## Man killed in single-vehicle collision in King

Investigators with the York Regional Police Major Collision Investigation Unit are seeking witnesses following a fatal, single-vehicle collision in King Township.

On Monday, Sept. 19, shortly before 7 a.m., York Regional Police received a call from workers in the area of 16th Sideroad and Jane Street that they had found a vehicle off the roadway. When officers arrived they located the vehicle and found that there was a man inside without vital signs.

The driver, a 22-year-old man from King, was pronounced deceased at the scene.

At this time, investigators believe that the vehicle had been travelling eastbound, when for unknown reasons, the vehicle went off the roadway.

Investigators with the York Regional Police Major Collision Investigation Unit are seeking witnesses to the collision and any information on what may have happened leading up to the collision.

The roads in the area of 16th Sideroad and Jane Street were closed for most of the day for the investigation.

Any witnesses who have not yet spoken with police are being asked to please come forward.

York Regional Police are asking anyone with information to contact the Major Collision Investigation Unit by calling 1-866-876-5423, ext. 7704, or to call Crime Stoppers anonymously at 1-800-222-TIPS, or leave an anonymous tip online at [www.1800222tips.com](http://www.1800222tips.com), or text message your tip to CRIMES (274637) starting with the word YORK.

**NOTICE OF APPLICATION AND  
PUBLIC MEETING CONCERNING A PROPOSED  
ZONING BY-LAW AMENDMENT**

The public are invited to attend a public meeting to be held by the Council of the Corporation of the Township of King on:

**Monday, October 17th, 2016 AT 6:00 P.M.**

at the Township of King Council Chambers at 2075 King Road, King City to consider a Township initiated general Zoning By-law Amendment under Section 34 of the Planning Act, R.S.O. 1990, Chapter P.13., regarding medical marihuana production facilities. The purpose of the meeting is to provide information to, and receive comments from the public

Location of Land: The Zoning By-law Amendment affects all lands within the Township of King; therefore no subject lands map is included.

File Number: Z-2016-16

**PURPOSE AND EFFECT OF ZONING BY-LAW REVIEW**

The purpose of the general zoning by-law amendment is to update the Township's Zoning By-law(s), as amended, to (i) recognize medical marihuana production facilities as an agricultural use and (ii) address location requirements and lot and building standards for such facilities in the "Rural General (RU1)" zone.

**APPEAL PROCEDURE**

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the by-law is passed, the person or public body is not entitled to appeal the decision of the Township of King Council to the Ontario Municipal Board.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Township of King before the proposed zoning by-law amendment is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment.

**HOW TO STAY INFORMED**

If you wish to be notified of the passing of the proposed Zoning By-law Amendment, you must make a written request to the Clerk of the Township of King, 2075 King Road, King City, ON L7B 1A1.

**ADDITIONAL INFORMATION**

Medical marihuana production facilities are federally regulated by the "Access to Cannabis for Medical Purposes Regulations", which came into effect on August 24, 2016, and replaced the previous regulation "Marihuana for Medical Purposes Regulations". An information report on this matter entitled "Planning Report P-2015-46: A Review of Official Plan Policies and Zoning By-law Provisions Regarding the Location of Medical Marihuana Operation in King Township" was before Council as part of the Committee of the Whole agenda on December 14, 2015.

The proposed Zoning By-law Amendment, including the proposed Draft Zoning By-law, will be available for inspection at the Township Office at the end of day on September 28th, 2016, or inquiries may be directed to the Planning Department quoting File Number Z-2016-16 at (905) 833-5321.

**NOTICE OF PUBLIC MEETING CONCERNING A PROPOSED ZONING BY-LAW AMENDMENT**

The public are invited to attend a public meeting to be held by the Council of the Corporation of the Township of King on:

**Monday, October 17th, 2016 AT 6:00 P.M.**

at the Township of King Council Chambers at 2075 King Road, King City to receive information and provide comments on a proposed Zoning By-law Amendment under Section 34 of the Planning Act, R.S.O. 1990, Chapter P.13.

**SUBJECT PROPERTY**

Location: 12796 Keele Street and 12800 Keele Street, King City, ON  
Applicant: KeeleOne Developments Inc.  
File Number: Z-2016-14

**PROPOSED CHANGES**

The proposed Zoning By-law Amendment submitted by Humphries Planning Group Inc. on behalf of the owners, KeeleOne Developments Ltd. concerns a site located on the west side of Keele Street, south of King Road and approximately 200 metres north of Station Road, in the Village of King City. The subject properties consist of a residential lot containing one dwelling and an industrial lot containing a one-storey brick warehouse building. The total site calculates to approximately 0.808 hectares (2 acres) with 126.64 metres of frontage on Keele Street. The lots are currently zoned Residential Urban (R1) and Restricted Industrial (M1).

The purpose of the Zoning By-law Amendment application is to re-zone the lands to establish a mixed use-medium density zone which provides for 60 condominium stacked townhome units and 270.6 square metres of commercial ground floor space and establish site specific development standards. A total of 97 surface parking spaces are proposed together with two full movement driveways from Keele Street. The development is proposed to be serviced using municipal sanitary and municipal water services and will require the removal of the existing buildings. The owner has also submitted a Site Plan Development application (file# SPD-16-49) to be reviewed concurrently with the zoning amendment.

**APPEAL PROCEDURE**

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the by-law is passed, the person or public body is not entitled to appeal the decision of the Township of King Council to the Ontario Municipal Board.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Township of King before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment.

**HOW TO STAY INFORMED**

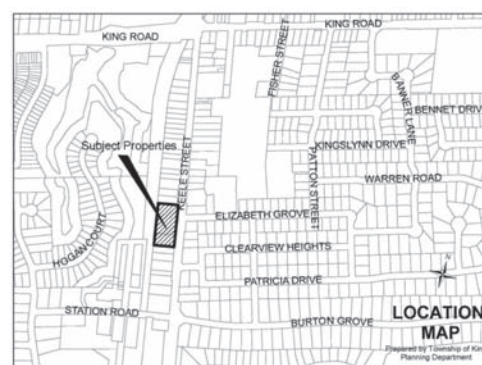

If you wish to be notified of the passing of the proposed Zoning By-law Amendment, you must make a written request to the Clerk of the Township of King, 2075 King Road, King City, ON L7B 1A1.

# King putting more teeth into response to Province

By Mark Pavilons

The updating of important provincial legislation is causing a lot of frustration among municipal politicians and planning staff alike.

In preparing its response to Queen's Park on the review of the provincial Growth Plan, Greenbelt Plan and Oak Ridges Moraine Conservation Plan, King councillors wanted the staff recommendations to carry a bigger bite.

The Coordinated Provincial Plan Review is asking municipalities and regions to submit their responses by Oct. 31 to the Ministry of Municipal Affairs and Housing.

Councillors and planning staffers tossed around the contents of the staff report, but wanted to ensure the Province knows exactly the level of concern that King has. There's no reason to use kit gloves, so councillors asked staff to be more forceful in their recommendations, when the report comes back to council for final approval.

Councillors, staff and members of the public raised concerns regarding some of the proposed amendments to three pieces of legislation governing lands in King. The draft updated plans for the Growth Plan, Oak Ridges Moraine Plan and Greenbelt Plan were released in May and ever since, municipal staff have been going through them.

The amendments, according to planning director Stephen Kitchen, are "considerable," and include everything from infrastructure and supporting agriculture, to building and planning for complete communities.

Density and intensification – terms that have caused some consternation among municipal leaders – continue to add pressure. The new intensification target under the Growth Plan is 60% of all new residential development, up from the current 40%. It's also proposed to increase goals to 80 residents and jobs per hectare, to be achieved across the region. In urban areas, these minimums may be easily achieved, but in rural areas they simply aren't feasible (and likely not desired).

Growth targets include "major transit station areas," such as King City's GO station. As it stands, the provincial legislation would require 150 jobs and residents per hectare in King City by 2041.

Township staff noted it's been difficult for King to achieve current targets and the new figures will only compound the challenges. Adding this amount of people and employment to the village would place a huge strain on transpor-

tation and servicing infrastructure.

"A target of this magnitude would create compatibility challenges with the existing King City community fabric and built form which generally consists of relatively small parcels support one- and two-storey core area buildings, and low density single detached residential neighbourhoods," Kitchen's report noted. "... the proposed target of 150 residents and jobs per hectare seems beyond what would be appropriate in the context of the King City community."

Susan Lloyd Swail, former councillor and member of Environmental Defence, noted King City's GO station is not identified as a "mobility hub," but the Township has to think about how to respond to the provincial plans and manage growth.

