First McHappy Day marked in King

Local dignitaries and many special guests made the first McHappy Day in King Township a huge success last week. The Schomberg McDonald's, owned by Rory MacKinnon (above left) was bustling with activity during this fundraising day. Joining him were Mayor Steve Pellegrini and Becky Eveson with her children. Eveson was the recipient of a special recognition award at the recent Volunteer Appreciation Night in King. MacKinnon noted Schomberg's contribution was \$4,900 to the Toronto Ronald McDonald House and \$4,900 to the Schomberg Agricultural Fair. It was a great day with lots of community support! In all, \$5 million was raised across Canada.

EMPLOYMENT OPPORTUNITIES

KING TOWNSHIP PUBLIC LIBRARY

The Library is seeking to fill 4 Summer Student Programmer Positions. Please see the complete posting for this position at kinglibrary.ca.

PUBLIC NOTICES

The municipal offices and libraries will be closed on Monday, May 22 for Victoria Day, reopening Tuesday, May 23 for regular business hours.

In case of an urgent township matter, call 905-833-5321 and the answering service will relay your call to the appropriate personnel.

NOTICE TO PROPERTY OWNERS

DESTROY WEEDS

NOTICE is hereby given to all persons in possession of land, in accordance with the Weed Control Act, R.S.O. 1990, Chapter W.5, Sections 3, 16 and 23 THAT unless noxious weeds growing on their lands within the Municipality of the Township of King are destroyed by date of 1st June, 2017, and throughout the season, the Municipality may enter upon the said lands and have the weeds destroyed, charging costs against the land, as set out in the Weed Control Act.

All properties ten (10) acres or less may have noxious weeds destroyed without notice to the owner. The co-operation of all citizens is earnestly solicited.

Kathryn Moyle
Director of Clerks

Compost and wood chip giveaway day

The Township of King Public Works Department will be hosting a compost and wood chip giveaway day on Saturday, May 13th, 2017 from 8:00 a.m. until 2:00 p.m. at the Works Yard located at 16735 8th Concession, Schomberg (corner of Lloydtown-Aurora Road and 8th Concession). Please bring your own shovels and containers. Arrive early – limited quantities available!

REMINDERS

WATER BILLS

Due Date: May 18, 2017

WATER BILLS have now been mailed. Please contact the Finance Department immediately if you have not received your bill.

PAYMENT OPTIONS:

Water	Bill Payment Options
X	By pre-authorized bank withdrawal (PAD)
X	At most financial institutions, including via personal on-line banking
X	By cheque
X	Through the Township Online Services portal at www.king.ca

If paying in person at a financial institution, please present the entire bill. When making payments electronically, enter your 10 digit account number with no decimal (i.e. 1234567890). After hours water payments can be left in the drop box located to the left of the Council Chambers entrance at 2075 King Road, King City.

Pre-Authorized Debit Program (PAD): PAD programs are available for water accounts. The enrolment form is available at www.king.ca (search for "PAD").

The next PAD enrolment deadline for the Water Billing is June 1, 2017.

Please visit our www.king.ca for details.

Please see more King Township notices on page 5

PUBLIC NOTICES

NOTICE OF APPLICATION AND PUBLIC MEETING CONCERNING A PROPOSED ZONING BY-LAW AMENDMENT

The public are invited to attend a public meeting to be held by the Council of the Corporation of the Township of King on:

Monday, May 29th, 2017 AT 6:00 P.M.

at the Township of King Council Chambers at 2075 King Road, King City to receive information and provide comments on a proposed Zoning By-law Amendment under Section 34 of the Planning Act, R.S.O. 1990, Chapter P.13.

APPLICANT AND LOCATION

File Number: Z-2016-19
Owner: Governing Council of the University of Toronto
Agent: Cassels Brock & Blackwell LLP, Signe Leisk
Location: 16770-17050 Dufferin Street
Part Lot 31, 23, 33 & 34, Concessions 2 & 3
197 hectares (487 acres)

PROPOSAL

The application seeks to amend Zoning By-law #74-53 as it applies to the subject lands to permit conservation uses together with accessory assembly, education, research, and overnight accommodation facilities. The application proposes to establish a development envelope for the construction of a building measuring 1,300 square metres (14,000sq.ft.) and 20 three-season cabins. The application also seeks to recognize the existing dwellings located on the subject lands.

The subject lands are designated 'Oak Ridges Moraine Natural Core Area' by the Township of King Official Plan (OPA #1970) and are zoned by Rural General (RU1) by Zoning By-law #74-53, as amended.

APPEAL PROCEDURE

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the by-law is passed, the person or public body is not entitled to appeal the decision of the Township of King Council to the Ontario Municipal Board.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Township of King before the proposed zoning by-law amendment is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment.

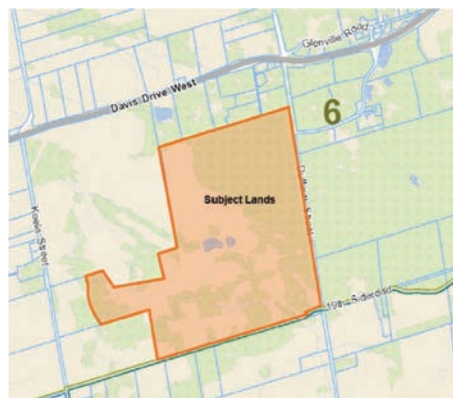

HOW TO STAY INFORMED

If you wish to be notified of the passing of the proposed Zoning By-law Amendment, you must make a written request to the Clerk of the Township of King, 2075 King Road, King City, ON L7B 1A1.

ADDITIONAL INFORMATION

A copy of the proposed Zoning By-law Amendment and additional information about the proposed applications are available for review at the Planning Department located at the Municipal Offices. Office hours are Monday to Friday from 8:30 a.m. to 4:30 p.m. Contact: Kristen Harrison, Planner, 905-833-4065 or kharrison@king.ca

DATED AT THE TOWNSHIP OF KING THIS 9TH DAY OF MAY, 2017.

Kathryn Moyle
Director of Clerks/
By-Law Enforcement
Township Clerk

Comments and personal information (PI) are being collected in accordance with the requirements of the Planning Act, R.S.O. 1990 c.P.13 as amended, and become part of the decision making process of the application as noted on this form, also become part of the public record. Should you have any questions or concerns with regard to the collection of personal information (PI), please contact the Planning Department, Township of King at (905) 833-5321.

TEMPORARY ROAD CLOSURES

Highway 27 and King Road, Nobleton

There will be a scheduled temporary road closure of Highway 27 and King Road in the Village of Nobleton on **Monday, May 22, 2017 between 11:00 a.m. and 2:00 p.m.** to facilitate the Nobleton Victoria Day Parade. Portions of Hill Farm Road, Wellar Avenue, and Old King Road will also be closed for the parade. Please see the route map below for details:

UPCOMING EVENTS

This year's tournament takes place Thurs., July 13 at Nobleton Lakes Golf Club and the theme is "Hollywood Classics". Proceeds will go towards the construction of a new multi-use recreation facility in partnership with Seneca College. You can register online at www.king.ca

Street Sweeping

Street sweeping began mid-April and will continue to the end of May; weather permitting. Please refrain from on street parking between 7:00 a.m. - 6:00 p.m. during this time.

Watermain Flushing

Spring watermain flushing has begun in King Township. As a result, residents over the course of the next few weeks may experience low pressure and/or discoloration. This process contributes to the safe, effective delivery of municipal water and does not affect the quality of your water in any way. Should you require further information please contact us at the Engineering and Public Works Department 905-833-5321

UPCOMING EVENTS

Victoria Day in Nobleton

Once again, Nobleton will host the largest private fireworks display in Ontario. King Township Fire and Emergency Services personnel will be canvassing neighbourhoods to raise funds for the spectacular display.

If they miss you, you can always drop by the Nobleton Feed Mill at 12 Old King Rd. to donate.

The day starts with a parade through the Nobleton community (Hwy. 27 and King Road) which leads fair-goers to a day of music, vendors and more.

All the funds raised go towards the fireworks display which starts at dusk on Mon., May 22 at the Nobleton Arena Grounds.

Residents comment on Laskay Hall relocation

By Mark Pavilons

The future of Laskay Hall is on a lot of people's minds.

Residents had a chance to offer some input into the hall's relocation at a public information session recently.

Township officials say that relocating Laskay Hall will breathe new life into an aging, underused heritage building. The goal is to take an underutilized resource with extremely limited parking and turn it into something the entire township – as well as future generations – can use and enjoy.

Council, last October, voted to look into moving Laskay Hall for a number of reasons. The main ones were parking, traffic and lack of community use. There's also a lack of water and hydro services to the site.

Relocation and repurposing, according to staff, showed merit, as both provide opportunities, and challenges, as-

sociated with the future of the hall.

The plan is to move the hall next to the Heritage and Cultural Centre (Museum) property on King Road.

Recognizing the historical significance of Laskay Hall, council has endorsed, in principle, the option of making it a centrepiece of the heritage campus at the King Cultural Heritage Centre.

Council is also listening to residents about how they envision the future of the hall.

Several community groups voiced their support and agreed that it would be a positive move to relocate the hall to The King Cultural Heritage Centre. Some of the discussion points and concerns raised included the disposition of the land, cost, sense of community and community recognition, as well as parking and the overall evolution of the village of Laskay.

Endorsing the plan were groups such

as the King Township Historical Society, Nobleton Children's Theatre, Arts Society King and the King Township Museum Board.

"Laskay Hall is certainly one of King Township's most recognizable and historic buildings. I would like to thank

the Laskay hall board, members of the community, user groups and organizations for their contribution towards determining the best actions to maintain Laskay Hall's legacy," said Councillor David Boyd.

Kettleby hosts 150th birthday on Canada Day

For a number of years now, King's celebration of Canada Day has been held at Tyrwhitt Park in picturesque Kettleby. This year marks a triple anniversary in the hamlet. As well as this being Kettleby's 175th anniversary, the beautiful stone Christ Church marks 125 years and of course Canada turns 150 on July 1.

This year's Canada Day Celebrations in Kettleby will be the biggest yet. Organizers are planning a wonderful and fun-filled day of games, crafts, live music, food and drink and a host of other activities, all topped off with free birthday cake and a spectacular fireworks display.

The organizers are looking for sponsors and volunteers to help make this the best Canada Day in Kettleby ever. Sponsorship packages are available at all levels and volunteers are needed to help organize the activities or at the event itself. More information can be obtained by contacting Elaine Kitteridge at elainekitteridge@gmail.com, or calling 416-824-1613.

Help make this an event worthy of our country's 150th birthday. Become a volunteer or a sponsor today. And be sure to come down on Canada Day for the biggest little party around!

Township hosting information session on high-speed Internet

King is not slowing down on its efforts to speed up the installation of broadband (high-speed) internet infrastructure across the township.

In order to keep up the momentum, King has invited key stakeholders to an information session on Tuesday, May 23 from 7 to 8:30 p.m. at the Dr. William Lacey Community Center and Arena in Nobleton.

Among those invited to attend are both large and small internet service providers (ISPs) and King-Vaughan MP Deb Schulte. The event will be moderated by King Township Mayor Steve Pellegrini.

"We've heard loud and clear from residents and businesses there is not enough high-speed internet service in King," said Pellegrini. "And even though we're not ultimately responsible for getting the infrastructure installed, we are doing everything in our power to work with ISPs and other levels of government to make it happen."

