## Celebrities in lip-sync battle for Victim Services

By Jake Courtepatte

Would-be crooners, old school rockers, and even local politicians showed off their pipes – and even some, their dancing skills – at last week's lip-sync battle in support of York Region Victim Services.

The third annual event, held in King, had guests bring out their formal wear for an evening of food and drink before settling down for the night's main attraction.

RRJ Insurance President and COO Paul Martin, the primary sponsor of the event, said he was taken aback when he first heard of the Victim Services organization.

"At first I thought, 'we don't have much crime here!' But then you come to understand that there are a lot of underlying factors, and people whose story never comes to light ... as well as those that lose their houses in fires, and other tragedies."

"This is just a small group of people making a big impact on their community."

Local country star Beverley Mahood acted as MC, while

five acts took the stage to the stages to impress a panel of celebrity judges, including philanthropist and Real Housewives of Toronto star Joan Kelley Walker, TV personality Dennis Flanagan, and York Regional Police Chief Eric Joliffe.

Warming up the audience was a set of familiar faces donning old-school garb and flashing back to the sixties, when East Gwillimbury Mayor Virginia Hackson, Georgina Mayor Margaret Quirk, Newmarket Mayor Tony Van Bynen, and Aurora Mayor Geoff Dawe sang the Mamas and Papas hit "California Dreamin'," with Dawe calling the event "one of the more unique fundraisers I've been at."

Five acts were reduced to three in the final round, with Artistica Studio of Aurora coming out on top.

Roughly \$25,000 was raised to support the organization.

Victim Services of York Region is a non-profit, community-based organization working in partnership with the YRP, OPP, and York Region Fire Services to provide support and assistance to victims of crime and sudden tragedy.

### EMPLOYMENT OPPORTUNITIES

- Program Instructor – Tiny Tykes (PT seasonal) – closes June 1
- Construction Inspector (contract)

Please visit the Township website at [www.king.ca](http://www.king.ca) for employment opportunities.

**JOB OPPORTUNITY - KING TOWNSHIP PUBLIC LIBRARY**  
The Library is seeking to fill 4 positions for **Summer Student Programmer**. Please see the complete posting for this position our website at [kinglibrary.ca](http://kinglibrary.ca) for details.

### BID NOTICES

For all bid opportunities, please visit the Township of King's website [www.king.ca](http://www.king.ca), click **Popular Topics** and click **BID OPPORTUNITIES**.  
Or visit on the following link  
<https://king.bidsandtenders.ca/Module/Tenders/en>

### PUBLIC NOTICES

The municipal offices and libraries will be closed on **Monday, May 21** for **Victoria Day**, reopening Tuesday, May 22 for regular business hours.

In case of an urgent township matter, call 905-833-5321 and the answering service will relay your call to the appropriate personnel.

#### Spring Street Sweeping

Street sweeping will begin mid-May and will continue to the end of May; weather permitting. Please refrain from on street parking between 7:00 a.m.- 6:00 p.m. during this time.

#### Municipal water flushing

**Ansnoeveldt, King City, Schomberg and Nobleton**  
In the spring and fall the Engineering and Public Works Department flushes all water mains and hydrants. As a result, residents over the course of the next few weeks may experience low pressure and/or discoloration. This process contributes to the safe, effective delivery of municipal water and **does not** affect the quality of your water in any way. Should you require further information please contact the Engineering and Public Works Department at 905-833-5321.

**Please see more King Township notices on page 5**

### PUBLIC NOTICES

#### Notice of Public Meeting Concerning a Proposed Zoning By-Law Amendment

The public are invited to attend a public meeting to be held by the Council of the Corporation of the Township of King on:

**Monday, June 11th, 2018 AT 6:00 P.M.**

at the Township of King Council Chambers at 2075 King Road, King City to receive information and provide comments on a proposed Zoning By-law Amendment under Section 34 of the *Planning Act*, R.S.O. 1990, Chapter P.13.

##### Subject Property

Location: The Zoning By-law Amendment affects all lands within the Township of King, subject to below zone category; therefore no Subject Lands map is included.

File Number: Z-2016-16

##### Purpose of Public Meeting

To consider a Township initiated general zoning by-law amendment under Section 34 of the *Planning Act* regarding cannabis production facilities and sites. The purpose of the meeting is to provide information to, and receive comments from the public.

##### Purpose and Effect of Zoning By-law Review

The purpose of the general zoning by-law amendment is to update the Township's Zoning By-law(s), as amended, to (i) provide definitions related to cannabis production facilities and sites (ii) amend the "Rural General (RU1)", "General Industrial (M2)", and the "Employment General (E2)" zones to identify where cannabis production facilities and sites could be permitted, and (iii) address location requirements and lot and building standards for such facilities.

##### Appeal Procedure

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the by-law is passed, the person or public body is not entitled to appeal the decision of the Township of King Council to the Local Planning Appeal Tribunal (LPAT).

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Township of King before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal (LPAT) unless, in the opinion of the Tribunal, there are reasonable grounds to do so.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment.

##### How To Stay Informed

If you wish to be notified of the passing of the proposed Zoning By-law Amendment, you must make a written request to the Clerk of the Township of King, 2075 King Road, King City, ON L7B 1A1.

##### Additional Information

Cannabis Production Facilities are federally regulated by the "Access to Cannabis for Medical Purposes Regulations", which came into effect on August 24, 2016. An information report on this matter entitled "Planning Report P-2015-46: A review of Official Plan Policies and Zoning By-law Provisions Regarding the Location of Medical Marijuana Operation in King Township" was before Council as part of the Committee of the Whole agenda on December 14, 2015. A public meeting was held on October 16, 2016 to consider a draft by-law on medical marijuana production facilities; refer to Public Meeting Report P-2016-41. A working session of Council was recently held in relation to zoning for cannabis on April 23, 2018.

The proposed Zoning By-law Amendment, including the proposed Draft Zoning By-law, is available for inspection at the Township Office between the hours of 8:30 a.m. and 4:30 p.m., or inquiries may be directed to Kristen Harrison, Planning Department quoting **File Number Z-2016-16** at (905) 833-5321.

**Dated at the Township of King this 17th day of May, 2018.**

Kathryn Moyle  
Director of Clerks/By-Law Enforcement  
Township Clerk  
Township of King

#### NOTICE OF COMPLETE APPLICATIONS CONCERNING A PROPOSED OFFICIAL PLAN AMENDMENT AND ZONING BY-LAW AMENDMENT

The Township of King has received applications for a proposed amendment to the Township Official Plan, being the King City Community Plan (OPA540) and proposed amendment to the Township's Zoning By-laws (74-53a.a. & 2017-66), on the property outlined below, submitted to the Township of King in accordance with sections 17 and 34 of the *Planning Act*.

The Township has determined that the applications are considered complete and the Planning Department has commenced processing. We welcome your comments regarding this application.

##### SUBJECT PROPERTY

Location: Registered Plan 337, Lot 37  
204 Dew Street, King City

Owner: Yellow Horizon Homes Ltd.

Our File Numbers: OP-2018-02 and Z-2018-06

##### PROPOSAL

The subject applications propose:

To designate the property for medium density purposes to permit a five (5) unit residential single detached development, served by a condominium road.

At such time as a public meeting is scheduled in accordance with the *Planning Act*, the Township of King will provide further notice specifying the date and time of the meeting.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed official plan amendment or zoning by-law amendment.

##### ADDITIONAL INFORMATION

A copy of the proposed Official Plan Amendment and Zoning By-law Amendment, as well as related background and supporting information, are available for inspection at the Planning Department, Monday to Friday between the hours of 8:30 a.m. and 4:30 p.m., or by telephone at 905-833-4063, quoting File Numbers OP-2018-02 and Z-2018-06 (204 Dew Street - Yellow Horizon Homes). Written comments may be mailed or personally delivered to the Planning Department and will become part of the public record.

**Dated at the Township of King this 15th day of May, 2018**

Kathryn Moyle  
Director of Clerks & By-Law Enforcement  
Township Clerk  
Township of King

#### NOTICE TO PROPERTY OWNERS DESTROY WEEDS

**NOTICE** is hereby given to all persons in possession of land, in accordance with the Weed Control Act, R.S.O. 1990, Chapter W.5, Sections 3, 16 and 23 THAT unless noxious weeds growing on their lands within the Municipality of the Township of King are destroyed by date of 1st June, 2018, and throughout the season, the Municipality may enter upon the said lands and have the weeds destroyed, charging costs against the land, as set out in the Weed Control Act.

All properties ten (10) acres or less may have noxious weeds destroyed without notice to the owner. The co-operation of all citizens is earnestly solicited.

Kathryn Moyle  
Director of Clerks/By-law Enforcement

#### Half-load restrictions

The annual half-load period to limit vehicle weights to 5,000 kg per starts on designated Township roads effective Thurs., March 1, 2018 to Thurs., May 31, 2018. For further information, please visit [www.king.ca](http://www.king.ca) or call 905-833-5321.

# King campus receives sustainable emissions funding

By Jake Courtepatte

Seneca College is set to be a leader in reducing greenhouse gas emissions in Ontario.

The King campus, along with Newmarket-Aurora MPP Chris Ballard, announced a \$4.7-million government investment into geothermal retrofit funding for the campus's Garriock Hall, the hub of the rural campus.

"These innovations will make lasting changes to our footprint on the climate, and replace decades-old systems in the campus," said Seneca College president David Agnew. "It will make a significant reduction in our greenhouse gas emissions."

The introduction of a natural gas heating plant will reduce the Hall's greenhouse gas emissions by more than 50 per cent, according to Agnew.

"Using all natural gas will be a welcome change to our Mother Earth."

Called the Greenhouse Gas Campus Retrofit Program, the change will be

implemented in the coming months, and is part of a long-term plan for the campus in terms of reducing their climate footprint.

The project pulled especially on Ballard's heartstrings, a native of King City. Ballard, who also reigns as the

Ontario Minister for Climate Change, recalled spending summer days as a kid on the property, long before it was Seneca campus.

"It was always a great place to hang out, and spend a day," said Ballard. "The property has always been a monument to the community, and environmentally, a strong part of my DNA, and I'm proud to say this is part of my ancestral home."

The King campus is among the first school to receive funding from the Ontario government for retrofit programs, set up in 2014.

"Since then, campuses have decided to come on board, reducing greenhouse gas emissions from the buildings, while using the savings to improve the student experience," said Ballard.

"We want to create a long-term clean future for Ontario."

## Group plans to appeal decision to OMB

By Mark Pavilons

The North Gwillimbury Forest Alliance is appealing a decision that allows development on environmentally sensitive wetlands. According to the group, the Town of Georgina's new Official Plan illegally permits the DG Group to build a giant residential development on the North Gwillimbury Forest's wetlands. If this project proceeds, it will destroy the Paradise Beach-Island Grove Provincially Significant Wetland and drive a stake through the North Gwillimbury Forest.

"We must not allow this to happen," said Jack Gibbons, chair of NGFA. "We are asking the OMB to amend the Town's Official Plan to prohibit development on the North Gwillimbury Forest's wetlands."

Gibbons said they can win the appeal "because the law is on our side, but victory will not come cheap. We need your help to raise \$45,000 to pay our legal and expert witness fees before our OMB hearing commences on May 22."

