Canadians paying too much, Scheer stresses

By Mark Pavilons

Average Canadians are paying too much, according to the leader of the federal Conservative Party.

Andrew Scheer stopped in King during a tour of the region Saturday. Scheer paid a visit to the Nobleton Feed Mill to chat about issues facing residents under the Trudeau Liberals.

Federal policies, he said, are having a huge impact on investment dollars, which are leaving Canada. The carbon tax has resulted in a noticeable hike in gas prices at the pumps, something that hits every Canadian in the wallet.

Scheer said he's very concerned about the size of the federal deficit and the Liberals don't seem to have a plan to tackle the debt. This will place a "huge burden" on our children's future, he stressed.

Scheer also pointed out that after 25 years of deficits un-

der the Liberals, "we're not having anything to show for it."

This coming provincial election in Ontario is "huge," Scheer said. He noted that the Wynne Liberals have run up the debt. From the energy scandal to the high costs of hydro, the provincial Liberals are added to the burdens placed on taxpayers.

"Ontario can't keep writing cheques," he said.

Scheer is impressed with the local Conservative candidates running to serve King residents. Both Stephen Lecce and Caroline Mulroney would be exceptional representatives.

Nobleton Feed Mill is currently the largest distributor of Masterfeeds products in North America. Rob Flack, president of Masterfeeds Canada, was also on hand for Scheer's visit.

For more, visit www.nobletonfeedmill.com.

JOB OPPORTUNITY - KING TOWNSHIP PUBLIC LIBRARY

The Library is seeking to fill the position of **Branch Services Coordinator**. Please see the complete posting for this position our website at kinglibrary.ca for details.

BID NOTICES

For all bid opportunities, please visit the Township of King's website www.king.ca, click **Popular Topics** and click **BID OPPORTUNITIES**.

Or visit on the following link

<https://king.bidsandtenders.ca/Module/Tenders/en>

PUBLIC NOTICES

The municipal offices and libraries will be closed on **Monday, May 21** for **Victoria Day**, reopening Tuesday, May 22 for regular business hours.

In case of an urgent township matter, call 905-833-5321 and the answering service will relay your call to the appropriate personnel.

King Heritage and Cultural Centre Service Disruption Notice

The King Heritage and Cultural Centre is currently undergoing exciting changes and facility renovations that will increase site accessibility and enhance the space with a permanent exhibit on the history of King Township.

Due to the construction, the site will be completely closed to the public from April 30 – May 14, 2018. During this time, if you have any inquiries please contact 905.833.2331 or kingmuseum@king.ca.

Spring Street Sweeping

Street sweeping will begin mid-April and will continue to the end of May; weather permitting. Please refrain from on street parking between 7:00 a.m.- 6:00 p.m. during this time.

Municipal water flushing

Ansnoeveldt, King City, Schomberg and Nobleton

In the spring and fall the Engineering and Public Works Department flushes all water mains and hydrants. As a result, residents over the course of the next few weeks may experience low pressure and/or discoloration. This process contributes to the safe, effective delivery of municipal water and **does not** affect the quality of your water in any way. Should you require further information please contact the Engineering and Public Works Department at 905-833-5321.

Please see more King Township notices on page 5

2018 MUNICIPAL ELECTION

2018 MUNICIPAL ELECTION

Township Clerk

2018 Municipal Elections

Are you on the list to vote for the upcoming municipal election on Monday, October 22nd, 2018?

If you are an Ontario resident over the age of 18 you can visit www.voterlookup.ca

to confirm or update your

information in a few easy steps.

Updating this information will help to ensure that municipal Voters' Lists are accurate and up-to-date in preparation for municipal and school board elections occurring this October.

Visit www.voterlookup.ca or call 1-866-296-6722.

Have your say. Log on today.

PUBLIC NOTICES

Road safety

Slow down, keep your head up and obey the rules of the road.

These three simple actions are something King Township is asking motorists to keep in mind now that the weather has turned more Spring-like and more people are out and about walking or riding bikes.

Speeding, distracted and impaired driving are three entirely preventable behaviours.

Slow down, put your phone down and concentrate on driving.

Here are some safety tips:

- Leave early to avoid rushing and disobeying the rules of the road.
- Stop when a bus has its arm extended and lights flashing. Do not proceed until the lights are turned off.
- Slow down in school zones and keep an eye out for children.
- Avoid three-point turns and U-turns in school zones.
- Obey crossing guards and signage

PUBLIC NOTICES

More than 2,000 streetlights in King Township will be converted from standard high-pressure sodium (HPS) types to light emitting diode (LED) ones starting this week in King City.

Upgrading from HPS to LED streetlights will improve visibility, safety and reduce light pollution. LED lights also use significantly less power than HPS ones and align with King's Sustainability Plan.

At current hydro rates, it's estimated the cost will be paid back from reduced maintenance and power consumption in around nine years.

The first area of work will be King City. On site activity will consist of 2 crews of as many as 2 vehicles each. These vehicles will be stopping at each fixture location. Operating from a small bucket truck, the old fixture will be removed, new fixture installed and a new control node added to replace the old photocell.

The crews will then move to the communities of Nobleton and Schomberg.

Following the initial sweep of the areas, the information regarding the condition of the existing poles will be evaluated and a second sweep of the areas will be conducted to address the approved correction of existing deficiencies (pole straightening or replacement.)

All field activity is to be completed by the end of September 2018.

If you have any questions regarding this project please contact:

Frank Miceli	or	David Van Veen
Ameresco Canada Inc.		Township of King
416-737-6718		905-833-5321

Half-load restrictions

The annual half-load period to limit vehicle weights to 5,000 kg per starts on designated Township roads effective Thurs., March 1, 2018 to Thurs., May 31, 2018. For further information, please visit www.king.ca or call 905-833-5321.

Greg Locke is Green Party candidate

By Mark Pavilons

The Green Party will be represented in the June provincial election.

Greg Locke, King resident, local businessman and environmental advocate, has been named the candidate in King-Vaughan.

He's a Schomberg-based glass artist, long-standing volunteer, and father together with his wife, two cats and their border collie. Commitment to community, an enthusiasm towards the environment, and active advocacy are his driving forces.

Locke said the party approached him and asked if he would stand as their preferred candidate.

"It may sound cheesy, but I realized I needed to run when my 11-year-old daughter Brianna asked me what party I'm going to vote for. I couldn't look her in the eye and rationalize any other preference! The challenges facing our environment, our children, our seniors, and the legacy that decades of accumulated private and public debt have taken on our society, they all weigh on me. I'm concerned for her, even for her children. We've dug a very big hole for ourselves."

Locke said Ontarians have become polarized and mainstream parties are moving way left and way right to attract or keep voters. Personality and populism, he said, are the orders of the day.

"There is another choice, and that is for voters to consider the merits of voting Green."

Locke said he wants his name on the ballot in King-Vaughan to give voters a choice and get the word out why the Green Party is ready to address the many challenges facing Ontario. He shares the Green Party's vision and values, and he's proud to have Mike Schreiner as leader.

"The Green Party is fiscally conservative and socially progressive. Many voters don't realize this. If you're concerned about the devastation that deficit spending, and promises of much more, will have on our future, you have another choice. If you're in favour of continuing social investments and sup-

port mechanisms that have made Ontario such a great place to live, you have another choice."

Locke was particularly struck by a recent encounter with David Suzuki at a local Green Party Earth Week event in Stouffville.

"His message, like the party's, is simple and honest: we don't have time to waste to save our environment from ourselves. We have to act now. It's clear to me that other parties don't want this as central to their mandate - it needs to be. As an environmental advocate, I embrace this."

Greg became an environmental advocate soon after moving to York Region 12 years ago. Having searched for a more rural, small-town setting for he and Tracy to relocate their home and studio, he became disillusioned with the seemingly insensitive pace, scale and form of development across King's villages and hamlets. Having served as president on his previous condominium board, Greg jumped in with a local citizen's group trying to work with a local developer to improve the site's respect for surrounding neighbours and pre-existing environmental features. Greg became passionate when he saw the indifference to being heard by the developer and numerous local officials. He realized that the lifestyle and values he so wanted to see flourish in his new community, could only be sustained by getting more involved.

Locke ran for King Township council, first in 2010 and again in 2014, on a banner of "positive leadership." He joined CCKT as a board member to support and advance CCKT's mandate, becoming chair in 2011. He's also served and supported the volunteer boards of Arts Society King and York Region Arts Council.

His community and business experience is complemented by his Master of Business Administration (MBA) and Bachelor of Arts (Economics) degrees, both earned at York University.

Locke sees this as a critical juncture in Ontario, both for the "rural" communities of King and the more "urban" City of Vaughan. There are several reasons compelling him to participate.

He said there's no choice for voters, especially now, who value fiscal responsibility and social progressiveness.

