population will require, setting up municipalities and Ontarians for a housing crisis as boomers age and look to move out of their large suburban houses,” Shapero added. “This manipulation of the system must stop. If Ontario is serious about stopping costly sprawl in southern Ontario, the revised Growth Plan must close this loophole and freeze municipal urban boundary expansions for the next 10 years, until the next review of the Growth Plan.”

Environmental Defence is Canada’s most effective environmental action organization. We challenge, and inspire change in government, business and people to ensure a greener, healthier and prosperous life for all.

## Because sometimes you need to see it to believe it.

Seneca’s King Campus is home to a collection of heritage buildings dating back to the 1920s. The centerpiece is the majestic, six-story chateau, Eaton Hall, which was built under the direction of Lady Flora Eaton in 1939. Eaton Hall is rich in Toronto history, as it became a destination for the city’s socialites, hosting countless events throughout the 40s and 50s.

As part of King Township’s Doors Open Ontario we’re opening the doors to you. Come explore our King Campus and the historic Eaton Hall.

**Applications to Amend the Official Plan and Zoning By-Law**  
*Lot 56 and Part of Lot 55, Registered Plan 85, and  
 Part of Lot 7, Concession 3*

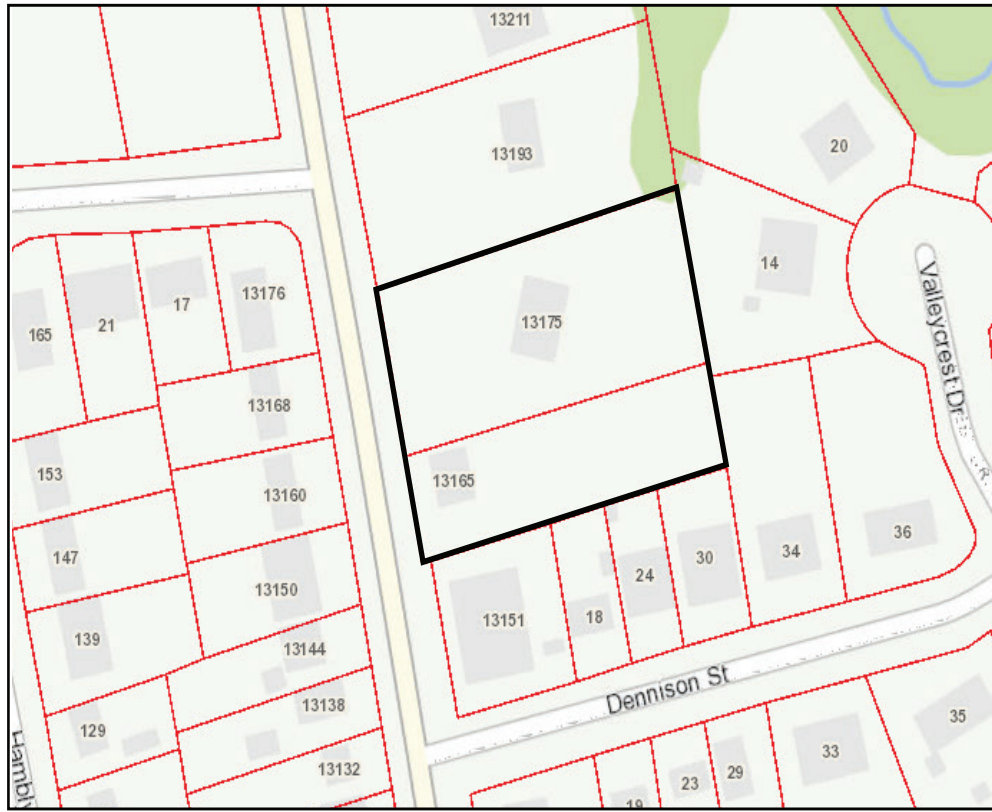

**13165, 13175 Keele Street, Township of King, Regional Municipality of York**

A Public Information Session to inform and seek input from the public is being held regarding recently applications in support of Amendments to the Official Plan and Zoning By-law. The purpose of these applications is to obtain municipal approval for a proposed Townhouse Infill Development on the east side of Keele Street, north of Dennison Ave.

The Public Information Session will be held:

**Tuesday September 13, 2016, 6:00 to 8:00 pm**  
**King City Library**  
**1970 King Road, King City Ontario, L7B 1K9**

If you are not able to attend, comments may also be provided in writing, quoting File No. OP-2016-01, and Z-2016-05 and forwarded to the Township of King Planning Department.

### Grand opening set for Nobleton's Tasca Park

The public is invited to celebrate the Sept. 10 grand opening of Tasca Park in Nobleton. You can get a first-hand glimpse at the park's features, which include a splash pad, soccer field, basketball court, first and only fully accessible playground, trails, a skate park, a tobogganing hill, and much more. Located on Parkheights Trail, Nobleton.

The grand opening will take place Saturday, from 11 a.m. to 3 p.m. Some speeches are planned by local councillors and dignitaries for roughly noon. Activities during the day include a skate board demo, 3-on-3 basketball tournament, soccer demonstration, geo-caching, live music, prizes and give-aways and Lions Club BBQ, local food vendors.

## Catholic Board welcomes over 55,000 students

As students made their way back to school on Tuesday, the York Catholic District School Board welcomed nearly 250 Kindergarten to Grade 8 students, to its newest school, Pope Francis Catholic Elementary School.

The 65,015-square-foot school is located at 15 Secord Avenue in Kleinburg. It is the first school to open in the GTA named after Pope Francis.

Pope Francis CES features 6 kindergarten classrooms specially designed for play-based learning, a music room, reflection room, and a Special Education classroom. All classrooms are equipped with smart boards, which align with the board's focus on technology. As the top energy performing school board in the province, Pope Francis CES is designed with environmentally friendly features including lighting, which is controlled by occupancy and daylight sensors, and water bottle filling stations to conserve water use. The school is designed to provide barrier free access to both floors, and signage and tactile warning devices assist the visually impaired.