King Township recently ran a survey called King Connects to find out exactly where there were gaps in broadband coverage. The results showed gaps all over the township, especially in rural areas.

"We heard stories from parents who have to drive their kids to Tim Hortons so they can use the free Wi-Fi to complete their homework," said Pellegrini. "We heard from businesses that can't do all the things they need to do to be successful, including reliable point-of-sale connections."

King Township used the data collected in the survey to support an application by York Region to the federal government for infrastructure funds as part of the Connect to Innovate program.

"With resounding support from council and staff we've had some recent success that we're looking to build on," said Pellegrini.

One of those recent successes happened when Vianet, a local ISP, secured \$1.6 million in federal and provincial funding to install broadband infrastructure in some areas of King.

Anyone wanting to attend can register at <http://bit.ly/2p4tN02>

Insurance Tips brought to you by

ORR & ASSOCIATES
INSURANCE BROKERS LTD

Family Owned & Operated Since 1912

Am I covered?

Your vehicle insurance policy likely has some flexibility built in to ensure you are covered in different situations. You should check your policy or ask your broker to be sure.

Renting a car

If you drive a rented car or any vehicle that is not owned by you, your existing vehicle insurance covers physical damage to the vehicle, accident benefits and third-party liability to the same limits that apply in your policy. Note, this is only true if your insurance is issued to you as an individual. If your vehicle insurance is issued to your business, you are not protected when

driving non-owned cars. Also, if you rent a luxury car but have a sub-compact insured, you might not be covered for the cost of repairs to the luxury vehicle. In these cases, you should purchase the insurance offered by the renter. If you are a frequent renter, add an endorsement to your car insurance policy. These can be simple to arrange, and far more economical than the costly damage waivers that rental car companies charge.

Traveling outside the province or country

Your insurance will apply if you take your car on short trips to other provinces or into the continental U.S., as long as you engage in normal use of the vehicle.

Moving to another province

If you are relocating long-term or permanently, you must inform your insurer and arrange for new coverage that reflects the risks in your new location.

When the car is "in the shop"

Under most insurance policies, you are not entitled to a replacement vehicle while your car is in the shop for normal maintenance or repair. If you lose the use of your car

Editorial, Letters & Opinion

"Public opinion shapes our destinies and guides the progress of human affairs"

~ Frank B. Kellogg

The earth is speaking, we just have to listen

I don't think anyone would argue that Ontario is a large, beautiful province, filled with many natural wonders.

It's almost too big and too nice, drawing a great deal of attention from visitors, tourists and alas, speculators.

King is unique in that more than 95% of this beautiful piece of real estate is protected by various pieces of environmental legislation. It's paradise, by all definitions.

One thing that will never happen in King, as Joni Mitchell warned, is we will never "pave over paradise and put up a parking lot."

But in places where development is permitted, and even encouraged, isn't it nice to pay homage to our natural landscape and Mother Nature herself? In urban centres all around us, there are large commercial centres, plazas and residential neighbourhoods popping up. Our farmland is being converted to living space.

But we can be forward-thinking, thoughtful and committed to sustainable concepts. The term "environmentalist" should be passe, since we've all embraced (or should have) the idea of leaving this world better than we found it. "Green" practices should be at the forefront, not the backburner.

For this continued passion to continue, grow and even attract newcomers, it's pretty straightforward. We don't need to bombard people, and especially young students, with social media messages, mountains of documents or reports.

Mark Pavilons

All we need to do is look around.

That decorative piece in your rock garden is as old as the earth itself. Look at it closely and you'll find a billion years of fine lines, an almost ancient wisdom if you like.

A very interesting local businessman, Joe Melo of Allstone Quarry Products, is adamant that these ancient stones speak to us. He has a unique ability to locate perfect specimens among hundreds; of seeing how three or more rocks fit together to create an unbelievable monument. He knows all about "slab art." He has a special kinship with Mother Earth.

Human beings have been using natural stone and rocks for millenia. They've been used for tools, weapons, building materials, structures and massive monoliths to the gods. Some of the most magnificent examples remain to this very day. While there's a lot to be said about the beauty of the Parthenon in Athens or the Great Pyramids, I really like the natural look of Stonehenge or the simple carved faces on Easter Island.

Our ancestors forged metals, crushed rock into powder and created everything from bricks and mortar to expressions of love and devotion.

Beauty may be in the eye of the beholder; but nature is everywhere. When I said to Melo that such stones come from the earth, he corrected me by saying "they are the earth."

He's right, of course.

Humans have manipulated this planet of ours and created everything from under-water highways to cloud-breaking skyscrapers. We've made things out of stone, glass and metal that are simply brilliant.

We take it pretty much for granted. The gold or silver bracelet we wear came from the earth and was reworked to become a piece of personal art.

The metal in our automobiles was smelted, and the oil used to run those same vehicles was pumped from the bowels of our planet.

We are carbon-based life forms, and we actually share a special relationship with the earth beneath our feet.

All living (and many non-living) things contain carbon. From charcoal and diamonds; gasoline to plastic, almost everything contains carbon molecules.

Is it so hard to believe that we are

somehow related to the earth itself?

Indigenous people are stalwart caretakers of the planet. According to the First Nations:

"If we listen from the place of connection to the Spirit That Lives in All Things, Mother Earth teaches what we need to know to take care of her and all her children. All are provided by our mother, the Earth."

They were likely the world's first stewards and environmentalists:

"Everything is taken and used with the understanding that we take only what we need, and we must use great care and be aware of how we take and how much of it so that future generations will not be put in peril."

To them, and to people like Joe Melo, a rock isn't just a rock.

I think we all need to take a closer look around us. As summer approaches, it's a great time to literally take a hike, touch a leaf or pick up a stone and look at them in new ways. A speck of sand is nothing, but all of the specks of sand make up some of the most beautiful and pristine beaches in the universe.

A piece of granite may not excite most passers-by. But when that stone becomes a kitchen counter top, war memorial or column in a foyer, we can't help but be overwhelmed.

We aren't really "owners" or "landlords" of the earth. We really have no God-given right to ownership at all.

We are but brief visitors to this planet. In the very big picture, our lives are but a single tick of the mighty hand of a massive clock that measures all creation.

When we're long gone, our bones will last a long time, becoming part of the earth itself.

But the rocks, now that's longevity!

Letters to the Editor

Volunteers leave their imprint

"You make it (King Township) the beautiful community it is." The words of MP Deb Schulte. I would like to say congrats to all the volunteers. Moving to King Township (Nobleton) in 1988 and living here for 28 years changed my life forever. It made me a better man.

I grabbed the opportunity to get involved and run with it. Hockey, baseball, Nobleton Senior school Green Project with Linda Rogers, Nobleton Parks committee, Pool committee, Cold Creek Stewardship committee, Humber River Alliance, pasta diners, Victoria Day celebration, Nobleton Alert and much more. I have left my imprint in King. I sure hope all our new people moving in do too. Some day people will find rare Carolinian Forest trees growing in King.

I left something for you - many great memories. Some day I will be back. Congrats to Jane Underhill - you are a great lady, you worked so hard and did it for us.

Ron Hingston

Groups extend thanks to Alan Bray

Thank you Alan Bray for welcoming so many visitors to a one-of-a-kind collection and thank you to everyone who turned out on Saturday, April 29. What a sweet ride was had by all.

Alan opened his doors to friends of the King Township Museum, Arts Society of King, and the King Township Historical Society - and people came by the carload, approximately 300.

Because of Alan's amazing collecting spirit, we will never forget the glory days of pale turquoise pickup trucks with polished chrome; ice-cold fluted soda-pop bottles; first edition superhero comic books, and bright orange gas pumps with glass cylinder tops.

Good luck with your auction in June - we know each piece will find a new and caring home.

On behalf of the King Township Historical Society, King Township Museum and Arts Society King, thank you and farewell.

Brainteaser

If 1 equals 5, 2 equals 10, 3 equals 15, 4 equals 20, then what does 5 equal to?

Last week's answer: The man was born in room 1955 of the hospital.

King Township Trivia

Scripture Town in King Township included a few houses on the north side of Sideroad 15, on the west half of lot 6, Concession 6.

PUBLIC NOTICES

Proctor Road
Schomberg

PUBLIC WORKS DIVISION

PROJECT

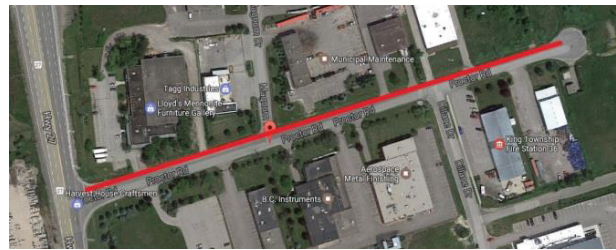

King Township will be completing a total reconstruction and urbanization of Proctor Road in Schomberg. The scope of the work will include:

- Removing the current asphalt
- Resurfacing the road
- Adding a sidewalk on the south side
- Storm sewer upgrades
- Minor watermain work

WHY

The work is being completed to bring Proctor Road up to current urban standards.

WHERE

IMPACTS

Vehicle access will be provided most times during the construction period with one lane always open. Direct access to driveways may be occasionally interrupted. During periods when access is not available, please park in a safe alternative location. The contractor will provide prior notice for any access restrictions.

WHEN

Works commences May 15 with a completion for this phase in late fall. Top asphalt will be placed in the spring of 2018.

Not sure how to navigate the building approval process?

Join us at our next Building Department's information open house.

When: Wed., May 24 at 5:00-8:00 p.m.
Building Division Counter at 2075 King Rd., King City
For more information call 905-833-4008 or email calettaj@king.ca

UPCOMING EVENTS

Emergency Preparedness Week

May 7 to 13, 2017

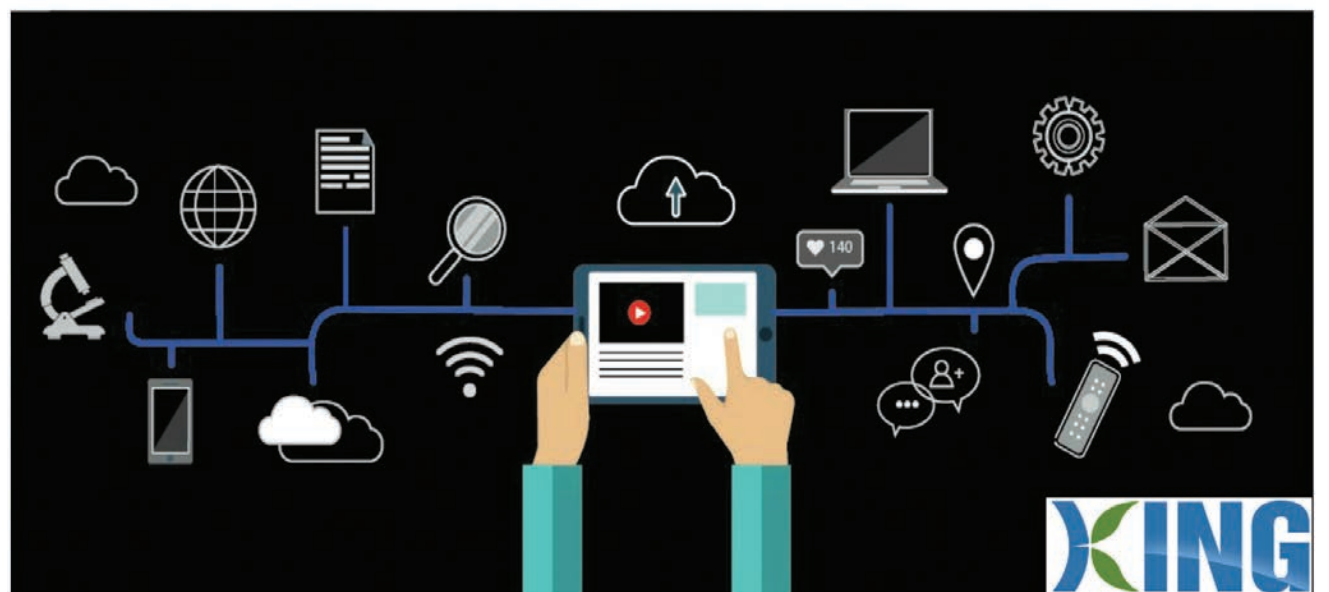

- Make sure you have enough food and water for you and your family to be self-sufficient for up to 3 days.
- Prepare a "Go bag" of items ahead of time in case you need to evacuate. (i.e. a change of clothes, tooth brush, photocopies of important documents etc.)