"There's no reason we can't appoint leaders who support both. I want to be one of them."

Locke stressed we must ensure we focus on people - supporting our youth and seniors with programs and policies that will ensure we can grow in this new technology-driven world, without leaving anyone behind.

"We must continue targeted investments in education, health, child care and affordable housing."

We must continue to invest in key infrastructure, including education, public transit, high speed internet, and efficient road and rail networks to ensure our cities, Vaughan especially, continue to be the social and economic engines of wealth we so rely on them for.

"Let's get out of the way of Metrolinx."

Renowned environmentalist David Suzuki joined Greg Locke at an Earth Week event recently.

Editorial, Letters & Opinion

"A newspaper is the center of a community, it's one of the tent poles of the community, and that's not going to be replaced by websites and blogs."

- Michael Connelly

The special 'dash' that represents our lives

When you read an obituary, it often mentions the person's birth year and year of their death, separated by a small, seemingly insignificant dash.

But this "dash" represents their life and all that it entailed. Not insignificant at all, but rather THE most significant of all.

Mayor Steve Pellegrini used this analogy to honour the contributions made by King's dedicated volunteers, during the annual Volunteer Appreciation Night recently. This "dash" is filled with an almost unbelievable breadth of volunteer work, contributions to dozens of organizations, and untold hours given to the community. For our valiant volunteers, this "dash" is almost too big to be put into words or listed on a scroll.

The hours spent giving, building, creating and contributing may seem trivial at the time, but it's a domino effect, creating a tidal wave of goodwill. Each volunteer hour is like a stitch in a giant community quilt, that constantly grows in colour, depth and richness.

"There are two great days in a person's life - the day we are born and the day we discover why."

- William Barclay

So what, then, do we accomplish during this "dash" of ours?

We are reminded to enjoy each and every minute, for life is short. I think we

Mark Pavilons

also have to infuse our lives with action, whether it's steps in our long journey, hanging a left from time to time, and undertaking meaningful acts. Big or small, they all add up, like grains of sand that come together to form a beautiful, expansive beach.

This moment, this dash, is our life. Some choose to live life creatively. There's no shortage of talent among our fellow men, women and children. From pre-teen singers and dancers, to writers, photographers, artists and sculptors,

self-expression is an amazing gift. It's one big stage play; a never-ending song, an action-packed adventure.

Life is filled with beauty. We tend to rush around, bent on making it from point A to point B with speed and sometimes haste.

If you get a chance, feed the fish, I say. Stop, take a look around and notice the tiny things that make this life so wonderful.

During a pleasant day recently, I opened the car window, felt the sun on my cheek and a gentle breeze blowing through my hair. I closed my eyes and soaked it all in. A classic 1969 Firebird rumbled past and I caught the smell of exhaust. Glorious!

Some inject their lives with humour and copious amounts of smiles and hugs. Our fellow creatures, whether on two legs or four, give us plenty of reasons to laugh.

Life is simple, Confucius said, but we have a habit of making it complicated.

In recent years, perhaps bolstered by certain meds, I approach each day, each assignment, each task, with a sense of practicality and calm. I've spent too many years stressed out and worried so I've learned to be pragmatic. I look at each day's list of chores, work-related tasks and those mundane "must-dos" with a sense of purpose and forethought. It must be done, so do it with pride or some sort of gusto.

We can't avoid them. Those horrible undertakings will soon be over, and we can look back and say to ourselves, "well that wasn't so bad."

I've found that's almost always the case. It is never as bad as anticipated. Fears are often paper tigers.

Jackie Robinson once said that a life is not important, except in the impact it has on other lives.

My belief is that we live our lives the best we can with what we have. If we make an effort and get average marks, we've passed! If we manage to touch some lives, hearts and souls along the way, it's a bonus. Our legacy, in the end, is our interactions with our fellow hu-

man beings, and impressions we leave. We don't have to go down in history as great artists, architects or medical researchers. If we leave behind a trail of love, compassion, grace, humility and a laugh or two, I think we've done well.

It's easy to be pessimistic, so the key is to find ways to be optimistic.

When I looked at some of the faces of the volunteers who were recognized, I saw joy, peace, serenity and humility. They do what they do because they love it, and they've discovered there's great strength from giving.

We all have to brush off the dust from our shoulders every once in a while. We have to endure pain and suffering, too.

Our Creator had enough confidence in us to not only build a perfect creature, but arm us with everything we need to survive and strive.

If He has faith in us, we should, too.

As we struggle from time to time, we should never forget just how lucky we are to be here in the first place. Miraculous! We beat the odds and our family trees flourished when others withered and died. We made it! Now what?

Well, if you're a Baby Boomer like me, just think about all the things we've seen in our lives. I witnessed the birth of the Internet and first cell phones. I've seen images from deep space, thanks to the Hubble telescope. I can have a conversation with someone without picking up a phone! I can order an article of clothing and it will be on my doorstep in 24 hours. I have children! I actually like wasabi! I climbed a pyramid at Chichen Itza and have seen several Caribbean sunsets. I've won and lost at the slots. I have loved and won!

While these may not seem like herculean accomplishments, they're just fine by me.

Hopefully, when my time is up, they will have tombstones with video screens. That way, I can leave a rather nifty and lengthy message for all who pass, and press the button.

Let's all endeavor to make that dash of ours as robust and colourful as possible!

Editorial

Consider running for council!

Ontario residents will be going to the polls twice this year and it's a great opportunity to let your voice be heard.

In June, we will elect our provincial MPPs and perhaps a new government at Queen's Park.

In October, taxpayers will vote for their local councillors, mayor, regional chair and school board trustees in the municipal election.

Not all of us have political aspirations and many shy away from it, out of fear and the misconception that you have to be a seasoned politico or "expert" to give it a try.

Not so. To serve locally, all you really need is passion and a commitment to your community and your fellow taxpayers. You need to care.

Given this set of informal criteria, many of us fit the bill. Many of these people are members of service clubs, non-profits and citizen's groups.

Some may think it's a whole new job and perhaps an overwhelming commitment. Yes, it's a commitment. But the bonus is you get out of it what you put in, and then some.

And that can be a newfound knowledge, expertise, the inner workings of government, and respect for the democratic system. It's a learning experience like no other.

Our country was founded on democratic principles that have stood the test of time. We all benefit from a system that works; a system that allows average citizens to make an impact; a system that places the common good as its top priority.

In many ways, it's the ultimate contribution you can make to your community. While it can be hectic, you don't have to quit your job. The majority of councillors do have full-time occupations.

You don't have to be an expert, have a degree in political science, or have experience sitting on boards or committees. Of course, experience helps, but winning over the crowd is the first step.

King's amazing and experienced staff will help all candidates, and newly elected councillors, get accustomed to the procedures, rules, regulations and how it all comes together. Don't get bogged down worrying about the small details.

At the local level, we tend to get things done without much drama.

"Voting is how we participate in a civic society ... It's the way we teach our children ... how to be citizens, and the importance of their voice."

- Loretta Lynch

What say ye?

MP, Editor

KingWeeklySentinel WEBPOLL
www.kingweekly.com

Results from last week's poll:

Do you feel less safe walking the city streets, given recent events?

Yes	<div style="width: 36%; background-color: black; height: 10px;"></div>	36%
No	<div style="width: 64%; background-color: black; height: 10px;"></div>	64%

The results of this poll are in no way considered to be valid or infallible.

THIS WEEK'S QUESTION

Do you believe there will be lasting peace with North Korea?

a) Yes
b) No

So go to the website and cast a vote!

Brain teaser

How can you hold a piece of string, one end in each hand, and tie a knot in the string with out letting go of either end?

Last week's answer: Cross your arms before you seize the ends of the string. Uncross your arms and it will tie a knot!

King Township Trivia

In 1891 board sidewalks were approved by the Town council to be installed in King City at a cost of \$150.

Locke says solutions exist

From Page 3

Locke also noted debt has to be addressed. We must support policies that nurture and grow our biggest assets, including small business and our youth, filled with ideas in world-embracing technological innovation, to create new streams of sustainable wealth.

"We've been governed as though we're living in a 1960s world where our economy was delivering high wage and salary jobs in largely manufacturing and resource based industries. We must focus on our relative strengths to build a sustainable economy, including key manufacturing and building industries."

The investments we've made in the reviews of our major environmental plans (Green Belt and Oak Ridges Moraine) must be sustained.

"It's critical we protect and grow the legacy of these key pieces of environmental legislation. Over 80% of King is within the Greenbelt or Moraine. There is more work to be done here."

The Places to Grow legislation mandates intensification targets across the GTA. Municipal governments are challenged to identify locations for potential infill development, especially in King-Vaughan, where infrastructure is at or near capacity, and few harmonious locations exist. This is causing

much stress between residents, developers and municipalities.