"We are very pleased to provide our Kleinburg families with a Catholic school in their community, and look forward to welcoming students to our newest school..." said Carol Cotton, chair of the board. "We were delighted when the Ministry of Education granted funding

for a school in Kleinburg in 2014. Since then, our staff, together with our partners, have worked tirelessly to see this school built. As we journey through the Year of Mercy, as declared by the Holy Father, I am confident that Pope Francis CES will be a place of mercy that inspires all students to learn and grow."

Also beginning this September, St. Mark CES in Stouffville is the 15th York Catholic school to offer the French Immersion program. New Specialist High-Skills Majors (SHSM) programs in Business, and Hospitality and Tourism, will also be added this year at St. Augustine CHS in Markham, and at St. Maximilian Kolbe CHS in Aurora, respectively. A new innovation, creativity and entrepreneurship component, developed with the University of Toronto's Rotman School of Management, will be embedded into the Board's 21 SHSM programs this year, to teach students specific skills employers seek.

"We are delighted to introduce new programs for both elementary and secondary students for the 2016-2017 school year," said Patricia Preston, director of education. "Such specialized program-

ming supports our commitment to student achievement and provides our students with more meaningful learning experiences so that they can achieve the vision that we have for them. It is our

vision that all students in our learning community will become creative and critical thinkers who integrate Catholic values into their daily lives as socially responsible global citizens."

## Excitement building for new Schomberg McDonald's

By Mark Pavilons

It's been a long time coming, but the community is looking forward to the opening of Schomberg's new McDonald's restaurant.

According to franchise owner Rory MacKinnon, hopes are the store will open by the end of October. The push is on to find and hire staff for the 64-seat restaurant, located within the Petro Canada facility on the southeast corner of Highway 27 and Dillane Drive.

MacKinnon said they are looking at 70-80 new crew and managers. Fortunately, experienced core staff from the Alliston store will relocate to Schomberg. They're hiring for all positions - full-time crew, day staff, part-time day staff, overnight, cleaners, management and part-time students (average of 16 hours per week).

Full training and uniforms are provided. The majority of training will be held at MacKinnon's Alliston restaurant (transportation will be arranged).

Relying on the employment philosophy that employees feel valued and are part of the team, McDonald's offers a supportive work environment.

MacKinnon started as crew member himself in Ottawa at the tender age of 16, some 42 years ago. Rory's guiding principle is to ensure the same kind of support and training that he enjoyed in his career continues within his restaurants.

"Most of our current management and crew started as crew and have developed into their current positions," he said. "McDonald's is the best, great fit for those people looking for flexible schedules, opportunities for growth, and those looking for a job that involves working as a team."

MacKinnon and his staff love the new location. He has managed to secure the full bakery lineup for the store, something unusual for the smaller outlets. Fresh baked croissants and danishes are sure to please.

This restaurant will also have the new self-serve kiosks to tailor make your burgers and meals.

MacKinnon said he's looking forward to forging partnerships with the Trisan Centre, local sports teams and King Township.

For more, or to apply, visit [www.mcdonalds.ca](http://www.mcdonalds.ca).

### Cruisers hold final car show

Come out and join the Highway 11 Cruisers Car Club as they say goodbye to the 2016 show season while supporting Big Brothers Big Sisters of York.

The event will be held Sunday, Sept. 18 at the Green Lane Go Train Station, located at 845 Green Lane East, East Gwillimbury.

Registered show entry vehicle parking will be at the Go facility.

Spectator parking will be located at NewRoads Chevrolet (18100 Yonge Street, Newmarket) with shuttle buses bringing spectators to and from the event.

The station is located on the south side of Green Lane half way between Highway 404 and Bathurst Street (east of Yonge).

The event is from noon to 5 p.m. rain or shine.

All makes, models, and years of vehicles are welcome. From Rat Rods to Tuners, Choppers to Race Bikes, the club encourages everyone to attend any of their Highway 11 events.

This event will be the largest annual vehicle show in Newmarket & northern York Region area so make sure you join in the festivities.

Stroud Haircutters will be doing haircuts for a \$10 donation to Big Brothers Big Sisters of York.

Vendor spots starting at \$25 are still available, please email [highway11cruisers@gmail.com](mailto:highway11cruisers@gmail.com) for details.

# King Dental Group is committed to patient care

By Mark Pavilons

The growing need and a commitment to the community has led King Dental Group to move to a new location. The dental practice has literally moved just across the street, to the south side of King Road (2151 King Rd.), just east of Keele. A ribbon cutting is planned for later this month.

Dr. Bruce Robinson has been practicing dentistry in King City since moving with his family from British Columbia in 2003. He purchased Dr. Bill Lacey's practice in 2005, and continued to work in the same building until the move this past spring.

"Our relocation was prompted by the growing needs of our practice, coupled with a timely real estate opportunity "just across the street."

The newly constructed clinic is modern and bright, while retaining the old world charm of a century home. The building is also wheelchair accessible.

"Our dental team is committed to providing the highest standard of treatment, serving patients of all ages," Robinson said. "The practice offers a full range of dental services, including a wide array of cosmetic dentistry such as bleaching, veneers, implant restoration, Invisalign teeth straightening, and laser procedures. We use current technology to best serve the dental needs of our patients. Mounted televisions are also available in each operator, for those individuals who wish to catch up on their latest Netflix episodes during their appointment. It is our aim to make each visit a positive (and painless) experience."

Regarding ongoing dental health, it really comes down to the basics of brushing and flossing, he pointed out.

"In my professional experience, flossing makes a difference. Any dental aid that can assist with cleaning between the teeth, beyond the reach of a toothbrush, can only help with oral hygiene.

"A proxy brush (otherwise known as a softpick), used in combination with regular 3-minute brushing twice a day, can go a long way towards preventing tooth decay and decreasing gum disease. The gains are worth the investment."

Robinson extended his thanks to King Mayor Steve Pellegrini and Township staff for their support in his project. "I would also like to thank Bill Frisque and his team for designing and building us a beautiful dental clinic, which fully reflects our original vision.

"To all the individuals and families that are a part of our practice - thank you for your continued loyalty. It is a privilege to care for your dental needs. New patients are always welcome."