EMERGENCY PREPAREDNESS FAIR

Join us for the 6th annual Emergency Preparedness Fair on Friday, May 12 from 10 a.m. to 2 p.m. at the York Region Administrative Centre (17250 Yonge Street, the Great Hall). The fair will feature tours plus interactive exhibits and vehicles from York Regional Police, York Region Paramedic Services, local fire services, the Canadian Red Cross and St. John Ambulance. By attending this free event, you will learn how to prepare yourself and your family for an emergency or disaster in York Region.

INTERNET INFORMATION NIGHT
Tuesday, May 23: 7 pm to 8:30 pm

Please join us for our King Connects Internet Information night to learn more about what is happening to improve high-speed internet service in King.

Jacob Wilson
"Oilers."

Mural at Nobleton pool celebrates youth

In celebration of National Youth Week, the Township of King hosted a variety of events throughout the week of May 1-7 to honour the youth and their active participation within our community. On May 1 youth were invited to the Nobleton Pool House to design and paint a mural that they felt would spruce up the pool house office. The idea to paint a mural in the pool house was determined by the Mayor's Youth Action Team when designing a week's worth of exciting events for youth.

With a time limit of five hours, Sapphire Dorion, 13, and MaryAnne Schoenhardt, 18, did an outstanding job creating an under the sea theme mural. The Nobleton pool will be open as of June 24, make sure to come check out the mural in person!

For more images and updates on youth week in King be sure to check out our Facebook page at www.facebook.com/kingprc

Weekly Recipe

Provolone & Olive Stuffed Chicken Breasts

- Ingredients:**
- 1/4 cup shredded provolone cheese, preferably aged
 - 3 tablespoons chopped California Ripe Olives
 - Freshly ground pepper, to taste
 - 4 boneless, skinless chicken breasts, (1-1 1/4 pounds total)
 - 1 large egg white
 - 1/2 cup plain dry breadcrumbs
 - 1/2 teaspoon salt
 - 2 tpsps extra-virgin olive oil

Directions:

- Preheat oven to 400°F. Lightly coat a baking sheet with sides with cooking spray.
 - Combine the provolone, olives and pepper in a small bowl.
 - Lightly beat the egg white with a fork in a medium bowl. Mix the breadcrumbs and salt in a shallow dish.
 - Cut a horizontal slit along the thin, long edge of a chicken breast half, nearly through to the opposite side. Open up each breast and place one-fourth of the cheese filling in the center. Close the breast over the filling, pressing the edges firmly together to seal. Repeat with remaining chicken breasts and filling. Hold each chicken breast half together and dip in egg white, then dredge in breadcrumbs. (Discard leftovers.)
 - Heat oil over in a large non-stick skillet medium-high heat. Add chicken and cook until browned on one side, about 2 minutes. Transfer chicken to the prepared baking sheet, browned-side up, and bake until it is no longer pink in the center or until an instant-read thermometer registers 170°F, about 20 minutes.

Your Voice for Business in King

Allstone provides quality products and services

By Mark Pavilons

Nothing is as awe-inspiring as the beautiful lines of natural stone.

Stone is not only from the earth, but it is the earth, according to Joe Melo, founder of Schomberg's Allstone Quarry Products. Melo's creativity and vision bores right into the heart of these eons-old creations.

It may seem odd to the average person, but Melo is a type of "stone whisperer" who can "feel" a stone's ultimate look and purpose. His imagination, and years of landscape expertise, have given him the keen ability to pick out a single stone, in a quarry of thousands.

That sixth sense has resulted in some monolithic masterpieces across Canada

and around the world. The guardian of Allstone, the giant inukshuk that draws visitors every summer, is a testament to Melo's skill and mastery. Towering 11 metres high and weighing 82,000 kilos, "Little Joe" was named after Melo himself. It's the tallest inukshuk in the world.

The sculpture is constructed from 11 granite slabs trucked in from the Grenville Mountains in the Canadian Shield, boasting some of the oldest rock formations in the world at 1.3 billion years old. These extremely large pieces of granite gneiss were extracted from Allstone's quarry in Big Wood, Township, north of the French River.

Melo also loves a challenge and the chance to "create something out of nothing." He smiles when he talks about the art that arises when you combine two, three and more rocks in symbiotic fashion.

There's a pair of large granite boulders on the lot that he refers to as "The Couple."

Melo's keen eye is the perfect resource for designers, landscapers, architects and builders, who are planning unique, even ambitious, projects. For Melo, nothing is too ornate or too large. "Little Joe" stands tall in that department.

"If you're a designer looking for ideas, this is the place to buy," Melo said confidently. He's more than happy to help consult on any project, large or small. He will help you bring out the character and design elements of stone.

Melo and Allstone were instrumental in the 2003 installation of the gneiss monolith at the University of Waterloo, referred to as WATRock. It's a towering, 28-foot piece that stands outside a

lecture hall.

He's currently finalizing plans for a large, 29-foot-long piece of granite, that will become a prominent display at a Toronto park. He's spent two years to find the perfect piece, extract it and find a perfect, new resting place.

Melo has personally worked on many gateway stone signs for villages, towns and cities across the GTA and right here at home in King Township.

Allstone is a huge supplier of aggregate and specialty stone for contractors both large and small. From large developers and commercial clients, to backyard landscapers, Allstone caters to them all. They work with many local contractors and customers receive wholesale prices on the direct-from-the-quarry products.

The larger stones today are idea for retaining walls for everything from parking lots, commercial parks and even residential purposes.

Allstone offers a wide variety of ar-

chitectural cut stone, building stone, stone for fireplaces, signs and even slab art. They also offer flagstone, brick and Armourstone.

Melo himself enjoys taking his customers on a tour of the granite quarry, where they can select that special show-piece, or group of stones, that really speak to them.

With Allstone, you're getting quality stone and quality work. Their experts, combined with the product, are second to none. A lot of talent and expertise is needed to select, prepare and install large pieces properly.

The family run business includes Melo and his three sons, Nelson, Peter and Jim.

Turn to Allstone for quality advice, experience and the very best Mother Nature has to offer.

Contact them at 905-939-8491, 1-800-263-1270 or visit www.allstonequarry.com

Pommies holding its fifth annual apple tree giveaway

Pommies Cider Co. of Bolton is heading into their fifth annual apple tree giveaway.

This spring, Pommies will hit eight LCBO locations, offering samples of both Pommies and Farmhouse ciders, and giving away apple trees along the way.

When customers buy 12 bottles or cans of Pommies or Pommies Farmhouse Cider, they will take home their very own gala apple tree to plant in their garden. Customers can then reap the harvests for years to come.

The initiative highlights the fact that Pommies and Farmhouse are local, natural products made with 100 per cent Ontario apples, not from concentrate. To date, Pommies has put more than 200 trees back in Ontario's soil.

Locally, the tree giveaway will be taking place May 12 from 4 to 8 p.m. at the LCBO in Nobleton on Highway 27.

PROPERTIES AVAILABLE:

Support upcoming Nobleton Walk for Dog Guides

By Mark Pavilons

A famous Nobleton duo are back at it and gearing up for this year's fundraising walk.

Bev Berger and her dog guide Lotus, aka "the tank," will once again lead the group of dog walkers for a very important cause.

The annual Pet Valu Walk for Dog Guides, sponsored locally by the Nobleton Lions, takes place Sunday, May 28.

The event begins at 9 a.m. with a sign in, and the walk kicks off at 10. It starts at the gazebo in front of the Nobleton Library.

You can help too by either participating in the community walk or by sponsoring Bev and Lotus.

"This might encourage him to pick up his pace a touch!," Berger joked.

No dog is required to participate. Simply register for the walk either online or on the morning of the walk and gather some donations. As always, all funds raised go directly to the training of future dog guides in one of the six

dog guide training programs administered by the Lions Foundation of Canada Dog Guides.

Lotus is Berger's fifth dog guide. In September of 1989 Berger's life changed forever and for the better. Her first dog, Reb became her best friend and set the stage for the future.

"I feel like I'm the club's mascot," she said. "They did for me, so I can do for them."

She added the local club members do so very much behind the scenes helping others and they never seek any credit or recognition.

The growing demand on the six different dog guide programs the Lions offer means more people will be helped, but costs continue to rise. And so it's time to ring the bells of support for the Lions Foundation.

Costs vary, but hover around \$25,000 for each dog, when you consider breeding, foster families, medical services and intensive training. Recipients stay at the Lions' facility for one month and engage in daily training with their new

companions.

Berger wants to ensure there are always funds to keep the programs going and expanding. In recent years, there has been a tremendous desire for service dogs for autistic individuals.

It's been her crusade, a successful one at that. The witty and well spoken Berger is the perfect spokesperson for the Lions Foundation of Canada's Dog Guide program, a role she's helped shape over the decades. Of course, her four-legged companions often steal the show when she speaks to audiences across Canada about the Lions' commitment, one that dates back almost 100 years.

You can register, sponsor or donate to the cause, or a walker. Visit <https://www.walkfordogguides.com>. You can also contact Lion Paul Olsen at 416-801-4571, Lion Jim McDonald, jmcdonald2556@rogers.com or Berger herself, at baberger@sympatico.ca (905-859-0855).

For more than 30 years, the Pet Valu Walk for Dog Guides has been a vital national fundraiser in support of Li-

ons Foundation of Canada Dog Guides. Taking place in more than 240 communities across Canada, the Walk raises funds to provide life-changing Dog Guides to Canadians with physical and medical disabilities at no cost to them.

A family and dog-friendly event that welcomes participants of all ages and abilities, The Pet Valu Walk for Dog Guides relies on the generous support of volunteers, donors, and partners to meet its goal of giving Canadians a new leash on life.

Arts Society King welcomes Canadian fashion icon Linda Lundström to event

Fashion designer Linda Linda Lundström will make a special appearance in King.

She founded her eponymous brand in 1974. Her recognizable line of outerwear, clothing and accessories was sold in three flagship boutiques in addition to top retailers across North America and Europe, including Hudson's Bay Company and Nordstrom. Lundström sold her company in 2008. Now, she is focused on her independent luxury collection, Designed by Linda Lundström, a handmade selection of versatile ready-to-wear knits and linen, statement furs and artful leather pieces launched in 2011.