"I want the Province to work harder to define targets that are reasonable on a community by community basis, maintaining our goals of growing our housing stock, conserving our scarce rural and farm lands."

The out-dated Ontario Municipal Board (OMB) has just been replaced by a long overdue regimen now in effect (Local Planning Appeal Tribunal). Positive change was critical in this area of land use appeal. LPAT is problematic in several of its new objectives, requirements and processes; amendments are surely needed.

"Without active review and engagement with this new legislation, citizen and community voice for land use appeal will once again be a mostly losing game."

Locke is confident that "real solutions exist," and he's ready to jump into the fray at the provincial level.

He'll be at The Roost Café (12974 Keele St, King City) this Saturday from 1:30 to 3 p.m., and at The Grackle Coffee Company (208 Main St. Schomberg) this Sunday from 1:30 to 3. There will be more opportunities to meet Greg over the coming weeks.

You can contact him at greglocke@gpo.ca or visit greglocke.ca

Witnesses sought in nearby fatal

Investigators with the York Regional Police Major Collision Investigation Unit are seeking witnesses, including the driver of a transport truck, who may have been in the area prior to a fatal collision in the City of Vaughan.

On Thursday, April 26, at approximately 1 a.m., police responded to a collision on Highway 50, south of Nashville Road. A black Honda Accord was travelling north on Highway 50 when it went off the roadway and into a ditch.

Investigators believe a full-sized transport tractor trailer was travelling north on Highway 50 and the driver may have seen the Honda Accord, may have been passed by it, or could have possibly witnessed the collision.

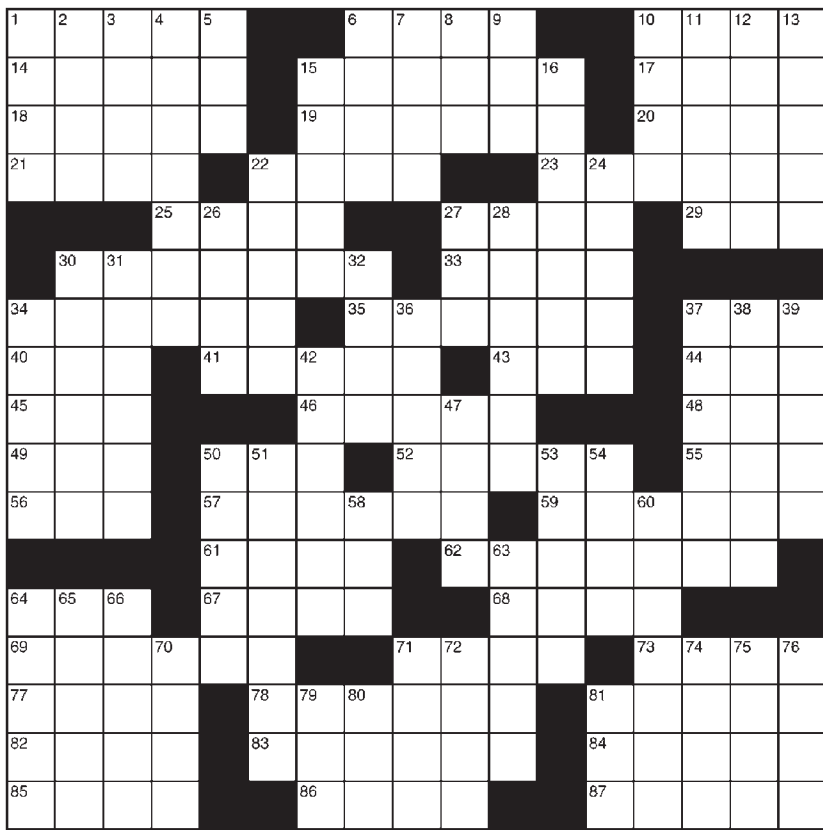

One of the occupants of the Honda, a 38-year-old man from Brampton, was deceased at the scene. One adult male occupant in the Honda was transported to hospital in life-threatening condition and two other adult male occupants were transported to hospital with serious but non-life-threatening injuries.

The investigation is ongoing and any witnesses who have not yet spoken with police, or anyone who may have dashcam footage of the collision, are being asked to please come forward. Investigators are appealing to truck drivers who may have been in the area or staff at trucking companies whose employees may have been in the area to contact police.

York Regional Police is asking anyone with information to contact the Major Collision Investigation Unit by calling 1-866-876-5423, ext. 7704, or to call Crime Stoppers anonymously at 1-800-222-TIPS, or leave an anonymous tip online at www.1800222tips.com.

Schomberg resident receives librarian of the year award

Schomberg's Sandra Kendall has received the CHLA/ABSC Canadian Hospital Librarian of the Year Award for going above and beyond.

Kendall, director of library services at Sinai Health System, has more than 30 years of expertise in academic, public, private and non-profit libraries. Her contributions are truly remarkable.

As library director at Sinai, Kendall provides direction in implementing client-centred best practices to improve patient care in the GTA. Her key accomplishments include initiating a common catalogue platform for all hospital libraries in the GTA, by partnering with the University of Toronto's SIRSI catalogue. He has also negotiated the first comprehensive electronic nursing collection in the GTA, positioning Mount Sinai as the first in Canada to achieved "Magnet Recognition," a prestigious international credential that measures nursing excellence and patient care.

In 2008, Kendall founded the Toronto Addis Ababa Academic Collaboration - Library Science Program, an educational partnership with the Ethiopian academic community, to further enhance library services at the Addis Ababa University. To date, she has taught more than 1,200 learners in using HINARI, the electronic resources library, established by the World Health Organization for developing countries.

In 2018, the planned in-country training session will be held in October.

Kendall had educated residents, fellows, nurses, faculty physicians and librarians at Addis Ababa to perform

literature searches, formulate and respond to clinical questions with medical library resources. She's been able to share her expertise with librarians in national and international conferences. Kendall presented the project's progress and success at various associations, including the Ontario Library Association, Canadian Health Libraries Association, Medical Library Association.

Kendall, in 2017, became president of the Ontario Health Libraries Association and initiated a project to transform RxTx, a major electronic drug information resource, into a provincially licenced product in all of Ontario hospitals. She's established a positive rapport with not only library professionals, but also stakeholders in government private and non-profit sectors.

Kendall is also a writer, and published an updated evidence-based medical toolkit in the Canadian Family Physician journal, encouraging clinicians to find credible sources of medical information in a practical manner. The toolkit has been used by the College of Physicians and Surgeons of Ontario, the Ministry of Public Health and a number of hospital libraries across the country.

Kendall has been a role model and mentor to library professionals around the world, and is known for her energy, creativity, sense of humour and work ethic. She continues to make an exceptional contribution to hospital librarianship in Canada and beyond.

Speed reduced on Highway 27

By Mark Pavilons

York Regional Council has decided to reduce the speed limit on a certain section of Highway 27.

Councillors voted to reduce the speed from 80 km/h to 70 on Highway 27, from the King-Vaughan road to 230 metres south of Oliver Emerson Avenue. They also voted to drop the limit from 80 to 60 km/h on 27, from 230 metres south of Oliver Emerson, to 315 metres south of King Road.

When speed limits are changed, the region installs "NEW" signs in the area, and they remain in place for 60 to 90 days.

York staff monitors and reviews the regional roads network, making sure speed limits are updated in accordance with policy, and set at proper levels for the road.

Region and U of T partners in transportation technology

York Regional Council approved a multi-year partnership with the University of Toronto's iCity Centre for Automated and Transformative Transportation Systems (iCity-CATTS), as part of a coordinated action plan to prepare The Regional Municipality of York for the impacts of technology on transportation.

"Innovations in technology are revolutionizing the way we travel, and this partnership allows us access to industry experts and information not possible otherwise if we act alone," said York Region chairman and CEO Wayne Emmerson. "This investment for our future gives the Region a unique opportunity to learn about potential impacts these changes can have on our transportation network, and will help inform policy and infrastructure decisions."

York Region has committed to funding the University of Toronto's iCity-CATTS Study at a cost of \$75,000 per year to a total of \$300,000 over four

years.

The University of Toronto's iCity-CATTS is the first to study how "smart" transportation technologies such as automated vehicles and e-sharing will affect people's transportation choices, how businesses provide transportation as a service, and how cities should plan for those changes to achieve the best results for society.

This funding supports work the Region has already initiated to prepare for changes in transportation technology as well as initiatives approved in the 2016 Transportation Master Plan (TMP). Highlights include:

- Testing new technology in the field; an example is York Region Transit vehicles now communicating with traffic signals with the use of new advancements in Bluetooth technology.
- Integration of technology during land use and policy decisions.
- Creating partnerships to leverage shared resources in response to new

technology, such as through the Region's partnership with Waze, a community-based traffic and navigation application company that provides real-time traffic information.