The plans also ensure that employment lands are protected. King has identified such lands, but they are limited. Lands along Highway 400 and at the King Road intersection have been earmarked. The municipality needs clarification from the Province how these lands can be protected and developed in the long-term.

Another sensitive matter is proposed changes to settlement area boundaries. King's major centres – Nobleton, Schomberg and King City – are limited in terms of expansion and service capacity. Current development plans will bring all three to their limit within the next few years. Expanding it even further would be difficult.

A representative of five Nobleton landowners said her clients would like a clearer definition of "settlement area," since all have considerable investments in the hamlet. There's a need for a long-term vision for Nobleton, she said, adding the Growth Plan contains conflicting standpoints that could impact Nobleton's future.

Mayor Steve Pellegrini stressed "it's all about growth," and while he can appreciate developers' interests, services in Nobleton are limited.

The revamped plans also include policies on agricultural uses. King has traditionally supported providing a greater range of permitted uses in support of agriculture.

The plans also call for modifications in terms of rural lands and recreational uses.

Councillor Cleve Mortelliti pointed out we simply don't have the infrastructure to support more people in King. He also has a problem with the Province forcing such things on municipalities.

"I don't know how we're going to ac-

commodate this," Mortelliti said. "A lot of the provincial policies don't make sense and seem contradictory."

Kitchen agreed, noting while there are merits to intensification, King cannot support the levels being proposed.

Pellegrini added the Province is trying to create a one-size-fits-all strategy, but that simply won't work. Each community has to be looked at individually.

Councillor Debbie Schaefer is also apprehensive. She suggested King takes a more assertive stance and is very direct in its responses to the Province.

Councillors supported the staff report and recommendations in principle, asking they come back to council

with stronger positions on some important issues.

## 16 impaired charges

Don't drink or use drugs and drive is such a simple message. Why are so many drivers in York Region not understanding it? Last weekend 16 more motorists were charged with impaired-driving related offences. Between Friday, Sept. 16 and Sunday, Sept. 18, 2016, 12 men and four women were charged by York Regional Police with alcohol-related driving offences, including five that resulted from a motor vehicle collision.

## Road to financial security contains sinkholes!

Being the proud father of three children does have its pitfalls.

Our oldest, who's destined to change the world, is in her first year at Western University. Talk about sticker shock here.

We've been preparing for this eventuality for years, but never really had a firm grasp on the cost of university, plus residence and food. For Lexie's first year, I could have purchased that mid-life convertible I've been keeping my eye on!

Alas, the car may or may not appreciate. I sure hope Lexie does!

In the past year, both Kim and I have been feeling the pinch, and not the fun, husband and wife variety. We work hard to pay the bills, and ensure our kids have everything they need and desire.

That comes at great expense, and Kim and I have neglected ourselves in the process. We're likely in very good company.

For many Canadians, the road to a comfortable retirement is becoming longer and more difficult. A large portion of the working population is living pay cheque to pay cheque, unable to save, and worried about their local economy, according to the Canadian Payroll Association's 8th annual Research Survey of Employed Canadians.

The survey, of more than 5,600 employees across the country, reveals that only 36% expect the economy in their city or town to improve, down from an average of 39% over the past three years and off significantly from 66% in 2009.

Many working Canadians are barely making ends meet. Almost half (48%) report it would be difficult to meet their financial obligations if their pay cheque was delayed by even a single week (consistent with the three-year average of 47%). Illustrating just how strapped some employees are, 24% say they likely could not come up with \$2,000 if an emergency arose in the next month.

"A significant percentage of working Canadians carry debt, have a gloomy

Mark Pavilons

view of their local economy and are fearful of rising interest rates, inflation, and costs of living," said Patrick Culhane, the Canadian Payroll Association's president and CEO. "In this time of uncertainty, people need to take control of their finances by saving more. 'Paying Yourself First' (by automatically directing at least 10% of net pay into a separate savings account or retirement plan) enables employees to exercise some control over their financial future."

"Survey data suggests that household income growth has stalled, as respondents reporting household income above \$100K has hardly increased in five years," said Alec Milne, principal at research provider Framework Partners. "In fact, real incomes have actually declined when inflation is taken into account."

While pay has remained largely unchanged, employees' spending and debt levels have affected their ability to save. According to the survey, 40% of employees say they spend all of or more than

their net pay, and 47% are able to save just 5% or less of their earnings (far less than the 10% of net pay recommended by financial planning experts).

Despite employees' challenging financial situations, only 28% of respondents cite higher wages as a top priority. This is down from the average of 34% over the past three years. Instead, an overwhelming 48% are most interested in better work-life balance and a healthy work environment.

Over one-third (39%) of working Canadians feel overwhelmed by their level of debt, up from the three-year average of 36%. Debt levels have risen over the past year for 31% of respondents.

And 11% do not think they will ever be debt-free. The most common debts include mortgages (26%), credit cards (18%), car loans (17%) and lines of credit (16%). Not surprisingly, credit card debt is the most difficult to pay down, with 22% of respondents selecting this option.

The vast majority of working Canadians have fallen far behind their retirement goals, with 76% saying they have saved only one-quarter or less of what they feel they will need. Even among

those closer to retirement (50 and older), a disturbing 47% are still less than one-quarter of the way to their retirement savings goal.

I jokingly told someone I'm likely going to have to work to age 80 to pay for my kids' educations and our retirement, if I even live that long!

I receive emails daily from travel providers and one of my favourite spots, Atlantis in Nassau, Bahamas. I smile when they come in, then promptly cry. I keep promising Kim that I will take her somewhere warm and sunny when our ship comes in.

Due to several circumstances, we didn't manage to get away this past summer.

I do have a "sleep over" planned at Casino Rama for us in November.

The cost of living continues to rise and many things are beyond our control.

Perhaps we need to focus on squeezing every new shiny penny out of each day. Spend time, not money, with one another. Invest in ourselves, not uncertainty. Pay respect and compliments.

Any other ideas?

### Letter to the Editor

## Keeping Terry's memory alive

The communities in and around King Township came out on Sunday to carry on Terry Fox's Marathon of Hope. The weather cleared in time to see the 48 volunteers set up tents for registration in Wellesley Park, King City for the 146 participants who attended this event.