THE BEST MOVE YOU COULD MAKE

# Editorial, Letters & Opinion

*"A newspaper is the center of a community, it's one of the tent poles of the community, and that's not going to be replaced by websites and blogs."*

- Michael Connelly

## What are we doing to preserve our 'faith'?

Living vicariously through my eldest daughter's exploits, I pondered faith and culture recently.

Lexie just returned from a week-long volunteer mission trip to Guatemala. She likes to be fully immersed in the culture of every country she visits.

In Antigua, Guatemala, the cobblestone streets are a reminder of the past, of a culture with very deep roots. Antigua is a small city surrounded by volcanoes and known for its Spanish colonial buildings, many of them restored following a 1773 earthquake that ended Antigua's 200-year reign as Guatemala's colonial capital.

Notable architectural examples include baroque La Merced church, an integral part of the city's famous Semana Santa, a holy week with parades and rituals. Antigua was founded in 1542.

Can you imagine the tales those walls and streets could tell over the past 476 years?

The culture of Guatemala reflects strong Mayan and Spanish influences and continues to be defined as a contrast between poor Mayan villagers in the rural highlands, and the urbanized and relatively wealthy mestizos population that occupies the cities and surrounding agricultural plains.

Can you imagine sharing ancestry with the wonderful and mysterious Mayan civilization? The society developed by the Maya people is filled with historic milestones, including the only known fully developed writing system of the pre-Columbian Americas. The Mayans were also known for their art, architecture, mathematics, calendar, and astronomical system.

My newest passion is collecting ancient religious artifacts, including pendants, rings and crosses, dating back to the Roman, Byzantine and medieval periods. My fascination is that these bronze trinkets represented some fundamental human qualities. Life, 1,000-plus years ago, was hard, often intolerable. All that average people had were their families and their faith. The little crosses that I carry are a testament to that strength of faith, an unshakable ray of hope in an otherwise challenging existence.

Today, the crucifixes and chains we

Mark Pavilons

wear are made in China, or stamped out of stainless steel in a cold, faithless factory.

The dictionary defines faith as having "complete trust or confidence in someone or something." We have faith in people; our community; our political system and our health care. Some of this faith is founded in fact and science, and the rest is based on gut feeling or emotion.

When my son and I spent a week in the Dominican Republic, helping the desperate Haitian sugar cane workers, we discovered a lot about faith, this glimmer of hope that makes the next sunrise tolerable.

Displays of Christian and Catholic faith are everywhere in the Dominican. We visited Higuey, home of the famous Basilica Nuestra Señora de la Altagracia in Higuey. It's the scene of annual pilgrimages that draw thousands of visitors each year.

This place is amazing and you can't help but be impressed by the architecture and the "feeling" of the place.

Christopher Columbus landed on the island on Dec. 5, 1492, which the native Taíno people had inhabited since the 7th century. The colony of Santo Domingo became the site of the first permanent European settlement in the Americas,

the oldest continuously inhabited city, and the first seat of the Spanish colonial rule in the New World.

Oh, the richness of such history.

In both Guatemala and the Dominican, 16th century churches beckon. They have alluring qualities that defy time.

The "holy wars" waged during the Crusades actually improved the world in terms of commerce and trade, technology and the sharing of knowledge and culture. This game-changing period, all in the name of God, was integral in human history and our modern evolution.

Here, in the modern, "first world," Christianity is declining and churches are closing. We're more in touch with our self-driving cars than we are in a higher being. We can no longer recite the Lord's Prayer in school.

Our villages and hamlets were once defined by our small community churches. In many cases, these historic landmarks have not been preserved.

In King, we are blessed with one amazing, spiritual place - Marylake Monastery and Our Lady of Grace Shrine. This property and facility offer a cornucopia, a veritable feast for your mind, body and soul.

The beautiful 400-seat Shrine echoes with sounds from the 1928 Aeolian Skinner organ, one of only three in the province. It's a melding of two famed instruments, one from the Eaton estate, the other from the Seagram estate. If you get a chance, check it out!

Marylake is home to Augustinian monks and nuns and hosts annual pilgrimages.

Their ranks are thinning, too.

I'm not preaching about the benefits of organized religion. I'm talking about preserving an aspect of our society, one shared by millions of people around the world. Having hope, faith and celebrating a sense of community is what it's all about.

It's also about our history and our forefathers, who forged something out of nothing. While our seeds may have come from our European ancestors, our roots are now here, firmly planted in this part of Ontario. This is our home and native land. This is a place we have "faith" in.

The past, present and future are all tied together, like veins in a maple leaf. Let's be proud of our faith in our fellow human beings and our faith in what brings us all together.

### All candidates meeting

The King Chamber of Commerce is hosting an all candidates meeting to meet your King-Vaughan candidates in the upcoming provincial election. The event will be held Wednesday, May 30 at 7 p.m. Nobleton Lakes Golf Club, 125 Nobleton Lakes Dr. Come out to meet your candidates; discuss their platforms, submit questions and make your choice on election day.

Submit a question online when you register for this event at [kingchamber.ca](http://kingchamber.ca)

### Letter to the Editor

## Overdue extension to take four years?

I was very pleased to read in the May 10 edition of the Weekly Sentinel that the extension of the 427 to Major Mackenzie Drive is finally going to become a reality.

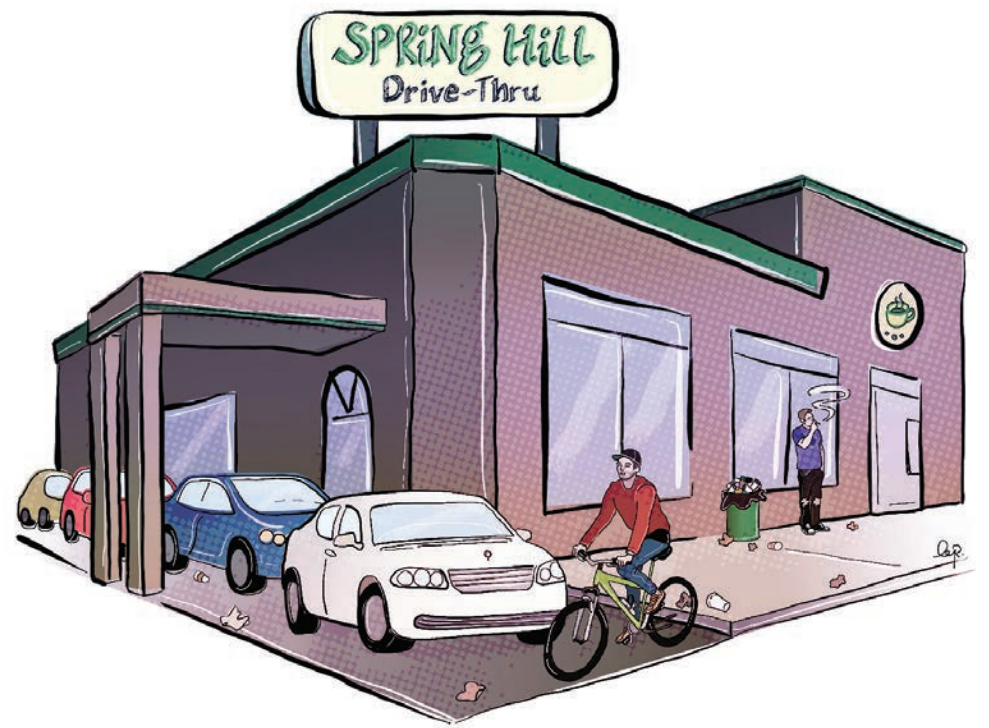

That pleasure soon turned to wonder and dismay as I read the completion date to be 2021. Four years to build 6.6 kilometers of highway? I have to think this is a part-time project using only the shovel used for the political ground-breaking and a pair of manual labourers.

Over 130 years ago, the Canadian Pacific Railway was completed between Montreal and Vancouver, through some of earth's toughest geography, and they completed that in four years!

Four years for 6.6 km is a joke. If it really does take this long, let's at least hope that when completed, it will not have to be resurfaced a short time after completion like the previous extension south of Highway 7 was.

# Justin Trudeau is playing the long game

By Skid Crease

I have made it abundantly clear in past writings that I consider Justin Trudeau to be not only a friend, but a man I admire. So it came as a shock to some when I wrote my last two political articles detailing his political missteps over the past session of Parliament. "Is the bromance over?" I was asked. "Jamais!" I responded.

You don't spend 14 days at sea with a guy exploring the Arctic with students and not make a lifetime bond. But considering someone to be a friend doesn't mean that you agree with him all the time. He would have no hesitation in advising me to slow down before I "Ready, Fire, Aim!" and I have no problem in advising him to try his best to avoid a repeat of the three Ks - Khan, Khalistan, and Kinder.

To be fair, none of these events was of his doing. A senior staffer should have caught the Khan vacation and taken it to the Ethics Commissioner

before the trip, and similarly with the Khalistan connection on his recent trip to India. However, the Kinder Morgan Trans Mountain Pipeline is a lot more complicated.

It is easy for those of us in the environmentally pure peanut gallery to cast aspersions about bitumen as we drive our SUVs to the shopping mall. People who drive fossil fuel powered vehicles shouldn't throw tarbits. If a scientific approval process and full community participation are overseen by an environmentally literate Energy Board, all is well. We will still need pipelines into the foreseeable future, at least until Elon Musk straightens out the Tesla 3 production problems.

Until then, Canada, we have a problem, and that problem is the Pan-Canadian Framework on Clean Growth and Climate Change. Without Alberta, that initiative could collapse. and Alberta is still a fossil fuel economy. Until Albertans can get their hands out of the oil sands and reach for the sun and the

wind, we're all stuck in the tar.

Justin Trudeau is walking along the edge of a sword with environmental purists like me on one side and corporate shareholders from Kinder Morgan on the other, each screaming for satisfaction. If you cancel the pipeline, you're damned, if you approve the pipeline you're damned. Trudeau is taking all of the heat right now for keeping his eye on the long game, trying to hold together The Pan-Canadian Framework on Clean Growth and Climate Change for the good of all Canadians well into the future.

With Saskatchewan and Manitoba resistant, and B.C. and Alberta locked in mortal combat, our Prime Minister is in a very difficult spot. Perhaps we should all just back off a little and give him room to negotiate. A new and improved National Energy Board is a good place to start. Certainly, build us the best, most secure, most efficient pipeline you can, complete with a banked insurance coverage for any

unforeseen disasters. And continue on that transition into clean renewable energy, Alberta. We stopped burning whale oil when we saw the consequences, and we can surely see the consequences of accelerating climate change unfolding.

Let's all give those we have elected to run this country a little more understanding and some breathing room to do their jobs.

My dad used to say that until you have walked a trail in someone else's shoes, you cannot understand their journey. I have no idea what the pressures of being a Prime Minister must be like, but I can imagine. And I can't imagine anyone else who I would rather lead the way into the next decade. Carry on Prime Minister, carry on!

## PUBLIC NOTICES

### Traffic Disruption Notice Hwy 27 and King Road

Please be advised that Hwy 27 (between Sheardown Drive and Hill Farm Road) and King Road (between Wellar Ave and Old King Road) will experience periodic traffic disruptions for the

#### Nobleton Victoria Day Parade

On the date of:  
**Monday, May 21 2018**  
Between the hours of 11:00 a.m. and 12:00 p.m.

This portion of the road will be accessible to residents in the affected area to allow for entry into their properties. We apologize for any inconvenience this may cause. Your cooperation is greatly appreciated during this time.