"The result of this study provides us with some of the answers we are searching for," said Richmond Hill Regional Councillor Vito Spatafora, chair of the Region's Transportation Services. "With autonomous vehicles getting closer to becoming a reality on our roads, we can take this information and

create more dynamic, inter-connected and efficient transportation systems with the increased potential for safety and cost savings."

The Regional Municipality of York consists of nine local cities and towns, and provides a variety of programs and services to 1.2 million residents and 51,000 businesses with 620,000 employees. More information about the Region's key service areas is available at york.ca/regionalservices

Dedicated group spruces up King

Catherine & Cleve Mortelliti, Mayor Steve Pellegrini, Clarke Markle, Ed Miller, Zachee Nzeyimana, Barry Glen, Catherine Wellesley, Ian Hillely, Bob Hughes, Kathryn and Wilson Markle teamed up to clean up sections along Keele Street, during King Cleanup Day. The residents are members of the King City Trails Committee.

Photo submitted by Wilson Markle

KRA pitches in

A merry band of residents from Kingscross Estates, King City got up and out on a blustery and chilly Sunday morning to compliment the efforts of others across King for the Township's annual spring clean up. The light dusting of snow cleared up quickly and a team of neighbours made light work of collecting several bags of garbage which had accumulated since last spring. Soggy paper, plastic bags, plastic water bottles and coffee cups were the most frequently found items of garbage. How hard would it be to take these home to recycle? Kingscross Ratepayers Association repaid the hard work with a BBQ, hot coffee and a big vote of thanks to all who participated.

Magna and partner to supply solid-state LiDAR

On the road to developing autonomous technologies, perhaps nothing is more important than the vehicle being able to see the world around it. To help meet this challenge, Magna and its partner, Innoviz Technologies, will supply the BMW Group with solid-state LiDAR for upcoming autonomous vehicle production platforms.

The new-business award, one of the first in the auto industry to include solid-state LiDAR for serial production, underscores Magna's ability to support customers with flexible, scalable solutions and transform innovative technologies into automotive-grade products. While Magna has demonstrated via MAX4 the capability to develop a complete autonomous platform, it can also support customers by providing various building blocks of the overall system as in this case with BMW.

"We value the opportunity to support a premier brand such as BMW with our innovative technologies in sensors and systems," said Kelei Shen, president of Magna Electronics. "Our strong system capability and expertise at the fundamental vehicle architecture level gives us the ability to provide scalable solutions for different levels of autonomy."

Recognizing that LiDAR is one of the critical enablers to achieve the desired levels of performance and overall safety, Magna collaborated with Israeli LiDAR provider

Innoviz Technologies to integrate automotive-grade, solid-state LiDAR into its autonomous driving platform. LiDAR, Magna's Icon Radar and other sensors and systems within its MAX 4 provide a base platform for OEM products and mobility platforms of the future.

This solid-state, high-resolution LiDAR technology generates a 3D point cloud in real time of the vehicle's surroundings, even in challenging settings such as direct sunlight, varying weather conditions and multi-LiDAR environments. In addition, the solution provides a complete computer vision software stack and algorithms to turn 3D vision into critical driving insights. The Magna/Innoviz comprehensive sensing solution delivers on critical needs including performance, cost, and compact size.

"BMW is setting a high standard in autonomous vehicles development, and their vote of confidence in our LiDAR demonstrates how advanced our technology is," said Omer Keilaf, co-founder and CEO of Innoviz. "The Innoviz and Magna teams collaborated to meet BMW requirements in quality and validation plans, and functional safety. Automakers have been looking for a LiDAR technology provider to deliver a mass-market solution, and we are proud to see our product coming to series production."

Magna has been developing and manufacturing advanced driver assistance systems (ADAS) products for automakers for more than 15 years. In August 2017 it unveiled MAX4, a fully integrated, customizable and scalable platform that can enable up to Level 4 autonomous driving in both urban and highway environments. MAX4 contains the sensing and computing building blocks - including Radar, LiDAR, cameras and ultrasonic sensors, as well as an ADAS module.

MICHELE MELE / CETTINA DONATO / DOMINIC MANCUSO
 WITH TONY ZORZI / PACO LUVIANO / CHENDY LEON / JERRY CARINGI

Mele turns up the heat for jazz concert

By Mark Pavilons

You don't have to travel far for some "Italian passion."

This Saturday, May 5, two renowned Italian performers will heat things up for another rendition of "Concerts at

Michele's."

Michele Mele has brought together Cettina Donato and Dominic Mancuso for an afternoon of silky smooth jazz at her home on the 8th Concession.

Donato, direct from Italy, is a trained jazz pianist with PhD in Musical Didactic.

Donato graduated from Berklee College in 2011 majoring in Jazz Composition. Cettina has been performing as conductor and pianist in the U.S., Canada and Europe, playing in some of the most renowned venues including the Blue Note Jazz Club in NYC, Petruzzelli Theater (Italy) and Taormina Greek Theater (Italy). She has served as the international president of Women in Jazz of South Florida (Fort Lauderdale, FL) and has also worked as piano accompanist for the highly regarded Boston Ballet.

Cettina was honored to receive the prestigious Carla Bley Award for "Best Jazz Composer of Berklee College of Music."

She has been performing as arranger, composer and conductor for several symphony and jazz orchestras including the Bari Metropolitan Symphony Orchestra, The New Talents Jazz Or-

chestra, the Messina Symphony Orchestra, the Late Night Jazz Orchestra and many others.

Donato has released four CDs and two of her albums have been awarded the highest Italian jazz award (JazzIt) as best jazz albums of the year (Crescendo and Third).

Toronto-born Dominic Mancuso has several CDs to his credit. As well, he's written scores for TV, films and theatre performances; and performed a great number of live shows in Canada and abroad.

After actively promoting "Comfortably Mine," he won a Juno and Canadian Folk Music Award for "World Music Album of the Year."

His touring band includes Tony Zorzi on guitars; Paco Luviano basses; Chendy Leon percussion; Jerry Caringi B3 organ & accordion; Johnny Johnson saxes & woodwinds.

The group's sound echoes its wandering spirit, musical prowess and "pluri-culturalism," while nurturing the contemporary idea of a global culture.

Tickets are \$30 online or \$35 at the door. Call 416-878-7922 or visit brownpapertickets.com/event/3341654

Caledon named top honeymoon destination

Travel site Expedia.ca has named Caledon as one of its "Top Honeymoon Destinations in the World."

"If you and your spouse are in the know, we don't have to explain why Caledon, Ontario, is one of those perfect hidden gems, with a ton of bed and breakfasts, farmers markets, cycling trails, and cideries. Spirit Tree Estate Cidery has nearly a dozen apple varieties in the orchard, where you and the apple of your eye (sorry) can pick your own fruits in season - or you can just imbibe at the year-round tasting room. We'd recommend sobering up before hitting another popular spot right outside of town: the Brampton Flight Centre, where you can take a flying lesson in a Cessna 172."

"It's not hard to fall in love with Caledon," said Mayor Allan Thompson. "There are so many beautiful locations in Caledon, it's the perfect backdrop to celebrate love!"

Share your favourite photos with #honeymoonCaledon.

Others on the list include Buenos Aires, Quebec City, Monterey, California and Caye Caulker, Belize.

Express checkout at the library

Have a few books to checkout? Don't want to wait in line? Try one of the Library's Express Checkout stations. The King Township Public Library (KTPL) has three of these units, located in our King City, Nobleton and Schomberg branches. All you need is your library card to access this quick, easy and confidential service.

You simply place the items you wish to borrow on the designated spot, and the machine will automatically checkout the materials to your account, prompting you to select an email or paper receipt option. You have now "EXPRESSED Yourself at KTPL!"

"As the community grows and evolves, the Library strives to meet the needs of our residents by offering flexible service alternatives. This includes self-driven service options, like the checkout unit, which have many benefits including providing borrowers a modicum of privacy, reducing wait times and freeing up library staff to focus on patrons requiring more support," said Rona O'Banion, KTPL's CEO.

In celebration of this service, the Library will be promoting the Express Checkout stations starting in mid-May through to mid-June. Watch out for their ambassadors, who will help walk you through the process. There will be giveaways, contests and lots of fun for both our patrons and Library staff. Come in and EXPRESS YOURSELF!

Blues & Brews has audience dancing

The Arts Society King Blues and Brews event was a sell-out success. Some guests event danced in the aisles to the blues songs of Larry Kurtz and the Lawbreakers. The harmonica was alive; the Hockley craft beer cold, and a wonderful evening of live music in King was enjoyed by all.

King volunteers recognized during special event

By Mark Pavilons

The best night of the year in King honoured some of the community's very best.

More than a dozen volunteers were in the spotlight Thursday night for the annual Volunteer Appreciation Night, held at the Country Day School.

Volunteers were treated royally during the ceremony, which Mayor Steve Pellegrini calls his favourite of the year.