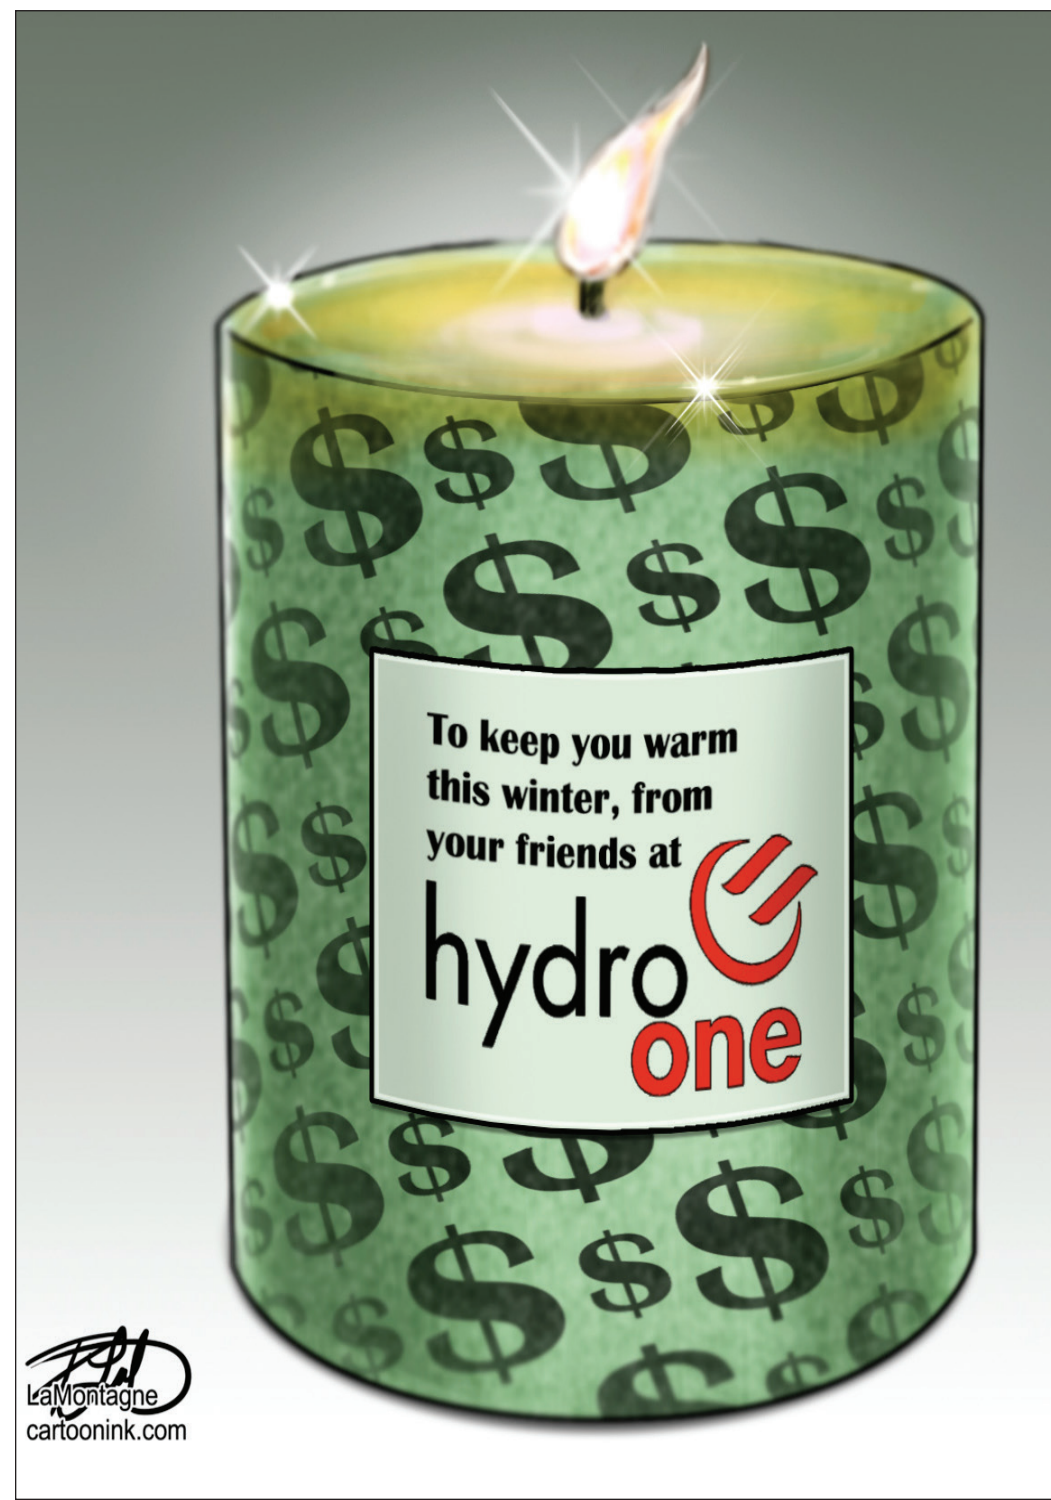

The route took participants north on Keele Street into the neighbourhoods of King Heights and Kingscross for a 2-km, 5-km or 10-km distance. Together these participants raised over \$4,800 for cancer research.

I would like to thank the many volunteers, participants, and organizations for their continued support and contribution to this very worthwhile event:

Frank Miceli, Jean Michaud, Bill Patterson, King City Lions, King City Market Place, King City Soccer Association, King Weekly Sentinel, Pine Farms Orchard, Schomberg Quality Meats, Snapd Aurora, St. Andrew's Presbyterian Church, TD Canada Trust, Tim Hortons, Township of King, Township of King Fire Services.

It is your dedication and support that makes our event here in King City an annual success. Thank you!

# Re-interment is a first

By Rev. Evelyn McLachlan

I have been in ministry with the United Church of Canada for almost 30 years, years and this was the first time I have been asked to preside at a re-interment of remains that were found to be over 150 years old.

It's a long story but basically human bones were found this spring in King.

Archeologists determined the bones were the remains of six adults and four infants and a tombstone that was in quite good shape.

Research showed that Isaac Morris and his wife Elizabeth (Crossley) Morris had been Wesleyan Methodist. In 1925 when the United Church of Canada was formed, the Methodists were one of the denominations to join together. As there was no relatives who came forward, the Funeral, Burial and Cremations Services Act (2002) allows the Registrar to name the Minister of the Church with religious affiliation to the persons whose remains have been discovered to act as the representative. That fell to me. The Registrar wanted to ensure that through my participation, the remains would be treated in a manner consistent with the religious practices and traditions of these persons.

On Thursday, Sept. 15, 12 individuals gathered for a re-interment service for the 10 individuals. The archaeologists had put the remains carefully into 10 new coffins and these were placed into

a family plot at King Cemetery. As part of this service, I talked about how the remains were found and looked after as well as scripture sentences, a prayer, Amazing Grace was sung by Sandra Kirby and we heard the probable same words of committal that might have been used when each of these individuals were buried. I used a prayer that was said at the re-interment of King Richard III in 2015 in Leicester, England.

Joe Karabin dug the grave by hand as that would have been how the first graves would have been prepared. A tombstone was found, covered by earth for many decades and so is in amazingly good shape. The words on it are: "In Memory/Isaac Morris/Who Died/Sept. 29, 1956/Aged 71 years/I know that my Redeemer liveth." This tombstone will be placed at this new grave.

I was honoured to be the church's representative for such a holy and spiritual act.

I hope you will find your way to the King Cemetery and see the tombstone for yourself, and then remember those who were lost and are now found. For me and all those who have been associated with this process, it speaks of how important it is that we maintain good burial records. We may believe that we are not important and that it doesn't matter where we are buried or have our ashes spread, but this experience has taught all of us just how important it truly is.

## Driver clocked at 56 kmh over the limit

A Kleinburg woman was charged by York Regional Police when she was caught speeding through Nobleton.

An officer spotted the vehicle travelling at 56 kilometres per hour over the posted speed limit in Nobleton.

Officers with the #1 District and #4 District Community Oriented Response (COR) Units have been conducting a commuter and commercial vehicle initiative on Highway 27 between Highway 9 and Highway 7.

On Sept. 15, shortly after 7:50 a.m., an officer was conducting speed enforcement on Highway 27 just south of 15th Sideroad in Nobleton in the area of a commercial shopping plaza and an elementary school. The officer spotted a vehicle going northbound at a high rate of speed. The officer used a radar device and measured the vehicle as travelling at 116 km-h in a 60 km-h zone.

The driver, a 27-year-old woman from Kleinburg who only holds a G2 licence, was charged with Stunt Driving and Speeding. Her vehicle was impounded for seven days and her licence was suspended.

Excessive speed has consistently been a contributing factor in many serious and fatal collisions that occur on our roads. Speeding drivers or those engaging in street racing put themselves and others at risk of death or serious injury when they choose to disobey traffic laws and disregard public safety. York Regional Police is committed to enforcing traffic laws and making our roads safer.

## Jazz performer Mele has many irons in the fire

By Mark Pavilons

It may not be apparent, but the universe is buzzing with the sweet echoes of creation. If you listen closely enough, you can almost hear the silky smoothness of the cosmos.

That idea hasn't escaped a very talented King performer and composer.

Michele Mele's creativity has no bounds. Primarily known as a jazz singer and songwriter, Mele has set her sights on the stars, literally.

Her newest project is "Universe in a Kiss," 75 minutes of original songs, performed live on stage. Accompanied by an orchestral soundtrack, enhanced with aerial works by circus performers, Universe in a Kiss is magical production. It offers an almost inexplicable connection of human hearts, one that arose billions of years ago out of cosmic dust. The universe has been expanding ever since, and Mele has tapped into that.

The founder of a house concert series, Mele is almost as exuberant as our explosive beginnings. And yet, her music is the epitome of sounds that charm the savage breast. For the past couple of years, KMC has brought jazz artists from around the world to Mele's home stage, entertaining music lovers from far and wide.

But just like the universe, Mele can't sit still, and she has several irons in the fire.

She recently formed ROBERM, a musical trio that performs a repertoire of jazz standards, Latin-infused compositions, and even some ragtime and classical favourites. Mele is joined by iconic international jazz pianists Bernie Sensky and Robi Botos. They hope to release their original CD this year.

Mele is also planning to release Cozy Christmas, a four-song mix for the holidays. You can pre-order the compilation Nov. 1 on iTunes.

Referred to as a "highly connected and communicative performer," Mele has several CDs to her credit – Dream, Cha Cha, Naked on The Rocks (which was also a one-woman show) and Feel, to name a few.

Mele, a King native, grew up in a family of professional musicians. Piano was Michele's first instrument, and she holds degrees from the University of Toronto, Faculty of Music and Faculty of Education (she often works as a music educator). Mele's ability as a composer, songwriter and arranger became evident early in her career. In 1989 her composition "That's All I Know" became a Gold Certified hit in Canada for singer Neil Donnell. In 1991, she composed for and arranged a series of choral concerts for the Toronto Philharmonic Orchestra, and became active leading a band on the club circuit as well as writing and arranging for other artists.