For more information contact Tasha Veer, Special Events & Marketing Coordinator, Parks, Recreation and Culture Department at [veer@king.ca](mailto:veer@king.ca) or (905-833-5321, ext. 5223).

In the event of an emergency during the closure, please contact the above at 416-524-9129 for assistance.

Dated at the Township of King April 4, 2018

### Traffic Disruption Notice Main Street, Schomberg

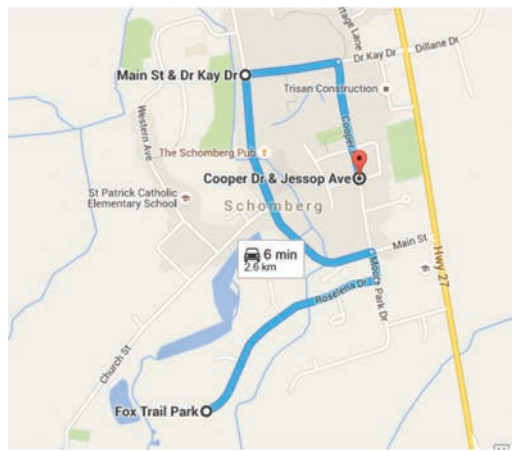

Please be advised that there will be a scheduled temporary road closure of Main Street and surrounding roads in the Village of Schomberg for the annual

#### Schomberg Fair Parade

On the date of:  
**Saturday, May 26th, 2018**  
Between the hours of 10:00 a.m. and 12:30 p.m.

The parade will begin at 11:00 a.m. and the proposed roads will be closed no later than 12:30 p.m. Staging for the parade to begin on Roselena Drive at approximately 10:00 a.m.

The following roads will be temporarily occupied or closed for the parade: Roselena Drive, Moore Park Drive, Cooper Drive, Dr. Kay Drive, and Main Street. On behalf of the Township of King we thank you for your patience in this matter.

For more information, please contact the Clerk's Department at 905-833-5321.

## 2018 MUNICIPAL ELECTION

### 2018 Municipal Elections

Are you on the list to vote for the upcoming municipal election on Monday, October 22nd, 2018?

If you are an Ontario resident over the age of 18 you can visit

[www.voterlookup.ca](http://www.voterlookup.ca) to confirm or update your

information in a few easy steps.

Updating this information will help to ensure that municipal Voters' Lists are accurate and up-to-date in preparation for municipal and school board elections occurring this October.

Visit [www.voterlookup.ca](http://www.voterlookup.ca) or call 1-866-296-6722.

Have your say. Log on today.

## PUBLIC NOTICES

### Streetlight retrofit program

More than 2,000 streetlights in King Township will be converted from standard high-pressure sodium (HPS) types to light emitting diode (LED) ones starting this week in King City.

Upgrading from HPS to LED streetlights will improve visibility, safety and reduce light pollution. LED lights also use significantly less power than HPS ones and align with King's Sustainability Plan.

At current hydro rates, it's estimated the cost will be paid back from reduced maintenance and power consumption in around nine years.

The first area of work will be King City. On site activity will consist of 2 crews of as many as 2 vehicles each. These vehicles will be stopping at each fixture location. Operating from a small bucket truck, the old fixture will be removed, new fixture installed and a new control node added to replace the old photocell.

The crews will then move to the communities of Nobleton and Schomberg.

Following the initial sweep of the areas, the information regarding the condition of the existing poles will be evaluated and a second sweep of the areas will be conducted to address the approved correction of existing deficiencies (pole straightening or replacement.)

All field activity is to be completed by the end of September 2018.

If you have any questions regarding this project please contact:

Frank Miceli Ameresco Canada Inc. 416-737-6718	or	David Van Veen Township of King 905-833-5321

# Nobleton's Victoria Day celebration 'best day of year'

Often touted as Nobleton's "best day of the year," this is one event not to be missed!

The Nobleton Victoria Day festivities begin at 11 a.m. Monday, with a parade featuring a number of community floats, fire trucks, and classic cars. The parade route starts at the Nobleton Library at the corner of Highway 27 and Sheardown Drive, heading south to Hill Farm Road, then east on Wellar Avenue, proceeding west on King Road. The parade concludes at the Fire Hall located at Royal Avenue and King Road.

After the parade, the hub of activity is centrally located across the street in front of Dr. William Lacey Community Centre and Arena. Extra parking will be available at St Paul's Church on 5750 King Road.

This year's event sponsor is Nobleton Tim Hortons, as well as many more generous supporters. Stop in and enjoy the outstanding community atmosphere, activities and entertainment from noon till dusk. Highlights include local food vendors, live music and the Hockley Valley beer garden. There are plenty of midway rides and a free

bouncy castle village for the kids. Local clubs and vendors will make you feel welcome and entertained.

There are many impressive local dining options in the area, including world-class bakeries and restaurants. Everyone is invited to head back to the Nobleton Lions Community Park (the grounds located behind the arena) at dusk for the highlight of the celebration.

For more than 50 years, volunteers from King Fire and Emergency Services have been lighting up the night sky with one of the largest publicly funded fireworks displays in Ontario. The show is backed by the generous support of the Nobleton community. Every spring, Nobleton residents receive a familiar knock at the door and are asked to contribute to the annual fireworks display. Out of town visitors are also encouraged to donate when entering the park. The show features rockets and an unforgettable ground display, lasting approximately 45-minutes. Be sure to bring blankets, chairs and sit back and enjoy!

# Plans fitting like a puzzle in King City development

By Mark Pavilons

With the submission of the first draft plans of subdivision, the large-scale development near King City is progressing well.

King councillors received details of several subdivision plans as part of the King City North East Functional Servicing/Development Area Study (FS-DAS), a comprehensive plan (template) to bring cohesiveness to a massive tract of land involving six property owners.

Township staff brought councillors up to speed on the progress, and how the individual subdivisions are shaping up and interconnecting. The FS-DAS provides the foundation for the integration of development for this new "community area."

Given the magnitude – just over 1,000 units which will be home to more than 3,000 residents – it is like planning a village.

The King City East Landowners Group (KCELG) consists of various property owners in the study area, who have all come together in a coordinated effort.

Planner Gaspare Ritacca pointed out this gives all parties the ability to design their subdivisions as if there were no clear property lines or borders. It's a more fluid, effective and efficient way to plan.

Together, seven applications combine to create this huge development. Acorn Development plans 55 detached

homes, while Remcor is looking at 529 detached homes and 47 townhouses, along with a school site, parks, etc. Supco has the smallest project of seven residential lots. Kingsfield Estates proposes 43 lots, while King Green Developments plans 90 lots as well as a park. King Rocks Developments is looking at building 74 detached homes and 77 townhouses, with a park, buffer area and water management pond. Scouli Developments is aiming for 99 detached homes, a park, natural heritage features, open space, etc.

While the applications are separate, Township staff are looking at the whole big picture.

To date, there have been some comments and concerns raised regarding this development.

Residents are asking that Acorn be limited to a maximum of 40 lots. Others want pedestrian trails. There are concerns regarding the fate of a small portion of land earmarked as "future development."

Current restrictions limit building heights to three storeys and a gross density of 7 units per hectare.

Staff are asking that the number of cul-de-sacs be minimized. They would like to see an increase in the number of townhouses or semi-detached units. Staff also pointed out that both the Acorn and King Rocks properties have significant access limitations, which "may present a challenge to achieve a design with multiple access points, and

therefore, more difficult to rationalize a higher number of units within those areas."

The Parks, Recreation and Culture Department staff are working with the developers to identify the best size, location and distribution of parks.

Overall, staff noted this development does provide a significant connectivity throughout the different sections. A network of sidewalks, trails and multi-use paths are included.

Traffic impacts are also being reviewed. Staff are concerned about single access points in some areas, including the proposed extension of East Humber Drive. Staff have asked the applicants to explore revisions and make improvements.

Staff are also looking at the phasing of the development, to ensure it occurs in a comprehensive and orderly manner.

Overall, staff is pleased with the way this development is coming together, like puzzle pieces fitting together.

Councillor Debbie Schaefer said it's "remarkable what we're trying to do

here."

An East Humber Drive resident asked council to maintain the area's tree cover and plant as much foliage as possible.

Another resident is worried about traffic congestion this development will cause, noting it's difficult to get out of his area during peak morning rush hour.

Resident Judith Tenenbaum said this is an innovative, smart-growth approach and she praised staff. She's concerned about the potential use of the 2.4-acre future portion. She urged council to prohibit any form of commercial use on this site.

While the Acorn development wants 55 units, but the Township and residents would prefer 40. Ritacca said while the overall densities are set, each property has its own unique "practical realities" that will limit the number of lots.

The review of the applications is ongoing and staff will report back to council as the process continues.

## Expansion approved by council

By Mark Pavilons

The large-scale expansion of Schomberg business was given the green light by King council recently.

Canadian Krown Dealers are planning to add a one-storey, 5,888-square-foot addition to the rear of their existing building on Proctor Road. It will include office and warehouse space, as well as a loading door, additional parking, a garbage enclosure, landscaping and stormwater management features.

Canadian Krown Dealers operates from 35 Magnum Drive, where an office, warehouse and manufacturing facility was established in 2008. The Proctor Road property was purchased to increase their warehousing space.

The property is already zoned industrial and the proposal is consistent with development in the area.

Staff supported the project, which also drew support from councillors. Councillor Bill Cober noted it's great see a local company thriving and expanding in the area.

## New Vaughan hospital will serve King residents well

By Mark Pavilons

The newest hospital to be built in Ontario will serve King residents well.

Councillors and staff received an update on the new Mackenzie Vaughan hospital, but its president and CEO Alf Stationwala.

He noted they're currently involved in significant hiring over the next two years to outfit this modern and innovative health centre.

The population in the area is putting pressure on health care, and this new facility will meet the needs of residents for decades to come.

Mackenzie Health is proud of its accomplishments, which include high levels of patient satisfaction and completely digitalized record-keeping.

Mackenzie Health achieved Accreditation with Exemplary Standing for the second consecutive year, an impressive accomplishment. They met 99.8% of the 1,800 standards reviewed, a testament

to the hard work the team does to provide safe, quality health care services.

Mackenzie Health has higher volumes of patients in its emergency department than many of the large Toronto hospitals, seeing upwards of 350 patients per day. Mackenzie Health averages 120,000 patient visits, while St. Michael's gets 75,000 and Mount Sinai receives 60,000. Roughly 45 to 70 ambulances arrive at its emergency department every day.

Currently, crews are pouring the fourth floor concrete, at the facility located at Major Mackenzie Drive West and Jane Street. Interior work will continue through 2019.

Mackenzie Vaughan Hospital will also be the first hospital in Canada to feature fully integrated "smart" technology systems and medical devices that can speak directly to one another to maximize information exchange. Through modern and proven best practices, the hospital will provide state-

of-the-art healthcare and positive outcomes for patients and their families.

The new Mackenzie Vaughan Hospital will include a state-of-the-art emergency department; modern surgical services and operating rooms; advanced diagnostic imaging as well as medicine, birthing (Obstetrics), pediatrics, mental health and the York Region District Stroke Centre.

The total project is pegged at \$1.6 billion, with the government providing

\$1.3 billion.

Councillor and firefighter David Boyd said this new facility will be a "game-changer" given its proximity to King.