I want to begin by welcoming everyone tonight to the beautiful Country Day School venue and also to thank my Council colleagues, township staff and our partners in the provincial and federal government for coming for the most important event of the year.

Pellegrini drew the analogy that the "dash" between the year we were born and the year we die is filled with life's events and accomplishments.

"What truly matters are not the two years but the dash. That little dash. That's our life. The dash!

"But for you, the volunteer, what you do during that dash is most significant.

"That represents the short time we have, here, to make a difference, or not. And making a difference means so much to so many people.

"Time. The most precious resource in our lives. How many hours are in there? Once you give an hour of your time it is lost forever. That hour you just gave volunteering will never be replicated. Your time volunteering must be valued but we can never put a value on that time. How can you value something that is priceless?

"As a volunteer you bring much to this Township. Skills, advice, experience, friendship, vision, leadership, inspiration, change, etc."

"Your commitment to your community is inspiring. Thank you for your continued contribution to the social fabric of King and the Province of Ontario," said a statement by Dr. Helena Jaczek, MPP for Oak Ridges-Markham.

Councillor Cleve Mortelliti, who grew up in King City, is familiar with the community spirit that thrives to this day. The local arenas that our children play hockey in, are all the result of tremendous volunteer efforts.

Councillor David Boyd said volunteers are true heroes and their selfless work continues to shape King.

"The selfless work that you do, with your talented gifts and time, continue to shape King by defining the characteristics reflective of the community you want to live in."

He pointed to the renaming of the Nobleton Sports Park, to "The Nobleton Lions Community Park." This exceptional group of volunteers has worked

tirelessly in the community for more than 55 years.

"We are fortunate to have so many dedicated groups, associations and individuals contributing to our community – the positive impact from your efforts is immense and greatly appreciated."

"King would not be the same without you," Councillor Linda Pabst told the volunteers. She made special mention of the late Paul Olsen, a recognized volunteer who was her mentor, and King's group of volunteer firefighters who are always ready to answer the call.

Councillor Bill Cober said our community is tight-knit and local events remind us of our community connections.

"You're the foundation of our community. King has a strong inventory of social capital. Thanks for the vibrant life you give us in King Township," he said.

Councillor Debbie Schaefer values the time given by King's volunteers. In her 12 years in King, she's been amazed at the variety of opportunities there are to meet people and be engaged.

Volunteers care, and believe in what they do, noted Councillor Avia Eek. They want to make their communities the best and they definitely add value to our quality of life.

Sovereign's Medal

Larry Gould was presented with the prestigious Sovereign's Medal for Volunteers, from the Governor General's Office. He was recognized for his exceptional dedication, leadership and commitment to Schomberg Minor Hockey Association for the past 48 years!

Gould was the recipient of the The OMHA Honour Award in 2015, for his outstanding voluntary contribution to minor hockey for a considerable period of time.

Special Recognition Awards

Arts Society King (ASK) is the mainstay of arts and culture in King. The organization delivers a cornucopia of arts-related initiatives such as the community-wide banner program, student art exhibits, professional art exhibitions that attract visitors from near and far to King, and the creation of the art magazine MOSAIC, which showcases life in King. "Your organization has been instrumental in enriching the love of art to many people in our community."

Teri Hastings, Blair Day and Sue Iaboni accepted the award on behalf of ASK.

Ilya Dagenais and Jaime Dagenais were both recognized for their involvement and continued efforts in Schomberg Minor Hockey.

Ilya has devoted numerous hours as the organization's ice scheduler, web-site manager and organizer of Hockey Day in King. He has acted as SMHA director to the Ontario Minor Hockey Association and is an active member of the Schomberg Lions Club. He was a key member of the negotiating committee in forming the King Township Minor Hockey Association and is currently the KTMHA director for the OMHA.

Jaime is a member of the SMHA board and is tournament director for rep hockey tournaments. Volunteering and running fundraisers for SMHA tournaments has been critical to the success of the organization. "Your dedication and commitment is truly remarkable."

Peter Iaboni was recognized for his generosity and time to the community, through many years of coaching and refereeing soccer. He was an active participant in the development of King's Integrated Community Sustainability Plan. He's been an active member and chair of the Heritage Advisory Committee; a council member of Sacred Heart Church; member of ASK and King for Refugees. He has also volun-

Peter Iaboni

teered during election time for all three levels of government.

Elaine Kitteridge coordinated the Canada 150th celebration held in Kettleby. She coordinated large groups of volunteers and booked a wide variety of entertainment, displays and booths of the very successful event.

From Page 13

Sylvia Pal is a committed member of the King Township Public Library Board of Trustees; chair of the policy committee; vice-chair of the Library Board and current chair of the Library Board since 2015.

Bob Phillips has been an active member of the Nobleton Lions Club for many years, bringing in new members. He leads the Nobleton Christmas tree lighting program; helped spearhead efforts to have the community electronic sign funded and installed; is an active member of the Nobleton Hall board. He's been instrumental in improving the Lions' image in the community.

Murdene Pozdrowski was a member of chair of the Heritage Advisory Committee for several years; an active member and secretary for ASK; current vice-president of the King Township

Bob Phillips

Historical Society and volunteered for the King Township Food Bank. Murdene has also been involved in fundraisers for Children's Wish, Tournament of Champions, Polo for Heart and Canadian Cancer Society.

Tom Wray is a dedicated board member of ASK and has been a committee member for the Studio Tour for years. He's the chair and main organizer for the Schomberg Street Gallery and past-president of the Schomberg Village Association. He's also a member of the Schomberg Agricultural Society.

David Harper

Michele McNally created the remarkable children's organization, Nobleton Children's Theatre Company. It provides children with the opportunity to explore, discover and grow through dramatic arts. The group has been instrumental in blessing and enriching the lives of many children, building confidence, self-expression and social skills.

Senior Citizen Award of Merit

Dr. David Harper is a founding member of the Nobleton Lions Club and has been active for 55 years! He has volunteered for Epilepsy York Region and he co-chairs the club's Walk for Dog Guides held every May. He has served on the Township's committee of adjustment and continues to serve the community through the Lions Club.

Founding member of the Schomberg Tennis Club (formerly Pottageville Tennis Club) **Barb Prince** has demonstrated special dedication and generosity. She also supports King for Refugees, Schomberg Horticultural Society, Southlake hospital, Schomberg arena snack bar and assists with fundraising for the Pottageville Pavilion and Park.

Youth Awards of Merit

Three young women were honoured to recognize their special contributions.

Jocelyn Borrowclough dedicates her time to assist emergent readers and children through the Library's Reading Buddies Program.

Sasha Olynyk is involved in the Township's summer camp program, initiatives within her school and tutoring elementary students at Nobleton Public School.

Emilia Parente assists emergent readers and children through the Library's Reading Buddies Program.

Citizen of the Year

The late **Vince Cancelli** was chosen as King's Citizen of the Year.

Mayor **Steve Pellegrini** made the special presentation April 10 in the Cancelli condo home in King City. Sadly, Vince lost his battle with cancer and passed away April 15.

He was member and chair of the board of the King City Seniors Centre, implementing programs and providing opportunities to learn and instill healthy, active living for all seniors. He coordinated many events and created the drama group known for its "murder mysteries." He was a member of Sacred Heart Church and Knights of Columbus. He volunteered with the King City Lions Club and helped with fundraising for Meghan's Walk.

Vince was known for his "special charisma," reliable nature and passion to help others. He helped seniors get to their medical appointments and was always humble.

"You have been instrumental in blessing and enriching the lives of many through your thoughtful and generous volunteer service."

Run or Walk for Southlake surpassed goal

The 16th annual Run or Walk for Southlake, presented by Nature's Emporium is Southlake's largest annual fundraiser. Since it began, the community has raised more than \$1 million net.

Funds raised support the most urgently-needed tools, equipment and technology at Southlake Regional Health Centre.

The pledging goal was set at \$150,000 and pledging remains open until May 4. So far, the pledge total stands at \$172,889. The final fundraising total for the event should be available in the next week or so.

This is the first ever sold out event with 1,500 registered. Approximately 250 hospital staff are registered participants, in 22 different department teams.

The "Spring Hill Spring Chicks and Jocks" team of King raised just over \$6,000 in pledges in this year's Run or Walk for Southlake, presented by Nature's Emporium.

Under-13 Avengers shoot to the Ontario championships

By Jake Courtepatte

We the North.

The Under-13 York North Avengers rode a perfect 3-0 record to an Ontario Cup win in Milton last weekend, meeting a fellow York rival in the winner-take-all final on Sunday.

Opening the eight-team tournament in a high-scoring affair with Guelph on Friday, the Avengers rode a 58-57 win into a perfect 2-0 Saturday, knocking off the team from Kitchener-Waterloo 44-38 before beating the Grimsby Grizzlies 48-34.