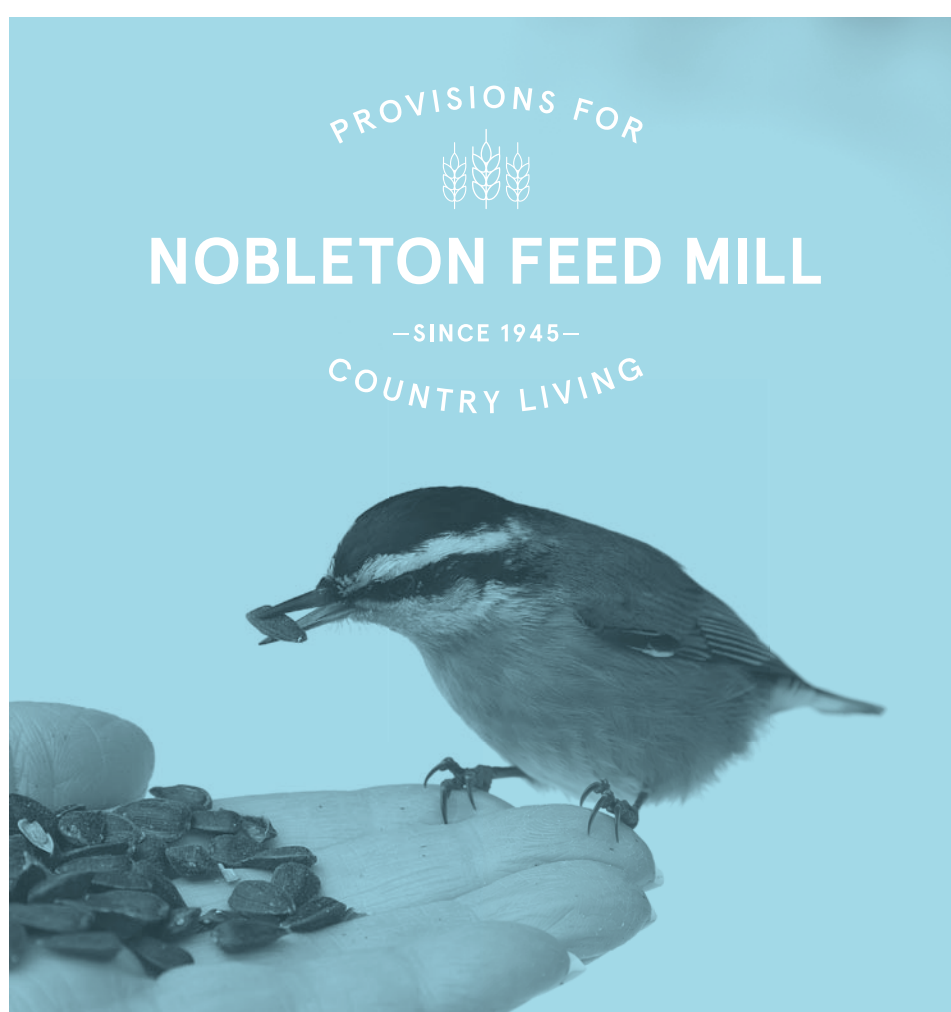

For more, visit [www.kingdental-group.ca](http://www.kingdental-group.ca).

## Competing at CNE

The Schomberg Agricultural Society was well represented at the Ambassador of the Fairs competition at the Canadian National Exhibition in Toronto. Schomberg Fair Ambassador Hollie Dobson was among 73 contestants from all over Ontario competing for the honour. The winner was Amy Natyshak, representing the Comber Agricultural Society.

# Group hosts workshop to build a bird feeder

## Schomberg Should Know

By Wendy-Sue Bishop

### Dufferin Marsh Committee

The Dufferin Marsh Committee welcomes everyone to their “Build A Bird Feeder” presentation on Sunday, Sept. 11 from 10 a.m. to noon.

Please meet at the Learning Shelter in the Dufferin Marsh, on the south side of Dr. Kay Drive, Schomberg.

There are a limited number of kits available so come early as “the early

bird always gets the worm!”

This presentation is free but donations are always welcome. The committee is always looking for new members and volunteers to help in carrying on these popular and needed presentations in our community.

For further information please call Mary Asselstine at 905-939-7544 or visit the Dufferin Marsh website.

### Schomberg Street Gallery

Don't miss Schomberg's 8th annual Street Gallery on Sunday, Sept. 11, from 10 a.m. to 5 p.m. This is an extraordinary outdoor exhibition and sale of fine arts and crafts presenting the tal-

ented works of 40 local and regional artists. This Gallery extends all along our ancestral and unique Main Street, steeped richly in history, heritage and unbelievable community spirit.

You will come across everything from paintings, to pottery, to jewelry, to woodworks and on and on and on.

There are all kinds of eating establishments along Main Street that will all welcome you with open arms, as well as our Schomberg Lions Club will be set up at the Community Hall offering their own unique fare.

Something for everyone – another reason to celebrate Schomberg.

### Horticultural Society

The Schomberg Horticultural Society is excited to get together once again after this hot, dry summer. Our special guest speaker is from our very own local garden center, Pathways to Perennials. Angie Allen, who is always informative, creative and enthusiastic, will make a presentation on “Ornamental Grasses” and bring product for purchase at a discount.

Please join us, ask any questions of the speaker, and stay for refreshments on Tuesday, Sept. 27, at 7:30 p.m. in the Schomberg Community Hall, 325 Main St.

Meetings are held on the fourth Tuesday of the month from March to June and September to October. Individual membership is \$15 per year and

the family rate is \$20. Guests are always welcome at \$3 per meeting.

### Main Street Christmas

Yes, you read that right-Christmas. But nothing happens without a lot of preparation and organization ahead of time.

Main Street Christmas happens this year on Saturday, Dec. 3. Gates are open at 3 p.m.

The Main Street Christmas Santa Claus Parade happens at 4 p.m. starting at Western Avenue and Main Street, heading south on Main Street and turning right at Church Street.