A fashion designer who loves manufacturing, a manufacturer with a talent for designing, Lundström has a unique combination of skills and is one of the most respected names in Canadian fashion.

Through her unique ability to tell a story, Linda will capture people's attention from the moment she begins to speak. Sharing her experience of great success as well as great failure, she is willing to unveil the raw truth of her story. With humour and mischievousness, Linda will connect with us to inform, entertain and inspire.

On May 18, Linda will also share information on a project she is more than passionate about, The Sewing Circle. Linda felt compelled to work with the First Nations communities "to build the capability to create their own clothing and develop it into an economically viable business network."

This is a compelling aspect of Linda's story of today. She wants the Sewing Circle to inspire First Nations communities to express their culture and traditions through the making of their own garments and products. This is an inspiring story!

The event takes place at the Kingbridge Centre, from 3-5 p.m. Tickets are available at www.ArtsSocietyKing or by calling 905-939-9357.

Local blacksmith tries to keep the art alive

By Mark Pavilons

Human history is filled with many “lost arts.”

A Schomberg man is hoping that doesn't happen with his unique skill. Bob Gwalchmai, community volunteer, naval officer, artist and blacksmith, has released a children's book to awaken some embers.

The fruits of his labours, “Song of the Blacksmith,” will be launched May 16, from 5-7 p.m. at the Schomberg Public Library. He'll be on hand to sign copies and read passages to local youngsters.

The book was inspired by an initiative of the King Township Library on “how to write a book” led by local author Anne Love.

“She told me to write something I was passionate about, and so I picked blacksmithing. I had always enjoyed telling

children about the various things I did, so writing a children's book seemed to be the right approach. Anne loved my first draft and encouraged me to get it published. After hunting around for a willing publisher, I joined up with Blue Moon Press out of Huntington PA who specialized in blacksmithing and metal work books.”

Gwalchmai said the book is geared for children from kindergarten to Grade 3, using the sound made by the blacksmith when he is striking the hot steel as the “music” throughout the book. Illustrator Chantal Duclos chose a horse as the narrator, and he tells the story of how a blacksmith performs his craft and what they make.

Song of the Blacksmith was illustrated by Duclos, a young artist from Kettleby who “fascinated” Gwalchmai with her work for a number of years. This is the first book she has illustrated.

“I am very pleased with how it all turned out. It has even passed its first test; recently,” he said. “A 5-year-old cousin of Chantal's noticed the book at her mother's house, picked it up and began to read it ... and when done, told his mom how ‘neat it was’ and ‘could he have the book?’”

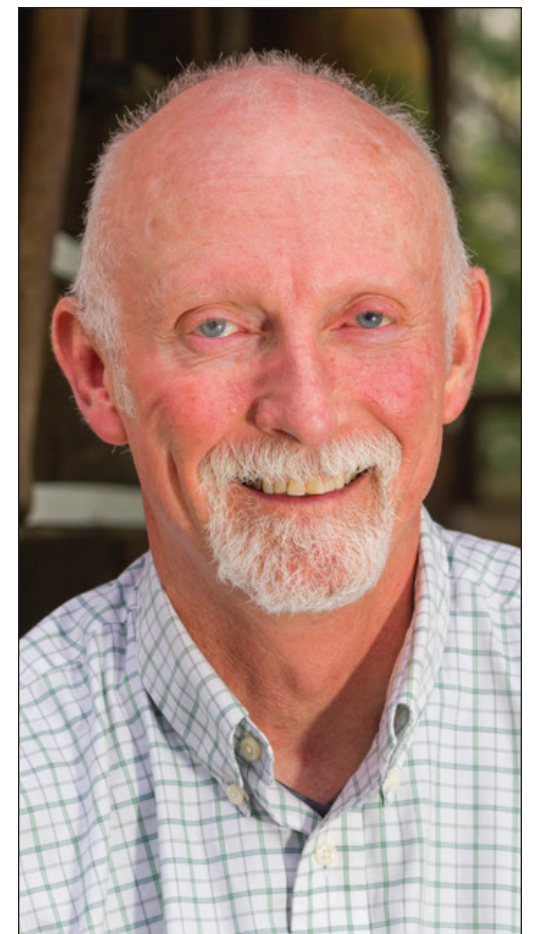

“I am so pleased with how the book turned out that I have entered it in a competition organized by the Ontario Library Association called the Forest of Reading where Song of the Blacksmith has the potential to be recommended to all school aged children in Ontario (and possibly all of Canada).”

So far, the book is on the database of White Hots and Library Bound, both distributors for schools and libraries. It is hoped to soon to be available in libraries across Canada.

Gwalchmai said his publisher is in the initial stages of getting it on the shelves of book stores locally and eventually nationwide. He will have some available at the book launch and reading on May 16. They are also available on his website at www.robertgwalchmai.com.

Song of the Blacksmith starts off with the sound made by the blacksmith striking metal on his anvil ... “tink-tink-a-tink-tink-tink” ... “do you hear that?” ... “tink-tink-a-tink-tink-tink ... it is the Song of the Blacksmith.”

You won't find a more passionate craftsman than Bob Gwalchmai. Bring the family and join him as he unleashes his “song” for all to hear.

Notice of Commencement and Public Engagement

Barrie Rail Corridor Expansion
Transit Project Assessment Process

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves by building a fast, convenient and integrated transit network across the Greater Toronto and Hamilton Area (GTHA) and Simcoe County. Over the next ten years, Metrolinx is transforming the existing GO rail system to deliver a whole new rapid transit experience to your community. Part of this plan is to bring frequent and reliable service to communities along the Barrie rail corridor. With more frequent train service you'll have more options to get you where you need to go.

The Project
Current plans include electrified, all-day, two-way service every 15 minutes to Aurora as well as peak, midday, evening and weekend GO Train service to Allandale Waterfront GO Station. The service increase will be phased in over 10 years while Metrolinx builds additional infrastructure. To support this service increase, Metrolinx is proposing the following:

- Provision of a second track between Lansdowne Avenue in the City of Toronto to Allandale Waterfront GO Station in the City of Barrie;
- Upgrades to existing GO Stations along the corridor: Rutherford, Maple, King City, Aurora, Newmarket, East Gwillimbury, Bradford, Barrie South and Allandale Waterfront;
- Upgrades to existing structures within the corridor including bridges and culverts; and
- A new train layover facility within the Town of Bradford West Gwillimbury for overnight storage of trains.

The Process
Metrolinx is assessing the environmental impacts of the Barrie Rail Corridor Expansion (BRCE) Project in accordance with the Transit Project Assessment Process (TPAP) as prescribed in Ontario Regulation 231/08, Transit Projects and Metrolinx Undertakings (made under the Environmental Assessment Act).

As part of the TPAP, an Environmental Project Report (EPR) is being prepared and will be filed documenting any potential environmental effects and mitigation requirements of the Project. Viewing locations for the agency and public review of the EPR will be published in the Notice of Completion.

All information produced as part of this project is available at metrolinx.com/RERBarrie

Consultation
We thank everyone for their feedback to date. As we formally commence the TPAP, we will continue to get your feedback through an online engagement (details below). We continue to encourage our neighbours, agencies, Indigenous communities and other interested persons to actively participate in the TPAP by visiting metrolinx.com/RERBarrie and contacting staff directly with comments or questions at RERBarrie@metrolinx.com

Metrolinx is hosting an online survey for the BRCE Project to provide you with an opportunity to offer further feedback. Copies of the draft environmental studies and preferred design drawings are available at metrolinx.com/RERBarrie, for review prior to completing the survey.

Online engagement will be open from **Thursday, May 11 to Thursday, June 1, 2017**.

If you have any project-related questions, would like to be added to the Project's mailing list or would like to provide input at any time, please contact:

Car rally returns June 4

The King Car Rally returns Sunday, June 4, and provides the perfect opportunity for King residents and friends to make up a team, then gas up their family van, hop into their sports car, climb aboard the pick-up, or dust off the vintage auto, and explore the beautiful countryside with new eyes. Exciting challenges await each team as they explore a township unlike any other in Ontario.

At the end of the road, everyone will gather at a unique private estate to enjoy a glass of wine and feast on a delicious duck dinner. Then they'll win prizes and vote for unique silent auction items provided by King merchants.

Schomberg Lions Club celebrates 70 years of service

The Lions motto is “We Serve” and the Schomberg Lions Club has been serving the Schomberg community for 70 years!

On May 1, they gathered to celebrate and reminisce with fellow Lions, including several past presidents, and district executives. Guests of honour included Mayor Steve Pellegrini and Councillor Bill Cober.

Over the years, the Lions have been instrumental in bringing many projects to fruition. The Kitchen-Breedon Manor is named after Lions Jim Kitchen and Bill Breedon whose vision to bring an affordable, non-profit seniors residence to our community resulted in the construction of this wonderful facility in Schomberg. Several Lions continue to sit on the board of directors, ensuring its continued viability.

The Schomberg Lions, long known for their fund-raising efforts to build and support local sports clubs, parks and arenas, helped create and maintain the original Schomberg Arena and the Osin Park (another venture named for a Schomberg Lions member).

At the 70th anniversary celebration, the Schomberg Lions were pleased and proud to continue in this vein by presenting a cheque to Mayor Pellegrini as the last and final payment for its \$30,000 pledge towards the lounge in the Trisan Centre, a facility enjoyed by Schomberg residents.

Gone are the days of car draws and bingos, but the Lions’ culinary skills in making great pancake breakfasts, even better fish and chips dinners, and their famous peameal bacon on a bun, still bring out the crowds. These events provide funds for charities such as Camp Dorset for kids on dialysis, the CNIB camp at Lake Joseph, and the Rumball Camp for the Deaf.

The Schomberg Lions Clubs currently has 20 members of all ages. If you are interested in joining, just look them up on their website and make that call – it’s a fun group that takes the motto “We Serve” with commitment and sincerity.

Lions president Gord Dobson presents Mayor Steve Pellegrini with the cheque for the Trisan, flanked by past presidents of the Schomberg Lions Club. Shown are (l to r) Councillor Bill Cober, Past Presidents Bill Hanlon, Steve Fisher, Gord Dobson, Mayor Steve Pellegrini, Bill Koppens, Bob Gwalchmai, Marlene Koppens, Al Cober, John Hamilton.

Volunteers play a key role in King Township

By Mayor Steve Pellegrini

For those who didn't know the story, when Nobleton's Earl Keen stood to applause at the back of the Kingbridge auditorium on Volunteer Appreciation Night last month, it might have seemed like no big deal.

It was a huge deal. Keen suffered a heart attack while playing hockey last December at the Nobleton Arena. Thanks to the quick action of his teammates, they were able to help save his life using the arena's defibrillator.

Those teammates were honoured at the event and their story sums up the core value of volunteering – giving of yourself to benefit others.

Volunteer Appreciation Night is my favourite event of the year.

It's a night when we honour and celebrate one of our most important resources. They selflessly donate thousands of hours for all kinds of causes. Without them King Township would be a very different place.

Eleven awards were handed out

that evening, including the Citizen of the Year award which went to Bill and Kathy Patterson.

The Special Recognition Awards were given to Kelly Harbridge, Mike Baldesarra, Catherine Flear, Ana Pronio, Brett Delmas and Stan Wos on behalf of the Nobleton Old-Timers and Rebecca Eveson.