That set up a meeting with the York South Silver Knights, the only other team to bring a perfect record into the final day.

"The Silver Knights were a tough opponent," said coach Casey Emery, who added that around "90-per cent" of the York North team hailed from the region.

The Avengers got off to a hot start, putting up fourteen straight points to open the game thanks to seven-for-nine shooting on their field goal attempts.

From there, Emery said the Avengers "never looked back," taking the game and the Ontario Championship by a score of 48-42.

The York North Basketball Association is a not-for-profit, volunteer program bringing basketball to over 1,000 players from the Aurora-Newmarket, King City, and East Gwillimbury areas.

CDS raises funds, and hope during Relay for Life

The Country Day School raised more than \$20,000 at its inaugural Relay for Life held April 27. CDS students, faculty, staff and parents walked from 3 to 9 p.m. around Hawksworth Track and Field in teams or as individuals. As a community, we celebrated our survivors, remembered loved ones, and raised four times our goal in the fight against cancer.

Schomberg Should Know

By Wendy-Sue Bishop
 905-590-0054
 wsue52@hotmail.com

Schomberg United Church

On Sunday May 6, at 9:30 a.m. head over to the Kitchen Breedon Manor for the service.

On Monday May 7, at 1 p.m., the United Church Women (UCW) meet at the Kitchen Breedon Manor. We would welcome new people to join us. The program each month is organized by different groups and sometimes we have guest speakers. Refreshments after.

On Wednesday, May 9, at 6:30 p.m., Nobleton United having its popular Roast Beef Dinner and homemade pie. The cost is \$22 per adult, children under 5 are free, and children 5-12 are \$10. There will be door prizes. This is a joyous community event. It is sold out. For waiting list only, call Helen Bible at 905-859-3924.

Schomberg's annual Plant, Bake & Craft Sale will take place at St. Mary Magdalene from 9 a.m. to 1 p.m. on Saturday, May 12. It will be great to have your support! Spring is coming, after all!

Local seniors are looking forward to Schomberg United's next Seniors' Lunch on Tuesday, May 15 at 12 noon for an "Indoor Picnic" with BBQ hamburgers and salads. Musician Brian Wright will entertain old favourites. He sings, plays keyboard and accordion. Call Sheila Kelly at 905-939-2315, as space is limited and these lunches are popular.

Coffee with the Minister will be held the last Thursday of the month. The next one is on Thursday, May 31, at the Kitchen Breedon Manor, at 2-3 p.m., in the main floor lounge.

Our minister, Rev. Carol-Ann Chapman and Rev. Sheilagh Ashworth, the Anglican minister in Schomberg and Kettleby, are planning a field trip on Friday, June 1 to L'Arche Daybreak in Richmond Hill. L'Arche is a non-denominational, interfaith community that welcomes people from all spiritual traditions, men and women with intellectual disabilities and the assistants who live, work and learn with them. The plan is that a group of people would eat dinner together and then join the service at Dayspring Chapel with the L'Arche people. If you would like to be part of this group, please speak to Carol-Ann.

Schomberg United meets at St. Mary Magdalene, 116 Church St., at 9:30 a.m. most Sundays, but at the Kitchen Breedon Manor usually on the first Sunday of the month. For more info, visit nobletonunitedchurch.com and click on the Schomberg United link, or call 905-859-3976. Messages are picked up regularly.

For more info, visit nobletonunitedchurch.com and click on the Schomberg United link.

St. Patrick's School

This year St. Patrick Catholic Elementary School will celebrate its 50th anniversary. In preparation, school principal Tony Tata is reaching out to the community in an effort to collect photographs from years gone by, spanning from the first year the school opened (1968) to 2016. We are hoping to collect pictures of the graduating Grade 8 classes, staff and administra-

tors, the school building and premises, and pictures of events (Communion, Confirmation, dances, etc.). If you or someone you know has pictures you can share for this milestone event, please contact the school at 905-939-7753. We can scan the photos and return them to you or preferably have you provide them to us electronically.

Additionally, we are reaching out to the community for any individuals or businesses interested in purchasing advertising space in the commemorative program being created. Please contact Rosella Mongelli at rmongelli@rogers.com.

King Community Yard Sale

The annual King Community Yard Sale will take place Saturday, May 5 from 8 a.m. to noon at the Trisan Centre (25 Dillane Drive, Schomberg).

This is free admission for buyers. If you are interested in selling your treasures, the tables are \$20 a table or 2 for \$35. Please visit events @ king.ca or 905-833-5321 ext 5223 for further information.

Any unsold items, after the event, can be donated to Diabetes or Salvation Army. Electronic recycling is also available.

King Library

Local Naturopath, Dr. Mallory Reintaler, invites everyone to her presentation entitled "Sleep Eight, Feel Great" at Nobleton Public Library on Wednesday, May 16 from 7:30 to 8:30 p.m.

Get ready for a good night's sleep, as she dives into the reasons for restless nights, common bad habits that may be affecting your sleep, and how to overcome them using natural treatments.

Schomberg United plant, bake sale

The good people of the Schomberg United Church invite everyone to their annual plant, bake and craft sale on Saturday, May 12 from 9 a.m. to 1 p.m.

This happens at St. Mary Magdalene's Anglican Church, 116 Church St., Schomberg, where the Schomberg United Church holds its services.

This sale will offer crafters including home-made soaps, pottery, Avon, fabric and jewellery items, tried and true garden plants and lots of home-made baking!

For further information, please call Kim at 905-939-2992.

Schomberg Horticultural Society Plant Sale

The horticultural society will hold a plant sale Saturday, May 12, from 9 a.m. to 1 p.m. at the community hall on Main Street. Choose from Mother's Day baskets, perennials, annuals, herbs, vegetables, small shrubs and trees. Become a member and receive a free plant from the member's plant table. Bring your garden questions, master gardeners will be on-site.

KCSS reunion

There is a big reunion in the works for the students of the '60s who attended KCSS. This will happen at Black Forest Garden Centre (15445 Keele St., 1 km. south of Aurora Side Road) on Saturday, June 16, from 11 a.m. to 6 p.m.

If you'd like to volunteer in any way, please email kcscbacktothesixtiesreunion@gmail.com

Schomberg United Church celebrates 170th anniversary

Rachel Miller (top), accompanied by pianist Mariya Orlenko, sang "He Shall Feed His Flock" and "The Lone Wild Bird" at Schomberg United Church's 170th anniversary service. Rachel, daughter of local environmentalist Mary Asselstine, thrilled the audience with her wonderfully powerful voice.

The Joyful Spirits (above) sang at Schomberg United Church's 170th anniversary. Shown are (l to r) Betty Huisman, Nancy Hopkinson, Kara Winter, Patti Agnew, guitarist Barry Simpson, Cathy Castator, Gail McKinley, director/singer Carol Sharer. Hidden is pianist Dennis Kowal.

Arthritis:

New Approach
Delivers
Remarkable
Results

If you suffer from Arthritis you need to be aware of effective advancements that can eliminate years of pain, suffering, immobility and frustration.

You may have told your doctor you suffer with one or more of the following: sore, stiff knees, painful achy hips, low back pain, mid back pain, neck stiffness or pain, hand stiffness, shoulder pain or elbow pain.

You may find that your pain or stiffness affects your work, housekeeping, leisure activities, exercise, sports or other activities. You go to the drug store or to your doctor and get pills to help relieve your pain. But you find the pain keeps returning. Alternatively, the doctor may refer you to a specialist who may tell you that surgery is needed or is an option for you.

However, many people are hesitant to have surgery given its invasive nature. It is important to know that although surgery is sometimes necessary, it is considered a last resort in most cases.

Also, you may have heard that there are serious health risks associated with chronic use (or overuse) of pain pills or anti-inflammatory drugs that include damage to the liver, kidneys and gut.

There is a new, natural, safe and highly effective approach that has helped many sufferers improve their

lives dramatically: Laser therapy uses light to favor and accelerate the body's natural healing processes. The innovative Multiwave Locked System (MLS) Laser produces a safe, efficient and simultaneous effect on pain, inflammation, swelling and water retention, exceeding the limits of traditional LLLT (Low power) and concerns of HP (High power) laser therapy.

What does this mean for you?

Our patients have reported a 90-95% relief of their symptoms, more mobility, increased flexibility and vastly improved function!

It is the very latest in medical technology, with years of clinical studies supporting its safety and efficacy and we are very proud to offer our patients effective solutions to their recent or chronic conditions.

"This new, natural, safe and highly effective approach has helped many sufferers improve their lives dramatically".