I am the Parade Marshall and last year I had an amazing response from the community so let's make it even better this year. I am looking for the participation of all organizations, businesses and anyone who wants to be in a parade to contact myself at 905-590-0054 or email me at wsue52@hotmail.com

Please check out our website at a Main Street Christmas.com

### Anglican Parish

This Sunday, Sept. 11 is a big day for the Anglican Parish of Lloydtown as Suffragan Bishop Peter Fenty of the Diocese of Toronto and Area Bishop of York-Simcoe will be in the parish to bless the completed first phase of the restoration work at Christ Church, Kettleby at the 9:30 a.m. Holy Communion.

## Black plastic boxes near tracks will test vibrations

Metrolinx will be conducting tests on the GO train line in King Township starting this week.

RJ Burnside, the contractor hired by Metrolinx to conduct vibration tests, will be placing eight pieces of equipment within 75 metres of the rail tracks. The precise location of the testing devices won't be known until the contractor inspects the line this week.

The testing devices are about as large as a medium-sized suitcase, are black and made of plastic. Each will have RJ Burnside contact information on it.

Anyone with questions about the devices can contact RJ Burnside at 905-821-5902.

Metrolinx is a Crown agency that manages and integrates road and public transport in the Golden Horseshoe region, including in King Township.

## Create an exquisite Thanksgiving setting in your home

As we tucked our children into bed tonight, there was lots of discussion about tomorrow: the first day back to school. With nerves and excitement creating a cocktail for late night chatter, we settled the ranks with antic-dotes from recent summer trips and adventures. A precious reminder of what to be thankful for as the season says goodbye.

Thanksgiving itself will be upon us in the blink of an eye. Okay, well, five weeks to be exact. But in the design and decor world actually that IS the blink of an eye! If your appetite for the perfect holiday gathering goes beyond the culinary arts, then perhaps like me, you crave an exquisite setting as well.

The foyer and dining room are often overlooked. With busy “eat on the way to the next appointment” lives and the convenience of garage entry access, it's easy to see how these spaces are often left incomplete.

If you hope to polish up one or both of these spaces in time for Thanksgiving, consider these ideas to get your decor juices flowing:

- **Colour refresh:** this a great excuse to rid yourself of “BBR”.... (Builder Beige Remorse) Remember paint is one of the fastest ways to update a space! Chose a soft blue grey (Smoke 2122-40), or a warm grey with a plum note (Portland Grey 2109-60) or perhaps a cooler toned taupe (Thunder AF-685).

- **Add a wallpaper with wow factor:** large scale gateway and damask patterned wallpaper can take the pressure off when

looking to fill expansive walls. Or if subtly's your M.O. consider a refined grass cloth wall textile. Think of it as a fine linen for the wall, adding warmth and soft texture or metallic thread that catches the chandelier glimmer.

- **Complete the rooms with area rugs:** Defining the entertaining zones while offering sound absorption for hard flooring spaces. No museum echoes please.... oh and my thoughts on that foyer rug: abandon those weather mat atrocities for a great performing rug piece. By that I mean a wool or nylon fibre rug of durable construction. Avoid the “postage stamp scenario”.... when the dining chairs fall off the rug when pulled out from under the table, or when guests huddle awkwardly close together upon arrival for lack of a landing zone.

- **Tablescape:** That's right, your table is a landscape! And the trends right now embrace metallics, imagine a warm softened version of your favourite, be it gold, silver or bronze and natural materials with a driftwood, almost Northern California vibe. Relegate the harvest reds and oranges to the storage room....leave that colour play to the roasted root vegetable platter!

Unsure which ideas will work in your home? The Designers and Paint team are on hand to help you set the course.

When all the decorating, and prepping is complete, you'll be surveying the celebration amidst the stunning backdrop that is your home.

From our Design on King family to yours, we give much thanks for your support of our young family run business.

Written by Marcy Nemes, Design Principal, Arido, IDC of Design on King.

### Laskay Social enjoyed by all

The day was beautiful, and the tables outside were nicely decorated with flowers from Maria Pedersen's garden for the annual Laskay Raspberry Social. Many thanks to organizer Alan Henderson and his committee: Sheila and Jim Middleton, Tom Dobson, Joan Montgomery, Joan Henderson, Jean Keane, Ed Etheridge, Maria Ehnes, Andy Zimmer, and to the Pathfinders of King City under the leadership of Diane Lavender. Shown are former councillor Jane Underhill, MP Deb Schulte, Nancy Hopkinson and Councillor Debbie Schaefer.

## FEATURE RECIPE OF THE MONTH

### Angel Hair with Sweet Cherry Tomato & Fresh Basil

#### Ingredients

500g of angel hair pasta	1 large Spanish onion
<b>Sauce</b>	3 cloves garlic chopped
3 cans cherry tomato (260 g)	50 ml olive oil
	6 leaves fresh basil

#### Method

1. Put olive oil in a sauce pan and add chopped Spanish onion.
2. Cook to golden brown and add garlic.
3. When garlic reaches a golden brown add cherry tomatoes. Cook on low heat for about 45 minutes, stirring occasionally.
4. Remove from heat and add pasta and fresh basil.

Yield: 5 portions

## Collins helps create competitors at Spray Lake

Spray Lake Watersports and Activity Centre is a one of a kind facility with a freshwater lake located in King Township. It was created with the vision to "provide customers a unique watersport experience, just a step outside Toronto!"

One of the center's partners, Stephen Collins, head waterski coach, has worked hard to realize this vision for the sport of waterskiing. In just four years, Spray Lake has managed to cultivate an unusual and exciting mix and range of water-skiers, from beginner to world class. Many come to the lake asking for "Stevie" to take them for a waterski.

Stephen's focus is on development regardless of ability or athletic goal. He provides each individual he coaches with strategies tailored to their needs and overall growth. For Stephen, this is not just a sport, but a way of life because through skiing, he believes there are valuable life lessons to learn and master, especially with his young students. Stephen always encourages a balance between being respectful and having fun, as well as, between sports and life.