Mayor Steve Pellegrini called this a "remarkable project," noting the majority of King residents, particularly those in Nobleton and King City, will be served by the Vaughan facility. It's definitely "a good new story," he said.

## Contract for phase 2 of Nobleton sewers

By Mark Pavilons

The second stage of the Nobleton sewer project is moving forward. King council awarded the \$6.45 million contract to North Rock Group Ltd. to carry out the work.

Township staff noted phase one of the construction project took more than five years to complete. The cost to build the infrastructure services has escalated substantially and staff believe if phase two was delayed any longer, prices would continue to rise.

The net cost to the Township for the work, including the optional area north of Sunset Drive on Russell Snider Drive, O'Neil Court and Kohoe Court, is pegged at \$4 million.

Homeowners will be charged for the hookups, in the neighbourhood of \$21,870 per household. In phase one, homeowners were charged \$18,790 and the new price reflects an annual index of 2.34%

The Township's portion will get a boost from infrastructure reserves, a contribution from Tribute Maidenstone and Water Reserve funds.

If the work north of Sunset Drive is deferred, it will save roughly \$1.15 million. Advancing phase two of the work "represents fiscally prudent decision making, while also ensuring the principles of protecting sources of drinking water from potential contamination that may be caused by failure of private septic systems."

## Heritage and Cultural Centre tour has been cancelled

Due to unforeseen circumstances, the event scheduled for May 24 has been cancelled. It was a tour and update of the centre, put together in part by the Nobleton Women's Institute. There's no word whether it will be rescheduled in the future. For information call the centre at 905-833-2331 or email [kingmuseum@king.ca](mailto:kingmuseum@king.ca).

# Arts & Entertainment

## Nicole Crimi's art speaks from the depths of her soul

By Mark Pavilonis

A picture is worth much more than a thousand words. A painting reflects a depth of human emotion like nothing else.

King artist Nicole Crimi lets her art speak for itself. And it does, loud and clear, with a kaleidoscope of colours that evoke thoughts and feelings. For the casual observer, it's almost like witnessing creation itself.

"I paint what I can't say in words," she said, noting her art is an honest reflection of her soul, and beckons to tell their tales. "Art means so much to me. It makes me so happy to share it with others."

The 21-year-old admits she's still

finding herself as an artist. She's currently concentrating on what she calls hyper-realistic abstract, mostly because she's always looking for a challenge. The details in her paintings all tell a story and the oils she uses allow her complete freedom as they come together, and mingle on the canvases.

She simply loves bright colours that evoke energy and positivity. She stresses she's not reproducing or copying her subject matter, but rather she manipulates the colours and shapes to bring the images to life.

Her current labour of love is a pair of elephants, an image from her mind's eye. It's part of a global effort to preserve the majestic African elephant. It will go up for auction in the fall, to help support Stop Poaching Now, a Los Angeles-based charity dedicated to stopping the illegal trade of threatened and endangered species; the illegal trade of animal products, and the over-exploitation of endangered species in general. They work with partners on the ground to protect and rehabilitate animal populations threatened by poaching, and to educate children globally about the dire consequences of this trade. Their mission is to "inspire a social movement and ensure the long-term survival of vulnerable species."

The group emphasizes the negative environmental and economic impacts of these animals' diminishing population sizes. They produce educational content for mass online consumption

and seek to educate and influence global populations, dignitaries, and political leaders. For more, visit <https://www.stoppoaching-now.org>

Crimi's piece will go to the highest bidder at a gala celebration in Hollywood this coming November.

Her love of elephants grew during a recent visit to a sanctuary in Thailand. After learning about the impacts of poaching, she felt she had to do something.

Her entwined elephants with trunks outstretched presents a positive image, one that includes the infinity symbol, in hopes the species will live forever.

She hopes she captured the beauty, energy and innocence of these amazing creatures.

Here in Canada, we're far removed from the issue, but she hopes to get this message across through her art. She wants others to look at the charity and share in their efforts.

Art, she said, has so much power and it can relay so much information. Nicole's art is totally expressive and her vast array of paintings have drawn international acclaim. From portraits and landscapes to still life and wildlife, Crimi's work has one thing in common - unbridled feelings that reach out and touch the art lover.

The process for her is liberating, and she loves seeing people's reaction to her paintings. She works out her feelings and pent-up emotions by letting the canvases and the paints lead the way.

She hopes to complete a few more pieces and have a solo exhibit by the end of 2019.

Crimi attended St. Thomas of Villanova College and just graduated from McMaster University in Hamilton. She's currently looking into medical schools and plans to become a physician.

She loves people as much as she loves elephants. Her passion for reaching out with a message permeates her studies, volunteer work and her art.

Art, she stressed, is valuable in many ways. It's something to be enjoyed; it spreads awareness; it teaches and inspires. It also helps the artist herself learn and grow.

Nicole is known for her iconic role as Kylie George (Regina George's iconic younger sister) in Mean Girls). She became known for dancing to "girls gone wild" at just 7 years old. This year marks the movie's 14th anniversary and still has quite the following.

For more on Crimi's work and passion, visit [nicolecrimiart](http://nicolecrimiart) on Instagram or Facebook.

# Spectacular Heritage Music Festival lineup for 2018

The Heritage Music Festival, featuring the 68th Canadian Open Old Time Fiddle Championship, will take place Aug. 8-12, in Shelburne. Sponsored by the Rotary Club of Shelburne, the event features a variety of entertainers, including The Trews and the Beckett Family, as well as Canada's top fiddlers in competition for thousands of dollars in prizes.

Community events include camping, Bands and Brews at the Fiddle Park, a pork bbq, a giant fiddle parade, an open air market, and non-denominational church service.

The Trews have been one of Canada's most successful rock bands of the past decade, earning 17 Top 10 Rock radio singles (including two #1s) and two Gold-certified albums (House Of Ill Fame; Den Of Thieves). The quartet has also received multiple East Coast Music Awards, a CIMA Road Gold Award, an Independent Music Award (US) in 2009 for Best Rock/Metal Song, and numerous JUNO Award nominations. To date, The Trews have played over 1,000 shows worldwide, on their own as well as supporting the Rolling Stones, KISS, Robert Plant, Guns 'n Roses, Kid Rock and Bruce Springsteen. The Trews just released their new single "The New Us" and will follow up with a full album release this fall. The Trews and The Pop Machine will take to stage on Friday, Aug. 10 at 7:30 p.m.

Back by popular demand after fantastic shows in 2014 and 2015, the Rotary Club is excited to present

Linsey and Tyler Beckett on Thursday, Aug. 9 at 7:30 p.m. The Beckett Family is sure to get your toes tapin' with their arrangements of traditional country music and old time fiddling. Their show captures the corners of traditional music from Western Swing to Bluegrass, includes exhilarating step dancing, down home humour, old time fiddling, and special quests. The Beckett Family have four recordings available, "Fiddlin' 4 Generations," which included great grandpa, Elmer Beckett, "Changing Times" and "The Roots of Our Raising." Their new recording, "The View From Here," was released in 2014, and showcases some of Tyler and Linsey's recent musical influences, while still encompassing their old time fiddle roots.

The Canadian Open Old Time Fiddle Championship starts with the playdowns on Saturday, Aug. 10 at 10 a.m. at the Centre Dufferin Recreation Complex (Shelburne Arena) with the young and the young at heart (9 & Under, 10-12, and 56 and Over Classes), followed by the remaining age classes, Gospel, Group, Novelty, Bluegrass, and the Open Class.

The championship will culminate on Saturday, Aug. 10 at 6:30 p.m. and will feature the crowning of the Canadian Open Champion and Canadian Open Junior Champion, entertainment by multiple Canadian Open Old Time Fiddle Champion Louis Schryer, and the judges' showcase.

Proceeds of the Heritage Music

Festival support Shelburne Rotary's many charitable projects, including: Music and Memory Program at Dufferin Oaks Home for Seniors, BMX track at Greenwood Park in Shelburne, major contribution to the digital imaging department at the Headwaters Health Care Centre, breakfast clubs at local elementary schools, Centre Dufferin Robotics Club, Shelburne Girl Guides and Boy Scouts, a variety of minor sports, including hockey, baseball, gymnastics, lacrosse, and figure skating, Dufferin County Meals on Wheels, Hospice Dufferin,

Shepherd's Cupboard Food Bank, PolioPlus and many more!

A weekend pass is \$75. Tickets for the Trews are \$40 and \$24 for the Beckett Family. The jamboree costs \$7 at the door. Prices vary for the fiddle championships.

Order tickets by phone or in person at Holmes Appliances & Music Shop, 135 Main Street West, Shelburne, 519-925-3037 or at [www.HeritageMusicFestival.ca](http://www.HeritageMusicFestival.ca).

## Partnership with ASK endorsed

By Mark Pavilons

Reflecting the major contributions of King's arts organization, the Township agreed to a more formal, long-term partnership.

Councillors approved staff recommendations to cement the relationship with Arts Society King (ASK), following a very beneficial one-year "pilot partnership" created in 2017. Hopes were that the arrangement evolves into ongoing funding, in-kind support and profit-sharing.

Building on the terms of this initial one-year agreement, staff have worked collaboratively with ASK to create a new, longer-term partnership agreement that strives to create a lasting and mutually beneficial arrangement through which the municipality can leverage new opportunities for increasing the number and quality of arts-based programming in King.

"... a longer term partnership is a viable option for achieving several objectives that have been identified ... These objectives include ... developing and fostering strong community based partnerships and the continued strengthening of the Township's capacity to support the arts," staff wrote.

The agreement sets out a clear understanding of the expectations of both ASK and the Township, including roles and responsibilities, operational logistics, staffing, reporting procedures, etc.

The agreement has been created in consultation with ASK and it will move the Township toward a sustainable vision for culture in King.

"The agreement will also serve as a further example of the great things that can be accomplished through a municipal community partnership which is a model that will become vitally important as the municipality continues to grow and the needs of the community expand and change," staff noted.

This partnership enhances the capabilities of both parties, through sharing resources. The Township has committed to two "streams" of funding.

Councillor Debbie Schaefer stressed that ASK is an amazing volunteer organization and the Township benefits so much from their efforts. King is "exceedingly" lucky to have ASK as a partner.

# Ontario increases cancer coverage for firefighters

By Mark Pavilons

Ontario is making it easier for firefighters in York Region, and across the province, to get the help and care they need by extending the presumption for entitlement to benefits to cervical, ovarian and penile cancers.

By adding the three cancers to the list of cancers presumed to be related to their work, firefighters and fire investigators will have greater access to healthcare and compensation. With the expanded presumption, once a firefighter is diagnosed with cervical, ovarian or penile cancer, the claims process for WSIB benefits will be expedited, and firefighters will not be required to prove a causal link between these cancers and a workplace exposure.

Claims related to cervical, ovarian and penile cancers will be retroactive to Jan. 1, 1960. This will apply to full-time, part-time and volunteer firefighters, firefighters employed by band councils and fire investigators.

"Firefighters are vital to keeping our communities safe from life-threatening dangers. Every day, they risk their health and their lives to protect us and our communities. In return, we must protect them. That's why the government has made it easier for firefighters and fire investigators to qualify for workplace safety and insurance benefits," said Labour Minister Kevin Flynn.