The Senior Citizen Award of Merit was won by Joanne Hofstetter.

The Youth Award of Merit was given to Noah Subedar.

Lifetime Achievement Awards were given to Jane Underhill and Alan Bray.

The Pattersons won the Citizen of the Year Award in recognition of their special dedication, generosity and time to their community as long-time residents of King.

According to Statistics Canada about 1 in 2 Canadians aged 15 and over donate their time, energy and skills to charities and non-profit organizations.

The approximately 2 billion volunteer hours they contribute is equivalent to more than 1 million full-time jobs.

Can you imagine the impact to our

economy and society in general if those volunteers stopped tomorrow?

According to a survey completed by Statistics Canada, 93 per cent of volunteers say they are motivated by their desire to contribute to their community.

In my role as mayor, I'm fortunate to meet many people from different walks of life donating their time.

They donate that time in many different ways.

Many came out to our recent annual Clean-Up Day, making King a little greener than the day before.

I see them at the various special events King holds throughout the year, including the Craft Beer and Food Truck festival, Victoria Day, Schomberg

Agricultural Fair and Soupfest.

I see them organizing church socials, coaching sports teams and helping seniors.

And although they may volunteer in many different ways, they all have one thing in common – they obviously love what they do.

That's something Gandhi recognized when he said, "The best way to find yourself is to lose yourself in the service of others."

On behalf of King Township's council and its residents, I'd like to thank all of the volunteers out there for all that you do. King Township owes you a tremendous debt of gratitude.

King City Seniors Centre activities

By Carol Kanitz

The King City Seniors' Centre is a beehive of activity year round. We are completely volunteer managed and run. New members are always welcome. Watch this spot for activities that you might like to join.

The board would like to thank the group of 21 volunteers who took the time to join us for spring cleanup last Friday. We would also like to say good luck to the many club members who are taking part in the 55+ Games scheduled throughout May.

Travel Club: Jane (905-833-5870) is now taking reservations for the Toronto All Star Big Band's tribute to the Dorsey Brothers. The trip is scheduled to visit the Walters Family Dinner Theatre on Tuesday, July 4. The coach will leave the arena at 10:15 a.m. The cost is \$115 per person.

The next pot luck lunch will be held on Friday, May 19 at 12:30 p.m. Attendees are asked to provide either a main course dish or a dessert. This is a great opportunity to meet and mingle.

Artists sought for Beeton Honeyfest

The time is fast approaching for this year's Beeton Honeyfest! The South Simcoe Arts Council will be there and you are welcome to join us! If you are a member and interested in bringing your artistic creations for sale please contact them at 705-435-2378 or info@southsimcoeartsCouncil.com

There is no fee to enter and no commissions taken. Feel free to work while you promote and sell. Bring your paints, drawing stuff, weaving or anything you like to show the crowd what you do.

Set-up begins at 7 a.m. on the day of the festival and all participants will be required to be there to represent their work for the full day. Space is limited so let them know ASAP.

From Pops' Kitchen

Oven-fried chicken

We all have guilty pleasures, and one that many share is the love of a good bit of fried chicken. This recipe is oven-baked and guilt-free. It has the satisfying crunch and delicious flavour of fried chicken without the mess, smell and calories. It's also super simple and uses inexpensive chicken legs. Can you say win-win-win-win-win?

For four:

- 4 chicken leg quarters
- 2 TBSP flour
- 1 TSP garlic powder
- 1 TSP onion powder
- 1 TSP sweet paprika
- 1 good pinch dried parsley flakes
- 1 TSP sea salt
- 10 twists of the pepper grinder, or ½ TSP pre-ground pepper
- 2 eggs, lightly beaten with 1 TBSP water
- 1 cup or more Panko breadcrumbs
- 1 TSP vegetable oil

With a sharp knife, separate the thighs from the drumsticks, pulling off any flaps of fat you find behind the thigh portion.

Prepare three bowls: The first should contain the flour, salt, pepper, onion powder, garlic powder, paprika and parsley. The second holds the egg and water mixture, the third the panko. Keep the box of panko breadcrumbs on hand in case you need extra.

While your oven pre-heats to 350 degrees, line a cookie sheet with foil, shiny side up, and brush it with the oil.

Coat the chicken – start with the seasoned flour mixture, then the egg, then the panko, making sure to get all the surfaces nicely coated at each stage.

Arrange the chicken pieces on the cookie sheet and bake until the juices run clear when pierced with a fork, about 50-55, turning once at the 35-minute mark.

Chef Pops serves it with mashed potato and coleslaw, but this versatile and tasty chicken goes great with pretty much anything. This recipe also works wonders with strips of chicken breast, though you should reduce the cooking time by 15 minutes.

Personal chef, caterer and columnist Chef Pops delivers fresh meals all over King Township. Visit www.popskitchen.ca or call 416-708-2549.

Seniors to stay connected through CHATS and New Horizons

By Brock Weir

Seniors in York Region and South Simcoe will be able to stay better connected and better engaged with each other, their families, and their wider communities thanks to CHATS and the Federal Government's New Horizons for Seniors Programs.

CHATS (Community and Home Assistance to Seniors), which serves York Region and South Simcoe, received a grant of \$25,000 from the program last week to develop their Seniors Technology Lab.

The Seniors Technology Lab is a program developed by the seniors themselves to support the teaching of digital literacy "as a vehicle to facilitate community connectivity and reduce isolation," improving the lives of CHATS' 8,000 senior clients in York Region and South Simcoe.

"This kind of funding is so essential to us because although we do receive government funds to run our programs, it really just covers the cost of running the program," says CHATS CEO Christina Bisanz. "If we want to do anything extra to really enhance the programs for our clients and community, it does take the fundraising efforts that we do, but also the need to look out for other opportunities where funds may exist so we can just add more value to the programs, add more interest, and support more enriched and insightful programming for our clients."

"As a result of the funding, CHATS is going to be able to design or implement the Seniors Technology Lab. The Lab will be accessible not only to CHATS clients, but to seniors in the community. We want to open this up. The programs we offer, including the Adult Day Program, is not just limited to residents of Aurora. We do bring people in from right across the Region and South Simcoe. This technology lab

will be accessible to many more people. It is an innovative program because it is not only going to be inspired by, but also designed by the seniors and developed to help support in the teaching of digital literacy as a vehicle to facilitate community connectivity and, most importantly, to reduce social isolation."

Recent studies, she says, have shown that social isolation contributes more to chronic diseases and depression than any other disease itself. Eliminating social isolation is, therefore, an important way to be more "effective" with healthcare resources and dollars.

"The technology lab will be led by seniors but using both our own CHATS staff and volunteers to help build the capacity to enhance community integration of seniors through learning and social participation in an accessible environment," says Ms. Bisanz. "When we talk about an accessible environment we don't just mean physically accessible, we also talk about cognitively, culturally and linguistically accessible as well."

"Currently there are about 100 seniors who participate as clients in our Adult Day program and they are all going to be able to participate in the project using various programming that is currently not available anywhere in our community. Also, we will be supporting a group of about seven to 10 caregivers with our caregiver education group who will be able to access and participate in the Seniors Technology Lab using educational opportunities and bringing their support group together."

"Our government is proud to work with organizations like yours that work to engage seniors and benefit our many community members," said Aurora-Oak Ridges-Richmond Hill MP Leona Alleslev. "It is important work and it is important that we work with organizations like CHATS to ensure that Canadian seniors have the opportunity to

remain active, connected and engaged. The New Horizon Senior program invests in projects that provide Canadian seniors with opportunities to engage and connect with the community.

"With this funding, CHATS will renovate existing space to design and create an accessible technology lab space that provides more opportunities for

seniors' social interactions – because what grandparent doesn't want to be able to see all the wonderful photos of their grandchildren on Instagram? Programs like (New Horizons) and the work of dedicated organizations like CHATS continue to foster the wellbeing of seniors and strengthen the fabric of our society."

Volunteers boost King Food Bank

On April 28, as part of National Volunteer Week, Neighbourhood Network volunteers raised awareness and funds on behalf of the King Township Food Bank. More than \$560 worth of groceries and money was collected. Thank you John's No Frills in Nobleton for hosting and thank you to all the generous patrons who donated. Councillor David Boyd is seen with local youth.

Schomberg Should Know

By Wendy-Sue Bishop

York Pines United Church

Just in time for Mother's Day, we are selling gorgeous hanging baskets at the church.

The hours for all of this are Thursday, May 11 from noon to 7 p.m.; Friday, May 12 from 9 a.m. to 7 p.m.; Saturday, May 14 from 9 a.m. to 3 p.m.

The cost is \$14 for one gorgeous planter or even better, \$25 for two!

Stacey Hollings is leading Yoga classes at YPUC on the following Tuesday evenings at 7 p.m.: May 2, 9, 23, 30 and June 6 and 13.

Tea will be served after the class.

Wear comfortable clothes, bring a mat if you have one and be prepared to move in gentle postures. Learn to relax your body, releasing tension from body and mind.

Donations are accepted for the class.

Curiosity Cafe will be on May 14. Guest speakers will continue to increase our awareness of indigenous issues when they speak about the Truth and Reconciliation Commission one year later. Please note this is our last cafe for the summer.

Sunday, May 28 is our Anniversary Sunday. We invite everyone to come out and celebrate the beginning of another 50 amazing years at

Vacation Bible Camp will run from August 21 to August 25 each day from 10 a.m. to 3 p.m. This camp is for children aged 5-12. The cost is \$60.00 per child and space is limited! This cost includes lunch and snacks.

This year's camp theme will be "Make A Joyful Noise!" This springs out of the 100th Psalm. Using the Song of Faith and stories from the Bible, we will have fun making our own joyful noise. Come for games, stories, crafts, songs, fun and adventure! Registration space is limited! For more information or to register, please contact the church office.

You can follow what's happening at the church by visiting our website <http://ypuc.ca/calendar.html>; our facebook page <https://www.facebook.com/yorkpinesunitedchurch/>

com/yorkpinesunitedchurch/

Schomberg Fair

So save the dates May 25-28 and come celebrate Canada's 150th birthday at the 167th Schomberg Agricultural Spring Fair. For more info visit us at www.schombergfair.com See you at the fair!

Horticultural Society

Schomberg Horticultural's annual Plant Sale will Saturday, May 13 at 9 a.m. just in time for Mother's Day. There will be annuals, perennials, trees & shrubs, hanging baskets and native plants, many favourites from our members' gardens.

New this year Professional Tool Sharpening Services on hand, 9 a.m. until 1 p.m. Have your chef's knives, steak knives, scissors, mower blades and dull gardening tools sharpened while you shop at the annual plant sale. Check www.sharpmysknife.com for pricing.

Anglican Parish

Eastertide continues in the Anglican Parish of Lloydtown reflected the lighting of the Pascal Candle, Easter themed hymns, readings and homilies as well as in the white hangings in the 2 parish churches and white scarf like stole worn by parish priest Sheilagh Ashworth. White symbolizes joy and purity.

A parish advisory board meeting took place at St Mary Magdalene's Anglican Church in Schomberg this past Sunday following the regular 11:15 a.m. Holy Communion service. And we were delighted to welcome Helen Lucas well known world class artist and long time member of St. Alban's Anglican Church, Nobleton now sadly closed, to this meeting.