Mele has honed those creative juices and expressed herself through cooking, and her YouTube video series, Michele in the Kitchen."

Running now for the past three years, her show brings jazz into the kitchen. It's just another way to sooth people's souls and combine two of her passions – music and food.

Her original family recipes come alive in her home – everything from her grandma's pasta sauce to a near-perfect biscotti and stuffed eggplant. She's an avid cook, preparing three meals a day, and setting the table for 20 family members on Sundays.

She prepares the meals in real time,

and often just wings it. "Whatever happens, happens," she said with a laugh. Food, like music begins with the basics, refined tools and ample helpings of creativity.

She's had some special international guests for her show, a high-quality production that has flown under the radar. It really is the perfect combination of what the heart desires.

You can tell that Michele Mele has a hard time controlling her heartfelt passion. When she lets it out, whether in

the studio or in the kitchen, something magical happens.

Mele is hosting a show Oct. 16 and Roberm is performing at the Jazz Bistro Nov. 30. For tickets, visit <http://www.brownpapertickets.com/event/2604287>

## Poutinerie comes to Seneca King campus

By Jake Courtepatte

There's a new flavour in town on Seneca's King City campus.

Smoke's Poutinerie opened its doors in King recently, in an initiative CEO Ryan Smolkin said is a way to upgrade the typical campus meal.

"My strategy from day one was university and college towns, markets," said Smolkin. "The college front is what we're all about."

Smoke's joins seven other franchises in the marketplace setting of the King campus dining area.

"Partnering up with colleges like Seneca is a huge part of our business," said Smolkin. "We can have a big impact overnight, literally."

Employing around a dozen faculty/students, the poutinerie offers students choices that include pork, beef, chicken, or vegetarian. Smolkin suggests the new Chicken Bacon Ranch.

"It's unbelievable. You can't resist it."

Smoke's is open during regular cafeteria hours, from 8 a.m. to 7 p.m. Monday to Thursday, and 8 a.m. to 5 p.m. on Friday.

## Food Bank's Sip & Savour taking shape

By Mark Pavilons

A major fundraiser has evolved into the social event of the year in King. The King Township Food Bank will hold its annual Sip & Savour this coming Oct. 20 at Nobleton Lakes. The third annual event runs 6-9 p.m. and this year's theme is "Viva Las Vegas."

The small-scale casino games will complement the culinary cornucopia that the event is known for. The gala is known for its amazing, high calibre food, dishes not typically found at fundraising events. From fresh oysters, fine cheeses and magnificent dishes created by the area's best experts, Sip & Savour pleases the palate, all for a very good cause. The grand antipasto table, expanded oyster bar and fresh sushi are all to die for.

David Beasley will be the auctioneer, with thanks. The services of a professional auctioneer add much to the fun. Top of the wish list for a live auction item is 5 or 7 days in a vacation rental that could be in ski country, or south where it's warm.

The Diamond Sponsor is York Energy Centre, new to Sip & Savour this year. Other new sponsors to date include Talsin Investments, Guaranteed Roofing, Magna, and State Farm (Anna Raeli). Additionally, Sip & Savour has received a generous donation from Greenwin, Inc. There are still sponsorships available.

There will be 3 casino tables, and with the "money" that guests buy or win, they can purchase tickets on the Grand Prize of a trip for two to Las Vegas.

The theme is retro Las Vegas, with hors d'oeuvres reminiscent of the '50s and '60s when the "Rat Pack" was iconic to Vegas.

The Silent Auction Team is gathering wonderful donations of all kinds of goods and services to provide an array of shopping opportunities that is better than ever.

If any of the above prompts you to want to chat, call Carol Ann at 416-559-7898 or email her at [catrabort@gmail.com](mailto:catrabort@gmail.com).

## KING CITY DENTAL

### WELCOMING DR. ELENA DAVENPORT

Dr. Elena Davenport completed an Honors Bachelor of Science in Chemistry and then went on to receive a Master's of Science in Cellular Biology from the University of Toronto where she then pursued her dental training and graduated in 2011. She has been practicing dentistry in the surrounding areas of the GTA ever since.

Elena is a member of the Ontario Dental Association and the Academy of General Dentistry. She lives in Newmarket, and enjoys spending time with her husband and two children.

In practicing dentistry Dr. Davenport has an understanding of her patients, their fears and their treatment, with a confidence that she will help erase any concerns. Dentistry is such an exciting and expanding field that she frequently attends courses and conferences on the latest techniques, materials and skills. Every day provides another opportunity to help our patients achieve their dental goals to provide them with the self-confidence and positive outlook that comes with a beautiful smile. Dr. Davenport feels honoured to be part of a community that values exceptional service.

## Because we're blazing a new trail for King.

Kelly Mathews, Seneca's Manager of Community Recreation, has completed an extraordinary quest to raise awareness and financial support for Seneca's King Campus expansion and the Oak Ridges Trail. She is the first person to hike the 300-kilometre Oak Ridges Moraine trail in just seven days. The journey, equivalent to walking one marathon a day, started in Caledon and ended just east of Peterborough.

Kelly surpassed her \$5,000 fundraising goal, raising over \$9,000 to date. These funds will contribute to the future of King Campus and allow it to continue its legacy of being responsive to the health, vitality and educational needs of York Region.

Congratulations and thank you, Kelly.

# Children's Theatre Co. holding new auditions

Nobleton Children's Theatre Co. will be holding auditions Sunday, Oct. 2 for their next production entitled, "A Nobleton Christmas."

For further information including location please visit their website [www.NobletonTheatre.com](http://www.NobletonTheatre.com) or their Facebook page.

The kids enjoyed the limelight on Saturday, Sept. 10 when they performed their inaugural show, "Playing Around" at the Tasca Park opening.

In front of family, friends and neighbours they acted and sang the 10-minute "West Side Story-esque" mini-musical about two gangs who are vying for the new park as their "turf." The show was specifically written for the park opening by Michele Siebler-McNally, artistic director of the company. The music was written by pianist Karen Kastner of Keys Music Studio in Nobleton and drummer Adam Perzia of Bolton.

The children had been rehearsing since the end of May and their efforts proved them well. Showcased was ingenue Saskia Walter's beautiful, lyrical vocals alongside Vaastav Sharma's hip hop beats. Standout Cristian Moretto played the part of Bernardo with energy and gusto. There were some weather-related technical issues with the sound system but the kids carried on to the finale of the song "My Park, Your Park," a catchy tune that both gangs sing after they decide to share the park.

The company would like to recognize the generosity of Sustainability King for the purchase of the sound equipment and a monetary grant, as well as TD Canada Trust in Nobleton for their generous grant. They are grateful to Charmed Dance Academy and King Township Parks, Rec, and Culture for providing free rehearsal space.

The cast of Nobleton Children's Theatre Co. performed at the opening of Tasca Park. They're shown with director Michele Siebler-McNally.

## Moving the McGillivrays premieres this Sunday

A Kingscross home will be featured in a new HGTV show, set to debut this Sunday.

Moving the McGillivrays is a 10-part series for HGTV Canada that welcomes viewers into Scott's family life and home. It follows the McGillivrays' real-life adventures as they build their dream home together.

Scott and his wife Sabrina, plus their two little girls, Myah, 4 and Layla, 2, have a busy family life, two demanding careers and a great sense of humour to help manage it all. With Scott's toughest and most demanding clients yet - his own family - he's under pressure to deliver big results.

Scott and Sabrina are also passionate about giving back to their community and sharing their time and expertise to help others achieve their own goals of home ownership. To that end, the McGillivrays have partnered with Habitat for Humanity to help build a home for a hard-working local family.

The show premieres Sunday, Sept. 25 at 9 p.m. on HGTV Canada.

It could be a pair of track shoes, a theatrical costume, or maybe even a robotics set. If your child has a passion for something, we will harness it and take it to a whole new level. We will essentially attach a big set of sub-woofers to it and allow it to be amplified to the world. If they have yet to find it, we will dig down deep and explore all the possibilities, and not stop until we unearth that one thing that opens their mind and their eyes as big as humanly possible. It's an incredible place to discover big, dreamy answers to the question,

# Community helps make Street Gallery a huge success

By Tom Wray  
Chair, Schomberg  
Street Gallery

On behalf of Arts Society King (ASK), thanks to all who participated in the 8th annual Schomberg Street Gallery on Sept. 11.