"Firefighters put their lives on the line daily to protect our communities. I am proud that our government recognizes the importance of supporting these brave men and women. The extension of coverage to more types of cancer will make it easier for our firefighters to get the help and care they need," added Dr. Helena Jaczek, MPP Oak Ridges-Markham.

"Presumptive legislation is very important to all of who serve as firefighters. I'm glad to see the list of presumed cancers expand," said Councillor and firefighter David Boyd.

In 2007, the Workplace Safety and Insurance Act (WSIA) was amended to create a statutory presumption for firefighters and fire investigators to get compensation for heart injuries and certain cancers without having to prove they are work-related.

In 2014, the Ontario government amended the Firefighter Regulation under the Workplace Safety and Insurance Act to add six cancers to the list of diseases that are work-related: multiple myeloma, testicular, breast, prostate, lung and skin cancer.

This amended regulation makes Ontario among the leaders in this area and Ontario's firefighters among the best protected in Canada.

There are about 450 fire departments in Ontario made up of about 11,000 full-time firefighters, 19,000 volunteer firefighters and 200 part-time firefighters.

## Annual Walk for Dog Guides is Sunday

This Sunday, May 27 local residents will walk their dogs in the annual Pet Valu Walk for Dog Guides which raises funds for the Lions Foundation of Canada (LFC) initiative to train and place dog guides for people with visual or other physical disabilities. It is spearheaded in Nobleton by resident Bev Berger and Lion Jim McDonald. Last year over \$9,000 was raised for this worthwhile cause by some of the people pictured here. Registration takes place at the Gazebo by the Library at 9 a.m. and the walk starts at 10 a.m. For more information about this event visit <https://www.walkfordogguides.com/locations/walk.cfm?ID=1416>

## Nobleton Children's Theatre fundraiser a success

On Saturday, April 28 Nobleton Children's Theatre held its first gala fundraiser to raise funds for insurance, rental space fees, costumes, etc.

The Vegas-themed evening drew fun-seekers from near and far. Guests were enticed by the "Casino Royale" signature cocktail, the casino-style games, a DJ, Elvis impersonator, the amazing vocal stylings of Gabriela Wright, the delicious buffet donated by local eateries such as Sunset Grill, Alloro, Cappuccino Bakery, Silani Sweet Cheese, Dorio's Bakery, The Layered Shop and Grande Cheese.

A plethora of lucky draw and silent auction prizes were generously donated by local businesses including Kettleby Valley Camp, Raynham Eventing, Holland Marsh Winery, Nobleton Lakes Golf, YMCA Cedar Glen Camp, Nobleton Family Dental, Bathurst Glen Golf, Nobleton Optometry, WebSpa, Copper Creek Golf, King Custom Cleaners, Limelight, Arbonne Independent Consultant, Scholar's Edge, Flawless Touch, Hair Tique, KARS and Loconte Fine Meats, just to name a few. Many thanks to PharmaSave Nobleton for generously offering to sell tickets for the event in their store and the team of parents who donated their skills and time to make it all happen, especially Michelle Suomela, Deepa Sarao and Jen Muller. Don't miss the children's performance at the Nobleton Victoria Day fair.

# Awards highlight numerous contributions of King's youth

By Mark Pavilons

The contributions of King's citizens, regardless of age, don't go unnoticed.

Ten young people were singled out by the Township of King Mayor's Youth Action Team (MYAT) as recipients of the Youth Action Awards.

MYAT hosted the third annual Youth Recognition Awards Ceremony May 2, as part of the national Youth Week Celebrations. The Youth Recognition Awards aim to celebrate and recognize youth in the community who have made extraordinary contributions in various areas and to generate awareness of the value these contributions make within our community.

The MYAT, formed in 2015, is a voluntary group of young individuals between the ages of 13 and 18, whose mandate is to provide direction and to promote services related to youth, support and recognize their fellow youth, to act as an advocate to youth issues, and to support the positive assets of youth within our youth friendly community.

## Arts Award

**Grace Artus** plays both the tenor and alto saxophone and performs with both the Senior Concert Band and Jazz band at King City Secondary School. She has previously held the position of vice-president of the Music Council at KCSS and this year is the president. She simultaneously is a member of the student council and mentor to younger students.

She shares her love of music with performances at local elementary schools and is looking forward to the Jazz Band's performance at Rockford's. Grace was described by her nominator as a leader and a positive role model for those in the King community.

**Jake Colautti** plays the trombone in the Hanaford Brass Band, Kindered Spirits Orchestra and in the Symphonic Band of AMHS. He is the acting vice-president of the Music Council at AMHS and within this role spends countless hours organizing events and volunteering.

He is a very determined and motivated individual who always tries to do his very best. He is inclusive by nature and actively works to include all members of his music council and tutors his fellow students.

## Athletic Award

**Jordyn Jaffrey** is a championship athlete in the sports of cheer and ice skating. She is vital member of the King City Secondary Cheer Team, which was awarded first place at the 2015 Cheer Evolution Competition, and received second place at the same competition this year.

In addition to her school athletics, she is a competitive skater who cur-

rently holds a quadruple Gold Standing. She enjoys sharing her love of skating with others by acting as a coach to young athletes through the CanSkate program in Schomberg. Her positivity surrounding sport and fitness is truly something to aspire to.

## Empowerment Award

**Steven Dimitroff** has empowered many youth through his involvement in the King City Secondary School Grade 9 mentor program. He has helped many grade nine students transition smoothly from elementary to high school. He also supports children and youth in their development of the sports hockey and swimming by acting as an assistant coach for the King Rebel "A" hockey team and as a swim instructor.

He is a dedicated member to his various recreation and competitive athletic teams, often acting as a great motivator to his fellow teammates. He inspires those around him to push themselves and be the very best they can be.

## Community Involvement

**Lauren D'Amato** has volunteered over 260 hours within the Township of King community. She has volunteered both with the Township's Summer Camps and within her school. Her desire to help others is evident in her continued support with the annual open house for Grade 8 students, and the semi-annual parent-teacher nights.

Lauren shows great strength in the area of customer service; always aiming to support community members as much as she can. This passion has led her to pursue a career in hospitality after high school.

**Julianna D'Orazio** is the definition of a youth involved in their community. In the three years she has been in high school, she has already completed more than 450 hours of community service. This is more than 10 times the required amount for graduation.

The majority of these hours have come from volunteering in the Township's Summer Camps. She has a love of sport which she shares with her community by refereeing younger soccer players. She was described by her nominee as a versatile leader who can adapt to the needs of her group. Her dedication to her community, specifically the young people within in it, is admirable.

**Jessica Somerville** has over 500 hours of community service. Like her fellow candidates, Jessica completed the majority of these hours at the King Summer Camps. After volunteering at the Township of King, she went on to volunteer at the Ontario Federation of Anglers and Hunter's Camp, an all-volunteer Outdoor Education focused camp.

# Local youth are active and engaged in community

From Page 15

Jessica additionally stays active in the community through her involvement in the King soccer league. She is passionate about working with young people, which led her to complete a co-op placement at King City Public School where she worked with exceptional children. As a result of this experience, she has chosen to pursue a career in occupational therapy.

### Spirit Award

**Julianna Adamusiak** is described as the definition of a young woman who promotes a positive image of young people. She is a leader in the KCSS Relay for Life event, supporting both the recruitment and marketing of the event. Julianna works with the planning and implementing of the "One Match Program," which matches stem cell donors to recipients.

In Grades 9, 10 and 11, she acted as the grade representative for student council and acted as a mentor for Grade

9 students. She is described as being a hard-working and dedicated young woman who balances a part-time job, competitive sport and her various volunteer initiatives. Her enthusiasm and spirit lifts all those around her.

### Youth Award

**Maximus Zoccolante** has completed over 375 hours of community service hours volunteering both for the MS Society Car Show in Schomberg and at his church where he was an alter server.

In addition to his volunteer efforts, he is a talented musician who performs both with the King City Secondary Concert and Jazz band, while simultaneously maintaining a 90% average. He acts as a Master Mentor to younger students as well as supports the development of younger mentors. He is one of the kindest young people you will ever meet, and is an extremely motivated individual.

**Olivia Hall** is a dedicated leader and an active role model within her school and community. She is the vice-pres-

ident of her Student Council, a Head Mentor for Grade 9 students and plays in both the Senior Concert Band and the Jazz Band.

She is also an avid volunteer giving time to both the YRDSB Arts camp, her church and the Trisan Centre in

Schomberg. She helped to plan a 3-day overnight camp trip for Grade 9 students which included special guests and exam preparation. She carries herself with dignity and shows respect to everyone she meets. She truly is a role model to her peers.

## King Township Food Bank update

Visit [www.ktfb.ca](http://www.ktfb.ca) for the latest news and updates, including distribution dates, that are always the third Saturday of the month. Attendees must be aware as the first Saturday can be at the very beginning of the month, as in June, September and December this year.

This Saturday, May 19, the three distribution centres are open from 9-11 a.m. to receive those registered with the Food Bank. If you need help, please call ahead 905-806-1125 or [ktfoodbank@gmail.com](mailto:ktfoodbank@gmail.com) so food can be shipped to the appropriate centre in the right quantity for you.

The next distribution day will be Saturday, June 16, the day before Father's Day. That will also be the time for registration completion on the Back to School Program for students needing help with school supplies.

The Spring Food Drive at Schomberg Foodland was one of the most successful of their annual spring drives, bringing nearly \$2,000 of food to the Food Bank in the form of prepacked bags that are purchased by customers. Hearty thanks are offered to Rocco Macri, his staff, and the generous customers of Schomberg Foodland for their perennial support.

The annual Web Sponsorship program is just getting under way, and soon requests for ongoing support will be dropping into the mailboxes of the past sponsors of the Food Bank, many of whom have supported the Food Bank since 2009. Combined with the in-kind donations of Hillside Gardens and King Weekly Sentinel, these sponsorships account for 30% of our annual budget! In addition, the monthly offerings from Tim Hortons Schomberg and Dorio's Bakery provide off-menu treats for the recipients.

Civic Optical has been most helpful in offering free eyeglasses and frames to children with a prescription to be filled. In addition, they have recently helped an emergency situation with a senior.

Sip & Savour plans are forming, and this year all will be invited to gather on the streets of Rome. Again, the event will happen mid-to-late October. Further announcements are expected soon.

## Marylake hosts a night of prayer and music

King's Marylake Augustinian Monastery hopes to bring parishes together later this summer with a unique event.

The Monastery, located just off of Keele Street, is hosting a special event July 7, inviting all to "Light the Path for Jesus."

All proceeds will go to Queen of the Holy Rosary Shrine Charity to assist with installation of lighting on the Rosary Path at Marylake. Join them for a night of prayer, music, hors d'oeuvres and beverages. The night will start with a prayer procession on the Rosary Path, a viewing of the Stations of the Cross and will end with socialization and music under the stars. Please dress comfortably.

Tickets are \$25 per person and children under 10 are free. Visitors are asked to arrive at 6:30 p.m., with the procession starting at 7 p.m. Meet at the "Great Crucifix," at the beginning of the Rosary Path. For tickets, please contact Franca Bunnell 647-299-9049 or email [francabunnell@gmail.com](mailto:francabunnell@gmail.com). They will also be available at the door.