Acquiring funding so work can begin as soon as possible for a much needed up grade of sections of eave-troughing on both Christ Church, Kettleby and St. Mary Magdalene's and re-gravelling the parking areas at both churches were the 2 main items discussed. As well plans for a 10:30 a.m. parish wide Holy Communion service followed by a coffee/tea hour to welcome area Bishop Peter Fenty

on June 4 the first Sunday of Pentecost were also on the agenda.

Many thanks to all who helped make the Spring Tea at Christ Church, Kettleby such a resounding success. This long time event at Kettleby's historic Anglican church has been held annually for over 100 years.

All are most welcome to attend parish Holy Communion services held each Sunday morning at 9:30 a.m. in Christ Church, Kettleby on Kettleby Rd. mid way between Jane and Keele Sts. and at 11:15 a.m. in St. Mary Magdalene's 116 Church St. Schomberg.

Schomberg United Church By Nancy Hopkinson

Thursday, May 11 at 6:30 p.m. is Nobleton United's Roast Beef Dinner and a choice of homemade pie slices. To reserve seats, contact Helen Bible at 905-859-3924. The cost is \$20 per adult and \$8 for children 12 and under. It is a wonderful community event.

Other special events to look forward to:

Saturday, May 13, 9 a.m. to 1 p.m., we are having a Plant, Bake and Craft Sale, at 116 Church St. Monies raised will support the seniors' program. The plant portion of the sale is a joint venture with St. Mary's Magdalene.

Sunday, May 14, we are celebrating Mother's Day with flowers for the ladies.

Sunday June 18, we will mark Father's Day with Beatles Music. The Joyful Spirits music group will sing at both Schomberg United at 9:30 a.m. and Nobleton United at 11:15 a.m.

On June 25, at 11:15 a.m., we are having a joint service at Nobleton United for Canada Day Celebration with Orangeville's lively "Day by Day" guitar/singing group.

If you would like to meet Minister Carol-Ann Chapman, come to Sunday service or phone 905-859-3976 and make an appointment.

Historic photos sought

Bill Foran, a lifelong resident of Schomberg, former Township councillor, retired teacher/principal and dedicated historian of our precious Schomberg, has a special request from our readers, Schomberg residents and ancestors of same.

As great as our Trisan Centre is, it is still incomplete! We have stunning busts of Dr. Jones and Bryan Jackson; great plaques and memorabilia donated by families of loved ones but there is still a frame that remains empty that relates to our glorious former Arena.

Foran is seeking any pictures that may be available, particularly of former contributors Mrs. Ora Piercy, the long-time admission officer and veteran arena manager; Mr. Jack Church and assistant manager Frank McArthur.

If anyone has any other interesting, related photos, Foran would like to view them, but he does ask that no team photos be submitted as there is just such limited space and they cannot be accommodated.

All materials loaned for this project will be returned to its owner, unharmed, when this project is completed.

Please contact Bill Foran at 905-939-7724 if you can assist. Your efforts and support will be greatly appreciated. It is so important to honour our history and revere all those who built and maintained our great arena in our great little town. The arena that was built with the blood, sweat and tears of our own and honoured its logo "Pay As You Go" and it did!

Farmers' Market

This year we can look forward to two Farmer's Markets in our community-one weekly and one bi-weekly.

Every Friday from 3-8 p.m., there will be a Farmers' Market at the Trisan Centre, 25 Dillane Drive. This will run from June 2 through to Oct. 6.

Every other Saturday morning, there will be a market at our old Schomberg Agricultural and Community Arena, 251 Western Avenue. This will run from June 3 through to Oct. 7. The dates are June 3, 17, July 1, 15, 29, Aug. 12, 26, Sept. 9, 23 and Oct 7.

Our vendors will be local with all home-grown, made and baked products for your pleasure and health!

For further information please call 416-898-8019 or emailschombergfarmersmarket@gmail.com

Shoulder Pain: New Approach Delivers Remarkable Results

If you suffer from Shoulder Pain (tendonitis/Arthritis) you need to be aware of effective advancements that can eliminate years of pain, suffering, immobility and frustration.

You may have told your doctor you suffer with one or more of the following: sore, stiff, painful shoulder; neck stiffness or pain, hand stiffness, and/ or elbow pain.

You may find that your pain or stiffness affects your work, housekeeping, leisure activities, exercise, sports or other activities. You go to the drug store or to your doctor and get pills to help relieve your pain. But you find the pain keeps returning. Alternatively, the doctor may refer you to a specialist who may tell you that surgery is needed or is an option for you.

However, many people are hesitant to have surgery given its invasive nature. It is important to know that although surgery is sometimes necessary, it is considered a last resort in most cases.

Also, you may have heard that there are serious health risks associated with chronic use (or overuse) of pain pills or anti-inflammatory drugs that include damage to the liver, kidneys and gut.

There is a new, natural, safe and highly effective approach that has helped many

sufferers improve their lives dramatically. Laser therapy uses light to favor and accelerate the body's natural healing processes. The innovative Multiwave Locked System (MLS) Laser produces a safe, efficient and simultaneous effect on pain, inflammation, swelling and water retention, exceeding the limits of traditional LLLT (Low power) and concerns of HP (High power) laser therapy.

What does this mean for you?

Our patients have reported a 90-95% relief of their symptoms, more mobility, increased flexibility and vastly improved function!

It is the very latest in medical technology, with years of clinical studies supporting its safety and efficacy and we are very proud to offer our patients effective solutions to their recent or chronic conditions.

"This new, natural, safe and highly effective approach has helped many sufferers improve their lives dramatically".

Come in and allow us to help you achieve the results you deserve! Call (905) 773-2225 to book your FREE consultation and examination at King West Wellness Centre 141 King Rd., Unit 10, Richmond Hill (In the Home Hardware Plaza)

Improving the legacy of trees in King Township

By J. Bruce Craig

Commentary

The deep concern about trees and forests in King Township and the ongoing loss of trees in both the rural area and settlement areas has become very apparent in recent days. The critical need of citizens to step forward, and for King Township to introduce a higher standard in the planning process and site plan control that values and protects significant trees, woodlots and forests has also become abundantly clear.

We are missing opportunities to ensure we pass on a richer legacy of trees and forests to future generations. It is time for all of us who call King home, to urge and support the Township of King in moving quickly to put more effective policies, planning tools and planning processes in place before we experience the loss of countless more trees.

Trees help to mitigate damage from climate change. The older the tree, the more impact it has and the more valuable it is. Trees provide vast amounts of oxygen and absorb a significant amount of carbon and other pollutants. Trees provide shade and energy savings. They provide habitat and food,

and an essential link in a great variety of eco-systems. Studies are showing the health benefits to people everywhere – physical, spiritual, emotional and mental health.

As the leaves on deciduous trees emerge in the spring, we are all encouraged and intuitively know this is good. May we not overlook this remarkably valuable part of our environment and our lives in both communities and rural areas.

I believe as a municipality, King Township can put the tools in place to protect and conserve established and mature trees, and other significant natural features, as a key integral part of the planning process and in approving site plans. In the “booming” GTA, are money and development dictating too much of the agenda to our great loss?

Other municipalities in Canada and nations around the world appear to put far more value on trees and forests than we do in King Township. Yes, we say

trees are important, and yet all around us, particularly in our three main settlement areas, we witness the indiscriminate cutting of trees over and over again. It needs to stop. Our priorities are askew, and we need to regain a healthy vision and act wisely with far better balancing of what is truly important.

In this past week, I observed a large area right in the core of King City immediately north of the TD Bank and CIBC Bank buildings where there has been clear-cutting of perhaps up to 100 trees over the past two or three days. I understand one of the trees had a diameter of 90 cm. How does one replace a tree like that?

Along Kingscross Drive, I noticed a large cleared lot with piles of wood chips, likely in preparation for building another huge home. Does the footprint of a new house require the clearing of 1.5 to 2 acres? Can we not design and build around natural features, including healthy, established and mature trees?

King Township has a Community Sustainability Plan built on four pillars, including the environment, with the potential to provide very positive direction and policies, and yet from all we see it is virtually ineffective in sustaining natural resources such as trees which take many decades to replace. We appear to be sustaining and growing the Economic, Financial and Social pillars in leaps and bounds, however, the Environmental pillar upon which all life depends is having little effect on what is happening in King Township today. Are there opportunities for strengthening the Environmental pillar and for conserving our trees far more effectively?

In the midst of rapid climate change and the increasing knowledge of the far-reaching benefits of trees, King Township in partnership with its citizens needs to act now to preserve and enhance the immensely great treasure of trees and forests. We need to leave this vitally important legacy of abundant trees and forests to future generations.

LSRCA looking for nominations for annual Conservation Awards

Lake Simcoe Region Conservation Authority is on the lookout for environmental champions. They're not always that easy to find because they don't go around in capes and they don't do their good deeds for the recognition. Most of the time, we rely on others to tell us about their actions.

That's they're asking for help. They want people to tell them about the wonderful heroes they know of that are doing things that make this watershed a better place to live.

People like Eun Young Lee, from Newmarket, who retrofitted his dry cleaning business, Dry Cleaners Plus, with a new state-of-the-art, environmentally friendly process. Or Lefroy Harbour Resorts, for their environmental stewardship program. Or Karen and Wayne Rynard, of Uxbridge, who removed invasive buckthorn from their farm property and replanted it with tree seedlings.

If you know of people or groups that are working to improve the state of our local environment, let them know. Eligibility requirements and the award nomination form are now online at: www.LSRCA.on.ca/conservationawards.

LSRCA's mission is to work with our community to protect and restore the Lake Simcoe watershed by leading research, policy and action.

CDS Students running for youth mental health

By Jake Courtepatte

Over a dozen students at the Country Day School are looking to bring both funds and awareness to the problem of mental illness in youth.

Aptly named the CDS Runners, the Grade 11 students are looking for support in their contribution to RBC's Race for Kids, with a lofty goal of over \$4,000.

The idea was conceived by students Magnus Krever, Kiyan Heybati, and Tommy Shen.

Now in its fifth year and taking place mid-September, Race for Kids has raised over \$7 million for Sunnybrook Hospital's Family Navigation project.

Krever, one of the spearheads of the team, said the team decided to get involved when they heard that only one in five children who suffer from mental illness get the special treatment they require, realizing it was "time for a change."

"Our team is confident that with the help of others, we could have a lasting impact on the lives of our youth," said Krever. "Every challenge in our society needs a starting line and we would like to aid in progressing to the finish."

With the event still months away, the team is looking to drum up as much support as possible, whether through participation or donations.

"We have been astonished by the generosity of people in our community and their interest in this cause," said Krever. "We envision a team composed of 40-plus diverse participants who strongly support the cause. As a small team of 14, we have already been able to raise around \$1,200 and look towards raising upwards of \$4,000 for this cause."

With tracks in the five, seven, and 15-kilometer range, Krever said no one on the team is a competitive runner, and they would like to show others that causes like these are "more than just a

running event."

"It is an opportunity for people to work together to raise awareness and funds for a cause which affects as many as two million young people in Canada."

Those looking to participate in the run can visit the event's website at

www.rbraceforthekids.ca, while those looking to donate to the CDS team can click the site's Donate button and search for "

If interested in aiding the team in another way, send an email to magnus.krever@hotmail.com or kiyan.heybati@gmail.com.