Main Street was filled with artists and art lovers for the entire day.

With so much co-operation from the community, I'd like to take this opportunity to thank everyone who helped make this year's art show the biggest and best yet.

Thanks to KingTownshipBiz.com and Schomberg Village Association who sponsored the brochure this year.

To King Township for cleaning Main Street just before the gallery, providing

picnic tables and garbage cans, and allowing us to close the street to vehicular traffic for the day of the gallery.

To the businesses, residents and visitors to Main Street for not parking on the street on Saturday night, allowing us and the artists to get set up on Sunday morning (and also for dealing with the road closure on Sunday so graciously). A special thanks to RONA and the Agricultural Society who allowed us to park on their property. Thanks to the Schomberg Lions Club for providing a delicious dessert and RBC for donating ice cream bars.

To the volunteers who cheerfully help on the day of the show.

Thanks again to all. See you next year!

# EDUCATION WITH BALANCE

At CDS, our goal as a school of balance is to do much more than graduate exceptional test-takers: it is to graduate exceptional people. Involvement in extracurricular activities boosts confidence and well-being, so we encourage each student to join a club or sports team, play in the band or audition for a play ... wherever their curiosity takes them.

*Now is the time to try new things and discover a life of balance.*

### THE JOURNEY BEGINS

At CDS, the journey from early learner in **Kindergarten** to confident leader in **Grade 6** is carefully nurtured by talented teachers who are close by to support learning and foster independence.

### THE MIDDLE YEARS

Our highly experienced **Middle School** teachers understand the social and academic pressures and joys of this transitional time in a young person's life and provide a steady stream of guidance.

### READY TO LAUNCH

Our **Senior School** is large enough to provide extensive opportunities for individual exploration and small enough to ensure that each student is known and valued.

### OUR GREAT OUTDOORS

Our 100 acres of protected wetlands, fields and forests create a unique opportunity for all students in JK through Grade 12 to learn and explore.

### CREATIVE MINDS

A balanced education includes the dramatic, musical and visual arts so that students are able to develop the creativity, self-awareness and communication skills that drive innovation.

## May leads Junior C Cougars past Golden Hawks

By Jake Courtepatte

Rookie Connor May notched his first two goals in a Schomberg Cougars uniform Sunday night to earn the Junior C club its first win of the season.

Playing the spoilers to the Caledon Golden Hawks' home-opening night, the first period saw Caledon goalkeeper Jason Cumbo standing on his head. Connor Whiteside had a glorious opportunity on an early power play, stopped on a rebound by a diving Cumbo, drawing cheers from the home crowd.

Late in the first, team vet Ryley Egerton was sprung on a semi-breakaway while on the penalty kill, but was unable to beat Cumbo.

It was on the penalty kill, however, that May finally found the back of the net early in the second. Caledon's Nicholas McNutt countered to tie it just minutes later, though May regained the lead with another short-handed goal just before the ten-minute mark of the period.

Putting up a strong defensive approach for the final twenty minutes, Egerton added a late empty-netter for a 3-1 win.

Schomberg exacted revenge on Caledon following a home opener loss to the Hawks on Thursday at Trisan Centre, where Caledon threw 41 shots at Michelizzi for a 5-2 win. Brennan Young and Egerton were the lone Schomberg scorers.

The opening weekend of play brought about some massive changes to a league left mostly untouched for the past two decades.

The Georgian Mid-Ontario Hockey League, of which Schomberg has been a member since its beginnings in 1994, has become the Carruthers Division of the newly-formed Provincial Junior

Hockey League (PJHL), a massive 65-team league.

Nearly 1,500 players will drop the puck on the inaugural PJHL season this September, though the ex-GMOHL division remains largely untouched. The division remains occupied by the Golden Hawks, Cougars, Stayner Siskins, Penetang Kings, Alliston Hornets, Midland Flyers, Huntsville Otters, and Orillia Terriers.

Ontario Hockey Association President Karen Phibbs said the new league is part of a rebranding initiative for Junior C hockey.

"Our goal is to ensure all players benefit from experiencing high-end hockey as close to home as possible," said Phibbs. "We want to bring players, coaches, scouts, fans, families the opportunity to follow, and develop from, the rich history of Junior C hockey."

Though now under the PJHL umbrella, the Cougars' regular season schedule remains rooted in the ex-GMOHL. All regular season games are within the Carruthers Division, with inter-divisional play coming to fruition in the post-season race for the Clarence Schmalz Cup.

Schomberg will continue the tradition this season of hosting Thursday night games at the Trisan Centre, this week taking on the Huntsville Otters (1-1-0) at 8:30 p.m. They pay a visit to Huntsville the following night.

The Cougars will not have to face the defending league champion Alliston Hornets until mid-October. Alliston swept Schomberg out of the 2015-16 first round of playoffs in four games.

For stats, schedules, and more information, visit [www.schombergcougars.com](http://www.schombergcougars.com).

## Royals U13 ousted by Vaughan

The U13 King City Royals boys' soccer team continued play in the York Region Soccer Association's first division this past week as they now have one game left in this summer's season.

On Sept. 14, the Royals had their toughest test of the season as they played second place Vaughan at home. Despite a 3-0 loss, the Royals played hard the entire game and had multiple scoring opportunities throughout the game that made the outcome closer than the final score indicated.

Vaughan started the game off quickly as they pressed the Royals early and often. About 10 minutes in, Vaughan had a golden scoring opportunity inside the box but goalie Anthony Bruno made a spectacular diving save to keep the game scoreless. Unfortunately for King City, Vaughan came storming back at the 15-minute mark with a shot from virtually the same place but this time scored to take a 1-0 lead.

That goal actually calmed the Royals down as they had a few great chances, including 29 minutes in as Mario Fratto's volley just scaled over the net to keep the game at 1-0. Minutes later, Vaughan came down the Royals' end again and scored another beautiful goal from inside the box to take a 2-0 lead into the half.

The second half was evenly played as both teams had chances to score, including a great shot by King City's Kahyl Jadavji that was blocked thanks to a great diving save by the Vaughan goalkeeper. Vaughan added one more goal in the second half to make the final 3-0.

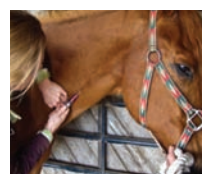

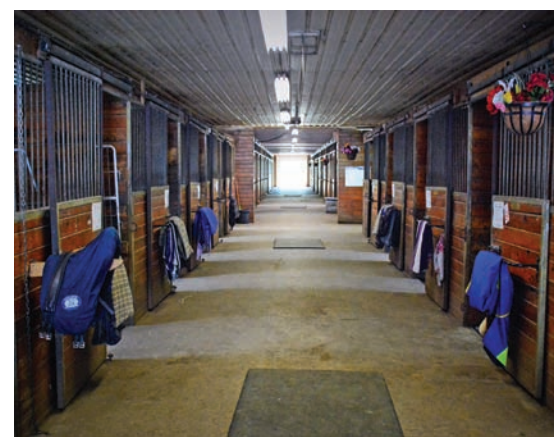

The Royals were also rewarded a 3-0 win this past week against Cavan FC to bring their season record to 14-3-2 (44 points). Their final game of the season will be against the Woodbridge Strikers, who are undefeated in the league and also won the Ontario Cup this past weekend. That game will take place on Sept. 27.

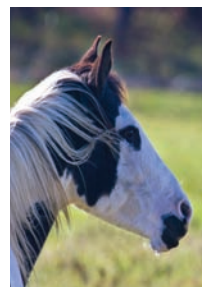

## NobleKing Knights continue to win

After a stellar season last year where they won an impressive 3 titles, including the prestigious International Silver Stick Championship, and appeared in the OMHA Peewee A finals, the NobleKing minor bantam A Knights began their season by capturing the Richmond Hill Early Bird Tournament championship this past weekend. After such an incredible 2015-16 season it was no surprise that AA and AAA teams approached their players with offers, resulting in the loss of four players. With five new players in their lineup – Scott McCann, Liam Rider, Robbie Forletta, Zach Romeo and Francesco Filicetti – the Knights quickly formed team chemistry and won their first tournament of the season in Richmond Hill where strong competition included the Uxbridge Stars, Whitby Wildcats, Barrie Colts and an improved Caledon Hawks team. With strong goaltending and team defence, the Knights allowed only five goals against in six games to finish the tournament as undefeated champions.

# Stage set for annual Schomberg Country Run

## Schomberg Should Know

By Wendy-Sue Bishop

### Successful community fundraiser

On Sunday, Sept. 11, an amazing fundraiser was organized by a group of dedicated friends to raise funds in order to purchase a wheelchair lift for Tana Porter, suffering from debilitating MS. The community came together and raised over \$11,000 to help better the quality of life for Tana and husband, Troy.