Stephen's passion for the sport is personal. He was a member of the Canadian national team and at one point was ranked in the top 15 in the world in jumping and as an overall skier, participating in all three skiing events of slalom, trick and jump. He has insider knowledge of the experiences of skiers from beginner to professional as he has worn all the hats. Stephen has seen the sport from many different lenses from being a two-time Canadian Overall Men's champion, to an athlete trying to come back to compete after a devastating neck injury. It is his comprehensive and well-rounded approach, as well as his unparalleled passion about the sport that makes Collins so effective.

Never satisfied with the status quo,

or successes his athletes are realizing, Stephen works diligently to network and confer with the pros and veterans of the sport to fine tune his craft and to constantly gain new perspective. The most important thing to Stephen is to breathe new air into water skiing and this air comes in the form of developing new competitive skiers from the grass roots of the sport.

Since Spray Lake's inception, Stephen has worked with skier Thomas Daigle. Like his coach before him, Thomas is a three-event overall skier. Thomas is from Quebec and travels to King Township each summer to ski at Spray Lake. Thomas has spent four years with Stephen learning new tricks, jumping farther, and learning new techniques to advance his slalom skiing. He has recently been named to the Canadian national junior team and for the first time skied in a pro event in Edmonton with top podium finishes in each event.

At the recently completed Canadian waterski championships held in Winnipeg, Thomas competed in his own age division and was also invited to ski in the Open Men's event; a significant accomplishment for an athlete who is only 16.

In recent years, Spray Lake has become home to another great talent and respected coach. Janice Stevens, 21, is a three-event skier from Morrisburg, Ontario who has chosen to work at Spray for the past two summers, to be able to be coached by Stephen. This year in the Canadian Waterski Nationals Janice won four gold medals in the women's division.

The newest additions to the unofficial water ski team at Spray Lake are Ty, 9, and Leo Bigourdan, 10. These two young brothers from King Township have learned to run the slalom course and have been inspired to compete at a provincial and now national level. Leo has been competing for two years and Ty for one and both have medaled in different tournaments. Recently, Leo and Ty have added trick skiing to their resume with plans to start jumping next season; making this duo the next generation of overall three-event

skiers.

It is worthwhile noting that the skiers described above are a few of the many celebrated skiers at Spray Lake. Ben Wheeler, aged 10 from Toronto, finished first in the Under 10 boys division and Ilan Klein, 13 and also from Toronto, finished second in the Under 14 division at the 2016 Canadian championships.

In fact, Spray Lake is home to 14 competitive skiers who tirelessly work on their sport with Collins. Each have competed in tournaments throughout the summer, most recently the Canadian Waterski Nationals where they collectively won a total of 26 medals.

These athletes are a testament to the vision Stephen Collins has nurtured in his quest to help put waterskiing on the map. As important as his success as a high performance coach, Stephen has helped dozens of children and adults get up on water skis for the first time, overcoming their fears and returning to the dock requesting another ride. He has challenged his students to push their limits, to recognize their potential, to grow, and ultimately to allow each of them to reach whatever heights they have set out to achieve.

## Hornets host annual Jr. C tournament

By Brian Lockhart

The Alliston Junior C Hornets are ready to start the new season beginning with the club's 10th annual Junior C pre-season tournament.

The tournament draws Junior C teams from around the province who are eager to get their new line-up on the ice in their first competition of the year.

This year's tournament will showcase 12 teams representing several Ontario Junior C Leagues.

Representing the Georgian Mid-Ontario League are teams from Alliston, Midland, Penetang, Stayner, Schomberg, and Huntsville. The Central Ontario League is represented by Georgina, Uxbridge, and Port Perry. Also entered is a team representing the Barrie Colts.

The tournament features teams playing three games in tournament play with top teams from each division moving into the semi-final round. The semi-final and final games, if tied, will go on to a five minute three-on-three sudden death overtime period. If a winner is not decided, a three player shoot-out will take place.

The tournament will get under way on Friday, Sept. 9, at the New Tecumseth Recreation Centre with the first game scheduled between the Alliston Hornets and Georgina Ice, at 6 p.m.

Games continued on Saturday, Sept. 10 at 11 a.m. with the last game scheduled for 7:30 p.m. The final three games will take place on Sunday, Sept. 11, with the tournament final scheduled for 3 p.m. in the main arena.

## Northern Air peewees wrap up season

By Steven Sansone

On Wednesday, Aug. 24, Northern Air took on Remax at Optimist Park for the final game of the regular season in the peewee division of the Aurora King Baseball Association.

Northern Air jumped out to an early lead as they scored 4 runs in the first. Remax answered back with 5 runs in the bottom of the inning to take the lead 5-4. A base hit by Ben Wright scored Daniel Sansone and Christian Velocci to give Northern Air a 9-4 lead. Remax scored 4 more runs in the second to tie the game 9-9. Anthony Macedo scored off a base hit by Francesco Filicetti to give Northern Air a 10-9 lead. Unfortunately that lead didn't last long, as Remax scored 5 runs to take the lead 14-10 going into the fourth.

By being aggressive at the plate and on the bases, Northern Air scored 4 runs in the top of the fourth to tie the game 14-14. Northern Air looked to keep Remax at bay in the bottom of the fourth, however Remax managed to squeak a base hit past the infield to bring in the winning run and Northern Air lost 15-14.

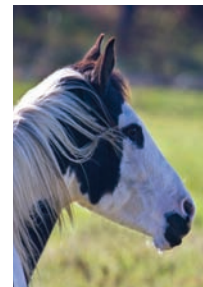

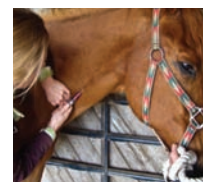

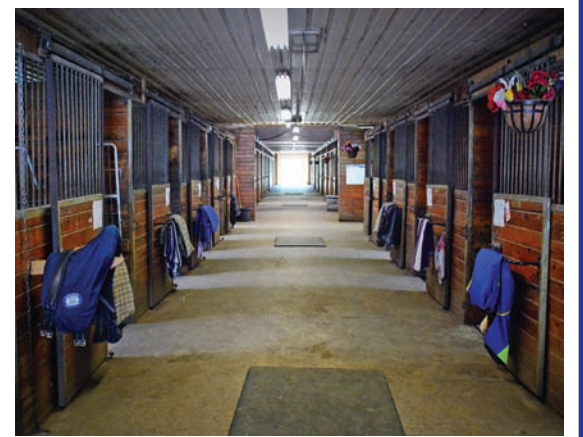

On Saturday, Aug. 27, Northern Air took on Mastercut in what was a do or die playoff game. Win and move on, or lose and go home.