Come in and allow us to help you achieve the results you deserve! Call (905) 773-2225 to book your FREE consultation and examination at King West Wellness Centre 141 King Rd., Unit 10, Richmond Hill (In the Home Hardware Plaza)

King's Corners

King City United
By Sheryl Sinka

Our message on Sunday from Rev. Bruce was one of hope and reassurance. Reassurance that Jesus is always present, as he has been and will always be. Even when we doubt and experience hardship we can find him in surprising ways, in the quiet of our minds, in the love of our friends and families, and the helping hands of our communities.

Tea and Talk meets at 10 a.m. Friday mornings at Sunset Grill (1700 King Road, King City) to share in conversation about anything and everything over a great cup of coffee, tea, or even hot chocolate!

Saturday, April 5 from 9-12 King City United is the location for a gathering of interested parties from local United Churches. We will be conversing about how we might collaborate with each other on such things as social events, youth, speaker series, sharing of resources and staff and other subjects.

If you are interested in attending please rsvp to Kristen at the church office (905-833-5181) or call Sheryl for information at 416-450-0140. Anyone interested is welcome to attend.

formation at 416-450-0140. Anyone interested is welcome to attend.

Sunday, May 6, we will be participating in a workshop on the last phase of our discernment process. After a shortened worship time, we hope to come to agreement on the direction we will take in the coming years with regard to our ministry. The Consensus Document, which we will be discussing, is available in hard copy through the church office or by e mail if you request at kcuc@bellnet.ca

Worship is Sunday at 10 a.m. and Sunday school takes place at the same time following a children's time in the worship.

King Bible Church

We welcome you to join us for worship service on May 6 as Pastor Mark Nowell will be continuing our sermon series on temptation called "Pause" with "King of the Hill."

Please take advantage of our excellent children's ministry. Our Sunday morning "Celebration Zone" provides age-appropriate programs for children aged 4 to Grade 8. Our children's program is staffed by screened volunteers who care about your kids! The children

in JK-Grade 8 will be in the service for the beginning until they are invited to go downstairs.

If you have children aged 0-3 then we invite you to bring them to our beautiful and safe nursery facilities which are located on the lower level.

Caregivers will meet you there.

We invite you to join us Sunday, May 13 for a special service in honour of our Moms.

Mom's this is a Sunday you won't want to miss!

Vacation Bible School 2018. We invite your kids to a super week at "Hero Central" where they will discover the qualities that will make them truly heroic in God!

VBS will be the week of August 13-17. Morning only program will be from 9-12 (\$20 per child) and full day option with afternoon electives will be from 9-4 (\$75 per child). Payment can be made by mailing a cheque or stopping by the King Bible Church Office (Tuesday to Thursday from 9:30-3). You can mail or email your registration form or bring it by the office.

Space is limited for the full day option so please register early to reserve your spot. Please indicate on the registration form morning only or full day.

We welcome children who have completed JK through Grade 7 (2017-2018). We look forward to another fun week with your children!

St. Andrew's
By Kathy Patterson

Join us this Sunday as Lynn Vissers leads us in worship at 10:30 a.m. Children, school-aged up to Grade 6, will leave the sanctuary for Sunday school after our Youth Time. A nursery is available. Following the service, all are welcome to stay for refreshments.

Our next "Messy Church" will be May 27 at 5 p.m. So mark your calendars and plan on coming to this fun-filled intergenerational family time with supper following.

Coffee and Conversation for men and ladies with Lynn continues on Tuesday mornings in the church office at 10-11 a.m. and Soup's On for working ladies is Tuesdays at 6-7 p.m. These are wonderful opportunities to be together in small groups, learning from God's Word. Interested in coming to one? Let us know. We'd love to have you.

708 OBITUARIES

Rosa Beatty
It is with great sadness that we say goodbye to Rosa Maria DeFazio Beatty, who passed away at age 75 on April 15, 2018 after four-and-a-half years of battling lung cancer. Rosa brought joy, love, and laughter to everyone in her life, and will be remembered for her unwavering strength, witty humor, and delicious cooking. Those who knew her would describe her as fierce, brave, honorable, and selfless. Rosa will be lovingly remembered by her husband David; daughters Deborah and Jennifer; grandchildren Alexandra, Samantha, and Johnny; and siblings Luccia, Mimmo and Mauro, among many others. A celebration of her life was held on Friday, April 20, 2018 at 11:00 am in the Funeral Centre at Mount Pleasant Cemetery at 375 Mt. Pleasant Road in Toronto. In lieu of flowers, a donation can be made to the Ontario Cancer Society.

708 OBITUARIES

Wilding: Ralph Gordon (New Tecumseth Town Crier)
Peacefully at Headwaters Health Care Centre Orangeville, on Sunday April 29, 2018. Ralph Wilding at the age of 83 years, beloved husband of Shirley Wilding. Loving father of Scott Wilding (the late Lara), and Sandra Wilding (Derick Nykyforchyn). Dear grandfather of Krystina, Kathryn, and Sarah. Predeceased by his sister Lorraine Jones (the late Alf). Sadly missed by his niece Pat Carson (the late Paul). Forever in the hearts of his sisters and brothers in law, extended family, and friends. The family will receive friends at Rod Abrams Funeral Home 1666 Tottenham Rd., Tottenham 905-936-3477 on Tuesday May 8, 2018 from 6-8 pm. Memorial service will be held on Wednesday May 9, 2018 at 11 am in the chapel. Interment to follow in St. John's 6th Line Cemetery. For those who wish donations to the Hearts & Stroke Foundation would be appreciated by the family. www.RodAbramsFuneralHome.com

All Saints Anglican Church By Patrick Gossage

New Youth Coordinator at All Saints. We are pleased that Grace Martin, 19, has joined our parish team as children

and youth leader. Grace is a long-time parishioner and is now studying to be a special education teacher at York University. She has been an active worshiper at All Saints with her mother Jodi since she was 10 years old.

She will be looking after the Sunday school for our growing group of young people and planning special events for them during the year. We are very pleased to have her energy and skill leading our ministry to the young.

This Saturday our hosta garden will transform All Saints cemetery. Saturday will see the men and women and children of All Saints planting a well-designed Hosta Garden. It will cover the shady area that runs from the south fence of our property into the cemetery area. Hostas will create a sense of peace among the old tombstones. The large area will have paths running through it where anyone can amble thought and have a quiet moment. Families are welcome to help beautify this pleasant part of King.

Words to live by: Rev. Elizabeth used the wonderful passage from the first letter of John that "God is love" for a sermon emphasizing out duty to love our brothers and sisters because God loves us, shown to us in human form

by the love of Jesus. Perfect love casts out fear. Rev. Elizabeth referred to the outpouring of compassion and love following the Yonge St. tragedy: "In the midst of darkness, Love prevailed," she said. "Beloved, let us love one another because love is of God."

Come as you are to All Saints – all are welcome.

Anglican Parish By John Arnott

Want to have the best cup of tea you'll ever taste along with scones and cream to die for? Well on Saturday, May 5 between 1 and 4 p.m, grab your hat and head for Christ Church, Kettleby's beautiful historic fieldstone Anglican church (circa 1891), on Kettleby Rd. mid-way between Keele and Jane Sts. Tea will be served in real china cups with saucers. The cost for adults for this great spring treat is \$7. Add your milk first or last-your choice—raising your pinky 19th century style is optional. The homemade scones will be accompanied by Devonshire or Cornish clotted cream whipped cream or jam. And of course coffee and juice will be available.

As well there'll be a bake table laden

with country style home baking for sale and a table with plants for sale featuring some heritage varieties.

There will be a book table to browse and a table overflowing with treasures!

Now get there early as things sell fast especially the coveted home baking. This much anticipated event is held in the hall adjacent to the church.

Holy Communion services with Sunday School available are held Sunday mornings at 9:30 a.m. in Christ Church, Kettleby with a coffee/tea hour following the service for those wishing to stay and at 11:15 a.m. in St. Mary Magdalene's 116 Church St. following the Schomberg United Church's service at the same location, a shared facility.

Parking Study

A Core Areas Parking Study was launched in order to better understand existing parking challenges in the village cores of King City, Nobleton and Schomberg and look for solutions. By visiting caparkingstudy.king.ca, people can take a short survey and pin comments on a crowdsourcing map.

Nobleton Notes

By Angie Maccarone
416-917-0406

St. Paul's Church

The Community Youth Group gathers every Thursday night at the church from 7-9 p.m. (unless there is a special activity planned). Come join in the fun. Check here for details, or contact our Youth Leader, Taylor Scott at scottie_tay@yahoo.ca or 905-859-0843.

A2J is a program for kids in Grades 3 to 6. It's an evening of Bible stories, songs, games, crafts, self-confidence building and lots of fun. A2J meets on the second and fourth Fridays at 7 p.m. It's not too late to join. Contact the church office at 905-859-0843 for more information.