There were innumerable individual donations made for the silent auction and raffle.

A big thank-you goes to Let's Rock'n'Roll MS Away; the Woodbridge Seventh Day Adventist Church; The Scruffy Duck, Schomberg; The Township of King and Mayor Steve Pellegrini; Piccoli Tesori; Aim2Walk; Weston Hardwood Design Centre; In This Corner; Schonberg; Il Mondo Pizzeria; Mario's Bake Shop, Nobleton; Ace Bakery, LCBO and Tim Hortons, Schonberg, and the MS York Chapter for their donations.

### Horticultural Society

The Schomberg Horticultural Society is excited to get together once again after this hot, dry summer. Our special guest speaker is from our very own local garden center, Pathways to Perennials. Angie Allen, who is always informative, creative and enthusiastic, will make a presentation on "Ornamental Grasses" and bring product for purchase at a discount.

Please join us, ask any questions of the speaker, and stay for refreshments on Tuesday, Sept. 27, at 7:30 p.m. in the Community Hall on Main St.

Meetings are held on the fourth Tuesday of the month from March to June and September to October. Individual membership is \$15 per year and the family rate is \$20. Guests are always welcome at \$3 per meeting.

### King Township Public Library

King, Nobleton and Schomberg Library branches offer free computer

classes, either one on one or group lesson. Please contact your branch and inquire on the timing of these classes.

### Chestnut Manor's bake sale

The good people of the Chestnut Manor (32 Church Street) are once again planning for their annual, ever-popular and long anticipated Bake Sale. Look forward to mouth-watering homemade pies, cakes, loaves, tarts, cookies. On top of all those calories you can also get some great local maple syrup to satisfy your sweet tooth!

Chestnut Manor welcomes everyone to their sale on Saturday, Oct. 15 from 10 a.m. to 1 p.m.

### 5th annual Country Run

The Anglican Parish of Lloydtown was founded in 1843, and is made up of three churches: Christ Church, Kettleby; St. Alban's, Nobleton; and St. Mary Magdalene's, Schonberg. Our church communities are small, but mighty. We enjoy contributing to the life and work of our neighbourhoods and beyond, through youth programs, children's programs, summer camp, visiting the sick and aged, community fundraising events like Katrina's Soup Kitchen and Soup for Haiti, Christmas hampers, prayer, and founding the King Township Food Bank.

So, now in its fifth year, the Anglican Parish of Lloydtown is once again sponsoring the The Schomberg Country Run.

A legacy of clean drinking water for all Canadians is something we could all be proud of and well worth the effort.

We believe that all Canadians should have access to clean drinking water. Currently, there are 111 indigenous communities in the north that are under long-standing "boil water" advisories. In our lives we take easy access to clean water for granted. That is not the case for many of our brothers and sisters in The North. In discussions with the Council of the North, we have come to realize that this is a complex issue, but we can take some first steps toward finding a solution.

Proceeds from this run will support clean water initiatives in indigenous communities in The North, and the work of the Anglican Parish of

Lloydtown (Kettleby, Nobleton and Schomberg).

The town of Pikangikum, Ontario has long standing drinking water issues as well as the highest suicide rate in the world. Pikangikum and Schomberg had the same population size in the year 2000. After a number of studies, expert advise and considerable worry, they decided that the first and most important way to prevent suicide is to address the basic needs of clean drinking water and waste management.

With the help of the elders and the Pikangikum working group we now have 16 homes with clean drinking water in their homes and an effective waste management system. This makes a big difference to the health and well being of the community.

So, if you love to run or walk and if you would like to do something good for your fellow man, this is your golden opportunity!

This event always takes place on the last Saturday of September and this year that is the 24th. Go to the website [www.parishoflloydtown.com](http://www.parishoflloydtown.com) or call Reverend Sheilagh at 905-939-2314 for further information.

The route is a 5-km loop starting in front of the old arena on Western Ave. We speed up Western and turn West on Church St. past our beautiful church, St. Mary Magdalene's Anglican, out through the country to historic Lloydtown. In Lloydtown we turn right on Centre st., passing the Schomberg River and the old one room school house. At the end of the street we turn around and take the rolling hills down to the finish line.

### Christ Church, Kettleby

Many thanks to all who visited our historic field stone church during "Doors Open King." Our beautiful stained glass windows drew much favourable comment. Going down into the crypt of the church hall to see the original logs some still holding their bark was an interesting experience for visitors.

A fundraiser for the second phase of restoration in this 125 year old church called "Kettleby Goes Country," is slated for Friday, Oct. 7, 7 to 9 p.m. with singing, live classic country music from a 5 piece band and, square dancing too

plus light country style refreshments. A pie auction is on tap as well. All in all a fun evening for all Tickets are \$25 and will be available at the door.

Sunday Holy Communion services are now at the regular times-Christ Church 9:30 a.m. and St. Mary Magdalene's, Schomberg 11:15 a.m.

More information on all these events is available on our website [www.anglicanparishoflloydtown.com](http://www.anglicanparishoflloydtown.com) or the church office at 905-939-2314.

### Main Street Christmas

Yes, you read that right-Christmas. But nothing happens without a lot of preparation and organization ahead of time.

Main Street Christmas happens this year on Saturday, Dec. 3. Gates are open at 3 p.m.

The Main Street Christmas Santa Claus Parade happens at 4 p.m. starting at Western Avenue and Main Street, heading south on Main Street and turning right at Church Street.

I am the Parade Marshall and last year I had an amazing response from the community so let's make it even better this year. I am looking for the participation of all organizations, businesses and anyone who wants to be in a parade to contact myself at 905-590-0054 or email me at [wsue52@hotmail.com](mailto:wsue52@hotmail.com)

If you would like to help with the parade please contact me, as well.

Please check out our website at a Main Street Christmas.com

### Tree Program offers site visits

Beat the spring rush and organize a site visit today. Planting trees is a simple solution to help combat climate change. Landowners with a minimum of 2.5 acres (one hectare) of plantable land may be eligible for a generous tree planting incentive program delivered by Forests Ontario. This program is for large-scale plantings.

Find out more about the 50 Million Tree Program at [www.forestsontario.ca/50MTP](http://www.forestsontario.ca/50MTP) or contact our Forestry Outreach Coordinator, Suzanne Perry, at 1.877.646.1193 ext. 239 or at [sperry@forestsontario.ca](mailto:sperry@forestsontario.ca).

# Women's simulcast event at church nears

## Nobleton Notes

By Angie Maccarone  
905-859-5174

### St. Paul's Church

The Youth Group takes place every Wednesday night at the church from 7-9 p.m. (unless there is a special activity planned). Come join in the fun. Check here for details, or contact our Youth Leader Taylor Scott at scottie\_tay@yahoo.ca or 289-338-2539.

A2J is a program for kids in Grades 3 to 6. It promises an evening of Bible stories, songs, games, crafts, self-confidence building and lots of fun. A2J meets the 2nd and 4th Friday evening of each month, from September to May. It's not too late to join. Contact the church office at 905-859-0843 for more information. The first meeting of A2J will be at the church Friday, Sept. 16 from 7 to 9 p.m.

Join us Sunday, Sept. 25 at 10 a.m. as Jeff begins a new series entitled "Advice From A Mentor." Jeff's message

this week - "Accept mercy."

Child care (for children 3 years of age and younger) is provided during the gathering. Our Summer KidzKonnection and NextStep Program (for children ages 4 to 11) takes place at the same time.

Come join us for the Extraordinary Women's Simulcast on Sept. 30 and Oct. 1. The simulcast will run Friday evening and all day Saturday. Dynamic women of faith will inspire and encourage through the re-telling of personal stories with an emphasis on overcoming great personal obstacles, the challenges of marriage, raising children, with a Christ-centred heart in an ever-increasing secular world, and finding peace in our overwhelmingly busy lives.

Let us gather in strength for inspirational prayer and fellowship among friends as we gather courage from life-affirming stories that bring us closer to the heart of our living almighty Father. Tickets are \$25 and money will be accepted until Sept. 26. Lunch and refreshments will be provided.

Jeff has a blog and he records his

weekly messages there after worship each Sunday. Anyone interested in listening to his messages can go to www.passionatelyhis.com to hear them.

For more information about ANY of our activities or events, please contact the church office or visit our website at www.stpaulsnobleton.ca.