## Schomberg Should Know

By Wendy-Sue Bishop  
905-590-0054  
wsue52@hotmail.com

Schomberg United  
By Rev. Carol-Ann Chapman

In 2017, Schomberg United made the decision to sell the church building and since that time have been meeting in the Anglican Parish of Lloydtown, St. Mary Magdalene at 116 Church Street where we hold Sunday services at 9:30, three Sundays a month.

One of the great things that has come out of this move has been the building of a relationship with the Anglicans and Rev. Sheilagh Ashworth. Although we belong to two different denominations, what I have discovered is that we have much in common. We do what we can to support each other, recognizing that our roots are the same. We may worship differently on a Sunday morning but we both have a desire to live out the love of Jesus in community and

that community includes each other, Schomberg and beyond. I am grateful to have this connection and a place to worship that has welcomed us so warmly.

On the first Sunday of the month we worship at Kitchen Breedon Manor. People from within the residence as well as those from the community are welcome to join us. There is always someone to welcome you at the door and direct you to the service.

On the last Thursday of the month I am at Kitchen Breedon Manor for coffee between 2 and 3. Next date is May 31. If you'd like to have a chat some other time, give me a call at the Nobleton office (905-859-3976).

On Friday, June 1 we will be taking a trip with a group from Nobleton and Schomberg to L'Arche Daybreak in Richmond Hill. Daybreak is a community of people with and without intellectual disabilities who share life together and is one of 147 L'Arche communities worldwide. We will meet to share a meal and following will attend one of the weekly services held in the Dayspring Chapel at 7:30 p.m. This is an experience not to be missed. Please contact me if you want more information.

For more information, visit noble-

tonunitedchurch.com and click on the Schomberg United link.

### Presbyterian Church BBQ

It is that time of year again! It is time to enjoy barbecued chicken at Schomberg Presbyterian Church, as a break from the Schomberg Spring Fair on Saturday, May 26.

You will find our delicious chicken dinners complete with a roll, potato and coleslaw salads. Homemade pie, cookies, muffins and drinks will be available.

The BBQ takes place from 11 a.m. to 5 p.m. in front of the church. We will be selling complete chicken dinners (both quarter and half chickens) or just the chicken sold separately if you choose.

Chicken may be pre-ordered. Please call 905-939-2277 before Saturday. Payment in advance please.

### Dufferin Marsh guided walk

The Dufferin Marsh Committee invites everyone to join them for a guided walk to hear the frogs. Mary Asselstine is leading this walk and asks that you meet at the shelter on Dr. Kay in the Dufferin Marsh on Thursday, May 17 at 8:15 p.m. Please visit their website of call Mary at 905-939-7544.

### 'Bonfire and Book Buddies'

KTPL and the Township are calling out to all story-time lovers!

Together, they encourage all families to join them at Cold Creek to roast marshmallows, sip on hot chocolate and listen to Peggy and Wendy-Sue tell your favourite stories around the bonfire! All books and supplies will be provided, however, seats are on a first come basis, so please bring a lawn chair, just in case! This all happens on Thursday, June 7, from 6:30 to 7:30 p.m. at the Cold Creek Conservation Area. This is for all ages and is \$10 per family. Please call the Township to reserve your space at 905-833-5321.

### Toastmasters for Youth

King Township Public Library has partnered with Toastmasters to provide a 6-week free course for ages 12-18, starting July 3, from 6:30 to 8 p.m. at the Schomberg Library. A fun way to become a better speaker and presenter, communicate with confidence, develop your leadership skills and listen effec-

tively. Please pre-register as space is limited. Phone Schomberg Library at 905-939-2102.

### Schomberg Horticultural Society

The Schomberg Horticultural Society is very pleased to welcome our next great speaker. With all the threats to our trees, it is timely to have Edith George speak on the topic "Heritage Trees - Preserving our Natural Roots."

Her passion for heritage trees brings her to places across Ontario answering the questions, "what is a heritage tree?" and "why should they be protected?"

People come away from her presentation looking at trees with a different viewpoint. As more people learn about the importance of our natural roots, they'll understand the need for identifying and preserving this special part of our history that is often overlooked and even taken for granted. You are invited to stay after the presentation to chat and ask questions of Edith while enjoying some light refreshments.

Join us on Tuesday, May 29 at 7:30 p.m. in the Schomberg Community Hall, 325 Main St.

Meetings are usually held on the fourth Tuesday of the month from March to June and September to October (six meetings in all). We welcome guests and new members - individual membership is \$20 per year and the family rate is \$25. On regular meeting dates, you can also choose to pay \$3 per session at the door.

### York Pines United

Yoga in Spirit with Stacey Hollings has returned to YPUC on most Tuesdays. Classes run from 7 to 8:30 p.m., May 22, 29 June 5 and 12. Newcomers are always welcome.

### Schomberg Lions breakfast

Schomberg Lions are having their annual and long-awaited Pancake Breakfast on the Sunday morning of the Fair, May 27, from 8 to 11 a.m. Adults are 8\$ and children 5\$. This will be in the Schomberg Fair Beer Tent.

### KCSS reunion

A big reunion in the works for the students of the '60s who attended KCSS. This will happen at Black Forest Garden Centre on Saturday, June 16, from 11 a.m. to 6 p.m.

## Canadian Premier League set to kick off in York Region

By Jake Courtepatte

There is always room for more footy in the soccer hotbed of York Region.

That was the thought process of the York Sports and Entertainment organization when they announced last week the formation of "York 9 FC," the first of eight clubs that will kick off the inaugural Canadian Premier League season.

"I have spent my whole life in here. The time is right for York Region to develop its own identity," said Jim Brennan, part owner of the team and past president of the Aurora FC. "This is a booming area that is diverse, youthful and passionate about football. It is our goal to ensure that when York 9 FC steps on to the pitch, it will reflect what our community is all about."

Brennan joins local housing developer Carlo Baldassarra, owner of Grennpark Group, and businessman Preben Ganzhorn in creating the first club to bring together each municipality of the region under one emblem.

Aurora, East Gwillimbury, Georgina, King, Markham, Newmarket, Richmond Hill, Vaughan, and Whitchurch-Stouffville are all represented by the bars in York 9 FC's vibrant green emblem, which symbolizes York Region's forests. The charcoal grey and black-on-black close out the logo's colour

pallet and represent the Black Creek River.

"Our club, York, is about the nine municipalities," said Brennan. "We want to create a culture where everyone in York Region looks and says, 'This is our pro club.' If they still want to support Toronto FC, absolutely, of course, it's a fantastic club ... but we really want people in York Region to understand this club is all about the community and York 9 represents every single municipality."

The fledgling club is the first to debut its colours among the eight that are expected to compete in the first CPL season, joining Hamilton, Calgary, Winnipeg, and Halifax as established locations.

Edmonton and Ottawa are widely expected to be confirmed as locations in the next few weeks, while a group based in British Columbia have yet to choose a landing spot.

Expected to sit one level below the top-tier Major League Soccer on the North American system, CPL Chairman David Clanachan is hoping to fill a gap between youth sports and pro soccer without forcing athletes to go overseas.

"It's unconscionable to think a country the size of Canada, the 10th largest economy in the world, does not have a premier league," Clanachan said. "And

The York 9 FC, of the Canadian Premier League, represents all 9 municipalities in York Region.

we're the only country in the top 10 that does not have a premier league."

According to Stats Canada, soccer is the fastest growing sport in the country, with more than 10 per cent of Canadians playing at least once a week.

York Region has close to 60,000 registered soccer players.

"The demand's here, the support's here," Brennan said. "The one thing we were missing in the region was actually

having a pro club. And now we've been fortunate enough to bring one here."

York 9 will play their inaugural, and most likely second, seasons out of the York University Stadium, though Ganzhorn said the organization will be looking for a location in York Region to build a 12,000-15,000-seat stadium, similar to those in Europe or Central America.

"We've already had a bunch of meetings with different parties in the region," said Ganzhorn. "We've looked at some fantastic places where we can build stadiums, but it's a work in progress right now to figure out where we want to build, what the infrastructure is like in the area."

## Former Ironman champion releases new book

By Jasen Obermeyer

Lisa Bentley, a resident of Caledon and a former triathlete, has released her first book, which she hopes will help others carve out their own path to success.

Called "An Unlikely Champion," she described it as chronicling her path "from 'no-talent' high school runner to champion triathlete, and 'my transition from hiding my cystic fibrosis to seeing it as a gift that enables me to bring hope to others and meaning to my own career.'"

The book is not about winning races or Cystic Fibrosis (CF). "It is about finding a path to fulfillment even when every path looks impassable," and "having the courage to get out of your comfort zone, to never stop learning and to turn seemingly inevitable failure into victory."

Bentley, 49, said writing the book wasn't difficult, and felt amazing to write it. "I really had to look inside myself."

She competed on the Ironman race series since the late 1990s, winning 11 Ironman competitions from 2000 to 2007; her best was finishing third in 2006. She also won seven Ironman world championships, her highest placement being second in 2006.

"I've learned so many things through racing. As I evolved as an athlete, I had to learn tactics to be successful."

She represented Canada on multiple national teams and at the Pan American Games and was ranked top 5 in the world for a decade. She competed at the highest level despite having cystic fibrosis, a genetic lung disease resulting in chronic infections and limited lung capacity.

"I trained hard, I worked really hard and I managed my illness."

An Ironman Triathlon is a series of long-distance triathlon races, that consists of a 3.76 kilometer swim, then a 180.25 kilometer bicycle ride, followed by a 42.20 kilometer run, all without a break. It is often considered one of the most difficult one-day sporting events in the world. Most Ironman events have a limited time of 17 hours to complete the race.

She explained she would get up early, to ensure there no distractions, and with repetition, it was just like any other situation to prepare for. "Those are tactics of a high achiever."

A runner in high school and university, Bentley decided to do a triathlon when she met friends in university, and decided to do it as a social event. "It was the greatest thing."

She described them as fun, and helped improve her running.

"I thought it was just such a great way to stay fit, great way to meet nice people, and it still is."

Athlete and now author Lisa Bentley with her newly published book *An Unlikely Champion*. The former Canadian triathlete won 11 Ironman competitions, despite being diagnosed with Cystic Fibrosis.

Photo by Jasen Obermeyer

Bentley said the triathlon is challenging, but "living in the moment is what it's all about. You don't want to think too far ahead. You want to anticipate things, but you really want to be completely enrolled with it."

For her, the best part was the run, but being at the end it is the hardest.

"So if you haven't been keeping on top of your nutrition or hydration, it'll always creep up on you on the run. Doesn't matter how good of a runner you are."

She said when she was diagnosed with CF in university, it was late, because usually you're typically diagnosed shortly after birth.

"It explained why I had been sick as a kid, it explained why I was always on antibiotics."

Bentley said that she looked at it as a benefit, and her "internal desire" is what pushed her to keep going, thinking of other diagnosed with CF and those who would love the chance to compete in the race.

She added that by not doing her best and not having a good time would "be against everything that I was raised to believe."

To order her book, visit [www.AnUnlikelyChampion.com](http://www.AnUnlikelyChampion.com).

## Annual We Care Charity golf event

The stage is set for the 5th annual Friends of We Care Charity Golf Challenge, raising funds to send children with disabilities to summer camp.

This year's event will be held Thursday, June 14 at Kettles Creek Golf Club, Cardinal's executive course, to raise funds for Friends of We Care, an organization that has been in existence for 35 years with the sole purpose of raising money to send children with disabilities to summer camp.