We warmly welcome you to join us Sunday, May 6 at 10 a.m. as we celebrate St. Paul's 60th Anniversary as a congregation. There will be a lunch after worship. Please contact Bev. Baker at 905-859-5325 if you are able to join us so that sufficient food will be prepared for all those attending. Jeff's message is entitled, "Think Like A Missionary."

We offer ministry to children aged 0 to 11 during worship. Following the service we have a great time catching up with each other over coffee and goodies.

Jeff's messages are posted at www.passionatelyhis.com each week. They are also on Facebook Live and are available on the church's Facebook page (@stpaulsnobleton) for viewing.

For more information about ANY of our activities or events, please contact the church office or visit our website at www.stpaulsnobleton.ca.

St. Mary's Church

The St. Mary's CWL is presenting its Homemade Sausage & Pasta Night, with door prizes and a raffle. It will be held Friday, May 11, from 6:30 to 9 p.m. in the church hall, downstairs. Tickets are \$15 for adults; \$7 for children (2 to 12 years of age). Under 2 years free. Proceeds go to St. Mary's Building Fund & St. Mary CWL activities.

Nobleton United By Nancy Hopkinson

Our worship services are at 11:15 a.m. Sundays at 6076 King Rd., Nobleton.

On Wednesday, May 9, at 6:30 p.m., we are having our popular Roast Beef Dinner and a choice of homemade pie slices. The cost is \$22 per adult, children under 5 are free, and children 5-12 are \$10. There will be door prizes.

This is a joyous community event and it is sold out. Waiting list only, call Helen Bible at 905-859-3924.

Schomberg United is having a Plant, Bake and Craft Sale on Saturday, May 12, from 9 a.m. to 1 p.m., at St. Mary Magdalene Church. Spring is coming, after all!

Local seniors are looking forward to Schomberg United's next Seniors' Lunch on Tuesday, May 15 at noon for an "Indoor Picnic" with BBQ hamburgers and salads. Musician Brian Wright will entertain old favourites. He sings, plays keyboard and accordion. Call Sheila Kelly at 905-939-2315, as space is limited and these lunches are popular.

Our next Messy Church is also on Tues. May 15, but at from 5 to 7 p.m.

This includes a meal: raw veggies and dip, fresh fruit and something hot from the oven. More info next week.

Last Sunday, we had "Messy Church at Church." The congregation was invited to participate. We had some lively hymns and two stories upstairs. One story was called "X."

What would you rather have on your work, a check or an X? A check is good, and an X means that you have done something wrong. On the other hand, in a birthday card, sometimes people write XXOO. What does that mean? Hugs and kisses. X means love. If you turned the X a little, it looks like a cross. Jesus died on the cross (X) because he loved us (X) and because we had done wrong (X) and we needed to be forgiven.

Our last song was the jumping song "We'll Jump for Joy." There were a lot of different crafts downstairs, such as shredded wheat mixed with melted chocolate to form a nest, and blue fondant icing was used to make bird's eggs. Lunch was fresh fruit, raw veggies, pizza and/or a vegan chili.

Our minister, Rev. Carol-Ann Chapman and Rev. Sheilagh Ashworth, the Anglican minister in Schomberg and Kettleby, are planning a field trip on Friday June 1 to L'Arche Daybreak in Richmond Hill. L'Arche is a non-denominational, interfaith community that welcomes people from all spiritual traditions, men and women with intellectual disabilities and the assistants who live, work and learn with them. The plan is that a group of people would eat dinner together and then join the service at Dayspring Chapel with the L'Arche people.

More on Page 23

King City Senior's Centre activities

By Carol Kanitz

Kay and Mary would like to thank all the volunteers who came out last Friday for spring clean-up. You did a wonderful job!

A trip is planned for Thursday, June 7 to see Fiddler on the Roof at the Capitol Theatre in Port Hope. Included in the day's activities: a visit to the Marie Dressler home, Canada's first woman Academy Award winner; time to browse the quaint shops on Main Street; a delicious lunch. The cost is \$125 per person. Bookings must be in early so contact Agnes at 905-841-7390 or Jayne at 905-853-1436. There is also a sign-up sheet at the Centre.

Our next pot luck lunch will be held on Friday, May 18. Our guest will be Kat Mclellan who will provide a talk/workshop on container planting and vegetable gardening just in time to get you started. Attendees are asked to bring a main course or a dessert. Lunch begins at 12:30 p.m.

LEAVE MESSAGE

@

905-832-7737

If you would like to meet our minister casually, come to Nobleton's Tim Horton's on Wednesday mid-morning. She plans to be there, if she is not needed elsewhere.

Our worship services are at 11:15 a.m. Sundays at 6076 King Rd., Nobleton. For more info, visit nobletonunitedchurch.com, our Facebook page, or call 905-859-3976. The church office is normally open on Tuesday, Wednesday and Thursday mornings. Messages are picked up regularly. Nobleton United is north of the King Rd., about 6 buildings west of Hwy 27. We have a big parking lot at the rear, an accessible ramp, chair lifts and accessible washrooms. We warmly welcome everyone, old and young.

Nobleton Lions

The Lions Club has a very busy spring planned.

The Pet Value Walk for Dog Guides is planned for Sunday, May 27. This walk helps provide funding for six different specialty streams including Canine Vision Dogs, Hearing Ear Dogs, and Service Dogs to help challenged Canadians overcome a variety of impairments. Check out www.walkfordogguides.com for much more information.

After that comes the Nobleton Lions Annual Fund Raiser on June 3. This year the event is a Charity Golf Tournament to be held close to home at Nobleton Lakes Golf Course. This is the major fund raiser for the Lions Club, with proceeds planned to go to numerous organizations in and around town. Golfers and hole sponsors are invited to

call Jim Kassam at KARS on King Rd west of Hwy. 27 at 859-5277.

Watch this space for further details as the events get closer, and why not check out our website at www.nobletonlions.com Also, you could look us up on facebook or Instagram.

King Community Yard Sale

The big King yard sale will be held Saturday, May 5, from 8 a.m. to 12 p.m. at the Trisan Centre, 25 Dillane Drive, Schomberg. Free admission for buyers. Looking to sell? Secure a table today! \$20/table or 2 for \$35. Any unsold items can be donated to Diabetes Canada or Salvation Army after the event.

**Horticulture
By John Arnott**

And what a night it was, Monday, April 23, when the Nobleton-King City Horticultural Society/garden club (N-KCHS/gc) officially marked the 60th anniversary of its founding on a cold January night in 1958 with John Neate, a British ex-pat, as its first president.

New members, present members, past members and guests including those from nearby horticultural societies were all warmly welcomed to this gala occasion by co-presidents Lucille King and Kelly Lavis (both King City).

The festive evening began with Barbara O'Malley, director of District 15 of the Ontario Horticultural Association (OHA) bringing us greetings from this august provincial institution and commending the society for its 60 years of service to the local community and its continuing efforts to promote good horticultural practices that have a strong

positive impact on the immediate environment.

Following director Susan Beharriell (Nobleton-King) using a cleverly constructed slide montage took us down memory lane to show what life was like back in 1958. Kelly Lavis then reminded us of the society's early brave beginnings under the guidance of St. Clair Tenant (Kleinburg) past president of the Ontario Horticultural Association but Director of District 15 at the time of the society's inception. Society past presidents Carol Field and Blair Day (both King City) reminisced about this vital community organization bringing attention to highlights and achievements of N-KCHS/gc over 60 years and reminded us that we're still growing strong. Past and present members were remembered and thanked for their efforts to keep the society going in good times and bad.

We were taken back to N-KCHS/gc's early days when meetings were held in the basement (before renovations) of the Nobleton United Church then moved to the Nobleton Community Hall for Saturday meetings and flower shows. With 185 members, 75 of which attended regularly both the upstairs and downstairs of the hall were often filled to overflowing with members, guests and flowers. It was also noted that the society enthusiastically participated in Nobleton's Victoria Day Parade - at first with members in 19th century dress riding in open cars and later with an artistically decorated floral float which will be reprised in this year's parade as part of our ongoing 60th anniversary celebrations. As well, mention was made that in 1989 St. Alban's Anglican Church in Nobleton

marked its 100th anniversary and as part of this celebration the society held Nobleton's first flower festival beautifully decorating the interior of the century church with floral arrangements. Not long afterwards St. Alban's "monastery garden" encouraged and supported by the society was started on the church grounds.

We were reminded that in the late 1990s during the presidency of Carol Field N-KCHS/gc successfully hosted its first District 15 Annual General Meeting (AGM) with St. Paul's Presbyterian Church in Nobleton as the venue. District 15 of the OHA is comprised of 17 horticultural societies Schomberg south to Nobleton-King on down to Swansea, and east to Richmond Hill and Thornhill. In 2008 during the presidency of Kate Agosta (Bolton), the society once again with great success hosted District 15's AGM, this time at the King Campus of Seneca College on Dufferin St. to mark our golden year - 50 great years of growing.