### St. Mary's Church

Marriages are celebrated in the church where the bride or groom is registered at. When a man and a woman plan to marry each other, they should contact a priest one year in advance and always before the wedding date is set, and before arranging for the reception hall. The engaged are required to attend a Marriage Preparation Course.

Please note, however, if this man or woman has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted. Questions are being often asked about marriages performed outside the Catholic Church by non-Catholic min-

isters. These are not valid marriages according to the teaching of the Catholic Church, but many can be rectified by simply consulting with your Parish priest to discuss the available options.

Confessions are heard 1/2 hour before weekday masses at St. Patrick & St. Mary and 4 p.m. on Saturdays at St. Mary Church.

Baptisms are celebrated at St. Patrick and St. Mary Church. Baptism registration forms are available at the parish office. Both parents are required to attend 2 Baptism Catechism classes.

St. Patrick's and St. Mary's commemorative photo album. The final date is Saturday, Oct. 1, from 10 a.m. to 3 p.m.

Please contact the parish office to book an appointment.

### Nobleton United Church By Nancy Hopkinson

Rev. Marjorie Knill will do the Sept. 25 service at our individual churches (Kitchen Breedon Manor at 9:30 a.m. for Schomberg, and Nobleton United at 11:15 a.m.).

family and fellow community members we call our heroes who have continued to support us over the years. Those who golf, those who sponsor holes, those who donate prizes, those who volunteer, those who donate money, water, snacks, fruit, and even massages. It is so rewarding to know that what you give we can give right back - that's what a small community does! It's all about the love and support we have for each other. We love each and every one of you. Next year is our 10th Anniversary, so mark the date on your calendar July 15, 2017, and see you at Glen Eagle for another round of golf, fun and friendship.

# Sold-out Harvest Dinner was a big success

From Page 18

Val Ball and Sue DiFebo are providing coffee, tea and treats before the Nobleton service in the quilting room, which can be taken into the sanctuary.

On Oct. 2 and 9, we will have Rev. Keith Knill leading the service. Linda Olsen is providing the refreshments for Oct. 2. We are also having Communion on that day. Oct. 9 is Thanksgiving Sunday.

Messy Church is back to its regular time as the second Tuesday of the month, which will be Oct. 11, from 5 to 7 p.m. All children must be accompanied by a responsible adult, as this is a family oriented set of activities. Do not dress up for this, as the activities can be messy. Dinner is included. There is no cost, as our churches sponsor this. For more info, contact me at 905-859-0761.

Sunday, Oct. 16 at 11:15 a.m. is Nobleton's 120th anniversary. We are having a musical celebration with Mount Albert United's handbell quartet, led by Sandra Thompson. This is a joint service with Schomberg United. Rev. Marjorie Knill will lead the service. There will be

a light lunch afterwards.

The Harvest Dinner at Nobleton last Thursday evening was sold out. Everyone enjoyed the delicious meal of roast chicken breast with all the fixings and then lots of pie slices (apple, pumpkin or lemon meringue) for dessert. Thanks to organizer Fran Bones and her helpers for the meal. Heather Patterson from the Barrie Garden Centre brought lots of small flowering plants (like pansies) to decorate the tables and Paul Olsen from BTN gave away some beautiful planters of mums. The plants and planters were given away as door prizes.

Last Sunday's musical service at the Jt. Service in Schomberg was very enjoyable with the Sentimental Journey Band playing our hymns and other selections. Rev. Marjorie Knill explained a bit more about how the hymns that we sang came to be as we came to each different hymn.

For more info, visit nobletonunitedchurch.com, our Facebook page, or call 905-859-3976. The church office is normally open on Wednesday and Thursday mornings. Messages are picked up

regularly. We are located at 6076 King Rd., north side, about 6 buildings west of Hwy 27. We have a big parking lot at the rear of the building, an accessible ramp at the rear of the building, chair lifts and accessible washrooms.

## Horticulture By John Arnott

That precious metal wasn't the only gold the conquistadors sent back to Spain from the New World, marigolds were another. And I've certainly noticed the gorgeous display of colour and size these treasures are putting on in gardens of our area in spite of this summer's hot, dry weather.

Bill Casselman in his book "Canadian Garden Words," writes how seeds of these plants, native to the tropical Americas, were sent by Hernando Cortez after his invasion of Mexico to Charles V Holy Roman Emperor. Specimens of these plants were obtained by horticulturists in France and from there both seeds and plants were introduced into Britain where they became known as French marigolds.

Some years later a taller species, a close cousin of these Americans but native to Nepal in the Himalayas, were introduced into Britain from India but misnamed African marigolds. Both original species had single or semi double flowers in orange or yellow. Hybridizing, however, has given us full doubles and shades of deep orange or rich yellow mixed with mahogany, copper brown or bronze.

Their common name comes from "Virgin Mary's gold," but as Casselman tells their botanical tagetes derives from Tages an Etruscan (a the brilliant civilization in Italy before the Romans) god who sprang from the earth like a plant. They probably had a perfectly suitable American name that was totally ignored! Tagetes patula - Latin for spreading - is the French marigold while the African species is tagetes erecta - Latin for straight. Signet marigold (tagetes tenuifolia - Latin for slender leaves), with its masses of tiny yellow flowers and closest is to the wild marigold is well worth growing but not always easy to find in our local garden centres.

### 708 OBITUARIES

## Michael Warden Whitehorn Jarvis

Died peacefully September 11th 2016 of brain cancer. Born in Glasgow, the youngest of four sons of Dr. Ernest Jarvis and Lois Jarvis, Michael studied at Glasgow University and graduated with an MA, LLB and CA.

He worked as a CA accountant his entire life, but an offer of adventure overcame his accountant veneer and after a short time working in Scotland, he went to Venezuela, where he worked for 8 years at Peat Marwick Mitchell, persuading Sheila to join him there and start a family. In 1968, the Jarvis family immigrated to Canada, where Michael worked for CFM, Ultramar and finally York Central Hospital.

Michael loved sailing, and all sorts of games. A member of the Boulevard Club and then Mimico Cruising Club, and loved sailing in Scotland, on the Great Lakes, the Maritimes and anywhere else.

Michael served his community through Fairlawn Avenue United Church and King City United Church, and after retiring through CEO in Panama, Bolivia and Canada.

He will be greatly missed by Sheila, his wife of 53 years and their four children, of whom he was immensely proud: Katie (Peter) Fiona, David, and Geoff (Kristin) and his grandchildren, Andrew, Ben, Sofie and Oceana.

The family is very grateful for all the support shown by friends of the family over the last two years.

A celebration of life service will be held at King City United Church <https://torontoconference.ca/cof/king-city-united-church/> at 50 Elizabeth Grove, King City on Saturday September 24th, at 11:30 am. In lieu of flowers, the family would appreciate donations to a charity of your choice.

### 708 OBITUARIES

#### GASKO, Henry

Peacefully passed away at home with family at his side on Friday, September 16, 2016. Henry Gasko of the Holland Marsh at 86 years of age. Beloved husband of Lena for 66 years. Loving dad of Henry (Judy) and Herman (Shannon). Proud Otta of Emily (Ollie), Anne; Chelsea (Luke), Kylar (Natalie) and Kolby (Nicole). Dear brother-in-law of Joe (Katie) Queiser. Henry will also be fondly remembered by his nephew, nieces and cousins. Friends called at SKWARCHUK FUNERAL HOME, 30 Simcoe Rd., Bradford for visitation on Tuesday, September 20, 2016 from 2-4 p.m. and 7-9 p.m. Funeral service was held at the funeral home on Wednesday, September 21, 2016 at 1 p.m. followed by cremation. In Henry's memory, donations may be made to Southlake Regional Health Centre Foundation, Newmarket.

### 708 OBITUARIES

#### LANG: Donald Clarence

(Longtime resident of Bradford West Gwillimbury) At Royal Victoria Hospital Barrie, on Thursday September 15, 2016. Donald Lang in his 82nd year, beloved husband of the late Charlotte Lang (2010). Loving father of Debbie, Cindy, Linda, and Greg (Mariza). He will be sadly missed by his grandchildren: Neil (Martina), Mallorie (Nicholas), Amanda, Andrew, Cinnamon, and Andrew. Dear brother of Phyllis (Peter), Shirley, Doris (Harry), and the late Wilfred, Marjorie, and Lois. Rested at Rod Abrams Funeral Home 1666 Tottenham Rd., Tottenham 905-936-3477 on Sunday September 18, 2016 from 12 pm until time of Funeral Service in the chapel at 1 pm. ## King's Corners

King City United  
By Earle Laycock

Rev. Evelyn McLachlan continued her fall sermon series entitled "Standing On the Promises!"