Following golf there will be a buffet lunch on the patio and a small silent auction.

They are thrilled to have four-time Canadian Olympian skier Brian Stemmler as the special guest once again.

The cost is only \$95 per person to play including taxes and handling fees and is limited to 72 players. Tee and green sponsors are only \$100 so register and or sponsor a hole early to secure your spot in this great community event. Also if you would like a power cart please book them online during the registration process. Power carts are \$13.56 per person.

According to event chair Brent Morning, it costs approximately \$250 per day to provide special facilities to each child at the Easter Seals camps, and since 1983, Friends of We Care has provided enough for over 78,000 days of camp for kids with disabilities across Canada.

For more, email [brent@charitygolfchallenge.ca](mailto:brent@charitygolfchallenge.ca) or visit [www.charitygolfchallenge.ca](http://www.charitygolfchallenge.ca) or call Morning at 905-841-5735.

## Trigeminal Neuralgia

**New Approach Delivers  
Remarkable Results**

Trigeminal neuralgia is a neuropathic disorder of the trigeminal nerve that causes episodes of intense pain in the eyes, lips, nose, scalp, forehead, and jaw, with the majority of cases being unilateral. Trigeminal neuralgia can be a challenging painful condition to treat and/or manage.

This lancinating pain is typically in the distribution of the second and third divisions of the trigeminal nerve and can be triggered by facial movement, cold temperature, talking, oral/dental surgery, viruses and other common activities. The syndrome presents as classic episodes of shooting pain in areas of the face. The disorder is frequently associated with gradual worsening of the pain pattern and shortening of pain-free intervals.

You may find that your pain or stiffness affects your work and personal life or other activities. You go to the drug store or to your doctor and get pills to help relieve your pain. But you find the pain keeps returning. Alternatively, the doctor may refer you to a specialist who may tell you that surgery is needed or is an option for you.

However, many people are hesitant to have surgery given its invasive nature. It is important to know that although surgery is sometimes necessary, it is considered a last resort in most cases.

Also, you may have heard that there are serious health risks associated with chronic use (or overuse) of pain pills or anti-inflammatory drugs that include damage to the liver, kidneys and gut.

There is a new, natural, safe and highly

effective approach that has helped many sufferers improve their lives dramatically: Laser therapy uses light to favor and accelerate the body's natural healing processes. The innovative Multiwave Locked System (MLS) Laser produces a safe, efficient and simultaneous effect on pain, inflammation, swelling and water retention, exceeding the limits of traditional LLLT (Low power) and concerns of HP (High power) laser therapy. The clinical efficacy of laser therapy in the treatment of trigeminal neuralgia is well established in many studies.

### What does this mean for you?

Our patients have reported a 90-95% relief of their symptoms, more mobility, increased flexibility and vastly improved function!

It is the very latest in medical technology, with years of clinical studies supporting its safety and efficacy and we are very proud to offer our patients effective solutions to their recent or chronic conditions.

"This new, natural, safe and highly effective approach has helped many sufferers improve their lives dramatically."

*Come in and allow us to help you achieve the results you deserve! Call (905) 773-2225 to book your FREE consultation and examination at King West Wellness Centre 141 King Rd., Unit 10, Richmond Hill (In the Home Hardware Plaza)*

# The EQUUS Film Festival gallops to Headwaters region

The EQUUS Film Festival gallops along with four stops scheduled across the United States and an exclusive engagement in Canada.

Founded in 2013, the annual Film Festival takes place in New York City in November. In 2017 the EQUUS Film Festival presented over 80 films and over 60 WINNIE Awards including Equestrian Art Film, Director, Documentary, Commercial, International, Music Video, People's Choice and Best of Festival. The next tour stop is the Headwaters region, this July 20-22.

Headwaters Tourism is proud to announce that this region of Ontario will be the first and only Canadian stop of the highly acclaimed EQUUS Film Festival. For three days in July 2018, the historic Town Hall Opera House in downtown Orangeville will serve as the main stage venue for 19 films from across the world, celebrating the horse and the art of film-making.

Hundreds of films have gained recognition, found international distribution, and reached global audiences via the Festival. Film holds the power to experience a story in the most compelling way. The Festival empowers film-

makers to share their unique stories in the most optimal setting, a movie theatre.

Founder and Director, Lisa Diersen said: "My goal is to show the world how horses can bring everyone together regardless of race, age, gender, abilities or disabilities. I am thrilled to partner with Headwaters Tourism to bring the Festival to Canada to share the wonderful world of horses and everything they can do to enrich our lives. I can't think of a better location than Headwaters Horse Country to share the art of equestrian storytelling."

Take this opportunity to secure your seat for the hottest ticket in Horse Country! Tickets are now on sale for the All-Access Festival Pass. All-Access Passes include the Friday night VIP Gala Reception and film screenings, and reserved seating for all films on Friday evening, Saturday afternoon, Saturday evening and all day Sunday.

Passes are available online at [equus-filmfest.ca](http://equus-filmfest.ca) or phone 519-942-3423 ext. 2800/1-800-424-1295. Sales for individual blocks of tickets open June 1 and prices range from \$25 to \$75 for the VIP night.

Promoting the EQUUS Film Festival are (l to r) Monica Zambrano, Evanov Radio Group; Susan Gallimore, Town of Caledon; Michele Harris, Headwaters Tourism; John Brennan, Councillor - Town of Erin; Maria Britto, Mario Britto Real Estate; Rob Mezzapelli, Caledon councillor; Ross Millar, Ross Millar Group; Karen O'Brodovich, Executive Producer - EQUUS Film Festival; Carol Greenwood, TIAO; Miranda O'Connor, Art of Storytelling; Constance Scrafield, Orangeville Citizen; Taylor Poelman, TIAO.

By **Angie Maccarone**  
416-917-0406

## St. Paul's Church

The dates for Bible Fun Camp have been set – July 9 to 13 for ages 4 to 12. This year's theme will be "Shipwrecked: Rescued By Jesus." Registration forms will be available soon, so save the dates.

The Community Youth Group gathers every Thursday night at the church from 7-9 p.m. (unless there is a special activity planned). Come join in the fun. Check here for details, or contact our Youth Leader, Taylor Scott at [scottie\\_tay@yahoo.ca](mailto:scottie_tay@yahoo.ca) or 905-859-0843.

A2J is a program for kids in Grades 3 to 6. It's an evening of Bible stories, songs, games, crafts, self-confidence building and lots of fun. A2J meets on the second and fourth Fridays at 7 p.m. It's not too late to join. Contact the church office at 905-859-0843 for more information.

Jeff will continue with his series in John, this week's message entitled, "CROSSING THE LINE?" We offer ministry to children aged 0 to 11 during worship. Following the service we have

a great time catching up with each other over coffee and goodies.

Jeff's messages are posted at [www.passionatelyhis.com](http://www.passionatelyhis.com) each week. They are also on Facebook Live and are available on the church's Facebook page (@stpaulsnobleton) for viewing.

For more information about ANY of our activities or events, please contact the church office or visit our website at [www.stpaulsnobleton.ca](http://www.stpaulsnobleton.ca).

## Nobleton United By Rev. Carol-Ann Chapman

One of the first things I was told about Nobleton when I came was that I couldn't miss the Victoria Day events. This year Nobleton United will have a booth at the fair with a "fish" pond where young fishers can have some fun and receive a prize. I'll be there for the day and hope you will stop by and say hello.

You may have read that I am at Tim Hortons on Wednesday mornings. I started stopping by each Wednesday to meet and say hello to some of the locals. This has turned into a weekly visit between 9 and 10:15 and a wonderful way for me to connect with members of the community. If you happen to be there

at that time, please come and introduce yourself.

On Friday, June 1 we will be taking a trip with a group from Nobleton and Schomberg to L'Arche Daybreak in Richmond Hill. Daybreak is a community of people with and without intellectual disabilities who share life together and is one of 147 L'Arche communities worldwide. We will meet to share a meal and following will attend one of the weekly services held in the Dayspring Chapel at 7:30 p.m. This is an experience not to be missed. Please contact me if you want more information.

Sunday services are at 11:15 a.m. We provide childcare the second Sunday of the month, and children are always welcome in the service.

For more info, visit [nobletonunit-edchurch.com](http://nobletonunit-edchurch.com), our Facebook page, or call 905-859-3976. The Church office is normally open on Tuesday, Wednesday and Thursday mornings. Messages are picked up regularly. Nobleton United is on the north side King Rd., about 6 buildings west of Hwy 27. We have a large parking lot, an accessible ramp, chair lifts and accessible washrooms. We warmly welcome everyone with an inclusive faith and open hearts.

## Nobleton Lions

The Pet Value Walk for Dog Guides is planned for this Sunday, May 27. This walk helps provide funding for six different specialty streams including Canine Vision Dogs, Hearing Ear Dogs, and Service Dogs to help challenged Canadians overcome a variety of impairments. Check out [www.walkfordogguides.com](http://www.walkfordogguides.com) for much more information.

After that comes the Nobleton Lions Annual Fund Raiser on June 3. This year the event is a Charity Golf Tournament to be held close to home at Nobleton Lakes Golf Course. This is the major fund raiser for the Lions Club, with proceeds planned to go to numerous organizations in and around town. Golfers and hole sponsors are invited to call Jim Kassam at KARS on King Rd west of Hwy 27 at 859-5277.

## Horticulture By John Arnott

"It's the 24th of May, the Queen's Birthday, if you don't give us a holiday we'll all run away" goes the old Canadian school boy rhyme.

### 602 ARTICLES FOR SALE

Custom-designed, one-of-a-kind men's ring. It combines 3 apple green Colombian emeralds of .15 carats each, for a total of .45 carats. They are joined by roughly .28 points of small diamonds of decent quality. They are set in 14kt gold and the ring weighs roughly 10 grams. It's also roughly a size 10. Truly unique, will get attention. Worn only a dozen times. Daughter in university, need I say more? Asking \$2,100. Make me an offer. Email [mpavilons@rogers.com](mailto:mpavilons@rogers.com)

### 505 GENERAL HELP WANTED

## Freelance Reporter for Local Community Newspaper

Come join a dynamic, fast paced, growing entrepreneurial company looking for an energetic Freelance Reporter with a passion for community news. The ideal candidate will have a distinct willingness to cover local community events and issues.

### DUTIES AND RESPONSIBILITIES:

- Freelance reporting work for weekly community newspapers and special projects
- Will produce stories and bylines for the events they cover
- Will be paid on a freelance/contract basis per project/story
- Generate story ideas and follow up on news tips
- Take photographs
- Work some evenings and weekends, as required

### QUALIFICATIONS:

- Diploma in journalism preferred
- Candidates should have experience working on the editorial side of the newspaper industry
- Excellent writing, editing and photography skills
- Valid driver's license and a reliable vehicle
- Reporting experience an asset
- An interest in local issues is a necessity, as the majority of the writing for this role will be local

## Let's Talk.

Interested and qualified candidates should forward their cover letter and resume to [brock@auroran.com](mailto:brock@auroran.com)

Well if you're going to run anywhere Nobleton-King City Horticultural Society /garden club (N-KCHS/gc) wants you to run to its much anticipated plant sale being held 10 a.m. till 4 p.m. on the grounds of the Nobleton arena just off Hwy. 27 at the King Rd. on Monday, May 21 as part of Nobleton's famed Victoria Day celebrations to honour the Royal occasion.