Members of the CDS Runners (L-R): Supporter Michael Jones, Treasurer Tommy Shen, Team Captain Kiyan Heybati, Public Relations exec Magnus Krever, and Supporter Vipul Gupta.

YRP host 10th Race for Plunkett

York Regional Police is proud to host the 10th annual Race for Plunkett, formerly known as the Rob Plunkett Memorial Torch Run for Special Olympics.

The race, which will take place on Wednesday, May 24, at 6 p.m., is open to the all members of the public. Participants can register online for a five-kilometre or 10-kilometre route along the Tom Taylor Trail in Newmarket. The starting area for the race is Riverwalk Commons and participants are asked to arrive between 4 p.m. to 6 p.m. to pick up their torch run T-shirt, race kit and electronic timing chip. Participants will have a chance to meet with local Special Olympic athletes, visit police displays, enjoy music, and take commemorative pictures for #raceforplunkett.

All Race for Plunkett participants support Special Olympics through their registration fee and any personal donations they collect. All money raised goes directly to Special Olympics Ontario. Donations can be made at www.guardiansendurance.com.

For further information on this event, please contact Detective Constable Melanie Moffatt of York Regional Police at 1-866-876-5423, ext. 7666 or by email at 812@yrp.ca.

For more information on the Race for Plunkett, visit www.guardiansendurance.com.

Gold medal winner

Madeline O'Meara competed in the 2017 Synchro Ontario Novice Championships May 6. She won the gold medal in the 9-10 figures competition and was up against 83 competitors from across Ontario. Coached by Ella Smylie, Madeline is new to the sport. This is her first year of competitive swimming with York Synchro and she has both a bronze and silver medal from invitational events that took place earlier in the year. Madeline's team overall won the bronze at the championships. Madeline hopes to continue to compete next year at the Provincial Level. She is pictured with coach Ella Smylie.

Carrying Place opens the doors to its new clubhouse

By Jake Courtepatte

The Carrying Place Golf and Country Club has some swanky new digs for the 2017 season.

The premiere private club, located just west of Highway 400 in Pottagville, unveiled its new state-of-the-art clubhouse facility in a ribbon-cutting ceremony on Sunday, a project two years in the making.

Boasting 15,000 square feet, double the size of the old clubhouse, the main floor holds a Member's Grill Room with a bar area, fireplace, and an adjoining outdoor terrace overlooking the spec-

tacular 18th hole.

A separate banquet facility has been added to host smaller groups as well, while a lower-level Members Lounge has a convenient walkout to the 18th hole from the men's and women's locker rooms.

An indoor training facility holding two hitting bays with simulators allows the avid golfer to keep up with their game year round.

Founded in 1958, the club hosts around 350 members today. For more information, visit www.carryingplace.com.

King's Corners

King City United
By Earle Laycock

Sunday was another unique worship experience at King City United. Rev. Paul Rumbolt, minister at York Pines United, joined us to celebrate the church's 146th anniversary. Of course, when Rev. Paul is near, his guitar is not far away!

The worship began with the Bell Choir playing "Come, Thou Fount of Every Blessing." Rev. Paul and Sandra Kirby then sang a beautiful duet with guitar accompaniment: "Come In, Come In and Sit Down (Part of the Family)." What a marvellous way to begin worship!

Thanks to our music director Rosemary Karunaratne and the Vocal Choir for their leadership. This was a very uplifting worship. Thanks so much to Rev. Paul Rumbolt for this inspiring worship.

After worship, the congregation helped Betty Beaton celebrate her first 80 years of life with birthday cake and ice cream. Happy Birthday Betty!

Interested in understanding more

about the Bible? The Bible Study group meets Wednesdays at 10:30 a.m. in the Chapel. Anyone who wants to deepen their understanding of scripture or to find answers to questions you may have, is welcome to attend.

Rev. Evelyn McLachlan had the privilege of being at the celebrations for the Rangers, Pathfinders, Guides, Brownies and Sparks last week. Their numbers are growing which is great news. One of the young women, Laura Walters, received her Gold Chief Commissioner's Award. Part of the requirement is to do some community service so Laura is hosting a Chili Dinner to thank our congregation for providing a safe place for the girls to come and take part in the Guiding program. This dinner will be on Friday, May 12 from 5 to 7:30 p.m. There will be a free will donation to cover expenses and the proceeds will come to King City United. Let's support Laura in this endeavour!

Tea & Talk continues every Friday morning at 10 a.m. at Sunset Grill in King City. There's always lots to talk about! Join us for some discussion and delicious breakfast. We usually are sitting at the table inside the doors on the right. Come join in the fun and make some new friends.

Remember that the United Church Women are collecting new and gently used clothing for needy children. Items can be dropped off at the church. Shipping will occur May 16.

King City United is located at 50 Elizabeth Grove, King City. Worship is every Sunday at 10 a.m. There is Sunday school for the young people. For more information, call our Office Administrator Kristen at 905-833-5181 or visit our website at: www.kcuc.ca

King Bible Church

We welcome you to join us for worship service on May 14. Pastor Mark will be continuing our sermon series on The Book of Revelation with "God Resp[Responds] to the Prayers of His People."

Please take advantage of our excellent children's ministry. Our Sunday morning "Celebration Zone" provides age-appropriate programs for children aged 4 to Grade 8. Our children's program is staffed by screened volunteers who care about your kids! The children in Grades 1-8 will join their parents for the beginning of the service until they are invited to go downstairs. The children in kindergarten can go directly to

their class at the start of the service.

If you have children aged 0-3 then we invite you to bring them to our beautiful and safe nursery facilities which are located on the lower level. Caregivers will meet you there.

Why not mix doing good with having a good time? KBC Women invite all local women to come out for an evening of service and social time. Saturday, May 6, 5-8 p.m. We will be working together to mix up some easy, tasty soups for homeless youth, and enjoying a light dinner ourselves. The evening's featured speaker is Kristy Nowell of Emmanuel International sharing remarkable stories of serving as the hands and feet of Christ in Malawi. Becky Cripps of Light Patrol will also be on hand to update us on work of Light Patrol for street youth in downtown Toronto. Bring a friend too! Suggested donation is a pack of socks or underwear for homeless youth or \$10. Mix. Serve. Enjoy. Call King Bible Church to register.

Are your kids ready to chill out this summer?

They won't want to miss a minute at Operation Arctic, the most welcoming place around!

King's Corners

St. Andrew's
By Kathy Patterson

From Page 20

At Operation Arctic, kids will learn about the coolest book on the planet (the Bible!) as they enjoy songs, crafts, games, goodies, and dramas.

Vacation Bible School at Operation Arctic will be flurry of fun and excitement, so contact us today! We're calling all explorers to join us for an amazingly cool adventure!

It runs Aug. 14-18, from 9 a.m. to noon daily.

Children staying for the full day program will be given a choice of elective options for the afternoons and will be placed in three electives for the whole week, in order to have a good experience in each of the interest areas. The options will be listed with the registration forms which will be available through the church office as of early May.

Cost for the week is \$20 per child for morning and \$60 per child for the full day.

Direct inquiries to Ruth-Ann Heise, Director of Children's Ministries, ruth-ann@kingbiblechurch.com

A warm welcome awaits you at St. Andrew's! Our Sunday worship is at 10:30 a.m. Sunday School runs concurrently and Nursery care is available. This Sunday, Mother's Day, the Rev. Dr. John Vissers will be preaching. There will be Communion following the service.

Last Sunday, May 7, John Mills's sermon, entitled "A Bad Lie" looked at John 8:23-32, full of lies and misunderstandings of who Jesus is and His response to the accusers. He cannot lie when He is truth.

Tuesday morning Ladies' Prayer Time continues at 9 a.m. Come to pray, give thanks, or just listen and be still before the Lord who is with us as He promised, hearing and answering our prayers, offering comfort, hope, and direction. Let us know if you have prayer requests or thanksgivings.

Art Fun after school with Lynn and Karen takes place at 3:30 to 5 p.m. Let Lynn Vissers know if you plan to come.

Thursday's Coffee and Conversation is at 10 a.m. in the church office with Lynn. Call for further information.

Youth group is doing the Alpha

course and has changed its meeting time. It will meet this Friday at 7 p.m. Please contact Lynn Vissers for further information.

Last Saturday, May 6, 2017, St. Andrew's, King City lost a dear patriarch, Mr. Keith Sanderson. We extend our deep condolences to his family, his daughters Elizabeth and Georgia and his grandchildren. Keith loved the Psalms and wanted Lynn to start our service last Sunday with Psalm 100 as the Call to Worship. What fitting words for this lovely man, about his Lord and the hope he rested in.

All Saints Anglican Church By Diana Armitage

Our Women's Dinner is this Thursday, May 11 at 6:30 p.m. Remember there is a raffle. Thank you men for your hard work!

On Sunday, May 28, All Saints will mark Elizabeth's full year as our new incumbent. To celebrate, after the 10:30 a.m. service, there will be a potluck lunch. Then Elizabeth is offering a very special Introductory Workshop in Biblical Storytelling. Please note that the workshop is intended for everyone – those who prefer to listen and/or those

who might like to learn to tell Scripture by Heart. For more information please speak with Rev. Elizabeth.

On Trinity Sunday, June 11, Bishop Peter Fenty will join us for a special worship celebration that will include the Sacraments of Baptism, Confirmation and the Reaffirmation of Baptismal Vows. It is very important to note that on this day the service will begin at 10 a.m., instead of 10:30 a.m.

Horticulture By John Arnott

The society's first flower show judged by Melanie Marjoram with these happy results:

Judy Onorato (King City) earned most points in the Novice Class, and in the Open Class John Arnott (Tecumseth Pines-Tottenham), whose simplistic flower design "What Does April Bring to Mind," won Best in Show Decorative. Barb Downey (Castleberg), whose striking hellebore-winter rose in the "Any Other Flower Not Listed" category won Best in Show Cultural came 2nd with 19. Nancy Hopkinson (Nobleton) tied with Blair Day (King City) for 3rd with 15 each.

505 GENERAL HELP WANTED

Freelance Reporter for Local Community Newspaper

Come join a dynamic, fast paced, growing entrepreneurial company looking for an energetic Freelance Reporter with a passion for community news.

The ideal candidate will have a distinct willingness to cover local community events and issues.

DUTIES AND RESPONSIBILITIES:

- Freelance reporting work for weekly community newspapers and special projects
- Will produce stories and bylines for the events they cover
- Will be paid on a freelance/contract basis per project/story
- Generate story ideas and follow up on news tips
- Take photographs
- Work some evenings and weekends, as required

QUALIFICATIONS:

- Diploma in journalism preferred
- Candidates should have experience working on the editorial side of the newspaper industry
- Excellent writing, editing and photography skills
- Valid driver's license and a reliable vehicle
- Reporting experience an asset
- An interest in local issues is a necessity, as the majority of the writing for this role will be local

Let's Talk.
Interested and qualified candidates should forward their cover letter and resume to brock@auroran.com

708 OBITUARIES

Mason: William John "Jack"

Peacefully at Stevenson Memorial Hospital, Alliston, on Wednesday May 3rd, 2017. Jack Mason, in his 90th year, beloved husband of June. Loving father of Judy (the late Rick) Cochrane, the late Ron, and Steve (Lori). Fondly remembered by his daughter-in-law Alberta (Warren) Mason - Reynolds. Sadly missed by his grandchildren Shawn (Ashley), the late Allan, Tara (Alex), Mike (Amanda), Daryl (Kayla), Johnathan, Ryan, David and his great - grandchildren Aiden, Rachel and Ronnie. The family received friends at Rod Abrams Funeral Home, 1666 Tottenham Road, Tottenham, 905-936-3477 on Friday May 5th, 2017 from 2-4 and 7-9 pm. Funeral service was held in the chapel, Saturday May 6th, 2017 at 2:30 pm. Interment to followed in Trinity Cemetery, Beeton. Donations in Jack's memory to the Canadian Mental Health Association, Ronald MacDonald House, Sick Kids Hospital or the charity of your choice would be appreciated by the family. www.RodAbrams-FuneralHome.com

709 IN MEMORIAM

IN LOVING MEMORY of a dear Husband, & Father who passed away May 13th, 2012.