Her text was Genesis 15: 1-6 and Psalm 33. Here Abram is told in a vision from God to "don't be afraid, I'm your shield, your reward is going to be great." However, Abram is not satisfied. He is getting old and worried that he has no heirs. Scripture begins the next part of the conversation with that wonderful three-letter word ... b u t! God goes past the "but" and assures Abram that his heirs will exceed the number of stars in the sky.

Rev. Evelyn reminded us that as we look to the future, we shouldn't get mired down in all the "what ifs, buts" and what we don't have, instead of looking up and seeing the possibilities and trusting that we are not alone. We are part of an amazing promise.

This past Thursday, Rev. Evelyn was asked to be part of a reinterment service at King City Cemetery for 10 remains that were found during recent excavations. The bodies had been buried in a private cemetery, which had fallen into disuse, and date back to at least 1856. A grave marker was also found for Mr. Isaac Morris who died in 1856 at the age

of 72. He was married to Elizabeth who was likely buried with him. The graves included adults as well as children. It is believed that the remains found were Methodists which later became part of the United Church of Canada.

We extend our condolences to the Jarvis family on the death of Michael Jarvis on Sept. 11, 2016. Michael will be greatly missed by Sheila, his wife of 53 years and their four children: Katie (Peter), Fiona, David and Geoff (Kristin) and his grandchildren, Andrew, Ben, Sofie and Oceana. A celebration of life will be held at King City United Church on Saturday, Sept. 24, at 11:30 a.m.

The United Church Women are participating in the King City Farmers' Market in the Anglican Church parking lot on Oct. 2. They will be accepting arts and crafts on consignment or baked goods, preserves, plants and vegetables for sale. Call Alma 905-833-1631 or Marylee 905-833-5960 for further information.

On Sunday, Sept. 25, Rev. Evelyn and Earle will be sharing some photos and impressions of their trip to Newfoundland. Join us for a pot-luck lunch after worship and then the slide show which will start around 12:15 p.m. Whether you attend King City United or not, you are welcome to join us for this fun event. Bring a friend!

Remember Tea & Talk at the Sunset Grill Friday mornings at 10 a.m. Drop by to discuss the latest news, your faith,

to meet new friends, renew acquaintances or even to enjoy a delicious breakfast.

Sunday worship services are held at King City United Church every Sunday at 10 a.m. All are welcome. King City United is located at 50 Elizabeth Grove, King City. For more information, call Kristen our office administrator at 905-833-5181.

### St. Mary Magdalene's Schomberg, Christ Church Kettleby

Please keep in mind the up coming Schomberg Run on Saturday, Sept. 24 as part of the Anglican Diocese of Toronto's initiative to raise money to bring clean water into more homes of the First Nations community of Pikangikum in northern Ontario. Registration forms at St. Mary Magdalene's.

AA Meetings continue a St. Mary Magdalene's Schomberg Monday evenings starting at 7:30 p.m., with visitors welcome the last Monday of each month.

For more information call the church office 905-939-2314 or visit our website [www.anglicanparishoflloydton.com](http://www.anglicanparishoflloydton.com)

### Horticultural Society

Judy Onorato is one of our members who makes mists and essences from flowers in her own garden and as guest speaker she will share some of her se-

crets in creating these and have some for sale when the Nobleton-King City Horticultural Society (Garden Club) holds its September meeting and flower show this coming Monday, Sept. 26 starting at 8 p.m. in the Nobleton Community Hall just in from Hwy. 27 on Old King Rd. at the north end of the arena complex. What a great evening we've planned, complete with a colourful flower show featuring late summer flowers and vegetables. There will be light refreshments too, all in all an informative evening not to be missed. There is a fee of \$5 for non-members attending.

### King Bible Church

We welcome you to join us for worship service on Sept. 25! Pastor Mark will be continuing our sermon series "Family Matters" with "Bear With One Another."

Please take advantage of our excellent children's ministry. Our Sunday morning "Celebration Zone" provides age-appropriate programs for children aged 4 to Grade 8. Our children's program is staffed by screened volunteers who care about your kids! The children in Grade 1-8 will join their parents for the beginning of the service until they are invited to go downstairs. The children in kindergarten can go directly to their class at the start of the service.

# Blessing of the animals takes place Oct. 2

From Page 20

If you have children aged 0-3 then we invite you to bring them to our beautiful and safe Nursery facilities which are located on the lower level. Caregivers will meet you there.

We chose the theme of "Legacy" because we believe that's what families are looking for; both to be a part of as well as leave a lasting "Legacy."

We will begin our "Legacy" nights on Tuesday, Sept. 20 from 6:45-8 p.m.

Our children's classes will be JK-Grade 4, Grade 5-8 and Grade 9-12. They will meet downstairs and begin with a time of Worship altogether before breaking off into their classes for a time of study, crafts and games!

We will provide nursery care for children 0-3.

Our adults will be studying the "Truth Project" and will meet upstairs.

## York Pines United

Regular events are happening again at the church. Monday evening dance classes are held 7 to 9 p.m. in the church basement hall under the professional instruction of Derek Kryszkowski. More dancers, especially beginners, are welcome to join classes.

Bible Study, following Seasons of the Spirit curriculum, is held weekly Tuesday mornings 10 to 11:30. New

members are always welcomed. Once a month, a group gather to knit prayer shawls and baptismal blankets. This month the meeting is Tuesday, Sept. 20 at 1:30 p.m. Wool, tea and friendship are provided.

Also monthly, a Fellowship Lunch takes place. Thursday, Sept. 22 the group will be dining at The Mandarin Restaurant in Newmarket at noon.

Yoga classes will resume Tuesday, Sept. 27, 7 to 8:30 p.m. under the leadership of Stacey Hollings. This is a great way to stretch your body and mind.

The monthly book club meeting is Wednesday, Sept. 28 at 7 p.m. "50 Canadians Who Changed the World," by Ken McGoogan will be discussed.

The church is located at 3150 Lloydtown Aurora Road, Kettleby, just east of Hwy. 400. Our Sunday services begin at 10:30 a.m. Join us in prayer, worship and song. For any further information, please contact the church at 905-727-8118 or office.yruc@rogers.com

## St. Andrew's By Kathy Patterson

St. Andrew's Presbyterian Church invites you to join us this Sunday at 10:30 a.m. for our worship service and stay for coffee in the lounge following the service.

Pastor John Mills's sermons about Moses continue! Each Sunday we're

discovering more about this important Biblical figure and how his story is applicable to our lives. The God of Moses certainly had a plan for him and this same God has a plan for us today. Like Moses, when he saw the Burning Bush, are we lingering in God's presence and humbling ourselves before Him to hear this plan and to allow God to use us?

Sunday School has started up again and takes place in the upper classroom during the morning service. A nursery is available.

This Sunday, Sept. 25, the Rev. Dr. John Vissers will be leading us in worship and will preside over the Holy Communion service.

Junior Youth will resume in October, meeting the first and third Fridays of the month at 7 p.m.

Ladies' Prayer time continues Tuesday mornings at 9 a.m. All are welcome to attend this special time of prayer and quiet reflection. God is with us as He has promised and is hearing and answering our prayers. Let us know if you have a prayer request or a thanksgiving.

Thursday is the King City Lodge Visitation at 2 p.m. Meet at the church parking lot to carpool at 1:30 p.m.

Should you have pastoral care needs please contact Lynn Vissers, our Director of Congregational Ministries at the office 905-833-2325. Our church is located at 13190 Keele St., 2 blocks north of

the King Rd. www.standrews-kingcity.ca

## All Saints Anglican Church By Diana Armitage

Plan ahead for a busy and fun day at All Saints on Sunday, Oct. 2. The Blessing of the Animals services will be at 8 a.m. and 10:30 a.m. Please bring your beloved pets for a blessing.

In the afternoon, the Rt. Rev. Peter Fenty will join us for a Celebration of New Ministry at 4:30 p.m. between the Rev. Dr. Elizabeth Green and the people of All Saints.

Just to add to the excitement that day: the next King City Farmers' Market will be on Sunday, Oct. 2 from 8 a.m. to 1 p.m. in the All Saints parking lot.

Monday, Oct. 3 is the deadline for your Vestry Reports and there are only ten days left to write them! Please send them to the church office: allsaints3@bellnet.ca

Bible Study has resumed on Monday nights at 7 p.m.; please call the church office 905-833-5432 for details, and the Prayer Group has resumed on Tuesday mornings at 9:30 a.m.

The annual Field to Table Dinner will be held on Sunday, Oct. 23 at 5 p.m. in the church hall. Tickets are \$20 each. Please call the church office at 905-833-5432.