This is no ordinary plant sale as it features popular perennials, freshly dug from members' gardens and often includes plants you'll find no other place. Quality plants, some rare, at bargain prices. Wow!

Got gardening questions or a plant you can't identify? One or more of the veteran gardeners at our booth will surely be able to help.

Find out about easy to grow showy plants that kids can grow themselves! An amazing learning experience and a way to introduce them to the wonderful world of gardening-a constantly fascinating lifelong hobby.

Got plants you can donate to our stellar sale? Contact one of our co-presidents at klavis@cambridgedesign.ca or lking149@hotmail.com Please no

invasives - bugleweed, goutweed, periwinkle, mouse ear chickweed/snow-in-summer, forget-me-nots or wild blue violets.

And in honour of our Diamond (60th) Year the society will reprise their past with a float in the parade no less.

As well keep in mind the society's upcoming meeting and flower show a week later on Monday evening May 28, starting at 8 p.m. in the Nobleton Community Hall just east of Hwy. 27 at the north end of the arena complex. Guest speaker author-educator Robert Pavlis's presentation will debunk many long held gardening myths.

Don't want to carry plants around with you as you take in the Victoria Fair attractions? Well N-KCHS/gc members manning the sales booth will happily baby sit purchased plants up till 4 p.m.

What more could you ask?

**Anglican Parish  
By John Arnott**

"Now as he (Yeshua) blessed them (his 11 closest associates), he withdrew from them and was carried up to heaven. (Luke24-51-52).

This event that is thought to have taken place on the Mount of Olives is

known to Christians as the Ascension and marks Yeshua's last moments on Earth.

The Anglican, Eastern Orthodox and Roman Catholic Churches observe this happening on a Thursday 40 days after Easter - this year Thursday, May 10, but most Protestant churches no longer observe it.

In the Anglican Church Ascension-tide once was a separate short season in the church year as was Whitsuntide that followed. Both are now part of the 50 day celebration of Easter.

In Yeshua's day the universe was seen as a rigid 3 layered construction - a flat Earth centred on Jerusalem with heaven above and the underworld beneath. The blue sky (or firmament) was seen as the underside of the heaven's floor which was made of flawless lapis lazuli, a semi-precious stone found principally in Afghanistan and a particular favourite of Egyptian pharaohs. Souls of the good ascended to this heavenly floor which was believed to support God's palace at the centre of His heavenly kingdom and no doubt Yeshua the "goodest of the good" went there, too.

Only the gospels accredited to St. Luke and St. Mark mention Yeshua's ascent to heaven and then very briefly

almost hesitantly and neither of these men were eye witnesses to the event. There is an account of the ascension at the beginning of the Book of Acts (of the Apostles) and many biblical historians claim this New Testament book along with St. Luke's Gospel were written many years after the events described therein by the same anonymous author who wasn't an eye witness and likely had no direct contact with anyone who was. Luke's account tells that Yeshua went with the 11 disciples to the outskirts of the village of Bethany and here the ascension took place. Is it then possible to assume his dear friends Lazarus who some claim is the "beloved disciple" with his sisters Mary and Martha all of whom lived in Bethany were witnesses as well?

And in Luke it strongly suggests Yeshua ascended at Easter the day of his resurrection not 40 days thereafter throwing into question accounts his appearances on Earth during the 40 day before the date of his traditional ascension!

Holy Communion services are held even on Sunday mornings starting at 9:30 a.m. in Christ Church, Kettleby on Kettleby Rd. and at 11:15 a.m. in St. Mary Magdalene's in Schomberg.

# King's Corners

**King City United  
By Sheryl Sinka**

Thanks to the many volunteers who came out on Saturday for the yard clean up, they did a great job inside and out. Special mention goes out to our youngest rakers, Alexandra and Arden Estabrooks, for the great job they did on the lawn and sidewalks.

The Bell Choir did delight as promised on Sunday with two wonderful selections and is always open for new ringers. If you are interested in being part of a bell choir, contact Sandra Kirby through the church office.

If you love fresh fish get ready! The

Manitoulin Island Fish Fry is on Friday, June 8, from 4:30-7 p.m.

Cost is \$20/adult, \$10/child (6-12) and children 5 and under are free. For tickets call the church office.

If you looking for a chat about anything or everything, Tea and Talk (AKA "Coffee and Conversation") meets at 10 a.m. on Fridays at the Sunset Grill (1700 King Road, King City).

Sunday worship is at 10 a.m.

For information please contact the church office: 905-833-5181.

## King Bible Church

Join us this Sunday as Pastor Mark will be starting our new sermon series "Jonah-God's Unrelenting Pursuit."

"You can run, but you can't hide!"

God's love is too big, too great, and too fast to escape. Jonah finds this out first hand and, in the process, finds out just how much God loves him ... others ... and us."

Please take advantage of our excellent children's ministry. Our Sunday morning "Celebration Zone" provides age-appropriate programs for children aged 4 to Grade 8. Our children's program is staffed by screened volunteers who care about your kids! The children in JK-Grade 8 will be in the service for the beginning until they are invited to go downstairs. If you have children aged 0-3 then we invite you to bring them to our beautiful and safe nursery facilities which are located on the lower level.

Caregivers will meet you there.

Vacation Bible School 2018. We invite your kids to a super week at "Hero Central" where they will discover the qualities that will make them truly heroic in God!

VBS will be the week of August 13-17. Morning only program will be from 9-12 (\$20 per child) and full day option with afternoon electives will be from 9-4 (\$75 per child). Payment can be made by mailing a cheque or stopping by the King Bible Church Office (Tuesday to Thursday from 9:30-3). You can mail or email your registration form or bring it by the office.

We welcome children who have completed JK through Grade 7 (2017-2018). We look forward to another fun week with your children!

**St. Andrew's  
By Kathy Patterson**

St. Andrew's welcomes you to wor-

ship with us Sunday at 10:30 a.m. David Lee, a ruling elder of the Markham Chinese Presbyterian Church (MCPC) and a graduate of Tyndale University College and Seminary, will be preaching. School-aged children up to Grade 6 will leave the sanctuary for Sunday school after our Youth Time. A nursery is available. Following the service, join us for refreshments.

The following Sunday, May 27, the Rev. Paul Johnston, our Interim Moderator from MCPC will lead us in worship and preside over Communion.

Last Sunday we looked at another road found in Acts 8:26-40 - the desert road from Jerusalem to Gaza where Philip, having obeyed God's call to go and find the Ethiopian eunuch, found him reading scripture that he didn't understand while in his chariot on his way home to Ethiopia. He was "an important official of the Queen of Ethiopia, Queen Candace." Lynn Vissers explained that Philip was used of God to explain the scriptures to him and as a result, the eunuch requested to be baptized and it is said that he started the Christian Church in Ethiopia. Are we listening and obeying God's call to us?

The congregation received two lovely surprises for Mother's Day! Lynn and Ronin Bray handed out beautiful yellow roses following the service and the HanWool Presbyterian Youth greeted us with handmade corsages! A special thank you to all for these beautiful and thoughtful gestures.

Mark your calendars and plan to come to our next "Messy Church" at 5 p.m. with a communal supper following at 6 p.m.

*More on Page 27*

## King City Senior's Centre activities

By Carol Kanitz

Reminder: Our next pot luck lunch will be held tomorrow (Friday, May 18). We have a change in guest speaker. Spark Innovations, a local enterprise, is a product engineering and development firm that helps people bring their unique ideas to market.

Chris Pearen, the design director of Spark, will share some of these unique inventions with us. Attendees are asked to bring a main course or a dessert. Lunch begins at 12:30 p.m.

The Mennonite trip has been rescheduled with a different tour operator. It will now take place on Thursday, July 12. Included in the trip are Pootcorners Alpaca farm; lunch at Anna Mae's; buggy ride tour; St. Jacob's Farmers Market. Cost is \$80 per person. Watch for details in the next newsletter or on our website. Sign up by calling Agnes at 905-841-7390 or Jayne at 905-853-1436. There is also a signup sheet at the Centre.

To reserve tickets for our annual BBQ on Friday, June 15 call Mary at 905-833-0448. The cost is \$10 per adult or \$5 for children under 12. More details to follow.

Updated information can be found at our website - www.kingcityseniors.ca

# King's Corners

From Page 26

This is a free, fun-filled intergenerational family time and we hope you can be with us.

Coffee and Conversation led by Lynn for men and ladies continues on Tuesday mornings in the church office at 10-11 a.m. and Soup's On for working ladies is held Tuesdays at 6-7 p.m. These are wonderful opportunities to be together in small groups, learning from God's Word. Interested in coming to

one? Let us know. We'd love to have you.

Prayer Walks are taking place during the week day mornings. Jesus said, "For where two or three come together in my name, there am I with them." (Matthew 18:20) God is there with us! Let Kathy Patterson know if you're up for a Prayer Walk or want to meet for prayer and coffee. (905-833-0391).

Should you have pastoral care needs please contact Lynn Vissers, our Director of Congregational Ministries at the office or at 905-833-5762 or contact our Interim Moderator, the Rev. Paul Johnston, 705-341-7738.

Our church office number is 905-833-2325. We are located at 13190 Keele St., 2 blocks north of the King Rd. A ramp is available for accessibility. [www.standrews-kingcity.ca](http://www.standrews-kingcity.ca)

## All Saints Anglican Church By Patrick Gossage

Jerusalem Sunday – words to live by and an invitation. Our incumbent, Rev. Dr. Elizabeth reflected on the ascension last Sunday – a critical event in Christian belief.

The disciples returned from Bethany to Jerusalem with the inspiring story of Christ's being taken up into heaven still blessing them "... the promise of blessing was continuing as Jesus left them. Blessings continue. Jesus's blessings do not end. I wonder how many times the disciples must have retold the story of how Christ parted must have been a continual source of comfort and strength to the church," she said and reminded us that "God in Christ blesses us, when we bless one another."

She then spoke of Jerusalem and its central role in the life, death and res-

urrection of Christ. "This is a city to which all nations will come, the place of righteousness and peace for which all long," she said and she pointed to the work of reconciliation and peace that is so important in the life of the Episcopal Diocese of Jerusalem today. "We are called to acknowledge the love for Jerusalem in the hearts of those of other faiths, and cultures, and to model Christian love in our relationship with them."

She said, Rev. Dr. Elizabeth made a spiritual pilgrimage to the Holy Land last year and invited anyone interested to accompany her on another trip this January. She described the experience as "beautiful, challenging, intense, and deeply spiritual."

Next Sunday is a holiday weekend and we have our usual services at 8 a.m. in the chapel and 10:30 in the main church – all are welcome. And if you are at the cottage think of supporting a local Anglican church – it will be appreciated!

## Lecce launches campaign

Surrounded by over 250 energized supporters and members of his family, Stephen Lecce, Ontario PC Party candidate for King-Vaughan, officially launched his campaign for change as the next MPP. He delivered a passionate speech in front of an enthusiastic, packed audience, noting that Ontario is ready for change. He was joined by several guests, including Caroline Mulroney (Ontario PC Party candidate for York-Simcoe), Mark DeMontis (Ontario PC Party candidate for York South-Weston), the Honourable Tony Clement (Member of Parliament for Parry Sound-Muskoka), Linda Pabst (councillor in the Township of King), and leaders of various local and ethno-cultural associations.