Ron Mason
*Love is a smile, a tear and a touch,
Love says little, but means so much,
Love is forever, and we give it to you,
From the family who thought the world of you.*
Love always and forever, Berta, the late Allan, Mike, Amanda, & Ronnie

Nobleton Notes

By **Angie Maccarone**
416-917-0406

St. Paul's Church

The Youth Group takes place every Wednesday night at the church from 7-9 p.m. (unless there is a special activity planned). Come join in the fun. Check here for details, or contact our Youth Leader Taylor Scott at scottie_tay@yahoo.ca or 289-338-2539.

A2J is a program for kids in Grades 3 to 6. It's an evening of Bible stories, songs, games, crafts, self-confidence building and lots of fun. A2J meets the 2nd and 4th Friday evening of each month, through May. It's not too late to join. Contact the church office at 905-859-0843 for more information.

Join us Sunday, May 14 at 10 a.m. Jeff's message this week is "Sharing is Caring." Child care (for children 3 years of age and younger) is provided during the gathering. Our NextStep and KidzKonnection programs (for children ages 4 to 11) take place at the same time.

Our NextStep and KidzKonnection programs (for children ages 4 to 11) take place at the same time. Our KidzKonnection and NextStep programs (for children ages 4 to 11) will NOT take place this day as this is our family worship gathering.

Jeff has a blog and he records his weekly messages there after worship each Sunday. Anyone interested in listening to his messages can go to www.passionatelyhis.com to hear them.

For more information about any our activities or events, please contact the church office or visit our website at www.stpaulsnobleton.ca.

St. Mary's Church

May 25 - SM Knights of Columbus golf tournament, Nobleton Lakes.

May 28 - SM - CWL, spaghetti & meatballs - after 9:45 a.m. mass.

June 10 - Diaconate Anniversary Dinner in Honour of Deacons Milan Popik and Don McMillan, SM Parish Hall after 5 p.m. mass.

June 11 - SP Family Picnic.

June 17 - Corpus Christi Feast/Procession - SP Church 5 p.m. mass. June 18 - Corpus Christi Feast / Procession - SM Church 9:45 a.m. mass.

Nobleton United Church By Nancy Hopkinson

Today is the day, Thursday, May 11 at 6:30 p.m., for our fabulous Roast Beef Dinner and homemade pie slices. If you have reserved a seat, don't forget to come. The event is sold out, but possibly someone will be unable to attend, so if you forgot to reserve a seat, you can try contacting Helen Bible at 905-859-3924 to see if there has been a cancellation.

On Saturday, May 13, 9 a.m. to 1 p.m., Schomberg United is having a Plant, Bake and Craft Sale, at 116 Church St. Monies raised will support their seniors' program. The crafters will include handmade soaps, pottery, fabric and jewellery items. The plant portion of the sale is a joint venture with St. Mary's Magdalene.

Also on May 13, 9 a.m. to 1 p.m., the Kleinburg Old Boys' Plant Sale, BBQ & Bake Sale is happening at the Kline House, 8 Nashville Rd.

On Sunday, May 14, we are celebrating Mother's Day with flowers for the ladies.

The Dunk Tank will be back on Monday, May 22 of the Victoria Day week-

end on the Nobleton Arena's grounds. After the Victoria Day parade, Mayor Pellegrini officially opens the festivities and then comes over at 12:15 to be our first "dunkee." This is a fundraising event and helps to support Messy Church, seniors' programs and other community based events in Nobleton. The cost for throwing a ball is \$2 per ball or \$5 for 3 balls. Councillor Dave Boyd, MP Deb Schulte, David Zacchigna, Sam Panetta, Nancy Hopkinson and Zoe Simmons have all agreed to be dunked! Would you be willing to be dunked to help support the church's activities? For more info click on the "Dunk Challenge" of our website, www.nobletonunitedchurch.com, found on the top right corner of the opening page.

On Sunday, June 18, we will mark Father's Day with Beatles music. The Joyful Spirits music group will sing at both Schomberg United at 9:30 a.m. and Nobleton United at 11:15 a.m. Are you a musician who can play Beatles Music? Contact me (905-859-0761) ASAP if you would be interested in playing as a volunteer on that day.

On June 25, we are having a Canada Day 150 Celebration with Orangeville's lively "Day by Day" guitar/singing group at Nobleton United at 11:15 a.m. This is a joint service with Schomberg United.

If you would like to see a video of our latest baptism (Carter Robert Hugh Scott, son of NataLee Birks and Kevin Scott) two Sundays ago, please visit our website and click on the red Baptism rectangle, or view the photos on our Facebook page.

If you would like to meet Minister Carol-Ann Chapman, come to Sunday service or phone the church and make an appointment. You are welcome to

come to the church to meet, or Carol-Ann can visit you.

For more info, visit nobletonunitedchurch.com, our Facebook page, or call 905-859-3976. The Nobleton United Church office is normally open on Wednesday and Thursday mornings. Messages are picked up regularly. We are located at 6076 King Rd., north side, about 6 buildings west of Hwy. 27. We have a big parking lot at the rear of the building, an accessible ramp at the rear of the building, chair lifts and accessible washrooms.

Lyme Disease Support Group Meeting

York North Lyme Group is meeting Thursday, May 18, 7 to 9 p.m., at the Nobleton Public Library, 8 Sheardown Drive. All those who are impacted by Lyme disease, whether patients or family/friends, are welcome to join us. There is no charge.

Please come fragrance free. Note: Ticks are out and hungry - do you know how to prevent infected tick bites and tick-borne diseases?

You can email yorknorth.lyme-group@gmail.com if you need more information or find us on Facebook.

Nobleton Lions

The Pet Valu Walk for Dog Guides is planned for Sunday, May 28. The Nobleton Lions will be hosting one of 240 walks across Canada. This walk helps provide funding for six different specialty programs including Canine Vision, Hearing Ear, Service, Seizure Response, Autism Assistance, and Diabetic Alert. Each dog costs approximately \$25,000 to raise, train, and place.

Nobleton Notes

Anglican Parish
By John Arnott

From Page 22

Check out www.walkfordogguides.com for all the details of where and when. We look forward to having you join us at this year's walk, and help give Canadians a new LEASH on life.

The Nobleton Lions Annual Fund Raiser is planned for June 4. This year the event is a Charity Golf Tournament to be held at Nobleton Lakes Golf Course. This is the major fund raiser for the Lions Club, with proceeds planned to go to numerous organizations in and around town. Golfers and hole sponsors are invited to call Jim Kassam at KARS on King Rd. west of Hwy. 27 at 859-5277.

Watch this space for further details as the events get closer, and why not check out our website at www.nobletonlions.com

Free advertising is available to non profit groups in and around Nobleton via the electronic sign at the library. Contact the Township of King for details on how to get your message up there at no charge. Residents are asked to remember that the Lions have arranged to collect unused eye glasses, refurbish and distribute them to those in need. Unused eyeglasses can be dropped off at the Pharmasave Pharmacy, where they will be collected for this purpose.

Your support is greatly appreciated by the Lions and those who we support, in keeping with our motto, "We Serve."

The Lions Club is seeking new members at this time. If you are interested in helping your community become a better place to live while having lots of fun, please call Bob Phillips at 416-522-9675.

It was 1927 and two years have passed since the massive steel re-enforced concrete foundation for the great monument had been laid. Now the first shipments of limestone, so long held up by quarrying problems, transportation logistics and politics began to arrive from the ancient Roman quarry at Seget in Croatia. But the delivery of the large blocks of limestone from which the 20 double life size human figures would be carved was delayed another 4 years due to the same problems.

But at least major construction could get underway using the nearly 7,000 tons/6000 metric tonnes of stone now on site. And the monument whose twin towers would rise 120 ft./30 m above the ridge where fighting had been the bloodiest began to take shape using at the time a relatively new technique of a cast concrete core faced in stone- in this case the luminous Seget limestone. Soon these twin towers, one with a craved maple leaf to represent Canada and the other with a fleur-de-lys representing France, were complete

In 1931 with the final shipments of limestone having arrived on site carving of the figures could begin. Now based in Paris, Walter Allward the Toronto-born designer and sculptor who created the project, sculpted out of clay then coated in plaster, half sized models of the 20 figures he wanted. Carvers using an instrument called a pantograph to draw the figures at the desired scale, now worked year 'round in temporary studios set up around each of the 20 figures. As they were completed most of the figures would starkly grace the monument walls with those called the Chorus symbolizing Justice, Hope, Charity,

Honour, Faith, Truth and Knowledge mounting to the top of monument with Peace the highest reaching up to implore God's blessing on her mission.

Another group, the Defenders, includes 3 figures in the "Breaking the Sword" symbolizing the end of war and the triumph of peace. Instead of figures crushing an enemy helmet underfoot as first intended, Allward replaced this with 3 figures called Sympathy helping a victim of war.

On the floor between the towers symbolizing Sacrifice is the touching portrayal of a dying soldier passing the torch of Victory to a comrade bringing sharply to mind notes the St. Alban's Anglican community in Nobleton, the lines from John McCrae's "In Flanders Fields, To you from failing hands we throw the torch. Be

yours to hold it high."

Embedded in the walls above some of the figures are cannon barrels with laurel and olive branches long time symbols of peace carved on them.

Two prostrate figures, one male, one female, representing a father and a mother shattered by the loss of a son in war are found at either side of the stairs leading up into the monument.

Carved from a 33-ton piece of limestone, the largest piece cut is the most poignant figure of all that of the hooded cloaked woman, mourning scarf in hand, as she looks down weeping to the symbol of death, the stone sarcophagus at the base of the wall on which she stands. This is Mother Canada - Canada Bereft numbed by grief at the loss on both sides of so many thousands of promising young lives.

Holy Name Carnival approaches

The Holy Name Catholic School Council is proud to present the 12th annual Carnival on June 9. Holy Name Catholic School in King City. This event has always been a great success with the help of the community. The carnival runs 5:30 to 8:30 p.m. that night.

"As our school community grows with the addition of many new families, we hope this event will provide an opportunity for the school community to come together and celebrate the end of another great year," according to organizers.

As well as providing an evening of fun and entertainment for the whole family. There is a BBQ, inflatables, face-painting, clowns, air brush tattoo artist, ponies, petting zoo, magician, games, photo booth and so much more.

Mayor Steve Pellegrini will attend this year's event.

"As a school built on the values instilled by our Catholic faith, we pride ourselves on the relationships we have with our families and surrounding community. Our students give so much back to those in need that it's an honour to give them a fun filled evening to end off their school year. As we continue to grow as a school so does the need for more to be offered at our carnival."