Northern Air had a rough start as they went quietly in the first and didn't score any runs. Mastercut, however, had a better start as they scored 5 runs to take a 5-0 lead after one. Big base hits by Daniel Sansone, Anthony Macedo, Matthew Siarkas and a double by Ben Wright helped Northern Air rally back to tie the game momentarily 5-5. Mastercut continued to come out swinging as they scored 5 more runs in the second to take the lead 10-5.

Christian Velocci took advantage of a distracted pitcher as he hustled down the base line to steal home and scored Northern Air's only run in the third. Mastercut continued to hit Northern Air hard as they scored 5 runs in the third to extend their lead to 15-6. A base hit by Christopher Petrunaro drove in Jeffery Long and Joseph Carvalho. Michael Critelli and Francesco Filicetti also picked up RBIs in the fourth, but it would not be enough as they would go on to lose the game 17-11.

Northern Air had a great season and all the players played extremely well. Thank you to all the coaches, John Carvalho, Chris Wright, and Gino Amodio and a thank you to the parents for helping and supporting the team.

# Church youth group resumes Sept. 14

## Nobleton Notes

By Angie Maccarone  
905-859-5174

### St. Paul's Church

The Youth Group will resume Wednesday, Sept. 14 at 7 p.m. at the church. Check here for details or contact our Youth Leader Taylor Scott at scottie\_tay@yahoo.ca or 289-338-2539.

A2J is a program for kids in Grades 3 to 6. It promises an evening of Bible stories, songs, games, crafts, self-confidence building and lots of fun. A2J meets the 2nd and 4th Friday evening of each month, from September to May. It's not too late to join. Contact the church office at 905-859-0843 for more information. The first meeting of A2J will be at the church Friday, Sept. 16 from 7 to 9 p.m.

Join us Sunday, Sept. 11 at 10 a.m. as Jeff teaches us from the book of 1 Kings. Jeff's message this week - "An Understanding Heart."

Child care (for children 3 years of

age and younger) is provided during the gathering. Our Summer KidzKonection and NextStep Program (for children ages 4 to 11) takes place at the same time.

Jeff has a blog and he records his weekly messages there after worship each Sunday. Anyone interested in listening to his messages can go to www.passionatelyhis.com to hear them.

For more information about ANY of our activities or events, please contact the church office or visit our website at www.stpaulsnobleton.ca.

### St. Mary's Church

Life Teen is a Catholic youth ministry organization within the Catholic Church. Its goal is to lead teens into a deeper relationship with Jesus Christ and His Church. Life Teen is already taking place in over 1,000 churches in over 31 countries around the world. Let's bring this movement to Saint Mary's Church in Nobleton.

For the used clothing drive, please leave your bags in the foyer of our Churches after masses. For every

one bag collected, \$1 goes towards St. Mary's Mortgage Fund.

Il Gruppo di Padre Pio Social (Chili Night) is approaching. The door prize is a statue of Padre Pio. Tickets are \$15 for adults, \$5 or children under 12. It will be held Saturday, Sept. 17 after the 5 p.m. mass. in St. Mary's church hall basement.

### Nobleton United Church By Joan Montgomery

The Knills continue to help with our September services. Keith Knill will lead our Sept. 11 services at our individual churches (Schomberg at 9:30 am, Nobleton at 11:15). Marjorie Knill will be doing the Joint Service at Schomberg on Sept. 18 at 9:30 a.m. This one is a musical service with the "Sentimental Journey" band. Our own pianist Dennis Kowal is part of this band. Marjorie will also do the Sept. 28 service at our individual churches.

Our Harvest Dinner on Thursday, Sept. 15 at 6:30 p.m., includes baked chicken, cranberries, coleslaw, peas, carrots, mashed potatoes, buns and de-

licious homemade harvest pies (pumpkin, apple and lemon meringue). The cost is \$20/adult and a reduced rate for children. Call Helen Bible at 905-859-3924 to reserve your place as the space is limited. This is a sit-down dinner with white tablecloths and ample time to chat to friends and neighbours.

The next Messy Church is Tuesday, Sept. 20, 5 to 7 p.m. The theme of Bible Seaside means that all the choices of activities will involve seashells (shells, water, sand). Children ages 2 years to teenagers must be accompanied by a responsible adult. Activities are from 5-6 p.m., story time to 6:15, and then eating dinner (fresh fruit, raw veggies with dip, and something hot from the oven). All are welcome. Messy Church is sponsored by Nobleton and Schomberg United Churches and is free. This is a fun way to learn the Bible stories and to get to know each other as well. All are welcome. For more info, call Nancy, at 905-859-0761.

For more info, visit nobletonunitedchurch.com, our Facebook page, or call 905-859-3976.

See 'Time' on Page 15

# Time to register with Nobleton Skating Club

From Page 14

## Nobleton Lions Club

Watch this space for further details as the events get closer, and why not check out our website at [www.nobleton-lions.com](http://www.nobleton-lions.com).

Free advertising is available to non-profit groups in and around Nobleton via the electronic sign at the library. Contact the Township of King for details on how to get your message up there at no charge.

The Lions Club is seeking new members at this time. If you are interested in helping your community become a better place to live while having lots of fun, please call Bob Phillips at 416-522-9675.

## Guiding registration

We are planning another exciting year of Guiding in Nobleton and all girls and women are welcome. Guiding is a dynamic organization for girls and women that teaches and promotes leadership and respect of self, others, com-

munity and the environment through games, crafts, songs, excursions and camping. Guiding is a uniformed organization where Sparks (ages 5 & 6), Brownies (ages 7 & 8), Guides (ages 9-11), Pathfinders (ages 12-14) meet weekly. All meetings take place locally in Nobleton on Tuesday nights from September to June.

The energetic leadership teams look forward to an exciting year with your daughter! We are looking forward to seeing old friends and making new ones. We are actively recruiting adult women volunteers so please share this opportunity if you know someone who might be interested. You do not need to have a daughter to be involved. For more information and to register visit online at [www.guidesontario.org](http://www.guidesontario.org).

## Fall Skating with NSC

As we see summer coming to a close, that means it will soon be time to get back in the rink with skates on! The Nobleton Skating Club will be holding registration for our fall skating sessions Wednesday, Sept. 14 and Monday, Sept.

19, 5-8 p.m. both days, in the Nobleton Arena lobby.

We offer Canskate, Skate Canada's learned to skate program. Canskate is offered Mondays at 5:30 p.m. and Saturday mornings, 9 a.m. Skaters are in groups a maximum size of 10, and have a coach, as well as our program assistants with them.

We offer a fall and winter Canskate session; fall running September to December, and winter being January to March. Skaters can sign up for both fall and winter now, and receive a discount. Or, start with the September session and sign up for January at a later time. As well, the club offers a power skating class on Fridays at 5-6 p.m. geared towards those skaters that already have the fundamentals, and are looking for more hockey related skills and drills.

Our figure skating sessions (STARSkate) begin on Sept. 12, and we have Monday, Wednesday and Saturday STARSkate sessions. The STARSkate session runs from September to March as one season, with test days throughout the season for the skaters to advance through the test system.

Please visit our website for more schedule and pricing details. You can reach the club through our email, [nobletonskatingclub@outlook.com](mailto:nobletonskatingclub@outlook.com) or our club office at 905-859-4943. Please leave us a message and we will return your call. The Nobleton Skating Club has been a part of our community since 1958.

## Physiotherapists seminar

The Seniors Centre's Social Club will host a seminar by physiotherapists on Monday, Sept. 12 at 1 p.m. Please note the change in date and time of this event. This seminar presented by three local physiotherapists: Adam Keeping, Charles Lorusso and Tanya Tsui-Lorusso.

It promises to be an interesting and informative afternoon featuring three important topics of discussion: Changing with Aging, Healthy Aging & Exercise, and Falls Prevention. Light refreshments will be served. For further information, contact Marlene Deacon at 905-833-9841.

The cost is only \$1 for members, and \$2 for non-members.

### 505 GENERAL HELP WANTED

### 708 OBITUARIES

### 708 OBITUARIES

### 708 OBITUARIES

**COBER: Robert John Clarence (Jack)**  
Past Master of Union Lodge, Schomberg, A.F. & A.M. No. 118 G.R.C. Past Grand Steward of the Grand Lodge of Canada, Province of Ontario. Past President and Ambassador of Viking Shrine Club, Aurora. Peacefully passed away at his home on Sunday, September 4, 2016. Jack Cober of Bradford and formerly of Maple in his 84th year. Beloved husband of the late Pauline (nee Schmidt). Loving dad of Greg (Julie) Cober, Daryl (Mike) Cober and Cheryl (Mike) Quizi. Proud Poppy and Grandpa of Mikaila and Grace Cober; Sydney and Owen Cober; Matt and Chris Quizi. Dear brother of Al (Ruth) Cober, Tom (Muriel) Cober, Don Cober and Marion (Grant) Lloyd. At Jack's request, a private funeral service has taken place. In Jack's memory, donations may be made to the Shriners Hospitals for Children or a charity of your choice. Arrangements entrusted to SKWARCHUK FUNERAL HOME, Bradford (1-800-209-4803).

# Bible Church hosts its welcome back BBQ

## King's Corners

King City United  
By Earle Laycock

Rev. Evelyn McLachlan concluded her sermon series on Job using the scripture passage from Job 42: 7-17. As you remember, Job was a faithful follower of God and was a wealthy man. Job's life was pretty much perfect and then tragedy struck as he lost everything he valued.

Job did not lose his faith but asked God why these things had happened to him. He asked some difficult questions only to be told that he needed to trust in God. That everything was connected and there was a far larger picture to consider than what Job could see.

Job's life is restored and he prays for his friends who didn't treat him very well during his period of suffering and loss. Rev. Evelyn asked, "Can we do that? In the midst of our suffering, our distress, our wondering, our questions, are we able to hold others in prayer? Can we even pray for ourselves?"

"We have been given the freedom to be who we were created to be. That is the incredible good news. That is the "and they lived happily ever after." But it is not the end. It is just the beginning.

In order to live happily ever after, we are called to work together, to forgive

each other when we mess up, to live out God's call of offering mercy and love. That is what we are called to do as individuals but also as a faith community. Imagine the change that could happen if we actually did that, not leaving it for the other person, not complaining when things don't exactly go your way, or when other people or groups let you down. We have an opportunity now to live happily ever after but it's not just up to me or one or two of you, it's up to all of us.

Maybe you're thinking that we just can't do it. I believe we can because of what we have learned through the story of Job. God's steadfast love, overwhelming grace and unconditional forgiveness is beyond our belief and understanding. May we continue to have a fierce faith in the God of life!"

Through the fall, Rev. Evelyn will continue using The Narrative Lectionary and will focus on various promises of God found in the Old Testament. The theme for the fall is "Standing On the Promises!"

Thanks again to our Music Director Rosemary Karunaratne's grandson Stefan who blessed us Sunday with his gift of music. Nothing is so wonderful as to see a young person play so beautifully and joyfully.

Join us on Thursday, Sept. 8 at 9 a.m. to enjoy some refreshments and food before sharing your thoughts to help di-

rect the future path for King City United. Your ideas are valued.

A special worship service will be held at Elginwood Long Term Care Centre on Sunday, Sept. 11 at 2 p.m. This is the home of KCUC member Marilyn Manson. On Thursday, Sept. 15 at 2 p.m. there will also be a worship service at King Lodge Nursing Home. If you would like to participate, please contact Rev. Evelyn McLachlan.

Remember Tea & Talk at the Sunset Grill Friday mornings at 10 a.m. Drop by to discuss the latest news, your faith, to meet new friends, renew acquaintances or even to enjoy a delicious breakfast.

Sunday worship services are held at King City United Church every Sunday at 10 a.m. All are welcome. King City United is located at 50 Elizabeth Grove, King City. For more information, call Kristen our Office Administrator at 905-833-5181.

### St. Mary Magdalene's Schomberg & Christ Church Kettleby

Bishop Peter Fenty will be in the parish on Sunday, Sept. 11 to bless the restoration work at Christ Church Kettleby during the 9:30 a.m. Holy Communion service. Christ Church is celebrating its 125th anniversary 1891-2016. Later that morning at 11:15 a.m. the bishop will conduct a Service of Confir-

mation including Holy Communion at St. Mary Magdalene's 116 Church St. in Schomberg. All are welcome to attend these services and stay for coffee-tea hour following.

Christ Church will take part in "Doors Open, King" on Saturday, Sept. 17 from 10 a.m. to 4 p.m. as part of its ongoing anniversary celebrations.

Please keep in mind the upcoming Schomberg Run on Saturday, Sept. 24 as part of the Anglican Diocese of Toronto's initiative to raise money to bring clean water into more homes of the First Nations' community of Pikangikum in northern Ontario. Registration forms are available at St. Mary Magdalene's.

AA Meetings continue at St. Mary Magdalene's Schomberg Monday evenings starting at 7:30 p.m., with visitors welcome the last Monday of each month.

### King Bible Church

We welcome you to join us for our kick-off Sunday. Pastor Mark will be beginning our new series "Family Matters" with "Love One Another."

We want to welcome everyone back from summer with a BBQ after the morning service on Sunday, Sept. 11. It'll be a great way to reconnect for a time of fellowship and of course food.

See 'Stage' on Page 17

# Stage is set for annual Terry Fox Run in King

From Page 16

We will begin our regular Children's Ministry downstairs this week as well. Please take advantage of our excellent children's ministry. Our Sunday morning "Celebration Zone" provides age-appropriate programs for children age 4 to Grade 8. Our children's program is staffed by screened volunteers who care about your kids! The children in Grades 1-8 will join their parents for the beginning of the service until they are invited to go downstairs. The children in kindergarten can go directly to their class at the start of the service.

If you have children age 0-3, then we invite you to bring them to our beautiful nursery facilities, located on the lower level. Caregivers will meet you there.

We chose the theme of "Legacy" because we believe that's what families are looking for; both to be a part of as well as leave a lasting "Legacy." We will begin our "Legacy" nights on Tuesday, Sept. 20 from 6:45-8 p.m.

Our children's classes will be JK-Grade 4, Grade 5-8 and Grade 9-12. They will meet downstairs and begin with a time of Worship altogether before breaking off into their classes for a time of study, crafts and games!

Our adults will be studying the "Truth Project" and will meet upstairs. Please contact the church for further

information!

Our seniors ministry group is open to all ages. They meet the second Tuesday each month at 1 p.m.

Join us on Tuesday, Sept. 13 as Stephanie Greaves will be introducing Precept Bible Study methods. We will begin our time at 1 with refreshments and fellowship.

## York Pines United

By the second week of September the church year is back in full swing. York Pines invites you to join us for the continuing celebration of our 50th anniversary as we reconnect with one another in worship and fellowship. Sunday school starts up again. Friends and neighbours welcome.

Come meet our new minister, Rev. Paul Rumbolt, and stay for lunch. A pot-luck lunch follows the service on the lawn, weather permitting.

This Sunday is also the 15th anniversary of the attack on the twin towers in New York. We will take time during the service to remember the lives lost and the heroes of that day, to acknowledge the hope faith brings to our times and to reflect upon the work of healing needed in our world. Please join us Sunday, Sept. 11 at 10:30 a.m.

The church is located at 3150 Lloydtown Aurora Road, Kettleby, just east of Hwy. 400. For any further information,

please contact the church at 905-727-8118 or office.yruc@rogers.com

## King Terry Fox Run

The 2016 King Township Terry Fox Run is set for Sunday, Sept. 18 from 9 a.m. to 1 p.m. Meet at Wellesley Park, King City (NW corner of Keele Street and King Road). Run, walk, bike, rollerblade (wheelchair accessible) the 2-km, 5-km and 10-km routes.

Community service hours are available. Contact Lisa Barenthin at 905-751-4559 or email lisakb.88@icloud.com.

## St. Andrew's By Kathy Patterson

New to the neighbourhood? Join us at St. Andrew's Presbyterian Church, beside St. Andrew's Park, north on Keele St., for Sunday worship at 10:30 a.m.

Pastor John Mills will be with us to continue telling us about Moses! If you think you know this important Biblical figure and his story, I'm sure you'll learn so much more and how it applies to our lives. Stay afterwards for coffee time in the lounge.

We had a great visit with the residents at King City Lodge last Thursday. Mark your calendars for the fall. Our visitation/service time is held on the fourth Thursday of the month at 2 p.m.

What a time of blessing for everyone!

Our welcome Back BBQ is Sept. 18, following the worship service. All are welcome! September 25th will be our fall Communion Service, presided by the Rev. Dr. John Vissers.

Tuesday mornings at 9 a.m. is Prayer Time for the ladies. All are welcome to attend this special time of prayer and quiet reflection. God is with us as He has promised and is hearing and answering our prayers. Let us know if you have a prayer request or a thanksgiving.

Should you have pastoral care needs please contact Lynn Vissers, our Director of Congregational Ministries at the office, 905-833-2325. Our church is located at 13190 Keele St., 2 blocks north of the King Rd. There is a ramp available for accessibility. www.standrews-kingcity.ca

## All Saints Anglican Church By Diana Armitage

Regular service hours resume this coming Sunday, Sept. 11, with services at 8 a.m. in the chapel and at 10:30 a.m. in the main church.

The next King City Farmers' Market will be on Sunday, Sept. 18 from 8 a.m. to 1 p.m. in the All Saints parking lot: fresh vegetables, bread, cakes, herbs, honey and lots more!
